

conducting antibiotic stewardship; strengthen surveillance of antibiotic-resistant bacterial infections; prevent the transmission of antibiotic-resistant bacterial infections; advance the development of rapid point-of-care and agricultural diagnostics; further research on new treatments for bacterial infections; develop alternatives to antibiotics for agricultural purposes; maximize the dissemination of up-to-date information on the appropriate and proper use of antibiotics to the general public and human and animal healthcare providers; and improve international coordination of efforts to combat antibiotic resistance.

The Advisory Council is authorized to consist of not more than 30 members, including the voting and non-voting members and the Chair and Vice Chair. The current composition of the Advisory Council consists of 15 voting members, including the Chair and Vice Chair, five non-voting liaison representative members, and 10 non-voting *ex-officio* members.

This announcement is to solicit nominations to fill eight positions in the voting member category that are scheduled to be vacated during the 2019 calendar year, and the terms of five positions in the liaison representative category that are scheduled to be vacated during the 2020 calendar year. Voting members are appointed to serve three or four-year terms, and liaison representative members are appointed to serve a two-year term.

The eight public voting members sought for this solicitation will be selected from individuals who are engaged in: Research on, or implementation of, interventions regarding efforts to preserve the effectiveness of antibiotics by optimizing their use; advancing research to develop improved methods for combating antibiotic resistance and conducting antibiotic stewardship; strengthening surveillance of antibiotic-resistant bacterial infections; preventing the transmission of antibiotic-resistant bacterial infections; advancing the development of rapid point-of-care and agricultural diagnostics; furthering research on new treatments for bacterial infections; developing alternatives to antibiotics for agricultural purposes; maximizing the dissemination of up-to-date information on the appropriate and proper use of antibiotics to the general public and human and animal health care providers; and improving international coordination of efforts to combat antibiotic resistance.

The public voting members will represent balanced points of view from human biomedical, public health, and

agricultural fields to include surveillance of antibiotic-resistant infections, prevention and/or interruption of the spread of antibiotic-resistant threats, or development of rapid diagnostics and novel treatments. The public voting members may be physicians, veterinarians, epidemiologists, microbiologists, or other health care professionals (*e.g.*, nurses, pharmacists, others); individuals who have expertise and experience as consumer or patient advocates concerned with antibiotic resistance, or in the fields of agriculture and pharmaceuticals; and they also may be from state or local health agencies or public health organizations. The voting public members will be appointed by the Secretary, in consultation with the Secretaries of Defense and Agriculture. All public voting members will be classified as special government employees (SGEs).

Individuals who are appointed to serve as voting members may be allowed to receive per diem and reimbursement for any applicable expenses for travel that is performed to attend meetings of the Advisory Council as authorized by 5 U.S.C. 5703, for persons employed intermittently in the Government service. The Advisory Council meets, at a minimum, two times per fiscal year depending on the availability of funds. Meetings are open to the public, except as determined otherwise by the Secretary, or other official to whom the authority has been delegated, in accordance with guidelines under the Government in the Sunshine Act, 5 U.S.C. 552b(c).

The non-voting liaison representative members are selected from organizations and/or interest groups that have involvement in the development, testing, licensing, production, procurement, distribution, and/or use of antibiotics and/or antibiotic research. Organizations are invited to participate as non-voting liaison representatives as it is deemed necessary by the Secretary or designee to accomplish the established mission of the Advisory Council. Non-voting liaison representative members are appointed to serve two-year terms. Individuals from the following sectors are being sought to serve as non-voting liaison representatives:

- Professional organizations or associations representing providers or professionals for human and/or animal health involved in infection control and prevention; this can include physicians, nurses, pharmacists, microbiologists, veterinarians.
- Public health, environmental health, and/or animal health

organizations or associations (state/territorial, county, or local) representing laboratories, health officials, epidemiologists, agricultural state departments, or environmental associations.

- Other organizations representing patients and consumer advocates, hospitals, pharmaceutical industry, food producers and retailers, or other commodity groups.

Individuals who are appointed to serve as non-voting liaison representative members may be allowed to receive per diem and reimbursement for any applicable expenses for travel that is performed to attend meetings of the Advisory Council in accordance with federal travel regulations. The Advisory Council meets, at a minimum, two times per fiscal year depending on the availability of funds. Meetings are open to the public, except as determined otherwise by the Secretary or other official to whom the authority has been delegated in accordance with guidelines under the Government in the Sunshine Act, 5 U.S.C. 552b(c).

Nominations, including self-nominations, of individuals who represent organizations that have the specified expertise and knowledge sought will be considered for appointment as non-voting liaison representative members of the Advisory Council.

Every effort will be made to ensure that the membership of federal advisory committees is fairly balanced in terms of points of view represented. Detailed information on what is required in a nomination package and how to submit one is on the Advisory Council website, <http://www.hhs.gov/ash/carb/>.

Coast Guard

[Docket No. USCG–2019–0131]

Port Access Route Study: The Areas Offshore of Massachusetts and Rhode Island

AGENCY: Coast Guard, DHS.

ACTION: Notice of study and public meetings; request for comments.

SUMMARY: In order to provide safe access routes for the movement of vessel traffic offshore of the Massachusetts and Rhode Island area of the United States for vessels proceeding to or from ports or places of the United States and transiting within the United States Exclusive Economic Zone (EEZ), the Coast Guard is conducting a Massachusetts and Rhode Island Port Access Route Study (MARIPARS) to evaluate the need for establishing vessel routing measures. The information gathered during this MARIPARS may result in the establishment of one or more vessel routing measures. The goal of the MARIPARS is to enhance navigational safety by examining existing shipping routes and waterway uses. The recommendations of the study may lead to future rulemaking action or appropriate international agreements.

DATES: Comments and related material must be received by the Coast Guard on or before May 28, 2019. Two public meetings will be held to provide an opportunity for comments about the MARIPARS on Tuesday, April 23, 2019, from 6 p.m. to 9 p.m. and on Thursday, April 25, 2019, from 6 p.m. to 9 p.m. Written comments and related material may also be submitted to Coast Guard personnel at the meetings. All comments and related material submitted after the meetings must be received by the Coast Guard on or before May 28, 2019. Commenters should be aware that the electronic Federal Docket Management System will not accept comments after midnight Eastern Daylight Time on the last day of the comment period.

ADDRESSES: You may submit comments identified by docket number USCG–2019–0131 using the Federal eRulemaking Portal at <http://www.regulations.gov>. See the “Public Participation and Request for Comments” portion of the **SUPPLEMENTARY INFORMATION** section for further instructions on submitting comments.

The public meeting on Tuesday, April 23, 2019, from 6 p.m. to 9 p.m., will be
