

companies.” Rule 17a–8 exempts certain mergers and similar business combinations (“mergers”) of affiliated registered investment companies (“funds”) from prohibitions under section 17(a) of the Act (15 U.S.C. 80a–17(a)) on purchases and sales between a fund and its affiliates. The rule requires fund directors to consider certain issues and to record their findings in board minutes. The rule requires the directors of any fund merging with an unregistered entity to approve procedures for the valuation of assets received from that entity. These procedures must provide for the preparation of a report by an independent evaluator that sets forth the fair value of each such asset for which market quotations are not readily available. The rule also requires a fund being acquired to obtain approval of the merger transaction by a majority of its outstanding voting securities, except in certain situations, and requires any surviving fund to preserve written records describing the merger and its terms for six years after the merger (the first two in an easily accessible place).

The average annual burden of meeting the requirements of rule 17a–8 is estimated to be 7 hours for each fund. The Commission staff estimates that each year approximately 468 funds rely on the rule. The estimated total average annual burden for all respondents therefore is 3,276 hours.

The average cost burden of preparing a report by an independent evaluator in a merger with an unregistered entity is estimated to be \$15,000. The average net cost burden of obtaining approval of a merger transaction by a majority of a fund’s outstanding voting securities is estimated to be \$100,000. The Commission staff estimates that each year approximately 0 mergers with unregistered entities occur and approximately 137 funds hold shareholder votes that would not otherwise have held a shareholder vote. The total annual cost burden of meeting these requirements is estimated to be \$13,700,000.

The estimates of average burden hours and average cost burdens are made solely for the purposes of the Paperwork Reduction Act, and are not derived from a comprehensive or even a representative survey or study.
