Notifying PBGC of Your Eligibility for Disaster Relief

Premium filings: Notify us by providing certain information as part of the Comprehensive Premium Filing. See the Filing Instructions for the applicable plan year for details. We also encourage filers to notify us by email to premiums@pbgc.gov as soon as reasonably possible that you are eligible for disaster relief. The email should contain the following identifying information: (1) The number of the applicable IRS News Release, (2) plan information, *i.e.*, plan name, EIN, plan number, and, (3) the name and address of the person affected by the disaster. Item (3) may be omitted if the plan administrator's address reported in the most recently submitted premium filing is in the applicable disaster area.

In situations where a filer is unable to submit, or anticipates difficulty in submitting, the Comprehensive Premium Filing by the end of the relief period, the filer should notify us by sending an email with the same information and to the same address noted above.

All other filings or actions: Notify us by following the disaster relief instructions (if any) for the particular filing. If there are no such instructions, filers should notify us of their eligibility for relief by sending an email by the end of the relief period to the email address included in the instructions for the particular filing, or on a PBGC web page listing applicable contact information, such as PBGC's Contact Information for Practitioners page. The email should contain relevant identifying information, such as: (1) The number of the applicable IRS News Release, (2) plan information, *i.e.*, plan name, EIN, plan number, and, (3) the name and address of the person affected by the disaster. We encourage filers to notify us as soon as reasonably possible.

Requesting Case-by-Case Relief

Follow the instructions for requesting a waiver or extension in the regulations

or instructions for completing the particular filing. For example, for a reportable events filing on the Exceptions List, follow the provision for waivers and extensions in PBGC's reportable events regulation at 29 CFR 4043.4. That provision explains that a request for a waiver or extension must be filed with PBGC in writing (which may be in electronic form) and must state the facts and circumstances on which the request is based.

If there is no such guidance, contact PBGC as soon as reasonably possible using the phone number or email address in the instructions for the particular filing, or on a PBGC web page listing applicable contact information, such as PBGC's Contact Information for Practitioners page.

Otherwise, contact PBGC's Practitioner Problem Resolution Officer by—

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-83526; File No. SR-BX-2018-027]

Self-Regulatory Organizations; Nasdaq BX, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Extend the Exchange's Penny Pilot Program

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 25, 2018, Nasdaq BX, Inc. ¹ 15 U.S.C. 78s(b)(1).

comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to extend through December 31, 2018 or the date of permanent approval, if earlier, the Penny Pilot Program in options classes in certain issues ("Penny Pilot" or "Pilot"), and to change the date when delisted classes may be replaced in the Penny Pilot.

Sec. 5 Minimum Increments

(a) The Board may establish minimum quoting increments for options contracts traded on BX Options. Such minimum increments established by the Board will be designated as a stated policy, practice, or interpretation with respect to the administration of this Section within the meaning of Section 19 of the Exchange Act and will be filed with the SEC as a rule change for effectiveness upon filing. Until such time as the Board makes a change in the increments, the following principles shall apply:

(1)–(2) No Change.

(3) For a pilot period scheduled to expire on *December 31, 2018* [June 30, 2018] or the date of permanent approval, if earlier, if the options series is trading pursuant to the Penny Pilot program one (1) cent if the options series is trading at less than \$3.00, five (5) cents if the options series is trading at \$3.00 or higher, unless for QQQQs, SPY and IWM where the minimum quoting increment will be one cent for all series regardless of price. A list of such options shall be communicated to membership via an Options Trader Alert ("OTA") posted on the Exchange's website.

The Exchange may replace any pilot issues that have been delisted with the next most actively traded multiply listed options classes that are not yet included in the pilot, based on trading activity in the previous six months. The replacement issues may be added to the pilot on the second trading day following *July 1, 2018* [January 1, 2018].

(4) No Change.

(b) No Change.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to amend Chapter VI, Section 5, to extend the Penny Pilot through December 31, 2018 or the date of permanent approval, if earlier,³ and to change the date when delisted classes may be replaced in the Penny Pilot. The Exchange believes that extending the Penny Pilot will allow for further analysis of the Penny Pilot and a determination of how the program should be structured in the future.

