SUPPLEMENTARY INFORMATION:

1. Background

Russia became a member of the WTO on August 22, 2012, and on December 21, 2012, following the termination of

the application of the Jackson-Vanik amendment to Russia and the extension of permanent normal trade relations to the products of Russia, the United States and Russia both filed letters with the WTO withdrawing their notices of nonapplication and consenting to have the WTO Agreement apply between them. In accordance with section 201(a) of the Russia and Moldova Jackson-Vanik Repeal and Sergei Magnitsky Rule of Law Accountability Act of 2012 (Pub. L. 112-208), USTR is required to submit, by December 21st of each year, a report to Congress on the extent to which Russia is implementing the WTO Agreement, including the Agreement on the Application of Sanitary and Phytosanitary Measures and the Agreement on Trade Related Aspects of Intellectual Property Rights. The report also must assess Russia's progress on acceding to the Government Procurement Agreement (GPA) and the Information Technology Agreement, the latter of which Russia implemented fully in 2016. In addition, to the extent that USTR finds that Russia is not implementing fully the WTO Agreement or is not making adequate progress in acceding to the GPA, USTR must describe in the report the actions it plans to take to encourage Russia to improve its implementation and/or increase its accession efforts. In accordance with section 201(a), and to assist it in preparing this year's report, the TPSC is soliciting comments on these issues.

The terms of Russia's accession to the WTO are contained in the Marrakesh Agreement Establishing the World Trade Organization and the Protocol on the Accession of the Russian Federation to the WTO (including its annexes) (Protocol). The Report of the Working Party on the Accession of the Russian Federation (Working Party Report) provides detail and context to the commitments listed in the Protocol. You can find the Protocol and Working Party Report on USTR's Web site at https:// ustr.gov/node/5887 or on the WTO Web site at http://docsonline.wto.org (document symbols: WT/ACC/RUS/70, WT/MIN(11)/2, WT/MIN(11)/24, WT/L/ 839, and WT/ACC/RUS/70/Add.1, WT/ ACC/RUS/70/Add.2.

2. Public Comments and Hearing

USTR must receive written comments no later than 11:59 p.m. on Friday, September 22, 2017. USTR invites written comments and/or oral testimony on Russia's implementation of the commitments made in connection with its accession to the WTO, including, but not limited to, commitments in the following areas:
