AGENCY: Internal Revenue Service (IRS), Treasury.

ACTION: Notice and request for comments.

SUMMARY: The Internal Revenue Service (IRS), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on information collections, as required by the Paperwork Reduction Act of 1995. The IRS is soliciting comments concerning Employee Plans Compliance Resolution System (EPCRS UPDATE OF REV. PROCS. 2018–52 and 2016–51, including Forms 8950, 8951, 14568, 14568–A through I).

SUPPLEMENTARY INFORMATION:

Title: Employee Plans Compliance Resolution System (EPCRS UPDATE OF REV. PROCS. 2018–52 and 2016–51, including Forms 8950, 8951, 14568, 14568–A through I).

OMB Number: 1545–1673.

Abstract: This revenue procedure updates the Comprehensive system of correction programs for sponsors of retirement plans that are intended to satisfy the requirements of §§ 401(a), 403(a), 403(b), 408(k), or 408(p) of the Internal Revenue Code, but that have

not met these requirements for a period of time. This system (<http://www.irs.gov/Retirement-Plans/EPCRS-Overview>), the Employee Plans Compliance Resolution System (EPCRS), permits Plan Sponsors to correct these failures and thereby continue to provide their employees with retirement benefits on a tax-favored basis. The components of EPCRS are:

- Self-Correction Program (SCP)—permits a plan sponsor to correct certain plan failures without contacting the IRS or paying any fee.
- Voluntary Correction Program (VCP)—permits a plan sponsor to, any time before audit, pay a fee and receive IRS approval for correction of plan failures.
- Audit Closing Agreement Program (Audit CAP)—permits a plan sponsor to pay a sanction and correct a plan failure while the plan is under audit.

Current Actions: Rev. Proc. 2018–52, 2018–42 I.R.B. 611, which modified and superseded Rev. Proc. 2016–51, 2016–42 I.R.B. 465, the prior consolidated statement of the correction programs under EPCRS. Rev. Proc. 2018–52 provides that beginning January 1, 2019, Plan Sponsors may file a VCP submission with the IRS (including payment of applicable user fees) using the www.pay.gov website. On or after April 1, 2019, Plan Sponsors are required to use the www.pay.gov website when filing a VCP submission and paying applicable user fees. To ease the transition to the new submission procedures, from January 1, 2019, through March 31, 2019, Plan Sponsors are permitted to continue to file paper VCP submissions with the IRS in accordance with the procedures in sections 10 and 11 of Rev. Proc. 2016–51. The IRS will not accept paper VCP submissions postmarked on or after April 1, 2019. In addition, beginning April 1, 2019, the IRS no longer will process user fees paid with a paper check.

In order to provide new procedures for filing a VCP submission and paying applicable user fees on the www.pay.gov website, section 10 includes several modifications. Section 10.01 is revised to set forth the requirements for satisfying the VCP procedures. In addition to satisfying the terms of a compliance statement, the Plan Sponsor must file the submission and pay the applicable user fee using the www.pay.gov website. Many of the procedures for filing the VCP submission are set forth in section 11. Although the Plan Sponsor is responsible for filing the VCP submission and paying the user fee using the www.pay.gov website, section 10.01 clarifies that a Plan Sponsor may

designate an authorized representative to file the VCP submission if certain requirements are satisfied.

Section 11 sets forth filing procedures for VCP submissions. These procedures have been modified to reflect electronic filing of VCP submissions and payment of applicable user fees using the www.pay.gov website. An electronic VCP submission filed using the www.pay.gov website must include many of the same materials as a VCP submission filed on paper pursuant to Rev. Proc. 2016–51.

For a description of the modifications to Rev. Proc. 2016–51, see section 2 of Rev. Proc. 2018–52.
