

Approximately 6 funds rely on the rule annually, with a total of 6 responses.² Thus, the total annual hour burden for rule 17f-1 is approximately 21 hours.³

Funds that rely on rule 17f-1 generally use outside counsel to prepare the custodial contract for the board's review and to transmit the contract to the Commission. Commission staff estimates the cost of outside counsel to perform these tasks for a fund each year is \$800.⁴ Funds also must have an independent public accountant verify the fund's assets three times each year and prepare the certificate of examination. Commission staff estimates the annual cost for an independent public accountant to perform this service is \$8,500.⁵ Therefore, the total annual cost burden for a fund that relies on rule 17f-1 would be approximately \$9,300.⁶ As noted above, the staff estimates that 4 funds rely on rule 17f-1 each year, for an estimated total annualized cost burden of \$55,800.⁷

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules. Compliance with the collections of information required by rule 17f-1 is mandatory for funds that place their assets in the custody of a national securities exchange member. Responses will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.

The Commission requests written comments on: (a) Whether the collections of information are necessary for the proper performance of the functions of the Commission, including

whether the information has practical utility; (b) the accuracy of the Commission's estimate of the burdens of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Form 10-D, SEC File No. 270-544, OMB Control No. 3235-0604.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on this collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Form 10-D is a periodic report used by asset-backed issuers to file distribution and pool performance information pursuant to Rule 13a-17 (17 CFR 240.13a-17) or Rule 15d-17 (17 CFR 240.15d-17) of the Securities Exchange Act of 1934 ("Exchange Act") (15 U.S.C. 78a *et seq.*). The form is required to be filed within 15 days after each required distribution date on the asset-backed securities, as specified in the governing documents for such securities. The information provided by Form 10-D is mandatory and all

information is made available to the public upon request. Form 10-D takes approximately 30 hours per response to prepare and is filed by approximately 2,169 respondents. Each respondent files an estimated 4.343 Form 10-Ds per year for a total of 9,420 responses. We estimate that 75% of the 30 hours per response (22.5 hours) is prepared by the company for a total annual reporting burden of 211,950 hours (22.5 hours per response × 9,420 responses).

Written comments are invited on: (a) Whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Rule 9b-1

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the

² Based on a review of Form N-17f-1 filings over the last three years the Commission staff estimates that an average of 4 funds rely on rule 17f-1 each year.

³ This estimate is based on the following calculation: (6 respondents × 3.5 hours = 21 hours). The annual burden for rule 17f-1 does not include time spent preparing Form N-17f-1. The burden for Form N-17f-1 is included in a separate collection of information.

⁴ This estimate is based on the following calculation: (2 hours of outside counsel time × \$400 = \$800). The staff has estimated the average cost of outside counsel at \$400 per hour, based on information received from funds, fund intermediaries, and their counsel.

⁵ This estimate is based on information received from fund representatives estimating the aggregate annual cost of an independent public accountant's periodic verification of assets and preparation of the certificate of examination.

⁶ This estimate is based on the following calculation: (\$800 + \$8,500 = \$9,300).

⁷ This estimate is based on the following calculation: (6 funds × \$9,300 = \$55,800).

Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 9b-1, Options Disclosure Document (17 CFR 240.9b-1), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 9b-1 (17 CFR 240.9b-1) sets forth the categories of information required to be disclosed in an options disclosure document ("ODD") and requires the options markets to file an ODD with the Commission 60 days prior to the date it is distributed to investors. In addition, Rule 9b-1 provides that the ODD must be amended if the information in the document becomes materially inaccurate or incomplete and that amendments must be filed with the Commission 30 days prior to the distribution to customers. Finally, Rule 9b-1 requires a broker-dealer to furnish to each customer an ODD and any amendments, prior to accepting an order to purchase or sell an option on behalf of that customer.

There are 15 options markets¹ that must comply with Rule 9b-1. These respondents work together to prepare a single ODD covering options traded on each market, as well as amendments to the ODD. These respondents file approximately 3 amendments per year. The staff calculates that the preparation and filing of amendments should take no more than eight hours per options market. Thus, the total time burden for options markets per year is 360 hours (15 options markets × 8 hours per amendment × 3 amendments). The estimated cost for an in-house attorney is \$412 per hour,² resulting in a total internal cost of compliance for these respondents of \$148,320 per year (360 hours at \$412 per hour).

¹ The fifteen options markets are as follows: The fifteen options markets are as follows: BOX Options Exchange LLC, Cboe BZX Exchange, Inc., Cboe C2 Exchange, Inc., Cboe EDGX Exchange, Inc., Cboe Exchange, Inc., Miami International Securities Exchange LLC, MIAX PEARL, LLC, Nasdaq BX, Inc., Nasdaq GEMX, LLC, Nasdaq ISE, LLC, Nasdaq MRX, LLC, Nasdaq PHLX LLC, the Nasdaq Options Market (NOM), NYSE Arca, Inc., and NYSE American LLC.

² SIFMA did its last annual survey in 2013 and will not resume the survey process. Accordingly, the \$412 figure is based on the 2013 figure (\$380) adjusted by the inflation rate calculated using the Bureau of Labor Statistics' CPI Inflation Calculator. The \$380 per hour figure for an Attorney is from SIFMA's *Management & Professional Earnings in the Securities Industry 2013*, modified by Commission staff to account for an 1800-hour work-year and multiplied by 5.35 to account for bonuses, firm size, employee benefits and overhead.

In addition, approximately 1,144 broker-dealers³ must comply with Rule 9b-1. Each of these respondents will process an average of 3 new customers for options each week and, therefore, will have to furnish approximately 156 ODDs per year. The postal mailing or electronic delivery of the ODD takes respondents no more than 30 seconds to complete for an annual time burden for each of these respondents of 78 minutes or 1.3 hours. Thus, the total time burden per year for broker-dealers is 1,487 hours (1,144 broker-dealers × 1.3 hours). The estimated cost for a general clerk of a broker-dealer is \$62 per hour,⁴ resulting in a total internal cost of compliance for these respondents of \$92,194 per year (1,487 hours at \$62 per hour).

The total time burden for all respondents under this rule (both options markets and broker-dealers) is 1,847 hours per year (360 + 1,487), and the total internal cost of compliance is \$240,514 (\$148,320 + \$92,194).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Please direct your written comments to: Pamela Dyson, Director/Chief

³ The estimate of 1,144 broker-dealers required to comply with Rule 9b-1 is derived from Item 12 of the Form BD (OMB Control No. 3235-0012). This estimate may be high as it includes broker-dealers that engage in only a proprietary business, and as a result are not required to deliver an ODD, as well as those broker-dealers subject to Rule 9b-1.

⁴ The \$62 figure is based on the 2013 figure (\$57) adjusted for inflation. *See supra* note 1. The \$57 per hour figure for a General Clerk is from SIFMA's *Office Salaries in the Securities Industry 2013*, modified by Commission staff to account for an 1800-hour work-year and multiplied by 2.93 to account for bonuses, firm size, employee benefits and overhead. The staff believes that the ODD would be mailed or electronically delivered to customers by a general clerk of the broker-dealer or some other equivalent position.
