Title of Collection: Transition and Postsecondary Programs for Students with Intellectual Disabilities (TPSID) Evaluation Protocol.

OMB Control Number: 1840-0825.

Type of Review: A revision of an existing information collection.

Abstract: In October 2015, the Institute for Community Inclusion (ICI), UMass Boston received a five-year cooperative agreement from the Office of Postsecondary Education to serve as the National Coordinating Center (NCC) for colleges and universities implementing inclusive higher education programs for students with intellectual disabilities, including 25 newly-funded model demonstration projects aimed at creating inclusive comprehensive transition and postsecondary programs for students with intellectual disabilities known as Transition and Postsecondary Programs for Students with Intellectual Disabilities (TPSIDs).

To reduce respondent burden, the NCC has streamlined and simplified the previously approved evaluation system for the TPSID programs. The NCC will enhance the collection and analyses of longitudinal follow up data from the new 25 TPSID model programs via an already developed and previously OMB approved evaluation system for the TPSID programs. The revised data collection system is part of an evaluation effort. The system will

collect program data at the institutions from TPSID program staff via an online, secure data management system.
