#### Notice of Intent To Establish Recreation Fees on Public Lands in Clackamas County, OR

**AGENCY:** Bureau of Land Management,  
Interior.

**ACTION:** Notice of intent.

**SUMMARY:** Pursuant to the Federal Lands  
Recreation Enhancement Act (REA), the  
Bureau of Land Management (BLM),  
Northwest Oregon District (formerly  
Salem District), intends to establish  
standard (day-use) and expanded  
(overnight/specialized use) amenity fees  
at Aquila Vista, Cedar Grove, Marmot,  
Sandy Ridge, and Three Bears  
Recreation Sites in Clackamas County,  
Oregon.

**DATES:** Comments on the proposed fees  
must be received or postmarked by June  
17, 2019 and include a legible full name  
and address.

**ADDRESSES:** The business plans and  
information concerning the proposed  
fees may be reviewed at the Northwest  
Oregon District Office, 1717 Fabry Rd.  
SE, Salem, Oregon 97306, and online at  
[https://www.blm.gov/programs/  
recreation/permits-and-fees/business-  
plans](https://www.blm.gov/programs/recreation/permits-and-fees/business-plans).

business hours. The FRS is available 24  
hours a day, 7 days a week, to leave a  
message or question. You will receive a  
reply during normal business hours.

**SUPPLEMENTARY INFORMATION:** The REA  
directs the Secretary of the Interior to  
publish a 6-month advance notice in the  
**Federal Register** whenever new  
recreation fee areas are established. A  
RAC must review a new fee prior to a  
final decision to implement fee  
collection.

The BLM is proposing to establish  
recreation fees for standard and

expanded amenities at the Aquila Vista,  
Cedar Grove, and Three Bears  
Recreation Sites. These sites are located  
in the Molalla River-Table Rock Special  
Recreation Management Area,  
approximately 12 miles southeast of the  
city of Molalla, Oregon. The Molalla  
River-Table Rock Recreation Area  
Management Plan (2011) identified  
these recreation sites to be developed in  
order to address high levels of  
recreational use and minimize impacts  
to the riparian area outside of these  
recreation sites. The BLM determined  
that developing these sites could help  
by concentrate visitation and allow for  
potential fee revenue to offset  
management expenses. The Molalla  
River Corridor Business Plan used a  
market analysis to determine standard  
and expanded amenity fees at these  
recreation sites.

The BLM is also proposing to  
establish recreation fees for standard  
amenities at the Marmot and Sandy  
Ridge Recreation Sites. These sites are  
included within the larger Sandy River  
Basin Integrated Management Plan,  
which guides their development. The  
market analysis in the Sandy River  
Basin Business Plan determined  
standard amenity fees at these  
recreation sites. The amenities  
furnished at both Sandy Ridge and  
Marmot Recreation Sites provide  
significant opportunities for outdoor  
recreation.

The table shows proposed fees and  
associated site amenities:

The BLM will publish the business plans online at <https://www.blm.gov/programs/recreation/permits-and-fees/business-plans>. The plans outline the operational goals of the area, the purpose of the fee program, and guide

expenditures. The plans also provide the basis for the fees by outlining a comparative market analysis of public recreation sites.

These recreation sites would become new fee sites with the previously

mentioned fees, pending the review and recommendation for approval by the Northwest Oregon RAC. The BLM would begin charging fees no sooner than 6 months after publishing this notice in the **Federal Register** and after

the close of public comments. Future adjustments in the fee amount would be made in accordance with the plan, including a public comment period, and through consultation with the Northwest Oregon RAC. Fee amounts will be posted onsite and online once established.

The BLM has found that recreation fee proposals are of a procedural nature and do not constitute a major Federal action, and are therefore excluded from environmental review under Section 102(2)(C) of the National Environmental Policy Act of 1969 (NEPA), 42 U.S.C. 4332(C), pursuant to 43 CFR 46.210(i). In addition, the fee proposals do not present any of the 12 extraordinary circumstances related to categorical exclusions listed at 43 CFR 46.215.

The BLM Northwest Oregon District welcomes public comment on this proposal. Comments received after the close of the comment period may not be considered or included in the administrative record for the proposed fees. Effective no sooner than 6 months after publication of this notice, and contingent upon final review and recommendation for approval by the Northwest Oregon Resource Advisory Council (RAC), the BLM will initiate fee collection at the above-mentioned recreation sites, unless the BLM publishes a **Federal Register** Notice to the contrary.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time.
