

Complainant alleges that it has “over these past forty-two (42) years, entered into numerous Leases, agreements, and supplements to agreements [with the Respondent] based upon the parties’ needs and to advance the parties’ mutual commercial and business interests.” Complainant further alleges that as a result of Respondent’s requests to Complainant to vacate warehouse space, and undue favoring of another marine terminal operator, Respondent has violated the Shipping Act, 46 U.S.C. 41106(2) and (3) and 41102(c), because:

- “[Respondent] has unreasonably refused to deal and negotiate with [the Complainant].”
- “[Respondent] has failed to ‘establish, observe, and enforce just and reasonable regulations and practices relating to or connected with receiving, handling, storing, or delivering property’.”

Complainant seeks “an order be made commanding [Respondent] to cease and desist from the aforementioned violations of the Shipping Act,” reparations, and other relief. The full text of the complaint can be found in the Commission’s Electronic Reading Room at www.fmc.gov/17-07/.

Title: Request for Assistance for Child Victims of Human Trafficking.

OMB No.: 0970-0362.

Description: The William Wilberforce Trafficking Victims Protection Reauthorization Act (TVPRA) of 2008, Public Law 110-457, directs the U.S. Secretary of Health and Human Service (HHS), upon receipt of credible information that a non-U.S. citizen, non-Lawful Permanent Resident (alien) child may have been subjected to a severe form of trafficking in persons and is seeking Federal assistance available to victims of trafficking, to promptly determine if the child is eligible for interim assistance. The law further directs the Secretary of HHS to determine if a child receiving interim assistance is eligible for assistance as a victim of a severe form of trafficking in persons after consultation with the Attorney General, the Secretary of Homeland Security, and nongovernmental organizations with expertise on victims of severe form of trafficking.

HHS has determined that the use of a standard form to collect information is the best way to ensure requestors are notified of their option to request assistance for child victims of trafficking and to make prompt and consistent determinations about the child's eligibility for assistance.
