### Coast Guard

#### 33 CFR Part 100

[Docket Number USCG-2018-0084]

RIN 1625-AA08

#### Special Local Regulation; Low Country Splash, Wando River, Cooper River, and Charleston Harbor; Charleston, SC

**AGENCY:** Coast Guard, DHS.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing a special local regulation on the waters of the Wando River, Cooper River, and Charleston Harbor during the Low Country Splash Open Water Swim event. This action is necessary to ensure the safety of event participants and the general public on navigable waters of the United States during the event. This special local regulation prohibits non-participant persons and vessels from entering, transiting through, anchoring in, or remaining within a moving regulated area unless authorized by the Captain of the Port (COTP) Charleston or a designated representative.

**DATES:** This rule is effective from 7 a.m. until 11 a.m. on May 26, 2018.

**ADDRESSES:** To view documents mentioned in this preamble as being

available in the docket, go to <http://www.regulations.gov>, type USCG-2018-0084 in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rule.

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this rule, call or email Lieutenant Justin Heck, Sector Charleston Office of Waterways Management, Coast Guard; telephone (843) 740-3184, email [Justin.C.Heck@uscg.mil](mailto:Justin.C.Heck@uscg.mil).

#### SUPPLEMENTARY INFORMATION:

##### I. Table of Abbreviations

CFR Code of Federal Regulations  
DHS Department of Homeland Security  
FR Federal Register  
NPRM Notice of proposed rulemaking  
§ Section  
U.S.C. United States Code  
COTP Captain of the Port

##### II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. We must establish this special local regulation on May 26, 2018 and lack sufficient time to publish an NPRM, provide a reasonable comment period and then consider those comments before issuing this rule. The NPRM process would delay the establishment of the regulated area until after the date of the swim event and compromise public safety.

For the reason discussed above, under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**.

##### III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority to establish special local regulations in 33 U.S.C. 1231. The Captain of the Port Charleston (COTP) has determined that potential hazards associated with the Low Country Splash Open Swim event presents a safety concern for anyone in the vicinity of the regulated area during the event. This rule is needed to protect participants,

spectators, and the general public in the navigable waters within the regulated area during the Low Country Splash Open Swim event.

##### IV. Discussion of the Rule

This rule establishes a special local regulation that will encompass certain waters of the Wando River, Cooper River, and Charleston Harbor during the Low Country Splash Open Swim event. The special local regulation will be enforced from 7 a.m. until 11 a.m. on May 26, 2018. This special local regulation will establish a moving regulated area beginning at Daniel Island Pier, south along the coast of Daniel Island, across the Wando River to Hobcaw Yacht Club, south along the coast of Mt. Pleasant, SC, to Charleston Harbor Resort Marina. Within the regulated area, non-participant persons and vessels are prohibited from entering, transiting through, anchoring in, or remaining within the regulated area without obtaining permission from the COTP Charleston or a designated representative. Persons and vessels may request authorization to enter, transit through, anchor in, or remain within the regulated areas by contacting the COTP Charleston by telephone at (843) 740-7050, or a designated representative via VHF radio on channel 16. If authorization to enter, transit through, anchor in, or remain within the regulated areas is granted by the COTP Charleston or a designated representative, all persons and vessels receiving such authorization must comply with the instructions of the COTP Charleston or a designated representative. The Coast Guard will provide notice of the regulated areas by Local Notice to Mariners, Broadcast Notice to Mariners, or by on-scene designated representatives.

##### V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

###### A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This NPRM has not been designated a “significant regulatory action,” under Executive

Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the size, location, duration and time-of-day of the event. Vessel traffic will be able to safely transit around the regulated area during the event, which will impact a small, moving area of the waters of the Wando River, Cooper River, and Charleston Harbor for a period of only four hours. Moreover, the Coast Guard would issue a Broadcast Notice to Mariners via VHF-FM marine channel 16 about the zone, and the rule would allow vessels to seek permission from the COTP or a designated representative to enter, transit through, anchor in, or remain within the zone.

#### *B. Impact on Small Entities*

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on “small entities” comprised of small businesses and not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule would not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the special local regulation area may be small entities, for the reasons stated in V.A. above, this rule would not have a significant impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s

responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

#### *C. Collection of Information*

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

#### *D. Federalism and Indian Tribal Governments*

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

#### *E. Unfunded Mandates Reform Act*

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

#### *F. Environment*

We have analyzed this rule under Department of Homeland Security Directive 023–01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of

1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a special local regulation issued in conjunction with a regatta or marine parade that will prohibit persons and vessels from entering, transiting through, anchoring in, or remaining within a moving regulated area on the waters of the Wando River, Cooper River, and Charleston Harbor. It is categorically excluded from further review under paragraph L61 of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 01. A Record of Environmental Consideration supporting this determination is available in the docket where indicated under **ADDRESSES**.

#### *G. Protest Activities*

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

#### **List of Subjects in 33 CFR Part 100**

Marine Safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

#### **PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS**

- 1. The authority citation for part 100 continues to read as follows:

**Authority:** 33 U.S.C. 1233; 33 CFR 1.05–1.

- 2. Add § 100.T07–0084 to read as follows:

#### **§ 100.T07–0084 Special Local Regulation; Low Country Splash, Wando River, Cooper River, and Charleston Harbor; Charleston, SC.**

(a) *Location.* The following regulated area is established as a special local regulation: All waters within a moving zone, beginning at Daniel Island Pier in approximate position 32°51′20″ N, 079°54′06″ W, south along the coast of Daniel Island, across the Wando River to Hobcaw Yacht Club, in approximate position 32°49′20″ N, 079°53′49″ W, south along the coast of Mt. Pleasant, S.C., to Charleston Harbor Resort Marina, in approximate position 32°47′20″ N, 079°54′39″ W. All

coordinates are North American Datum 1983.

