information collection described in Section A.

The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on February 14, 2017 at 82 FR 10586.

A. Overview of Information Collection

Title of Information Collection: Condominium Project Approval Document Collection.

OMB Approval Number: 2502-0610.

Type of Request: Reinstatement with change of a previously approved collection.

Form Number: HUD-92541, HUD-935.2c, HUD-93201, and HUD-92544.

Description of the need for the information and proposed use: The Housing and Economic Recovery Act of 2008 (HERA) moved the insurance of a single unit condominium from Section 234 to Section 203 of the National Housing Act (NHA). This change required that HUD establish new regulations for condominium project and unit approval. To approve a project and/or insure a unit within an FHA-approved project, certain documentation and data are required for review and approval or denial. Therefore, requiring a specific collection item is appropriate. Further, the information collected will be used for performance, risk, market trending, and other analyses.

Estimated Number of Respondents: 10,000.

Estimated Number of Responses: 10,000.
