SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–85838; File No. SR–CboeEDGX–2019–029]

Self-Regulatory Organizations; Cboe EDGX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Related to Amending its Fee Schedule Assessed on Members To Establish a Monthly Trading Rights Fee

May 10, 2019.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on April 29, 2019, Cboe EDGX Exchange, Inc. (the “Exchange” or “EDGX”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

Cboe EDGX Exchange, Inc. (the “Exchange” or “EDGX Equities”) proposes to amend its fee schedule assessed on Members to establish a monthly Trading Rights Fee. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange’s website (http://markets.cboe.com/us/options/regulation/rule_filings/edgx/), at the Exchange’s Office of the Secretary, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to establish a monthly Trading Rights Fee under the “Membership Fees” section of the fee schedule. The Trading Rights Fee will be assessed on Members that trade more than a specified volume in U.S. equities, and will assist in covering the cost of regulating the Exchange and its Members. Specifically, the Exchange proposes to charge Member firms a monthly Trading Rights Fee of \$500 per month for the ability to trade on the Exchange. So as to continue to encourage active participation on the Exchange by smaller Members, the Trading Rights Fee would not be charged to Members with a monthly ADV³ of less than 100,000 shares. Similarly, to continue to support individual investor order flow on the Exchange, the Trading Rights Fee would not be charged to Members in which at least 90% of their orders submitted to the Exchange per month are retail orders.

Additionally, the Exchange recognizes that new Members are new and important sources of liquidity. As such, the Exchange proposes that new Exchange Members will not be charged the proposed Trading Rights Fee for their first three months of Membership. Moreover, for any month in which a firm is approved for Membership with the Exchange, the monthly Trading Rights Fee will be pro-rated in accordance with the date on which Membership is approved. For example, if a firm’s Membership is approved on May 15, 2019, then, as proposed, it would not be charged for its first three

months of Membership. The month of August would then be pro-rated and the Trading Rights Fee would be assessed from August 15, 2019 through the end of the month. During any month in which a firm terminates Membership with the Exchange, the monthly Trading Rights Fee will not be pro-rated.

As proposed, the Exchange believes the Trading Rights Fee assessed aligns with the benefit provided by allowing Members to trade on an efficient and well-regulated market. The proposed Trading Rights Fee will fund a portion of the cost of regulating and maintaining the Exchange’s equities market. Lastly, the Exchange believes the cost of Exchange Membership, including the proposed Trading Rights Fees, is significantly lower than the cost of membership in a number of other SROs.⁴

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁵ Specifically, the Exchange believes the proposed rule change is consistent with Section 6(b)(4) of the Act,⁶ which requires that Exchange rules provide for the equitable allocation of reasonable dues, fees, and other charges among its Members and other persons using its facilities.

In particular, the Exchange believes that the proposed Trading Right Fee is reasonable because the fee will assist in funding the overall regulation and maintenance of the Exchange. Additionally, the Exchange believes the fee is reasonable because the cost of this membership fee is generally less than the analogous membership fees of other markets. For example, the Exchange’s proposed Trading Rights Fee at \$500 a month is substantially lower than the NASDAQ Stock Market’s (“Nasdaq”) analogous fee, which assesses a monthly Trading Rights Fee of \$1,250 per member.

In addition to this, the Exchange believes that not charging a Trading Rights Fee for Members that trade less

⁴ See NASDAQ Stock Market Equity Rules, Equity 7, Sec. 10(a) (assessing a trading rights fee of \$1,250 per month per each member); New York Stock Exchange Price List 2019, “Trading Licenses” (assessing an annual fee \$50,000 for the first trading license held by a member, to which the Exchange notes that the Exchange assesses a \$2,500 annual fee for membership, and that this annual fee coupled with 12 months of the proposed Trading Rights Fees remains substantially lower than NYSE’s annual trading license fee).
