Type of Review: Renewal.

Respondents/Affected Public: Current/prospective AmeriCorps NCCC Project Sponsors.

Total Estimated Number of Annual Responses: 1,800.

Abstract: The AmeriCorps NCCC Service Project Application is completed by organizations interested in sponsoring an AmeriCorps NCCC team. Each year, AmeriCorps NCCC engages teams of members in projects in communities across the United States. Service projects, which typically last from six to eight weeks, address critical needs in natural and other disasters, infrastructure improvement, environmental stewardship and conservation, energy conservation, and urban and rural development. Members construct and rehabilitate low-income housing, respond to natural disasters, clean up streams, help communities develop emergency plans, and address other local needs. CNCS seeks to renew the current information collection. The revisions are intended to improve the ability to assess prospective AmeriCorps NCCC sponsors. The information collection will otherwise be used in the same manner as the existing application. CNCS also seeks to continue using the current application until the revised application is approved by OMB. The current application is due to expire on July 31, 2019.
