

of Section 6(b)(5) of the Act,²⁶ which require, among other things, that the Exchange's rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest, and not designed to permit unfair discrimination between customers, issuers, brokers and dealer, and Section 6(b)(4) of the Act,²⁷ which requires that the Exchange's rules provide for the equitable allocation of reasonable dues, fees, and other charges among members and issuers and other persons using its facilities. IEX believes that the proposed change is consistent with the Act, and that the proposed fees are reasonable, equitably allocated and not unfairly discriminatory. In particular, IEX believes that the proposed change would treat all Equity ATSS trading OTC Equity Securities in a comparable manner when calculating applicable fees. In addition, the fee structure takes into consideration distinctions in securities trading operations of CAT Reporters, including all ATSS trading OTC Equity Securities.

B. Self-Regulatory Organization's Statement on Burden on Competition

Section 6(b)(8) of the Act²⁸ require that the Exchange's rules not impose any burden on competition that is not necessary or appropriate. IEX does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. As previously described, IEX believes that the proposed rule change fairly and equitably allocates costs among CAT Reporters. In particular, the proposed fee schedule is structured to impose comparable fees on similarly situated CAT Reporters. IEX believes that the proposed change would treat all Equity ATSS trading OTC Equity Securities in a comparable manner when calculating applicable fees. In addition, the fee structure takes into consideration distinctions in securities trading operations of CAT Reporters, including all ATSS trading OTC Equity Securities. Moreover, the Operating Committee believes that the proposed changes address certain competitive concerns raised by commenters related to ATSS trading OTC Equity Securities.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

IEX set forth responses to comments received regarding the Original Proposal in the First Amendment. In addition, the proposed changes set forth in this Second Amendment further respond to comments made regarding ATSS trading OTC Equity Securities.

III. Solicitation of Comments
