Summary of the Application

1. Applicants request an order to permit (a) registered open-end management investment companies (the “Investing Funds”) that are not part of the same “group of investment companies,” as defined in section 12(d)(1)(G)(ii) of the Act, as the Trust, to acquire shares in series of the Trust (the “Funds”) ¹ in excess of the limits in section 12(d)(1)(A) of the Act ² and (b) the Funds, any principal underwriter for a Fund, and any broker or dealer registered under the Exchange Act (a “Broker”) to sell shares of the Funds to the Investing Funds in excess of the limits of section 12(d)(1)(B) of the Act. Applicants also request an order under sections 6(c) and 17(b) of the Act to exempt applicants from section 17(a) to the extent necessary to permit a Fund to sell its shares to, and redeem its shares from, an Investing Fund.

2. Applicants agree that any order granting the requested relief will be subject to the terms and conditions stated in the Application. Such terms and conditions are designed to, among other things, help prevent any potential (i) undue influence over a Fund through control or in connection with certain services, transactions, and underwritings; (ii) excessive layering of fees; and (iii) overly complex fund structures, which are the concerns

¹ Applicants request that the relief apply to: (1) Each registered, open-end management investment company or series thereof that currently or subsequently is part of the same ‘group of investment companies,’ within the meaning of Section 12(d)(1)(G)(ii) of the Act, as the Trust and is advised by the Initial Adviser or its successor or any other investment adviser controlling, controlled by or under common control with the Initial Adviser or its successor (each, including the Initial Adviser, an “Adviser”) (included in the term ‘Funds’); (2) each Investing Fund that enters into a Participation Agreement (as defined in the Application) with a Fund to purchase shares of the Fund; and (3) any principal underwriter to a Fund or Broker selling shares of a Fund. For purposes of the requested order, “successor” is limited to an entity that results from a reorganization into another jurisdiction or a change in the type of business organization.

² Certain of the Funds created in the future may be registered under the Act as open-end management investment companies and may have received exemptive relief to permit their shares to be listed and traded on a national securities exchange at negotiated prices.