Under the Penny Pilot, the minimum price variation for all participating options classes, except for the Nasdaq-100 Index Tracking Stock ("QQQQ"), the SPDR S&P 500 Exchange Traded Fund ("SPY") and the iShares Russell 2000 Index Fund ("IWM"), is \$0.01 for all quotations in options series that are quoted at less than \$3 per contract and \$0.05 for all quotations in options series that are quoted at \$3 per contract or greater. QQQQ, SPY and IWM are quoted in \$0.01 increments for all options series. The Penny Pilot is currently scheduled to expire on June 30, 2018.⁴

³ The options exchanges in the U.S. that have pilot programs similar to the Penny Pilot (together "pilot programs") are currently working on a proposal for permanent approval of the respective pilot programs.

⁴ See Securities Exchange Act Release No. 82367 (December 19, 2017), 82 FR 61050 (December 26, 2017) (SR-BX-2017-056).

The Exchange proposes to extend the time period of the Penny Pilot through December 31, 2018 or the date of permanent approval, if earlier, and to provide a revised date for adding replacement issues to the Penny Pilot. The Exchange proposes that any Penny Pilot Program issues that have been delisted may be replaced on the second trading day following July 1, 2018. The replacement issues will be selected based on trading activity in the previous six months.⁵

This filing does not propose any substantive changes to the Penny Pilot Program; all classes currently participating in the Penny Pilot will remain the same and all minimum increments will remain unchanged. The Exchange believes the benefits to public customers and other market participants who will be able to express their true prices to buy and sell options have been demonstrated to outweigh the potential increase in quote traffic.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁶ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁷ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

In particular, the proposed rule change, which extends the Penny Pilot for an additional six months through December 31, 2018 or the date of permanent approval, if earlier, and changes the date for replacing Penny Pilot issues that were delisted to the second trading day following July 1, 2018, will enable public customers and other market participants to express their true prices to buy and sell options

⁵ The replacement issues will be announced to the Exchange's membership via an Options Trader Alert (OTA) posted on the Exchange's website. Penny Pilot replacement issues will be selected based on trading activity in the previous six months, as is the case today. The replacement issues would be identified based on The Options Clearing Corporation's trading volume data. For example, for the July replacement, trading volume from December 1, 2017 through May 31, 2018 would be analyzed. The month immediately preceding the replacement issues' addition to the Pilot Program (*i.e.*, June) would not be used for purposes of the six-month analysis.

⁶ 15 U.S.C. 78f(b).

⁷ 15 U.S.C. 78f(b)(5).

for the benefit of all market participants. This is consistent with the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. To the contrary, this proposal is pro-competitive because it allows Penny Pilot issues to continue trading on the Exchange.

Moreover, the Exchange believes that the proposed rule change will allow for further analysis of the Pilot and a determination of how the Pilot should be structured in the future; and will serve to promote regulatory clarity and consistency, thereby reducing burdens on the marketplace and facilitating investor protection.

The Pilot is an industry-wide initiative supported by all other option exchanges. The Exchange believes that extending the Pilot will allow for continued competition between market participants on the Exchange trading similar products as their counterparts on other exchanges, while at the same time allowing the Exchange to continue to compete for order flow with other exchanges in option issues trading as part of the Pilot.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁸ and Rule 19b-4(f)(6) thereunder.⁹ Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)¹⁰ normally does not become operative prior to 30 days after the date of the filing.¹¹ However, pursuant to Rule 19b-4(f)(6)(iii),¹² the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because doing so will allow the Pilot Program to continue without interruption in a manner that is consistent with the Commission's prior approval of the extension and expansion of the Pilot Program and will allow the Exchange and the Commission additional time to analyze the impact of the Pilot Program.¹³ Accordingly, the Commission designates the proposed rule change as operative upon filing with the Commission.¹⁴

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹⁵ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act.

¹⁰ 17 CFR 240.19b-4(f)(6).

¹¹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange's intent to file the proposed rule change along with a brief description and the text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this pre-filing requirement.

¹³ See Securities Exchange Act Release No. 61061 (November 24, 2009), 74 FR 62857 (December 1, 2009) (SR-NYSEArca-2009-44).

¹⁴ For purposes only of waiving the operative delay for this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

¹⁵ 15 U.S.C. 78s(b)(2)(B).
