The Issues and Decision Memorandum is a public document and is on-file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov> and in the Central Records Unit (CRU), room B8024 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the internet at <http://enforcement.trade.gov/frn/index.html>. The signed Issues and Decision Memorandum and the electronic versions of the Issues and Decision Memorandum are identical in content.

Changes Since the Preliminary Results

Based on a review of the record and comments received from interested parties, we have recalculated The Navigator Company, S.A.'s (Navigator) weighted-average dumping margin using facts otherwise available for Navigator's home market bonus discounts and facts otherwise available with an adverse inference for certain of Navigator's U.S. brokerage and handling expenses. For further discussion, see the Issues and Decision Memorandum.

Final Results of the Review

We determine that, for the period of March 1, 2016, through February 28, 2017, the following weighted-average dumping margin exists:

Exporter/producer	Weighted-average dumping margin (percent)
The Navigator Company, S.A. ...	37.34

Duty Assessment

Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by Sidenor for which it did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate those entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

We intend to issue instructions to CBP 15 days after the publication date of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Navigator will be the rate established in the final results of this administrative review; (2) for merchandise exported by producers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 7.80 percent, the all-others rate established in the investigation.³ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of doubled antidumping duties.

Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of

APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h).

SUPPLEMENTARY INFORMATION:

Background

This preliminary determination is made in accordance with section 703(b) of the Tariff Act of 1930, as amended (the Act). Commerce published the notice of initiation of this investigation on April 3, 2018.¹ On May 17, 2018, Commerce published its postponement of the deadline for the preliminary determination of the investigation for the full 130 days permitted under section 703(c)(1)(A) of the Act and 19 CFR 351.205(b)(2) until August 6, 2018.²

For a complete description of the events that followed the initiation of this investigation, see the Preliminary Decision Memorandum.³ A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix II to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping (AD) and Countervailing Duty (CVD) Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>, and is available to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed and electronic versions of the Preliminary Decision Memorandum are identical in content.

Scope of the Investigation

The products covered by this investigation are laminated woven sacks from Vietnam. For a complete description of the scope of this investigation, see Appendix I.

¹ See *Laminated Woven Sacks from the Socialist Republic of Vietnam: Initiation of Countervailing Duty Investigation*, 83 FR 14253 (April 3, 2018) (Initiation Notice).

³ See Memorandum, "Decision Memorandum for the Preliminary Affirmative Determination: Countervailing Duty Investigation of Laminated Woven Sacks from the Socialist Republic of Vietnam," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

Scope Comments

In accordance with the preamble to Commerce's regulations, we set aside a period of time in our *Initiation Notice* for parties to raise issues regarding product coverage and encouraged all parties to submit comments within 20 calendar days of the signature date of that notice. We received several comments concerning the scope of the AD and CVD investigations of LWS from Vietnam.

We are currently evaluating the scope comments filed by interested parties. We intend to issue our preliminary decision regarding the scope of the AD and CVD investigations in the preliminary determination of the companion AD investigation, which is due for signature on October 3, 2018. We will incorporate the scope decisions from the AD investigation into the scope of the final CVD determination after considering any relevant comments submitted in case and rebuttal briefs.

Methodology

Commerce is conducting this investigation in accordance with section 701 of the Act. For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution by an "authority" that confers a benefit on the recipient, and that the subsidy is specific.⁴ For a full description of the methodology underlying our preliminary conclusions, see the Preliminary Decision Memorandum.

Alignment

As noted in the Preliminary Decision Memorandum, in accordance with section 705(a)(1) of the Act and 19 CFR 351.210(b)(4), Commerce is aligning the final CVD determination in this investigation with the final determination in the companion AD investigation of LWS from Vietnam, based on a request made by Laminated Woven Sacks Fair Trade Coalition (the Coalition) and its individual members Polytex Fibers Corporation and ProAmpac Holdings Inc., (the petitioners).⁵ Consequently, the final CVD determination will be issued on the same date as the final AD determination, which is currently

⁴ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

scheduled to be issued no later than December 17, 2018.⁶

All-Others Rate and Preliminary Determination

With respect to the all-others rate, section 705(c)(5)(A) of the Act provides that if the countervailable subsidy rates established for all exporters and producers individually investigated are determined entirely in accordance with section 776 of the Act, Commerce may use any reasonable method to establish an all-others rate for exporters and producers not individually investigated.

In this investigation, Commerce calculated individual estimated countervailable subsidy rates for Duong Vinh Hoa Packaging Company Ltd (DVH) and Xinsheng Plastic Industry Co Ltd (Xinsheng) that are not zero, *de minimis*, or based entirely on facts otherwise available. Commerce calculated the all-others rate using a weighted average of the individual estimated subsidy rates calculated for the examined respondents using each company's publicly-ranged values for the merchandise under consideration.⁷

Commerce summarizes its preliminary countervailable subsidy rates in the table below:

Producer/exporter	Subsidy rate (percent)
Duong Vinh Hoa Packaging Company Limited	3.24
Xinsheng Plastic Industry Co., Ltd.	6.15
All-Others	5.19

Suspension of Liquidation

In accordance with section 703(d)(1)(B) and (d)(2) of the Act, Commerce will direct U.S. Customs and

⁶ See *Laminated Woven Sacks from the Socialist Republic of Vietnam: Postponement of Preliminary Determination in the Less-Than-Fair-Value Investigation*, 83 FR 36876 (July 31, 2018).

⁷ With two respondents under examination, Commerce normally calculates (A) a weighted-average of the estimated subsidy rates calculated for the examined respondents; (B) a simple average of the estimated subsidy rates calculated for the examined respondents; and (C) a weighted-average of the estimated subsidy rates calculated for the examined respondents using each company's publicly-ranged U.S. sale quantities for the merchandise under consideration. Commerce then compares (B) and (C) to (A) and selects the rate closest to (A) as the most appropriate rate for all other producers and exporters. See, *e.g.*, *Ball Bearings and Parts Thereof from France, Germany, Italy, Japan, and the United Kingdom: Final Results of Antidumping Duty Administrative Reviews, Final Results of Changed-Circumstances Review, and Revocation of an Order in Part*, 75 FR 53661, 53663 (September 1, 2010). As complete publicly ranged sales data was available, Commerce based the all-others rate on the publicly ranged sales data of the mandatory respondents. For a complete analysis of the data, please see the All-Others' Rate Calculation Memorandum.

Border Protection (CBP) to suspend liquidation of all entries of LWS from Vietnam as described in the scope of the investigation entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register**. Further, pursuant to 19 CFR 351.205(d), Commerce will instruct CBP to require a cash deposit equal to the rates indicated above.

Public Comment

Interested parties may submit case and rebuttal briefs, as well as request a hearing. Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than seven days after the date on which the last verification report is issued in this investigation. Rebuttal briefs, limited to issues raised in case briefs, may be submitted no later than five days after the deadline date for case briefs.⁸ Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this investigation are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. Requests should contain the party's name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, at a time and date to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

International Trade Commission Notification

In accordance with section 703(f) of the Act, Commerce will notify the International Trade Commission (ITC) of its determination. If Commerce's final determination is affirmative, the ITC will make its final determination before the later of 120 days after the date of this

preliminary determination or 45 days after Commerce's final determination.

Notification Regarding Administrative Protective Orders

In the event that the ITC issues a final negative injury determination, this notice will serve as the only reminder to parties subject to an APO of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This determination is issued and published pursuant to sections 703(f) and 777(i) of the Act and 19 CFR 351.205(c).

Dated: August 6, 2018.

James Maeder,

Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations performing the duties of the Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
