A. Overview of Information Collection

Title of Information Collection: Grant Drawdown Payment Request/LOCCS/VRS Voice Activated.

OMB Approval Number: 2577-0166.

Type of Request: Revision of a currently approved collection.

Form Number: 50080-CFP; 50080-SC; 50080-PHTA; 50080-OFND; 50080-URP; 50080-FSS; 50080-IHBG; 50080-TIHD.

Description of the need for the information and proposed use: On April 17, 2017, the Grant Drawdown Payment Request/Voice Response System (VRS) was converted to a Business Partner Registration and Secure Systems for both the user and their Approving Official. The Secure Systems supports many of HUD applications, of which Line of Credit Control System (eLOCCS) is one of them. eLOCCS is implementing Single Sign-On solution under Secure Systems, where Grant recipients will be recognized and authenticated based on a Secure System ID and will no longer separately Sign-in to eLOCCS. Grant recipients use LOCCS system to request funds from HUD by signing into Secure Systems, as they normally do, and select Line of Credit Control System (eLOCCS)

link. The Grantees (all new or reinstated user who need to access eLOCCS) will need to complete the LOCCS HUD-27054E form, have it notarized, send the original HUD-27054E LOCCS Access Authorization Form (with the original signature and notary seal) via U.S. Mail to the Program Office for review. The LOCCS system will automatically generate an Access Authorization email letting the user know that HUD-27054E has been processed, enabling grantees to access their eLOCCS account. The information collected on the payment voucher will also be used as an internal control measure to ensure the lawful and appropriate disbursement of Federal funds as well as provide a service to program recipients.

Below is a link where the HUD-27054E LOCCS Authorized Form can be accessed: <http://portal.hud.gov/hudportal/documents/huddoc?id=27054E.pdf>.

HEARTH Act Approval of Stillaguamish Tribe of Indians' Leasing Regulations

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice.

SUMMARY: On July 17, 2017, the Bureau of Indian Affairs (BIA) approved the Stillaguamish Tribe of Indians' leasing regulations under the Helping Expedite and Advance Responsible Tribal Homeownership (HEARTH) Act. With this approval, the Tribe is authorized to enter into the following types of leases without BIA approval: Agricultural, residential, business, wind and solar, wind energy evaluation, and other authorized purposes.

FOR FURTHER INFORMATION CONTACT: Ms. Sharlene Round Face, Bureau of Indian Affairs, Division of Real Estate Services, MS-4642-MIB, 1849 C Street NW., Washington, DC 20240, at (202) 208-3615.

SUPPLEMENTARY INFORMATION:

I. Summary of the HEARTH Act

The HEARTH Act of 2012 (the Act) makes a voluntary, alternative land leasing process available to Tribes, by amending the Indian Long-Term Leasing Act of 1955, 25 U.S.C. 415. The Act authorizes Tribes to negotiate and enter into agricultural and business leases of Tribal trust lands with a primary term of 25 years, and up to two renewal terms of 25 years each, without the approval of the Secretary of the Interior (the Secretary). The Act also authorizes Tribes to enter into leases for residential, recreational, religious or educational purposes for a primary term of up to 75 years without the approval of the Secretary. Participating Tribes develop Tribal leasing regulations, including an environmental review process, and then must obtain the Secretary's approval of those regulations prior to entering into leases. The Act requires the Secretary to approve Tribal regulations if the Tribal regulations are consistent with the Department's leasing regulations at 25 CFR part 162 and provide for an environmental review process that meets requirements set forth in the Act. This notice announces that the Secretary, through the Assistant Secretary—Indian Affairs, has approved the Tribal regulations for the Stillaguamish Tribe of Indians.
