Total Annual Burden: 68,607 hours.

Total Annual Cost: No Cost.

Privacy Act Impact Assessment: No impact(s).

Nature and Extent of Confidentiality: We note that USAC must preserve the confidentiality of certain data obtained from respondents; must not use the data except for purposes of administering the universal service programs or other purposes specified by the Commission; and must not disclose data in company-specific form unless directed to do so by the Commission. Respondents may request materials or information submitted to the Commission or the Administrator believed confidential to be withheld from public inspection under 47 CFR 0.459 of the FCC's rules.

Needs and Uses: The Commission is requesting approval for this revised information collection. In March 2016, the Commission adopted an order reforming its universal service support program in areas served by rate-of-return carriers. Connect America Fund et al., WC Docket Nos. 10–90 et al., Report and Order, Order and Order on Reconsideration, and Further Notice of

Proposed Rulemaking, FCC 16–33 (*2016 Rate-of-Return Order*). In May 2016, the Commission adopted rules to implement a competitive bidding process for Phase II of the Connect America Fund. Connect America Fund et al., WC Docket Nos. 10–90 et al., Report and Order and Further Notice of Proposed Rulemaking, FCC 16–64 (*Phase II Auction Order*). In August 2016, the Commission adopted a plan tailored to certain carriers, both fixed and mobile, serving Alaska. Connect America Fund et al., WC Docket No. 10–90 et al., Report and Order and Further Notice of Proposed Rulemaking, FCC 16–115 (*Alaska Plan Order*). In January 2017 the Commission adopted an order which granted New York State waiver of the Connect America Phase II auction program rules, subject to certain conditions. Connect America Fund et al., WC Docket Nos. 10–90 et al., FCC 17–2 (*New York Auction Order*). Also, in December 2018, the Commission adopted reforms that included additional offers of model-based support and increased broadband deployment obligations. Connect America Fund et al., WC Docket No. 10–90 et al., FCC 17–2 (*New York Auction Order*). Also, in December 2018, the Commission adopted reforms that included additional offers of model-based support and increased broadband deployment obligations. Connect America Fund et al., WC Docket No. 10–90 et al., Report and Order, Further Notice of Proposed Rulemaking and Order on Reconsideration, FCC 18–176 (*2018 Rate-of-Return Order*).

This information collection addresses the requirement that certain carriers with high-cost reporting obligations must file information about their locations which meet their broadband deployment public interest obligations via an electronic portal (“portal”). The *2016 Rate-of-Return Order* required that the Universal Service Administrative Company (USAC) establish the portal so that carriers could file their location data with the portal starting in 2017. The *2016 Rate-of-Return Order* required all recipients of Phase II model-based support and rate-of-return carriers to submit geocoded location data and related certifications to the portal. Recipients of Phase II model-based support had been required to file such information in their annual reports due by July 1. The *Phase II Auction Order*, *Alaska Plan Order*, and *New York Auction Order* require carriers to build-out networks capable of meeting their public interest obligations and report, to an online portal, locations to which auction winners had deployed such networks. The *Alaska Plan Order* also made portal reporting requirements for carriers to submit fiber/microwave middle-mile network maps. This information collection also addresses the new additional offers of model-based support and increased broadband

deployment obligations, and other improvements to the portal. With the new additional offers, there will be more carriers subject to the model-based deployment milestones and fewer carriers remaining on legacy support.
