A business meeting will be held the following month on Wednesday, September 11, 2019 at The Conference Center at Mercer, Mercer County Community College, 1200 Old Trenton Road, West Windsor, New Jersey. The hearing and meeting are open to the public.

Public Hearing. The public hearing on August 14, 2019 will begin at 1:30 p.m. Hearing items will include draft dockets for withdrawals, discharges, and other projects that could have a substantial effect on the basin's water resources, and resolutions: (a) Authorizing the Executive Director to enter into contracts for analytical services relating to the control of toxic substances in the Delaware River and Bay; and (b) authorizing the Executive Director to enter into a contract with Temple University's Water and Environmental Technology Center for analysis of Delaware River Estuary water samples for microplastics.

The list of projects scheduled for hearing, including project descriptions, and the text of the proposed resolutions will be posted on the Commission's website, www.drbc.gov, in a long form of this notice at least ten days before the hearing date.

Written comments on matters scheduled for hearing on August 14 will be accepted through 5:00 p.m. on August 19.

The public is advised to check the Commission's website periodically prior to the hearing date, as items scheduled for hearing may be postponed if additional time is needed to complete the Commission's review, and items may be added up to ten days prior to the hearing date. In reviewing docket descriptions, the public is also asked to be aware that the details of projects may change during the Commission's review, which is ongoing.
