[Docket Number USCG–2019–0267]

RIN 1625–AA00

Safety Zone for Fireworks Display; Patapsco River-Middle Branch, Baltimore, MD**AGENCY:** Coast Guard, DHS.**ACTION:** Notice of proposed rulemaking.

SUMMARY: The Coast Guard is proposing to establish a temporary safety zone for certain waters of the Middle Branch of the Patapsco River. This action is necessary to provide for the safety of life on these navigable waters of the Middle Branch of the Patapsco River at Baltimore, MD on July 4, 2019, during a fireworks display to commemorate the July 4th holiday. This proposed rulemaking would prohibit persons and vessels from being in the safety zone unless authorized by the Captain of the Port Maryland-National Capital Region or a designated representative. We invite your comments on this proposed rulemaking.

DATES: Comments and related material must be received by the Coast Guard on or before June 20, 2019.

ADDRESSES: You may submit comments identified by docket number USCG–2019–0267 using the Federal eRulemaking Portal at <https://www.regulations.gov>. See the “Public Participation and Request for Comments” portion of the **SUPPLEMENTARY INFORMATION** section for further instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions about this proposed rulemaking, call or email Mr. Ron Houck, Sector Maryland-National Capital Region Waterways Management Division, U.S. Coast Guard; telephone 410–576–2674, email Ronald.L.Houck@uscg.mil.

II. Background, Purpose, and Legal Basis

The Fusion Group of Baltimore, MD, notified the Coast Guard that it will be conducting a fireworks display from 9:30 to 9:48 p.m. on July 4, 2019, to commemorate the July 4th Holiday. The fireworks are to be launched from a barge in the Middle Branch of the Patapsco River approximately 400 yards west of the Hanover Street (SR–2) Bridge in Baltimore, MD. There is no alternate date scheduled for this fireworks display in the event of inclement weather. Hazards from the firework display include accidental discharge of fireworks, dangerous projectiles, and falling hot embers or other debris. The COTP Maryland-National Capital Region has determined that potential hazards associated with the fireworks to be used in this display would be a safety concern for anyone within an 800-foot radius of the barge.

The purpose of this rulemaking is to ensure the safety of vessels and the navigable waters within an 800-foot radius of the fireworks barge before, during, and after the scheduled event. The Coast Guard is proposing this rulemaking under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231).

III. Discussion of Proposed Rule

The COTP is proposing to establish a safety zone from 8:30 p.m. to 11 p.m. on July 4, 2019. The safety zone would cover all navigable waters within 800 feet of a barge in the Middle Branch of the Patapsco River in approximate position latitude 39°15′31.67″ N, longitude 076°37′13.95″ W, located at Baltimore, MD. The duration of the safety zone is intended to ensure the safety of vessels and these navigable waters before, during, and after the scheduled 9:30 to 9:48 p.m. fireworks display. No vessel or person would be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative. The regulatory text we are proposing appears at the end of this document.

IV. Regulatory Analyses

We developed this proposed rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory

approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This NPRM has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, the NPRM has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on size, duration, and time-of-day of the safety zone. Vessel traffic would be able to safely transit around this safety zone which would impact a small designated area of the Middle Branch of the Patapsco River for less than 3 hours during the evening when vessel traffic is normally low. Moreover, the Coast Guard will issue a Broadcast Notice to Mariners via VHF–FM marine channel 16 about the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section IV.A above, this proposed rule would not have a significant economic impact on any vessel owner or operator.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this proposed rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section. The Coast Guard will

not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

C. Collection of Information

This proposed rule would not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this proposed rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this proposed rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this proposed rule under Department of Homeland Security Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have made a

preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This proposed rule involves a safety zone lasting less than three hours that would prohibit entry within 800 feet of a fireworks barge. Normally such actions are categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 01. A preliminary Record of Environmental Consideration supporting this determination is available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

V. Public Participation and Request for Comments

We view public participation as essential to effective rulemaking, and will consider all comments and material received during the comment period. Your comment can help shape the outcome of this rulemaking. If you submit a comment, please include the docket number for this rulemaking, indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation.

We encourage you to submit comments through the Federal eRulemaking Portal at <http://www.regulations.gov>. If your material cannot be submitted using <http://www.regulations.gov>, contact the person in the **FOR FURTHER INFORMATION CONTACT** section of this document for alternate instructions.

We accept anonymous comments. All comments received will be posted without change to <https://www.regulations.gov> and will include any personal information you have provided. For more about privacy and the docket, visit <https://www.regulations.gov/privacyNotice>.

Documents mentioned in this NPRM as being available in the docket, and all public comments, will be in our online docket at <https://www.regulations.gov> and can be viewed by following that

website's instructions. Additionally, if you go to the online docket and sign up for email alerts, you will be notified when comments are posted or a final rule is published.

38 CFR Part 17

RIN 2900–AQ54

Veterans Healing Veterans Medical Access and Scholarship Program

AGENCY: Department of Veterans Affairs.

ACTION: Proposed rule.