(b) *Definition.* The term “designated representative” means Coast Guard Patrol Commanders, including Coast Guard coxswains, petty officers, and other officers operating Coast Guard vessels, and Federal, state, and local officers designated by or assisting the Captain of the Port (COTP) Charleston in the enforcement of the regulated areas.

(c) *Regulations.* (1) All non-participant persons and vessels are prohibited from entering, transiting through, anchoring in, or remaining within the regulated area unless authorized by the COTP Charleston or a designated representative.

(2) Persons and vessels desiring to enter, transit through, anchor in, or remain within the regulated area may contact the COTP Charleston by telephone at 843-740-7050, or a designated representative via VHF radio on channel 16, to request authorization.

(3) If authorization to enter, transit through, anchor in, or remain within the regulated area is granted, all persons and vessels receiving such authorization must comply with the instructions of the COTP Charleston or a designated representative.

(4) The Coast Guard will provide notice of the regulated area by Local Notice to Mariners, Broadcast Notice to Mariners, and on-scene designated representatives.

(d) *Enforcement period.* This rule will be enforced from 7 a.m. until 11 a.m. on May 26, 2018.

Dated: May 18, 2018.

**J.W. Reed,**

*Captain, U.S. Coast Guard, Captain of the Port, Charleston.*

## DEPARTMENT OF HOMELAND SECURITY

### Coast Guard

#### 33 CFR Part 117

[Docket No. USCG-2017-0595]

#### Drawbridge Operation Regulation; Jamaica Bay, Queens, NY

**AGENCY:** Coast Guard, DHS.

**ACTION:** Notice of deviation from drawbridge regulation.

**SUMMARY:** The Coast Guard has issued a temporary deviation from the operating schedule that governs the Marine Parkway (Gil Hodges) Bridge across Jamaica Bay, mile 3.0, at Queens, NY.

This temporary deviation extends the period the bridge may remain in the closed-to-navigation position and is necessary to finalize emergency repairs.

**DATES:** This deviation is effective from 12:01 a.m. on May 26, 2018, to 11:59 p.m. on June 29, 2018.

**ADDRESSES:** The docket for this deviation, USCG-2017-0595 is available at <http://www.regulations.gov>. Type the docket number in the “SEARCH” box and click “SEARCH”. Click on Open Docket Folder on the line associated with this deviation.

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this temporary deviation, call or email Judy K. Leung-Yee, Bridge Management Specialist, First District Bridge Branch, U.S. Coast Guard; telephone 212-514-4336, email [Judy.K.Leung-Yee@uscg.mil](mailto:Judy.K.Leung-Yee@uscg.mil).

**SUPPLEMENTARY INFORMATION:** On July 6, 2017, the Coast Guard published a temporary deviation entitled “Drawbridge Operation Regulation; Jamaica Bay, Queens, NY” in the **Federal Register** (82 FR 31255). That deviation allowed the bridge to open with two-hours of advance notice from July 6, 2017 to December 22, 2017. On December 7, 2017, the Coast Guard published a temporary interim rule with request for comments entitled “Drawbridge Operation Regulation; Jamaica Bay, Queens, NY” in the **Federal Register** (82 FR 57674). That temporary interim rule extended the period the bridge may remain in the closed position through May 25, 2018.

The owner of the bridge, the Metropolitan Transportation Authority, requested a second temporary deviation to extend the bridge closure from 12:01 a.m. on May 26, 2018 to 11:59 p.m. on June 29, 2018. This extension is necessary to complete emergency repairs associated with the replacement of lift span machinery that has been delayed by inclement weather.

The Marine Parkway (Gil Hodges) Bridge across Rockaway Inlet, mile 3.0 at Queens, New York is a vertical lift bridge with a vertical clearance of 55 feet at mean high water and 59 feet at mean low water in the closed position. The existing drawbridge operating regulations are listed at 33 CFR 117.795(a).

The waterway is transited by seasonal recreational traffic and some commercial vessels. Coordination with waterway users has indicated no objections to the proposed closure of the draw. Vessels able to pass through the bridge in the closed position may do so at any time. The bridge will not be able to open for emergencies. There is no immediate alternate route for vessels

unable to pass through the bridge when in the closed position.

The Coast Guard will also inform the users of the waterways through our Local and Broadcast Notices to Mariners of the change in operating schedule for the bridge so that vessel operators can arrange their transits to minimize any impact caused by this temporary deviation.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: May 7, 2018.

[Docket No. USCG-2017-0695]

RIN 1625-AA09

#### Drawbridge Operation Regulation; Chambers Bay, Steilacoom, WA

**AGENCY:** Coast Guard, DHS.

**ACTION:** Final rule.

**SUMMARY:** The Coast Guard is modifying the operating schedule that governs the Chambers Bay railroad lift bridge (Chambers Bay Bridge) across Chambers Bay, mile 0.01, near Steilacoom in Pierce County, WA. The modified schedule removes the bridge operator at the subject drawbridge between the hours of 10 p.m. and 6 a.m. due to minimal usage.

**DATES:** This rule is effective June 25, 2018.

**ADDRESSES:** To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>. Type USCG-2017-0695 in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rulemaking.
