DEPARTMENT OF COMMERCE

International Trade Administration

[A–552–814]

Utility Scale Wind Towers From the Socialist Republic of Vietnam: Preliminary Determination of No Shipments, and Preliminary Partial Rescission of Antidumping Duty Administrative Review; 2016–2017

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on utility scale wind towers (wind towers) from the Socialist Republic of Vietnam (Vietnam). This review covers respondent CS Wind Group. The period of review (POR) is February 1, 2016, through January 31, 2017. We

preliminarily find no evidence of any shipments of subject merchandise by CS Wind Group during the POR, and are therefore issuing a preliminary no shipments determination.

DATES: Applicable November 6, 2017.

FOR FURTHER INFORMATION CONTACT:

Trisha Tran, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–4852.

SUPPLEMENTARY INFORMATION:

Scope of the Order

The merchandise covered by this order are certain wind towers, whether or not tapered, and sections thereof. Merchandise covered by the order is currently classified in the Harmonized Tariff System of the United States (HTSUS) under subheadings 7308.20.0020¹ or 8502.31.0000.² Prior to 2011, merchandise covered by the order was classified in the HTSUS under subheading 7308.20.0000. While the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the order is dispositive. A full description of the scope of the order is contained in the Preliminary Decision Memorandum, which is hereby adopted by this notice.³

Methodology

The Department is conducting this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). For a full description of the methodology underlying our conclusions, see Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov> and in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision

¹ Wind towers are classified under HTSUS 7308.20.0020 when imported as a tower or tower section(s) alone.

² Wind towers may also be classified under HTSUS 8502.31.0000 when imported as part of a wind turbine (*i.e.*, accompanying nacelles and/or rotor blades).

³ For a full description of the scope of the order, see Memorandum “Decision Memorandum for the Preliminary Results of the 2016–2017 Antidumping Duty Administrative Review of Utility Scale Wind Towers from the Socialist Republic of Vietnam” (Preliminary Decision Memorandum), dated concurrently with this notice.

Memorandum can be accessed directly on the Internet at <http://enforcement.trade.gov/frn/index.html>. The signed Preliminary Decision Memorandum is identical in content.

Preliminary Partial Rescission of Antidumping Duty Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if a party that requested the review withdraws its request within 90 days of the date of publication of the notice of initiation of the requested review. The petitioner, Wind Tower Trade Coalition, timely withdrew its requests for an administrative review of Vina Halla Heavy Industries Ltd. and UBI Tower Sole Member Company Ltd. within 90 days of the *Initiation Notice*⁴ of this review.⁵ Accordingly, the Department is rescinding this review with respect to these two companies and the remaining entries subject to the instant review are of wind towers produced in Vietnam with respect to the CS Wind Group where CS Wind Group was (1) the producer but not the exporter, or (2) the exporter but not the producer.⁶

Preliminary Determination of No Shipments

Based on information CS Wind Group submitted after the initiation of this administrative review, and due to the fact that we have not received any information from U.S. Customs and Border Protection (CBP) indicating that CS Wind Group had entries where CS Wind Group was (1) the producer but not the exporter, or (2) the exporter but not the producer during the POR, the Department has preliminarily determined that the record evidence indicates that CS Wind Group had no shipments of subject merchandise during the POR.⁷
