

and towing lights, is not able to fully comply with the provisions of the International Regulations for Preventing Collisions at Sea, 1972, without interfering with the normal operation of the vessel. Our publication of this notice fulfills a statutory requirement and promotes maritime safety.

DATES: The Certificate of Alternative Compliance was issued on November 16, 2017.

FOR FURTHER INFORMATION CONTACT: For information or questions about this notice call or email Mr. Kevin Miller, First District Towing Vessel/Barge Safety Specialist, U.S. Coast Guard; telephone (617) 223-8272, email Kevin.L.Miller2@uscg.mil.

SUPPLEMENTARY INFORMATION: The United States is signatory to the International Maritime Organization's International Regulations for Preventing Collisions at Sea, 1972 (72 COLREGS), as amended. The special construction or purpose of some vessels makes them unable to comply with the light, shape, and sound signal provisions of the 72 COLREGS. Under statutory law¹ and Coast Guard regulation,² a vessel may instead meet alternative requirements and the vessel's owner, builder, operator, or agent may apply for a Certificate of Alternate Compliance (COAC).

For vessels of special construction, the cognizant Coast Guard District Office determines whether the vessel for which the COAC is sought complies as closely as possible with the 72 COLREGS, and decides whether to issue the COAC. The Coast Guard issued a COAC to the TUG BENSON GEORGE MORAN on November 16, 2017. That COAC will remain valid until information supplied in the COAC application or the COAC terms become inapplicable to the vessel.

Under the governing statute³ and regulation,⁴ the Coast Guard must publish notice of having issued this COAC. This notice promotes maritime safety by informing vessels that may encounter the TUG BENSON GEORGE MORAN to expect alternative positioning of its navigation and towing lights.

The Commandant, U.S. Coast Guard, certifies that the TUG BENSON GEORGE MORAN is a vessel of special construction or purpose, and that, with respect to the position of the navigation and towing lights, it is not possible to comply fully with the requirements of

the provisions enumerated in the 72 COLREGS, without interfering with the normal operation of the vessel. The Commandant further finds and certifies that the sidelights (13' 5" from the vessel's side mounted on the pilot house) and the vessel's stern light and towing lights (3' 6" aft of frame 20) are in the closest possible compliance with the applicable provisions of the 72 COLREGS and that full compliance with the 72 COLREGS would not significantly enhance the safety of the vessel's operation.

This notice is issued under authority of 33 U.S.C. 1605(c) and 33 CFR 81.18.

Dated: November 27, 2017.

Captain Byron L. Black,
Chief, Prevention Department, First District,
U.S. Coast Guard.

BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

[Docket ID FEMA-2017-0002; Internal Agency Docket No. FEMA-B-1758]

Changes in Flood Hazard Determinations

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice.

SUMMARY: This notice lists communities where the addition or modification of Base Flood Elevations (BFEs), base flood depths, Special Flood Hazard Area (SFHA) boundaries or zone designations, or the regulatory floodway (hereinafter referred to as flood hazard determinations), as shown on the Flood Insurance Rate Maps (FIRMs), and where applicable, in the supporting Flood Insurance Study (FIS) reports, prepared by the Federal Emergency Management Agency (FEMA) for each community, is appropriate because of new scientific or technical data. The FIRM, and where applicable, portions of the FIS report, have been revised to reflect these flood hazard determinations through issuance of a Letter of Map Revision (LOMR). The LOMR will be used by insurance agents and others to calculate appropriate flood insurance premium rates for new buildings and the contents of those buildings. For rating purposes, the currently effective community number is shown in the table below and must be used for all new policies and renewals.

DATES: These flood hazard determinations will be finalized on the

dates listed in the table below and revise the FIRM panels and FIS report in effect prior to this determination for the listed communities.

From the date of the second publication of notification of these changes in a newspaper of local circulation, any person has 90 days in which to request through the community that the Deputy Associate Administrator for Insurance and Mitigation reconsider the changes. The flood hazard determination information may be changed during the 90-day period.

ADDRESSES: The affected communities are listed in the table below. Revised flood hazard information for each community is available for inspection at both the online location and the respective community map repository address listed in the table below. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at <https://msc.fema.gov> for comparison.

Submit comments and/or appeals to the Chief Executive Officer of the community as listed in the table below.

FOR FURTHER INFORMATION CONTACT: Rick Sacbibit, Chief, Engineering Services Branch, Federal Insurance and Mitigation Administration, FEMA, 400 C Street SW., Washington, DC 20472, (202) 646-7659, or (email) patrick.sacbibit@fema.dhs.gov; or visit the FEMA Map Information eXchange (FMIX) online at https://www.floodmaps.fema.gov/fhm/fmx_main.html.

SUPPLEMENTARY INFORMATION: The specific flood hazard determinations are not described for each community in this notice. However, the online location and local community map repository address where the flood hazard determination information is available for inspection is provided.

Any request for reconsideration of flood hazard determinations must be submitted to the Chief Executive Officer of the community as listed in the table below.

The modifications are made pursuant to section 201 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4105, and are in accordance with the National Flood Insurance Act of 1968, 42 U.S.C. 4001 *et seq.*, and with 44 CFR part 65.

The FIRM and FIS report are the basis of the floodplain management measures that the community is required either to adopt or to show evidence of having in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

¹ 33 U.S.C. 1605(c).

² 33 CFR 81.3.

³ 33 U.S.C. 1605(c).

⁴ 33 CFR 81.18.

These flood hazard determinations, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own or pursuant to policies established by other

Federal, State, or regional entities. The flood hazard determinations are in accordance with 44 CFR 65.4.

The affected communities are listed in the following table. Flood hazard determination information for each community is available for inspection at both the online location and the respective community map repository address listed in the table below. Additionally, the current effective FIRM and FIS report for each community are

accessible online through the FEMA Map Service Center at <https://msc.fema.gov> for comparison.

BILLING CODE 9110-12-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT**[Docket No. FR-6065-C-02]****The Performance Review Board; Correction****AGENCY:** Office of the Chief Human Capital Officer, HUD.**ACTION:** Notice of appointments, correction.**SUMMARY:** The Department of Housing and Urban Development published a notice on November 21, 2017, listing

individuals appointed to serve on two Performance Review Boards. Today's notice corrects the November 21, 2017, notice by substituting Jereon M. Brown for Tawanna Preston on the senior executive Performance Review Board. For the convenience of the public, the Department is republishing the corrected notice.

FOR FURTHER INFORMATION CONTACT:

Persons desiring any further information about the Performance Review Board and its members may contact Lynette Warren, Director, Office of Executive Resources, Department of Housing and Urban Development, Washington, DC 20410. Telephone (202) 708-1381. (This is not a toll-free number).

SUPPLEMENTARY INFORMATION:

The Department of Housing and Urban Development announces the establishment of two Performance Review Boards to make recommendations to the appointing authority on the performance of its senior executives. Dominique G. Blom, Towanda A. Brooks, Sarah L. Gerecke, Jean L. Pao, Jereon M. Brown, and Todd M. Richardson will serve as members of the Departmental Performance Review Board to review career SES performance. Seth D. Appleton, Matthew F. Hunter, Johnson P. Joy, Gisele G. Roget, and Bethany A. Zorc will serve as members of the Departmental Performance Review
