ENVIRONMENTAL PROTECTION AGENCY

[EPA-HQ-OPP-2018-0014; FRL-9996-82]

Cancellation Order for Certain Pesticide Registrations and Amendments To Terminate Uses

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces EPA's order for the cancellations and amendments to terminate uses, voluntarily requested by the registrants and accepted by the Agency, of the products listed in Table 1, Table 1A, Table 1B, Table 1C, Table 1D, Table 1E and Table 2, pursuant to the Federal

Insecticide, Fungicide, and Rodenticide Act (FIFRA). This cancellation order follows a May 31, 2019 **Federal Register** Notice of Receipt of Requests from the registrants listed in Table 3 of Unit II to voluntarily cancel and amend to terminate uses of certain product registrations. In the May 31, 2019 notice, EPA indicated that it would issue an order implementing the cancellations and amendments to terminate uses, unless the Agency received substantive comments within the 30-day comment period that would merit its further review of these requests, or unless the registrants withdrew their requests. The Agency received one anonymous public comment on the notice but didn't merit its further review of the requests. Further, two registrants did withdraw their requests. The Agency has removed the requests withdrawn by the registrants. Accordingly, EPA hereby issues in this notice a cancellation order granting the requested cancellations and amendments to terminate uses. Any distribution, sale, or use of the products subject to this cancellation order is permitted only in accordance with the terms of this order, including any existing stocks provisions.

DATES: The cancellations and amendments are effective August 21, 2019.

III. Summary of Public Comments Received and Agency Response to Comments

The Agency received one anonymous public comment on the notice. For this reason, the Agency does not believe that the comment submitted during the comment period merits further review or a denial of the requests for voluntary cancellation and use termination. Further, two registrants did withdraw their requests. The Agency received a withdrawal request from the registrant, Koopers Performance Chemicals, to withdraw the cancellation request for product registration 3008-91 and AEF Global, Inc., to withdraw the cancellation requests for product registrations 89046-11, 89046-12 and 89046-14.

Therefore, the Agency has removed these requests from this cancellation order and the registrations will remain active.

IV. Cancellation Order

Pursuant to FIFRA section 6(f) (7 U.S.C. 136d(f)(1)), EPA hereby approves the requested cancellations and amendments to terminate uses of the

registrations identified in Tables 1, 1A, 1B, 1C, 1D, 1E and 2 of Unit II. Accordingly, the Agency hereby orders that the product registrations identified in Tables 1, 1A, 1B, 1C, 1D, 1E and 2 of Unit II are canceled and amended to terminate the affected uses. The effective date of the cancellations that are subject of this notice August 21, 2019. Any distribution, sale, or use of existing stocks of the products identified in Tables 1, 1A, 1B, 1C, 1D, 1E and 2 of Unit II in a manner inconsistent with any of the provisions for disposition of existing stocks set forth in Unit VI will be a violation of FIFRA.

V. What is the Agency's authority for taking this action?

Section 6(f)(1) of FIFRA (7 U.S.C. 136d(f)(1)) provides that a registrant of a pesticide product may at any time request that any of its pesticide registrations be canceled or amended to terminate one or more uses. FIFRA further provides that, before acting on the request, EPA must publish a notice of receipt of any such request in the **Federal Register**. Thereafter, following the public comment period, the EPA

Administrator may approve such a request. The notice of receipt for this action was published for comment in the **Federal Register** of May 31, 2019 (84 FR 25258) (FRL-9993-41). The comment period closed on July 1, 2019.

VI. Provisions for Disposition of Existing Stocks

Existing stocks are those stocks of registered pesticide products which are currently in the United States and which were packaged, labeled, and released for shipment prior to the effective date of the action. The existing stocks provision for the products subject to this order is as follows.

A. For products: 464-327 and 464-403

The registrant has requested the cancellation effective date to be August 12, 2019, therefore, the registrant may continue to sell and distribute existing stocks of products listed in Table 1A until August 12, 2020, which is 1 year after the effective cancellation date. Thereafter, the registrant is prohibited from selling or distributing products listed in Table 1A of Unit II, except for export in accordance with FIFRA

section 17 (7 U.S.C. 136o) or for proper disposal.

B. For product: 1021–2576
