ENVIRONMENTAL PROTECTION AGENCY

[FRL-9993-80-OA]

Announcement of the Board of Directors for the National Environmental Education Foundation

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of appointment.

SUMMARY: The National Environmental Education and Training Foundation (doing business as The National Environmental Education Foundation) or (NEEF) was created by Section 10 of Public Law 101-619, the National Environmental Education Act of 1990 (NEEA) as a private non-profit organization. It was established by Congress as a common ground upon which leaders from business and industry, all levels of government, public interest groups, and others can work cooperatively to raise a greater national awareness of environmental issues beyond traditional classrooms. Per NEEA, the EPA Administrator is the sole entity statutorily responsible for appointing NEEF's Board of Directors. The Administrator announces the following four-year appointments to NEEF's Board of Directors, effective August 19, 2019:

- Todd Greenwood—National FFA Organization
- Katherine Emerson—National Corn Growers Association (NCGA), Congressional Hunger Center
- Don Mattingly—Major League Baseball & the Miami Marlins
- Katie Hogge—Ocean Conservancy & American Conservation Coalition

Additional considerations: As an independent foundation, NEEF is different from the Agency's several federal advisory committees and scientific boards, which have their own appointment processes. Because NEEA gives complete discretion to the Administrator in appointing members to NEEF's Board of Directors, EPA is taking additional steps to ensure all prospective members are qualified to serve on the Board and represent diverse points of view. In early 2019, EPA's Office of the Administrator formed an internal review panel comprised of senior EPA career officials tasked with verifying the qualifications of all future members of the NEEF Board of Directors selected by the Administrator. All new Board appointees underwent review by the panel prior to publication of this notice. These appointees will join the current Board members. Information on Board members is available on NEEF's public website: <https://www.neefusa.org/about-neef/board>.

FOR FURTHER INFORMATION CONTACT: For information regarding this Notice of Appointment, please contact Lee Tanner, 202-564-4988, Acting Supervisor for the Office of Environmental Education, U.S. EPA, 1200 Pennsylvania Avenue NW, Washington, DC 20460. General information concerning NEEF may be found here: <https://www.neefusa.org/>.

SUPPLEMENTARY INFORMATION: Section 10(a) of the National Environmental Education Act of 1990 (NEEA) establishes the National Environmental Education Foundation and its underlying terms. The statute in its entirety is available on EPA's website and may be accessed here: <https://www.epa.gov/education/national-environmental-education-act#s10>.

Section 10 of the NEEA provides the following, in pertinent part:

(a) Establishment and Purposes—

(1) ESTABLISHMENT—(A) There is hereby established the National Environmental Education Foundation. The Foundation is established in order to extend the contribution of environmental education and training to meeting critical environmental protection needs, both in this country and internationally; to facilitate the cooperation, coordination, and contribution of public and private resources to create an environmentally advanced educational system; and to foster an open and effective partnership among Federal, State, and local government, business, industry, academic institutions, community based
