

Board-regulated transfer agent that transfers and processes a low volume of securities (a “low-volume transfer agent”) may request an exemption from those regulations by filing with the Board a notice (an “exemption notice”) certifying that it qualifies as a low-volume transfer agent.

Legal authorization and confidentiality: The FR 4013 is authorized pursuant to sections 2, 17(a)(3), 17A(c), and 23(a) of the Securities Exchange Act,³ which, among other things, authorize the Board to promulgate regulations and establish recordkeeping and reporting requirements with respect to Board-registered transfer agents.⁴ The exemption notice is mandatory for Board-registered transfer agents seeking the low-volume exemption. The obligation to respond for the exemption notice, therefore, is required to obtain a benefit. The exemption disqualification notice is mandatory for a transfer agent that no longer qualifies for the exemption. The information collected in the FR 4013 regarding a Board-registered transfer agent’s volume of transactions is public information through the filing and publication of the transfer agents’ Form TA-2 with the SEC. Therefore, individual respondent data collected by the FR 4013 are not confidential.

Current actions: On April 30, 2019, the Board published a notice in the **Federal Register** (84 FR 18285) requesting public comment for 60 days on the extension, with revision, of the Notice Claiming Status as an Exempt Transfer Agent. The FR 4013 is being revised to account for the existing regulatory requirement to file an exemption disqualification notice under certain circumstances. The comment period for this notice expired on July 1, 2019. The Board did not receive any comments. The revisions will be implemented as proposed.

Board of Governors of the Federal Reserve System, August 7, 2019.

Assistant Secretary of the Board.

General description of report: The Board's Regulation H requires SMBs whose securities are subject to registration pursuant to the Securities Exchange Act of 1934 (Exchange Act)¹ to disclose certain information to shareholders and securities exchanges and to report information relating to their securities to the Board using forms adopted by the Securities and Exchange Commission (SEC) and in compliance with certain rules and regulations adopted by the SEC.

Proposed revisions: The Board proposes to revise the FR H-1 to account for certain collections of information in SEC regulations that

apply to SMBs with registered securities (that have not previously been accounted for) and the following relevant revisions to disclosure and reporting requirements associated with the FR H-1:

- In August 2015, the SEC adopted amendments to Item 402 of Regulation S-K and Form 8-K under the Exchange Act to implement Section 953(b) of the Dodd-Frank Act by requiring disclosure of the median of the annual total compensation of all employees of a registrant (excluding the chief executive officer), the annual total compensation of that registrant's chief executive officer, and the ratio of the median of the annual total compensation of all employees to the annual total compensation of the chief executive officer.² These revisions affect the collections associated with Regulation S-K, Regulation 14A and Schedule 14A, Regulation 14C and Schedule 14C, Form 8-K, and Form 10-K.

- In March 2017, the SEC adopted rule and form amendments that require registrants to include a hyperlink to the exhibits in their filings.³ These revisions affect the collections associated with Regulation S-K, Regulation S-T, Form 10, Form 8-K, Form 10-Q, and Form 10-K.

- In June 2018, the SEC adopted amendments to the definition of "smaller reporting company" to expand the number of registrants that qualify as smaller reporting companies and thereby are eligible to rely on the scaled disclosure requirements.⁴ These revisions affect the collections associated with Regulation S-K, Regulation 12B, Regulation 14A and Schedule 14A, Regulation 14C and Schedule 14C, Form 10, Form 10-Q, and Form 10-K.

- In October 2018, the SEC adopted rule and form amendments to address disclosure requirements that have become redundant, duplicative, overlapping, outdated, or superseded as a result of other SEC disclosure requirements, U.S. Generally Accepted Accounting Principles, International Financial Reporting Standards, or changes in the information environment.⁵ These revisions affect the collections associated with Regulation S-X, Form 10-Q, Form 10-K, and Form 10.

- In December 2018, the SEC adopted amendments to implement Section 955 of the Dodd-Frank Act, which require a company to describe any practices or

policies it has adopted regarding the ability of its employees (including officers) or directors to purchase financial instruments, or otherwise engage in transactions, that hedge or offset, or are designed to hedge or offset, any decrease in the market value of equity securities granted as compensation, or held directly or indirectly by the employee or director.⁶ These revisions affect the collections associated with Regulation S-K, Regulation 14A and Schedule 14A, and Regulation 14C and Schedule 14C.

- In December 2018, the SEC adopted rule and form revisions that would modernize the property disclosure requirements for mining registrants.⁷ These revisions affect the collections associated with Regulation S-K, Form 10, and Form 10-K.

- In March 2019, the SEC adopted rule amendments based on the recommendations made in the staff's Report on Modernization and Simplification of Regulation S-K, as required by Section 72003 of the Fixing America's Surface Transportation Act.⁸ These amendments were designed to modernize and simplify disclosure requirements for public companies, investment advisers, and investment companies. These revisions affect the collections associated with Regulation S-K, Regulation S-T, Regulation 12B, Form 10, Form 8-K, Form 10-Q, and Form 10-K.

Legal authorization and confidentiality: Various provisions of the Exchange Act require issuers to file reports with the SEC and make certain disclosures, and sections 12(i) and 23(a)(1) of the Exchange Act authorize the Board to adopt rules and regulations requiring qualifying SMBs to file those reports with the Board (15 U.S.C. 78l(i) and 78w(a)(1)). The FR H-1 is mandatory. Reports filed with the Board pursuant to this collection are not considered confidential and must be disclosed publicly under Regulation H (12 CFR 208.36(c)(3)). However, a SMB may request that a report or document not be disclosed to the public (12 CFR 208.36(d)). Should a SMB request confidential treatment of such information, the question of whether the information is entitled to confidential treatment would be determined on a case-by-case basis. Information may be kept confidential under exemption 4 of the Freedom of Information Act, which protects privileged or confidential commercial or financial information (5 U.S.C. 552(b)(4)).
