Paperwork Reduction Act

The Paperwork Reduction Act of 1995 defines “collection of information” as a requirement for “answers to * * * identical reporting or recordkeeping requirements imposed on ten or more persons” (44 U.S.C. 3502(3)(A)). The collection requirement associated with this Notice is expected to receive less than 10 respondents and therefore the Act does not apply.

Overview Information

Federal Agency Name. Rural Business-Cooperative Service.

Opportunity Title. Rural Business Investment Program for Non-leveraged RBICs.

Announcement Type. Subsequent announcement.

Catalog of Federal Domestic Assistance (CFDA) Number. The CFDA number for the program impacted by this action is 10.860, RBIP.

Dates. The Agency will conduct compliance exams on an annual basis, or until such time the Agency determines otherwise.

Availability of Notice. This Notice is available on the USDA Rural Development Web site at: <http://www.rd.usda.gov/programs-services/rural-business-investment-program>.

I. Background

Subtitle H of the Consolidated Farm and Rural Development Act, as amended (7 U.S.C. 2009cc *et seq.*) establishes RBIP.

The terms defined in 7 CFR part 4290 are applicable to this Notice.

The RBIP promotes rural economic development through venture capital investment by for-profit RBICs. The mission of the RBIP is to encourage economic growth, innovation, and entrepreneurship by sharing in the financial success of privately owned and managed venture capital investment funds, for the benefit of America's small rural businesses and the customers and communities they serve.

Under RBIP, USDA may license RBICs as either leveraged or non-leveraged. The Agency began accepting applications for non-leveraged status under RBIP on August 6, 2012.

The purpose of this Notice is to define the scope of the annual compliance

review for each operating non-leveraged RBIC.

All licensed RBICs are subject to regulatory compliance examinations by USDA under 7 CFR 4290.690. The examination objective is to evaluate and conclude whether the RBIC has appropriately complied with USDA program regulations in 7 CFR part 4290. The examination determines whether investments made by the RBIC were to eligible entities and for authorized purposes under program regulations.

II. Examination Provisions

This section of the Notice identifies the procedures the Agency will use in the compliance examination of non-leveraged RBICs.

Procedures

A. In accordance with 7 CFR 4290.690, the Agency will conduct each year an examination of each non-leveraged RBIC for the sole purpose of evaluating regulatory compliance.

B. The Agency will conduct these regulatory compliance examinations using Agency rules located in subparts G, H, and I—as modified by subpart O—of 7 CFR part 4290 for non-leveraged RBICs.

C. The Agency will apply the definitions of 7 CFR 4290.50 to RBIC examination reports and work papers.

D. The Agency will examine the operations of the RBIC; it will not examine the investors in the RBIC.

E. The Agency will determine whether each investment made by the RBIC is eligible based on the regulations defined in 7 CFR part 4290; the Agency will not examine the quality of the investments made by the RBIC.

F. The Agency will conduct the examination of a non-leveraged RBIC off-site, absent specific authorization from USDA for on-site visits.

G. The Agency will provide a copy of the final examination report and its conclusions to the RBIC.

H. If the portfolio concerns were determined to be ineligible under 7 CFR 4290.700(e) during the compliance examination, the RBIC will have until the end of their next fiscal year to remedy the non-compliance. If the RBIC fails to comply with the Secretary's remedy, the Agency may, in accordance with 7 CFR 4290.3041, revoke the license of the RBIC.

I. As amplified in this Notice, the Agency reviews the RBIC for regulatory compliance only. The Agency does not make any assessments, evaluations, warranties, or representations with respect to any aspect of the financial performance of the RBIP, its investments, or its investors, including

their financial strength, likelihood of success, or the quality of, or return on, any investments. The review done by the Agency is strictly for its sole benefit and not for the benefit of any third party. All participants and investors in RBIPs must do their own independent due diligence.

III. Nondiscrimination

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the responsible Agency or USDA's TARGET Center at (202) 720–2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877–8339. Additionally, program information may be made available in languages other than English.

Census Bureau

Proposed Information Collection; Comment Request; Generic Clearance for Customer Satisfaction Research

AGENCY: U.S. Census Bureau.

ACTION: Notice.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995, Public Law 104-13.

DATES: To ensure consideration, written comments must be submitted on or before August 15, 2017.

ADDRESSES: Direct all written comments to Jennifer Jessup, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6616, 14th and Constitution Avenue NW., Washington, DC 20230 (or via the Internet at PRAComments@doc.gov).

FOR FURTHER INFORMATION CONTACT: Requests for additional information or

copies of the information collection instrument(s) and instructions should be directed to Rebecca E. Vilky, 301-763-2162, U.S. Census Bureau, HQ-8H172F, Washington, DC 20233-0500 (or via email at rebecca.e.vilky@census.gov).

SUPPLEMENTARY INFORMATION:

I. Abstract

The Census Bureau is requesting generic clearance to conduct customer satisfaction research which may be in the form of mailed or electronic questionnaires and/or focus groups, telephone interviews, or web-based interviews.

The Census Bureau has ranked a customer-focused environment as one of its most important strategic planning objectives. The Census Bureau routinely needs to collect and analyze customer feedback about its products and services to better align them to its customers' needs and preferences. Several programs, products, and distribution channels have been designed and/or redesigned based on feedback from its various customer satisfaction research efforts.

Each research design is reviewed for content, utility, and user-friendliness by a variety of appropriate staff (including research design and subject-matter experts). The concept and design are tested by internal staff and a select sample of respondents to confirm its appropriateness, user-friendliness, and to estimate burden (including hours and cost) of the proposed collection of information. Collection techniques are discussed and included in the research, concept, and design discussion to define the most time-, cost-efficient and accurate collection media.

The clearance operates in the following manner: A block of burden hours is reserved at the beginning of the clearance period. The particular activities that will be conducted under the clearance are not specified in advance because they would not be known at the beginning of the clearance period. The Census Bureau provides detailed information to the Office of Management and Budget (OMB) about the specific activities a minimum of two weeks prior to the planned start date of the collection. OMB provides any comments it may have prior to the start date of the planned activity. At the end of each year, a report is submitted to OMB that summarizes the number of hours used as well as the nature and results of the activities completed under the clearance.
