Thence, S. 37°00' E., along said fence, a distance of 81 feet to the north and south center line of the SW1/4 of said section 30;

Thence, North, along said north and south center line, a distance of 489 feet to the *Point of Beginning*; containing approximately 0.87 acres of land.

Basis of Bearing: True Meridian, determined from GPS/GNSS survey.

Based on past use of the subject parcel for a residence owned by William D. and Bonnie S. Ross, and currently occupied by N. Pearl Ross, it is the authorized officer's decision to offer the proposed residential lease with appropriate terms and conditions to N. Pearl Ross on a non-competitive basis because competitive bidding would represent an unfair competitive and economic disadvantage to Ms. Ross. As noted above, the use of this parcel constitutes an inadvertent trespass that was discovered by the BLM in 2013. The Ross family has since worked with the BLM to settle the trespass and the proposed lessee will apply for a residential lease.

Subsequent to the BLM's receipt of an application for leasing by N. Pearl Ross that complies with all applicable requirements set forth at 43 CFR 2920.5, processing of the proposed lease will take place in accordance with 43 CFR 2920.6, and other applicable regulations. Information and documentation regarding processing of the lease application is available as described in **ADDRESSES**, above, and reference should be made to the National Environmental Policy Act (NEPA) analysis, to be conducted under Environmental Assessment DOI-BLM-WY-P070-2016-0033-EA. The BLM will not make a final decision on the lease until all required analyses are completed. If authorized, the lease would be subject to provisions of the FLPMA, all applicable regulations of the Secretary of the Interior, including, but not limited to, 43 CFR part 2920, and to valid existing rights.

Public comments regarding the proposed lease may be submitted in writing—see **ADDRESSES** above—on or before November 13, 2017.

Comments received in electronic form, such as email or fax, will be considered. Any adverse comments regarding the proposed lease will be reviewed by the BLM Wyoming State Director or another authorized official of the Department of the Interior, who may sustain, vacate, or modify this realty action in whole or in part. In the absence of timely filed objections, this realty action will become the final determination of the Department of the Interior.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Authority: 43 CFR 2920.4.

Buddy W. Green,

BLM Wyoming Acting Associate State Director.

AGENCY: Executive Office for Immigration Review, Department of Justice.

ACTION: 60-Day notice.

SUMMARY: The Department of Justice (DOJ), Executive Office for Immigration Review (EOIR), will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995.

DATES: Comments are encouraged and will be accepted for 60 days until November 27, 2017.

FOR FURTHER INFORMATION CONTACT: If you have additional comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Jean King, General Counsel, Executive Office for Immigration Review, U.S. Department of Justice, Suite 2600, 5107 Leesburg Pike, Falls Church, Virginia 22041; telephone: (703) 305-0470.

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Bureau of Justice Statistics, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

1. *Type of Information Collection:* Revision and extension of a currently approved collection.
2. *The Title of the Form/Collection:* Notice of Appeal to the Board of Immigration Appeals from a Decision of a DHS Officer.
3. *The agency form number:* EOIR-29 (OMB 1125-0010).
4. *Affected public who will be asked or required to respond, as well as a brief abstract:*
Primary: A party who appeals a decision of a DHS Officer to the Board of Immigration Appeals (Board).
Other: None.
Abstract: A party affected by a decision of a DHS Officer may appeal that decision to the Board, provided that the Board has jurisdiction pursuant to 8 CFR 1003.1(b). The party must complete the Form EOIR-29 and submit it to the DHS office having administrative control over the record of proceeding in order to exercise its regulatory right to appeal.
5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that 5501 respondents complete the form annually with an average of 30 minutes per response for completion.
6. *An estimate of the total public burden (in hours) associated with the collection:* 2,750.5 annual burden hours.
