

proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act²⁰ and Rule 19b-4(f)(6) thereunder.²¹

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act²² normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)²³ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. According to the Exchange, the implementation date of November 20, 2017 for the changes described in the Reopening Filing and LULD Amendment 12 is an industry-wide implementation date. The Exchange states that it fully intends to implement the rules as approved in the Reopening Filing, but it will not be able to implement Rule 7.35-E(e)(5) or apply the processing described in Rules 7.35-E(e)(5), (6), (7)(C), (8), and (10) to Trading Halt Auctions following a MWCB Halt or regulatory halt until the proposed amendments to Rule 7.35-E(a)(10) are implemented.²⁴ According to the Exchange, until it makes the changes in the proposed amendments to Rule 7.35-E(a)(10), it will have functionality in production that does not match its current rules.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. The Commission believes that implementing the Temporary Rules without delay will promote transparency in the Exchange's rules regarding how the Exchange will function during this interim period.²⁵

²⁰ 15 U.S.C. 78s(b)(3)(A).

²¹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and the text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

²² 17 CFR 240.19b-4(f)(6).

²³ 17 CFR 240.19b-4(f)(6)(iii).

²⁴ According to the Exchange, the proposed amendments to Rules 7.35-E(a)(10) and (e)(7) are consistent with the goal of having standardized processes across primary listing exchanges for re-opening a security following a Trading Pause, will promote consistency when determining Auction Collars across the Exchange's auctions, and will make clear that an auction could run even if the Auction Collar would mathematically be equal to or below \$0.00.

²⁵ In addition, according to the Exchange, the proposed amendments to Rule 7.35-E(c)(1) and (d)(1) will provide transparency regarding which imbalance information would be published at

The Commission notes that the Temporary Rules will be in effect until the Exchange implements its technology changes or until February 26, 2018, whichever is earlier. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposal operative upon filing.²⁶

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend the rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

Extension:

Rule 30b2-1, SEC File No. 270-213, OMB Control No. 3235-0220

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension of the previously approved collection of information discussed below.

Rule 30b2-1 (17 CFR 270.30b2-1) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) (the "Investment Company Act") requires a registered management investment company ("fund") to (1) file a report with the Commission on Form N-CSR (17 CFR 249.331 and 274.128) not later than 10 days after the transmission of any report required to be transmitted to

²⁷ 17 CFR 200.30-3(a)(12).

shareholders under rule 30e-1 under the Investment Company Act, and (2) file with the Commission a copy of every periodic or interim report or similar communication containing financial statements that is transmitted by or on behalf of such fund to any class of such fund's security holders and that is not required to be filed with the Commission under (1), not later than 10 days after the transmission to security holders. The purpose of the collection of information required by rule 30b2-1 is to meet the disclosure requirements of the Investment Company Act and certification requirements of the Sarbanes-Oxley Act of 2002 (Pub. L. 107-204, 116 Stat. 745 (2002)) and to provide investors with information necessary to evaluate an interest in the fund.

The Commission estimates that there are 2,401 funds, with a total of approximately 11,555 portfolios, that are governed by the rule. For purposes of this analysis, the burden associated with the requirements of rule 30b2-1 has been included in the collection of information requirements of rule 30e-1 and Form N-CSR, rather than the rule. The Commission has, however, requested a one hour burden for administrative purposes.

The collection of information under rule 30b2-1 is mandatory. The information provided under rule 30b2-1 is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The public may view the background documentation for this information collection at the following Web site, www.reginfo.gov. Comments should be directed to: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503, or by sending an email to: Shagufta.Ahmed@omb.eop.gov; and (ii) Pamela Dyson, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 100 F Street NE., Washington, DC 20549 or send an email to: PRA.Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

Dated: November 22, 2017.

Assistant Secretary.

[Release No. 34-82144; File No. S7-04-09]

Order Extending Conditional Temporary Exemption for Nationally Recognized Statistical Rating Organizations From Requirements of Rule 17g-5(A)(3) Under the Securities Exchange Act of 1934

November 22, 2017.

I. Introduction

On May 19, 2010, the Securities and Exchange Commission ("Commission") conditionally exempted, with respect to certain credit ratings and until December 2, 2010, nationally recognized statistical rating organizations ("NRSROs") from certain requirements in Rule 17g-5(a)(3)¹ under the Securities Exchange Act of 1934 ("Exchange Act"), which had a compliance date of June 2, 2010.² Pursuant to the Order, an NRSRO is not required to comply with Rule 17g-5(a)(3) until December 2, 2010 with respect to credit ratings where: (1) The issuer of the structured finance product is a non-U.S. person; and (2) the NRSRO has a reasonable basis to conclude that the structured finance product will be offered and sold upon issuance, and that any arranger linked to the structured finance product will effect transactions of the structured finance product after issuance, only in transactions that occur outside the U.S. ("covered transactions").³ The conditional temporary exemption was extended until December 2, 2011, and subsequently further extended until December 2, 2017.⁴ The Commission is extending the conditional temporary exemption exempting NRSROs from complying with Rule 17g-5(a)(3) with respect to rating covered transactions until the earlier of (i) December 2, 2019, or (ii) the compliance date set forth in any final rule that may be adopted by the Commission that provides for a similar exemption.

II. Background

Rule 17g-5 identifies, in paragraphs (b) and (c) of the rule, a series of conflicts of interest arising from the business of determining credit ratings.⁵ Paragraph (a) of Rule 17g-5⁶ prohibits an NRSRO from issuing or maintaining a credit rating if it is subject to the conflicts of interest identified in paragraph (b) of Rule 17g-5 unless the NRSRO has taken the steps prescribed in paragraph (a)(1) (*i.e.*, disclosed the type of conflict of interest in Exhibit 6 to Form NRSRO in accordance with Section 15E(a)(1)(B)(vi) of the Exchange Act⁷ and Rule 17g-1⁸) and paragraph (a)(2) (*i.e.*, established and is maintaining and enforcing written policies and procedures to address and manage conflicts of interest in accordance with Section 15E(h) of the Exchange Act⁹). Paragraph (c) of Rule 17g-5 specifically prohibits eight types of conflicts of interest. Consequently, an NRSRO is prohibited from issuing or maintaining a credit rating when it is subject to these conflicts regardless of whether it had disclosed them and established procedures reasonably designed to address them.

In November 2009, the Commission adopted paragraph (a)(3) of Rule 17g-5. This provision requires an NRSRO that is hired by an arranger to determine an initial credit rating for a structured finance product to take certain steps designed to allow an NRSRO that is not hired by the arranger to nonetheless determine an initial credit rating—and subsequently monitor that credit rating—for the structured finance product.¹⁰ In particular, under Rule 17g-5(a)(3), an NRSRO is prohibited from issuing or maintaining a credit rating when it is subject to the conflict of interest identified in paragraph (b)(9) of Rule 17g-5 (*i.e.*, being hired by an arranger to determine a credit rating for a structured finance product)¹¹ unless it has taken the steps prescribed in paragraphs (a)(1) and (2) of Rule 17g-5 (discussed above) and the steps prescribed in paragraph (a)(3) of Rule

¹¹ Paragraph (b)(9) of Rule 17g-5 identifies the following conflict of interest: Issuing or maintaining a credit rating for a security or money market instrument issued by an asset pool or as part of any asset-backed securities transaction that was paid for by the issuer, sponsor, or underwriter of the security or money market instrument. 17 CFR 240.17g-5(b)(9).
