

statistics are slated to be released in December 2019.

BEA invites comments from the public, private industry, state and local governments, non-profit organizations, and other interested parties to assist in improving the prototype statistics' quality, reliability, and usefulness. In particular, BEA is interested in feedback regarding the following:

1. How do you plan to use county GDP statistics?

2. Would an annual publication in December meet your needs? If not, what time of the year would be most valuable to inform planning and other uses?

3. Are the prototype estimates consistent with the data and local information that you have on specific counties? If not, please outline the differences.

4. Do you have any feedback about the methodology used to create the prototype county GDP statistics described in the March 2019 issue of BEA's online *Survey of Current Business* (available at [bea.gov](http://bea.gov))?

5. Are there additional source data that you believe could be used to generate and corroborate these statistics beyond those described in the March 2019 article?

6. Which would better meet your needs:

Less-detailed industry breakdowns, which will result in fewer data suppressions to protect confidentiality or more-detailed industry breakdowns, with the necessary suppressions?

Dated: June 4, 2019.

### Foreign-Trade Zones Board

[B-40-2019]

#### Foreign-Trade Zone (FTZ) 100— Dayton, Ohio; Notification of Proposed Production Activity; Whirlpool Corporation (Small Appliances), Greenville, Ohio

Whirlpool Corporation (Whirlpool) submitted a notification of proposed production activity to the FTZ Board for its facility in Greenville, Ohio. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on June 19, 2019.

The applicant indicates that it will be submitting a separate application for

FTZ designation at the company's facility under FTZ 100. The Whirlpool facility is used for the production of small appliances. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Whirlpool from customs duty payments on the foreign-status components used in export production. On its domestic sales, for the foreign-status materials/components noted below, Whirlpool would be able to choose the duty rates during customs entry procedures that apply to: Blenders; hand blenders; stand mixers; blender jars; cabinet tops; domes and blades; lower housings and gearings; attachment packs; planetary gears and shafts; lower gearcases; and, seals and couplers (duty rate ranges from 2.5 to 4.2%). Whirlpool would be able to avoid duty on foreign-status components which become scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The components and materials sourced from abroad include: Plastic cases; plastic knobs; plastic seals; plastic grommets; plastic lids; cardboard boxes; literature (use and care guides); cotton cloth covers not knitted or crocheted; cotton cloth covers; cloth covers; non-woven cotton cloth bags; steel screws; slicer/blade attachments; steel wall brackets; scale and sifter attachments; bearing retainers; transmission shafts; pinion gears; worm gears; bevel gears; DC motors between 18.65W and 14.92kW; Universal AC/DC motors greater than 74.6W; single-phase AC gear motors; single-phase AC motors; electrical armatures; lithium-ion batteries; stand mixer attachments and bowls; heating resistors; heating elements; electronic switches; rotary switches; pushbutton switches; slide switches; control panels/user interfaces; power cords; carbon brushes; and, cleaning brushes (duty rate ranges from duty-free to 9.9%). The request indicates that cotton cloth covers not knitted or crocheted, cotton cloth covers, cloth covers, and lithium-ion batteries will be admitted to the zone in privileged foreign status (19 CFR 146.41), thereby precluding inverted tariff benefits on such items. The request also indicates that certain materials/components are subject to special duties under Section 301 of the Trade Act of 1974 (Section 301), depending on the country of origin. The

applicable Section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status.

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary and sent to: [ftz@trade.gov](mailto:ftz@trade.gov). The closing period for their receipt is August 7, 2019.

A copy of the notification will be available for public inspection in the "Reading Room" section of the Board's website, which is accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz).

### Foreign-Trade Zones Board

[B-39-2019]

#### Foreign-Trade Zone 280—Caldwell, Idaho; Application for Reorganization (Expansion of Service Area) Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the Southwest Idaho Manufacturers' Alliance, grantee of Foreign-Trade Zone 280, requesting authority to reorganize the zone to expand its service area under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR Sec. 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the FTZ Board's standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the FTZ Board (15 CFR part 400). It was formally docketed on June 18, 2019.

FTZ 280 was approved by the FTZ Board on May 12, 2012 (Board Order 1825, 77 FR 32929, June 4, 2012). The zone currently has a service area that includes Ada and Canyon Counties, Idaho.

The applicant is now requesting authority to expand the service area of the zone to include Elmore County, as described in the application. If

approved, the grantee would be able to serve sites throughout the expanded service area based on companies' needs for FTZ designation. The application indicates that the proposed expanded service area is adjacent to the Boise, Idaho Customs and Border Protection Port of Entry.

In accordance with the FTZ Board's regulations, Qahira El-Amin of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary and sent to: [ftz@trade.gov](mailto:ftz@trade.gov). The closing period for their receipt is August 27, 2019. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to September 11, 2019.

A copy of the application will be available for public inspection in the "Reading Room" section of the FTZ Board's website, which is accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz). For further information, contact Qahira El-Amin at [Qahira.El-Amin@trade.gov](mailto:Qahira.El-Amin@trade.gov) or (202) 482-5928.

#### Foreign-Trade Zone 162—New Haven, Connecticut; Application for Subzone; Waterfront Enterprises, LLC, New Haven, Connecticut

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the Greater New Haven Chamber of Commerce, grantee of FTZ 162, requesting subzone status for the facilities of Waterfront Enterprises, LLC, located in New Haven, Connecticut. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the FTZ Board (15 CFR part 400). It was formally docketed on June 24, 2019.

The proposed subzone would consist of the following sites: *Site 1* (4.6 acres) 400 Waterfront Street, New Haven; *Site 2* (22 acres) 31 Waterfront Street, New Haven; *Site 3* (7 acres) 30 Waterfront

Street, New Haven; and, *Site 4* (23 acres) 347 Chapel Street, New Haven. No authorization for production activity has been requested at this time.

In accordance with the FTZ Board's regulations, Elizabeth Whiteman of the FTZ Staff is designated examiner to review the application and make recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary and sent to: [ftz@trade.gov](mailto:ftz@trade.gov). The closing period for their receipt is August 7, 2019.
