

determining the status of fish stocks in the Southeast Region. SEDAR is a multi-step process including: (1) Data/Assessment Workshop, and (2) a series of webinars. The product of the Data/Assessment Workshop is a report which compiles and evaluates potential datasets and recommends which datasets are appropriate for assessment analyses, and describes the fisheries, evaluates the status of the stock, estimates biological benchmarks, projects future population conditions, and recommends research and monitoring needs. Participants for SEDAR Workshops are appointed by the Gulf of Mexico, South Atlantic, and Caribbean Fishery Management Councils and NOAA Fisheries Southeast Regional Office, HMS Management Division, and Southeast Fisheries Science Center. Participants include data collectors and database managers; stock assessment scientists, biologists, and researchers; constituency representatives including fishermen, environmentalists, and NGO's; International experts; and staff of Councils, Commissions, and state and federal agencies.

The items of discussion in the Data/Assessment Workshop are as follows:

1. An assessment data set and associated documentation will be developed during the workshop.
2. Participants will evaluate proposed data and select appropriate sources for providing information on life history characteristics, catch statistics, discard estimates, length and age composition, and fishery dependent and fishery independent measures of stock abundance.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically identified in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent to take final action to address the emergency.

Special Accommodations

These meetings are physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to the Council office (see **ADDRESSES**) at least 5 business days prior to the workshop.

Note: The times and sequence specified in this agenda are subject to change.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: February 1, 2019.

Jennifer M. Wallace,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

Mid-Atlantic Fishery Management Council (MAFMC); Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; public meeting.

SUMMARY: The Mid-Atlantic Fishery Management Council's Mackerel, Squid, and Butterfish Committee will hold a public meeting via webinar.

DATES: The meeting will be held on Monday February 25, 2019, from 2 p.m. to 4 p.m. See **SUPPLEMENTARY INFORMATION** for agenda details.

ADDRESSES: The meeting will be held via webinar, which can be accessed at: <http://mafmc.adobeconnect.com/feb2019msbcom/>. Participants may also connect via telephone by calling 1-800-832-0736 and entering room number 5068871.

Council address: Mid-Atlantic Fishery Management Council, 800 N. State Street, Suite 201, Dover, DE 19901; telephone: (302) 674-2331; website: www.mafmc.org.

FOR FURTHER INFORMATION CONTACT: Christopher M. Moore, Ph.D., Executive Director, Mid-Atlantic Fishery Management Council, telephone: (302) 526-5255.

SUPPLEMENTARY INFORMATION: The Mid-Atlantic Fishery Management Council's Mackerel, Squid, and Butterfish Committee will meet on Monday February 25, 2019 (see **DATES** and **ADDRESSES**). The purpose of this meeting is for the Committee to review public comments, staff recommendations, and Advisory Panel recommendations and to develop their own recommendations for preferred alternatives for the Chub Mackerel Amendment. This amendment considers adding Atlantic chub mackerel (*Scomber colias*) to the Mackerel, Squid, and Butterfish Fishery Management Plan. The amendment includes alternatives regarding catch limits, accountability measures, and

other conservation and management measures required for stocks "in the fishery." Background documents can be found on the Council's website (www.mafmc.org).

Special Accommodations

The meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aid should be directed to M. Jan Saunders, (302) 526-5251, at least 5 days prior to the meeting date.

Dated: February 1, 2019.

Jennifer M. Wallace,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

Nominations for the Western and Central Pacific Fisheries Commission Permanent Advisory Committee

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of request for nominations.

SUMMARY: NMFS, on behalf of the Secretary of Commerce, is seeking nominations for the advisory committee established under the Western and Central Pacific Fisheries Convention Implementation Act (Act). The Permanent Advisory Committee, composed of individuals from groups concerned with the fisheries covered by the Western and Central Pacific Fisheries Convention (Convention), will be given the opportunity to provide input to the U.S. Commissioners to the Western and Central Pacific Fisheries Commission (Commission) regarding the deliberations and decisions of the Commission.

