Title: Industry Responses to Noncompliance Records.

OMB Control Number: 0583-0146.

Expiration Date: 11/30/2019.

Type of Request: Renewal an approved information collection.

Abstract: FSIS has been delegated the authority to exercise the functions of the Secretary (7 CFR 2.18, 2.53) as specified in the Federal Meat Inspection Act (FMIA) (21 U.S.C. 601, *et seq.*), the Poultry Products Inspection Act (PPIA) (21 U.S.C. 451, *et seq.*) and the Egg Products Inspection Act (EPIA) (21 U.S.C. 1031, *et seq.*). These statutes mandate that FSIS protect the public by verifying that meat, poultry, and egg products are safe, wholesome, unadulterated, and properly labeled and packaged.

FSIS is requesting a renewal of the approved information collection regarding industry responses to noncompliance records. The approval for this information collection will expire on November 30, 2019. FSIS is making no changes to the existing information collection.

The noncompliance record, FSIS Form 5400-4, serves as FSIS's official record of noncompliance with one or more regulatory requirements. Inspection program personnel use the form to document their findings and provide written notification of the official establishment's or plant's failure to comply with regulatory requirements. The establishment or plant management receives a copy of the form and has an opportunity to respond in writing using the noncompliance record form. The establishment or plant management can also choose to respond to FSIS electronically by using the Industry Module in PHIS.

FSIS has made the following estimates based upon an information collection assessment:

Estimate of burden: FSIS estimates that it will take respondents an average of 60 minutes per response.

Respondents: Official establishments.

Estimated total number of respondents: 7,057.

Estimated annual number of responses per respondent: 17.

Estimated total annual burden on respondents: 119,969 hours.

Copies of this information collection assessment can be obtained from Gina Kouba, Office of Policy and Program Development, Food Safety and Inspection Service, USDA, 1400 Independence Avenue SW, Room 6065, South Building, Washington, DC 20250-3700; (202) 720-5627.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of FSIS's functions, including whether the information will have practical utility; (b) the accuracy of FSIS's estimate of the burden of the proposed collection of information, including the validity of the method and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques, or other forms of information technology. Comments may be sent to both FSIS, at the addresses provided above, and the Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), Washington, DC 20253.

Responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.
