SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–86203; File No. SR–BX–2019–021]

Self-Regulatory Organizations; Nasdaq BX, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Harmonize the Exchange's By-Law Provisions Regarding the Size of the Exchange's Board of Directors to Those of the Other Nasdaq, Inc.-Owned U.S. Exchanges

June 26, 2019.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on June 17, 2019, Nasdaq BX, Inc. (“BX” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to harmonize the Exchange's By-Law provisions regarding the size of the Exchange's Board of Directors (“Board”) to those of the other Nasdaq, Inc.-owned U.S. exchanges, The Nasdaq Stock Market LLC (“Nasdaq”), Nasdaq PHLX LLC (“Phlx”), Nasdaq ISE, LLC (“ISE”), Nasdaq GEMX, LLC (“GEMX”), and Nasdaq MRX, LLC (“MRX”) (together, “Affiliated Exchanges”).

The text of the proposed rule change is available on the Exchange's website at <http://nasdaqbx.cchwallstreet.com/>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its By-Laws at Article IV, Section 4.2³ to conform its provisions regarding the size of the Exchange's Board to those of the Affiliated Exchanges.⁴

By-Law Article IV contains provisions regarding the powers and composition of the Board, which are generally aligned with similar provisions in the Limited Liability Company (“LLC”) Agreements and By-Laws of the Affiliated Exchanges. For instance, as is the case with the Affiliated Exchanges, the composition of the Exchange's Board is required to reflect a balance among Industry Directors,⁵ Member

³ In Exhibit 5, the references to “Corporation” mean the Exchange.

⁴ See Nasdaq Second Amended Limited Liability Company Agreement (“Nasdaq LLC Agreement”), Section 9(a); Phlx Second Amended Limited Liability Company Agreement (“Phlx LLC Agreement”), Section 8(a); and ISE, GEMX, and MRX Limited Liability Company Agreements, Section 9(a).

⁵ “Industry Director” means a Director (excluding any two officers of the Exchange, selected at the sole discretion of the Board, amongst those officers who may be serving as Directors (the “Staff Directors”)), who (i) is or has served in the prior three years as an officer, director, or employee of a broker or dealer, excluding an outside director or a director not engaged in the day-to-day management of a broker or dealer; (ii) is an officer, director (excluding an outside director), or employee of an entity that owns more than ten percent of the equity of a broker or dealer, and the broker or dealer accounts for more than five percent of the gross revenues received by the consolidated entity; (iii) owns more than five percent of the equity securities of any broker or dealer, whose investments in brokers or dealers exceed ten percent of his or her net worth, or whose ownership interest otherwise permits him or her to be engaged in the day-to-day management of a broker or dealer; (iv) provides professional services to brokers or dealers, and such services constitute twenty percent or more of the professional revenues received by the Director or twenty percent or more of the gross revenues received by the Director's firm or partnership; (v) provides professional services to a director, officer, or employee of a broker, dealer, or

Representative Directors,⁶ and Non-Industry Directors,⁷ including Public Directors⁸ and Director representatives of issuers and investors (“issuer representatives”). Specifically, the number of Non-Industry Directors, including at least one Public Director and at least one issuer representative, shall equal or exceed the sum of the number of Industry Directors and Member Representative Directors. In addition, at least 20% of the Directors shall be Member Representative Directors.⁹

Furthermore, consistent with the Affiliated Exchanges, the Exchange's By-Laws presently allow the stockholders¹⁰ to set the exact number of Directors.¹¹ Unlike the Affiliated

corporation that owns fifty percent or more of the voting stock of a broker or dealer, and such services relate to the director's, officer's, or employee's professional capacity and constitute twenty percent or more of the professional revenues received by the Director or twenty percent or more of the gross revenues received by the Director's firm or partnership; or (vi) has a consulting or employment relationship with or provides professional services to the Exchange or any affiliate thereof or to FINRA or has had any such relationship or provided any such services at any time within the prior three years. See By-Law Article I(t).

⁶ “Member Representative Director” means a Director who has been elected by the stockholders after having been nominated by the Member Nominating Committee or voted upon by Exchange Members pursuant to the By-Laws (or elected by the stockholders without such nomination or voting in the case of the Member Representative Directors elected pursuant to Section 4.3(b)). A Member Representative Director may, but is not required to be, an officer, director, employee, or agent of an Exchange Member. See By-Law Article I(x). Member Representative Directors are directors that meet the fair representation requirement in Section 6(b)(3) of the Act, which requires that the “rules of the Exchange assure a fair representation of its members in the selection of its directors and administration of its affairs. . . .”

⁷ “Non-Industry Director” means a Director (excluding Staff Directors) who is (i) a Public Director; (ii) an officer or employee of an issuer of securities listed on the Exchange; or (iii) any other individual who would not be an Industry Director. See By-Law Article I(bb).

⁸ “Public Director” means a Director who has no material business relationship with a broker or dealer, the Exchange or its affiliates, or FINRA. See By-Law Article I(gg).

⁹ See By-Law Article IV, Section 4.3. The Affiliated Exchanges have substantially similar board composition requirements, including the requirement that at least 20% of the directors be Member Representative Directors. In addition, the By-Laws of Nasdaq, ISE, GEMX, and MRX each have an additional board composition requirement of at least two issuer representatives if the board consists of ten or more directors. See Nasdaq LLC Agreement, Section 9(a) and Nasdaq By-Laws, Article III, Section 2(a); Phlx LLC Agreement, Section 8(a) and Phlx By-Laws, Article III, Section 3–2(a); and ISE, GEMX, and MRX LLC Agreements, Section 9(a) and ISE, GEMX, and MRX By-Laws, Article III, Section 2(a).

¹⁰ Nasdaq, Inc. is the sole stockholder of the Exchange.

¹¹ See By-Law Article IV, Section 4.2. See *supra* note 4.
