The regulations related to these areas are contained in Part 703 and Section 721.3 of the NCUA Rules and Regulations which set forth requirements related to maintaining an adequate investment program. The information collected is used by the NCUA to determine compliance with the appropriate sections of the NCUA Rules and Regulations and Federal Credit Union Act, which governs investment and deposit activities on the basis of safety and soundness concerns. In addition, Subpart C requires credit unions that intend to merge into banks to determine the merger value of the credit union.