DATES: Nominations must be received no later than March 25, 2019. Nominations received after the deadline will not be accepted.

ADDRESSES: Nominations should be directed to Michael Tosatto, Regional Administrator, NMFS Pacific Islands Regional Office, and may be submitted by any of the following means:

- *Email:* pir.wcpfc@noaa.gov. Include in the subject line the following document identifier: "Permanent Advisory Committee nominations". Email comments, including attachments, are limited to 5 megabytes.

- *Mail or hand delivery:* 1845 Wasp Boulevard, Bldg. 176, Honolulu, HI 96818.

- *Facsimile:* 808-725-5215.

FOR FURTHER INFORMATION CONTACT:

Emily Reynolds, NMFS Pacific Islands Regional Office; telephone: 808-725-5039; facsimile: 808-725-5215; email: emily.reynolds@noaa.gov.

SUPPLEMENTARY INFORMATION:

The Convention and the Commission

The objective of the Convention is to ensure, through effective management, the long-term conservation and sustainable use of highly migratory fish stocks in the western and central Pacific Ocean in accordance with the United Nations Convention on the Law of the Sea of 10 December 1982 (UNCLOS) and the Agreement for the Implementation of the Provisions of the UNCLOS Relating to the Conservation and Management of Straddling Fish Stocks and Highly Migratory Fish Stocks. The Convention establishes the Commission, the secretariat of which is based in Pohnpei, Federated States of Micronesia.

The Convention applies to all highly migratory fish stocks (defined as all fish stocks of the species listed in Annex I of the UNCLOS occurring in the Convention Area, and such other species of fish as the Commission may determine), except sauries.

The United States actively supported the negotiations and the development of the Convention and signed the Convention when it was opened for signature in 2000. It participated as a cooperating non-member of the Commission since it became operational in 2005. The United States became a Contracting Party to the Convention and a full member of the Commission when it ratified the Convention in January 2007. Under the Act, the United States is to be represented on the Commission by five U.S. Commissioners, appointed by the President.

Permanent Advisory Committee

The Act (16 U.S.C. 6902) provides (in section 6902(d)) that the Secretary of Commerce, in consultation with the U.S. Commissioners to the Commission, will appoint individuals as members of the advisory committee established under the Act, referred to here as the "Permanent Advisory Committee".

The appointed members of the Permanent Advisory Committee are to include not less than 15 nor more than 20 individuals selected from the various groups concerned with the fisheries covered by the Convention, providing, to the extent practicable, an equitable balance among such groups. On behalf of the Secretary of Commerce, NMFS is now seeking nominations for these appointments.

In addition to the 15-20 appointed members, the Permanent Advisory Committee includes the chair of the Western Pacific Fishery Management Council's Advisory Committee (or designee), and officials of the fisheries management authorities of American Samoa, Guam, and the Commonwealth of the Northern Mariana Islands (or their designees).

Members of the Permanent Advisory Committee will be invited to attend all non-executive meetings of the U.S. Commissioners to the Commission and at such meetings will be given opportunity to examine and be heard on all proposed programs of investigation, reports, recommendations, and regulations of the Commission.

Each appointed member of the Permanent Advisory Committee will serve for a term of 2 years and is eligible for reappointment. This request for nominations is for the term to begin on August 3, 2019, and is for a term of 2 consecutive years.

The Secretaries of Commerce and State will furnish the Permanent Advisory Committee with relevant information concerning fisheries and international fishery agreements.

NMFS, on behalf of the Secretary of Commerce, will provide to the Permanent Advisory Committee administrative and technical support services as are necessary for its effective functioning.

Appointed members of the Permanent Advisory Committee will serve without pay, but while away from their homes or regular places of business in the performance of services for the advisory committee will be allowed travel expenses, including per diem in lieu of subsistence, in the same manner as persons employed intermittently in the Government service are allowed expenses under section 5703 of title 5,