SUMMARY: The Department of Veterans Affairs (VA) proposes to amend its regulations that govern scholarships to certain health care providers. This rulemaking would implement the mandates of the VA MISSION Act of 2018 by establishing a pilot program to provide funding for the medical education of eligible veterans who are enrolled in covered medical schools.

DATES: Comments must be received on or before July 22, 2019.

ADDRESSES: Written comments may be submitted through www.Regulations.gov; by mail or hand-delivery to: Director, Office of Regulation Policy and Management (00REG), Department of Veterans Affairs, 810 Vermont Ave. NW, Room 1064, Washington, DC 20420; or by fax to (202) 273–9026. (This is not a toll-free telephone number.) Comments should indicate that they are submitted in response to “RIN 2900–AQ54—Veterans Healing Veterans Medical Access and Scholarship Program.” Copies of comments received will be available for public inspection in the Office of Regulation Policy and Management, Room 1064, between the hours of 8 a.m. and 4:30 p.m., Monday through Friday (except holidays). Please call (202) 461–4902 for an appointment. (This is not a toll-free telephone number.) In addition, during the

comment period, comments may be viewed online through the Federal Docket Management System (FDMS) at <http://www.Regulations.gov>.

Marjorie A. Bowman, MD, Chief Academic Affiliations Officer, Office of Academic Affiliations (10X1), U.S. Department of Veterans Affairs, 810 Vermont Avenue NW, Washington, DC 20420, Marjorie.Bowman@va.gov, (202) 461–9490. (This is not a toll-free number.)

SUPPLEMENTARY INFORMATION: On June 6, 2018, section 304 of Public Law 115–182, the John S. McCain III, Daniel K. Akaka, and Samuel R. Johnson VA Maintaining Internal Systems and Strengthening Integrated Outside Networks Act of 2018, or the VA MISSION Act of 2018, established a pilot program that would provide funding for medical education to 18 eligible veterans who enroll in covered medical schools. This is known as the Veterans Healing Veterans Medical Access and Scholarship Program (VHVMASP). For the VHVMASP, the VA MISSION Act of 2018 sets forth the eligibility criteria; the amount and types of available funding; established terms of an agreement to be entered into by the participant; as well as, the consequences for a breach in such agreement. This proposed rule would establish the regulations needed to carry out the VHVMASP. Immediately following title 38 of the Code of Federal Regulations (CFR) 17.612, we would add a new undesignated center heading titled “Veterans Healing Veterans Medical Access and Scholarship Program” and add new §§ 17.613 through 17.618 as discussed in further detail below.

Section 17.613 Purpose

Proposed § 17.613 would establish the purpose for §§ 17.613 through 17.618. We would state that the purpose for §§ 17.613 through 17.618 is to establish the requirements for the Veterans Healing Veterans Medical Access and Scholarship Program (VHVMASP). The VHVMASP will provide funding for the medical education of two eligible veterans from each covered medical school. This would be consistent with this requirement in section 304 of the VA MISSION Act of 2018.

Section 17.614 Definitions

Proposed § 17.614 would establish the definitions for proposed §§ 17.613 through 17.618. We would define “acceptable level of academic standing” as maintaining a cumulative grade point average at or above passing, as

determined by the medical school; completing all required courses with a passing grade; successfully completing the required course of study for graduation within four academic years; successfully passing the required United States Medical Licensing Examinations steps 1 and 2, within the timeframe for graduation from medical school; and having no final determinations of unprofessional conduct or behavior.

We would define “covered medical school” to mean any of the following nine schools: Texas A&M College of Medicine, Quillen College of Medicine at East Tennessee State University, Boonshoft School of Medicine at Wright State University, Joan C. Edwards School of Medicine at Marshall University, University of South Carolina School of Medicine, Charles R. Drew University of Medicine and Science, Howard University College of Medicine, Meharry Medical College, and Morehouse School of Medicine. Consistent with section 304 of the VA MISSION Act of 2018, these institutions would be the only qualifying medical schools that may submit participants for the VHVMASP.

We would define “VA” to mean the Department of Veterans Affairs. We would also define “VHVMASP” to mean the Veterans Healing Veterans Medical Access and Scholarship Program authorized by section 304 of the VA MISSION Act of 2018.

Section 17.615 Eligibility

Proposed § 17.615 would restate the eligibility criteria of section 304 of the VA MISSION Act of 2018 that a veteran must meet in order to qualify for the VHVMASP. We would state that an eligible veteran is one who: Has been discharged or released under conditions other than dishonorable from the Armed Forces for a period of not more than 10 years before the date of application for admission to a covered medical school; would not be concurrently receiving educational assistance under Chapter 30, 31, 32, 33, 34, or 35 of title 38 United States Code or chapter 1606 or 1607 of title 10 United States Code at the time the veteran would be receiving VHVMASP funding; applies for admission to a covered medical school for the entering class of 2020; indicates on the application to the covered medical school that they would like to be considered for the VHVMASP; meets the minimum admissions criteria for the covered medical school to which the eligible veteran applies; and agrees to the terms stated in proposed § 17.617.
