SUPPLEMENTARY INFORMATION:

Title of Collection: Generic Information Collection Plan to Conduct Cognitive and Pilot Testing of Research Methods, Instruments, and Forms.

OMB Control Number: 3170–0055.

Type of Review: Reinstatement without change of a previously approved collection.

Affected Public: Individuals and households.

Estimated Number of Annual Respondents: 1,730.

Estimated Total Annual Burden Hours: 1,820.

Abstract: Under the Dodd-Frank Wall Street Reform and Consumer Protection Act, the Bureau is charged with researching, analyzing, and reporting on topics relating to the Bureau’s mission, including developments in markets for consumer financial products and services, consumer awareness, and consumer behavior. In order to improve its understanding of how consumers engage with financial markets, the Bureau seeks to obtain approval for a generic information collection plan to conduct research to improve the quality of data collection by examining the effectiveness of data-collection procedures and processes, including potential psychological and cognitive issues.

Request for Comments: Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Bureau, including whether the information will have practical utility; (b) The accuracy of the Bureau’s estimate of the burden of the collection of information, including the validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record.

Dated: June 11, 2019.

SUPPLEMENTARY INFORMATION:

Title of Collection: Generic Information Collection Plan for the Development and Testing of Disclosures and Related Materials.

OMB Control Number: 3170–0022.

Type of Review: Reinstatement with change of a previously approved collection.

Affected Public: Individuals and households.

Estimated Number of Annual Respondents: 16,400.

Estimated Total Annual Burden Hours: 8,488.

Abstract: This is a request for a generic clearance for the Consumer Financial Protection Bureau (“Bureau”) for the development and testing of consumer financial disclosures and related materials. The research will

result in recommendations for the development of and revisions to such disclosures and related materials. The research activities may be conducted by the Bureau or its contractors, and will include cognitive psychological testing methods or rigorous quantitative evaluations. This approach has been demonstrated to be feasible and valuable by the Bureau and other agencies in developing disclosures and related materials. The planned research activities will be conducted with the goal of creating effective disclosures and related materials that will help consumers understand the features of consumer financial products and services. The Bureau is modifying this generic information collection plan to provide for enhanced public notice and opportunity to comment to OMB for each request submitted under this generic.

Request for Comments: Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Bureau, including whether the information will have practical utility; (b) The accuracy of the Bureau's estimate of the burden of the collection of information, including the validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record.

Dated: June 11, 2019.

CONSUMER PRODUCT SAFETY COMMISSION

[Docket No. CPSC-2009-0073]

Agency Information Collection Activities; Proposed Collection; Comment Request; Virginia Graeme Baker Pool and Spa Safety Act; Compliance Form

AGENCY: Consumer Product Safety Commission.

ACTION: Notice.

SUMMARY: As required by the Paperwork Reduction Act of 1995, the Consumer Product Safety Commission (CPSC) requests comments on a proposed extension of approval of a collection of information regarding a form used to verify whether pools and spas are in compliance with the Virginia Graeme Baker Pool and Spa Safety Act. The Office of Management and Budget (OMB) previously approved the collection of information under OMB Control No. 3041-0142. CPSC will consider all comments received in response to this notice before requesting an extension of approval of this collection of information from OMB.

DATES: Submit written or electronic comments on the collection of information by August 13, 2019.

ADDRESSES: You may submit comments, identified by Docket No. CPSC-2009-0073, by any of the following methods:

Electronic Submissions: Submit electronic comments to the Federal eRulemaking Portal at: <https://www.regulations.gov>. Follow the instructions for submitting comments. The CPSC does not accept comments submitted by electronic mail (email), except through www.regulations.gov. The CPSC encourages you to submit electronic comments by using the Federal eRulemaking Portal, as described above.

Written Submissions: Submit written submissions in the following way: Mail/hand delivery/courier to: Division of the Secretariat, Consumer Product Safety Commission, Room 820, 4330 East-West Highway, Bethesda, MD 20814; telephone (301) 504-7923.

Instructions: All submissions received must include the agency name and docket number for this notice. All comments received may be posted without change, including any personal identifiers, contact information, or other personal information provided, to: <http://www.regulations.gov>. Do not submit confidential business information, trade secret information, or other sensitive or protected information that you do not want to be available to the public. If furnished at all, such information should be submitted in writing.

Docket: For access to the docket to read background documents or comments received, go to: <http://www.regulations.gov>, and insert the docket number, CPSC-2009-0073, into the "Search" box, and follow the prompts.

FOR FURTHER INFORMATION CONTACT: Bretford Griffin, Consumer Product Safety Commission, 4330 East-West Highway, Bethesda, MD 20814; (301)

504-7037, or by email to: bgriffin@cpsc.gov.

SUPPLEMENTARY INFORMATION: CPSC seeks to renew the following currently approved collection of information:

Title: Virginia Graeme Baker Pool and Spa Safety Act Verification of Compliance Form.

OMB Number: 3041-0142.

Type of Review: Renewal of collection.

Frequency of Response: On occasion.

Affected Public: Public pools and spa facilities.

Estimated Number of Respondents: 100 pools or facilities.

Estimated Time per Response: 3 hours to inspect a pool or spa facility.

Total Estimated Annual Burden: The total testing burden hours are 300 (100 inspections × 3 hours per inspection). The total annual cost of time to inspect all facilities is estimated at \$17,500.

General Description of Collection: On December 19, 2008, the Virginia Graeme Baker Pool and Spa Safety Act (Act) became effective (Pub. L. 110-140). The Act applies to public swimming pools and spas, and it requires that each swimming pool and spa drain cover manufactured, distributed, or entered into commerce in the United States shall conform to the entrapment protection standards of the ASME/ANSI A112.19.8 performance standard or any successor standard regulating such swimming pool or drain cover under section 1404(b) of the Act.

On August 5, 2011, the CPSC published a final rule incorporating by reference ANSI/APSP-16 2011 as the successor standard, effective September 6, 2011. 76 FR 47436. On May 24, 2019, the CPSC published a direct final rule incorporating by reference ANSI/APSP-16 2017 as the next successor standard. Absent adverse comment to the direct final rule by June 24, 2019, ANSI/APSP-16 2017 will become effective November 24, 2020. 84 FR 24021. The Act requires that, in addition to having the anti-entrapment devices or systems, each public pool and spa in the United States with a single main drain other than an unblockable drain shall be equipped with one or more of the following devices or systems designed to prevent entrapment by pool or spa drains including a safety vacuum release system, suction-limiting vent system, gravity drainage system, automatic pump shut-off system or drain disablement. The CPSC will collect information through the verification of compliance form to identify drain covers, pools, and spas that do not meet the performance requirements in ANSI/APSP-16 2011
