

place an order with the Contractor under this contract or may obtain the services elsewhere. If the Contracting Officer requires the Contractor to transport the remains into the area of performance, the Contractor shall be paid the amount per mile in the schedule for the number of miles required to transport the remains by a reasonable route from the point where located to the boundary of the area of performance.

(e) The Contracting Officer may require the Contractor to deliver remains to any point within 100 miles of the area of performance. In this case, the Contractor shall be paid the amount per mile in the schedule for the number of miles required to transport the remains by a reasonable route from the boundary of the area of performance to the delivery point.

(End of clause)

■ 53. Section 852.237–78 is added to read as follows:

852.237–78 Performance and Delivery.

As prescribed in 837.7001(b)(2), insert the following clause:

Performance and Delivery (Oct 2019)

(a) The Contractor shall furnish the material ordered and perform the services specified as promptly as possible, but not later than 36 hours after receiving notification to remove the remains, excluding the time necessary for the Government to inspect and check results of preparation.

(b) The Government may, at no additional charge, require the Contractor to hold the remains for an additional period not to exceed 72 hours from the time the remains are casketed and final inspection is completed.

(End of clause)

■ 54. Section 852.237–79 is added to read as follows:

852.237–79 Subcontracting.

As prescribed in 837.7001(b)(3), insert the following clause:

Subcontracting (Oct 2019)

The Contractor shall not subcontract any work under this contract without the Contracting Officer's written approval. This clause does not apply to contracts of employment between the Contractor and its personnel.

(End of clause)

■ 55. Section 852.237–80 is added to read as follows:

852.237–80 Health Department and Transport Permits.

As prescribed in 837.7001(b)(4), insert the following clause:

Health Department and Transport Permits (Oct 2019)

The Contractor shall meet all State and local licensing requirements and obtain and furnish all necessary health department and shipping permits at no additional cost to the Government. The Contractor shall ensure that

all necessary health department permits are in order for disposition of the remains.
(End of clause)

■ 56. Section 852.249–70 is added to read as follows:

852.249–70 Termination for Default—Supplement for Mortuary Services.

As prescribed in 849.504–70, insert the following clause:

Termination for Default—Supplement for Mortuary Services (Oct 2019)

The clause entitled “Default” in FAR 52.249–8, is supplemented as follows:

The Contracting Officer may terminate this contract for default by written notice without the ten-day notice required by paragraph (a)(2) of the Default clause if—

(a) The Contractor, through circumstances reasonably within its control or that of its employees, performs any act under or in connection with this contract, or fails in the performance of any service under this contract and the act or failures may reasonably be considered to reflect discredit upon the Department of Veteran Affairs in fulfilling its responsibility for proper care of remains;

(b) The Contractor, or its employees, solicits relatives or friends of the deceased to purchase supplies or services not under this contract. (The Contractor may furnish supplies or arrange for services not under this contract, only if representatives of the deceased voluntarily request, select, and pay for them.);

(c) The services or any part of the services are performed by anyone other than the Contractor or the Contractor's employees without the written authorization of the Contracting Officer;

(d) The Contractor refuses to perform the services required for any particular remains; or

(e) The Contractor mentions or otherwise uses this contract in its advertising in any way.

(End of clause)

852.271–70 [Removed and Reserved]

■ 57. Section 852.271–70 is removed and reserved.

PART 871—LOAN GUARANTY AND VOCATIONAL REHABILITATION AND EMPLOYMENT PROGRAMS

■ 58. The authority citation for part 871 continues to read as follows:

Authority: 40 U.S.C. 121(c); 41 U.S.C. 1121(c)(3); 41 U.S.C. 1702; and 48 CFR 1.301–1.304.

Subpart 871.2—Vocational Rehabilitation and Employment Service

■ 59. Section 871.212 is revised to read as follows:

871.212 Contract clauses.

(a) Contracting officers shall use the following clauses, as appropriate, in

solicitations and contracts for vocational rehabilitation and employment services as they pertain to training and rehabilitation services and contracts for counseling services:

(1) 852.271–72, Time Spent by Counselee in Counseling Process.

(2) 852.271–73, Use and Publication of Counseling Results.

(3) 852.271–74, Inspection.

(4) 852.271–75, Extension of Contract Period.

(b) See 837.110–70(a) for clause 852.237–74, Non-Discrimination in Service Delivery.

[Docket No. 180831813–9170–02]

RIN 0648–XY018

Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Trawl Catcher Vessels in the Central Regulatory Area of the Gulf of Alaska

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; closure.

SUMMARY: NMFS is prohibiting directed fishing for Pacific cod by catcher vessels using trawl gear in the Central Regulatory Area of the Gulf of Alaska (GOA). This action is necessary to prevent exceeding the annual allowance of the 2019 Pacific cod total allowable catch apportioned to trawl catcher vessels in the Central Regulatory Area of the GOA.

DATES: Effective 1200 hours, Alaska local time (A.l.t.), September 1, 2019, through 2400 hours, A.l.t., December 31, 2019.

FOR FURTHER INFORMATION CONTACT: Obren Davis, 907–586–7228.

SUPPLEMENTARY INFORMATION: NMFS manages the groundfish fishery in the GOA exclusive economic zone according to the Fishery Management Plan for Groundfish of the Gulf of Alaska (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50

CFR part 600 and 50 CFR part 679. Regulations governing sideboard protections for GOA groundfish fisheries appear at subpart B of 50 CFR part 680.

The annual allowance of the 2019 Pacific cod total allowable catch (TAC) apportioned to trawl catcher vessels in the Central Regulatory Area of the GOA not participating in the cooperative fishery of the Rockfish Program is 2,148 metric tons (mt), as established by the final 2019 and 2020 harvest specifications for groundfish of the GOA (84 FR 9416, March 14, 2019).

In accordance with § 679.20(d)(1)(i), the Administrator, Alaska Region, NMFS (Regional Administrator) has determined that the annual allowance of the 2019 Pacific cod TAC apportioned to trawl catcher vessels in the Central Regulatory Area of the GOA is necessary to account for the incidental catch in other anticipated fisheries. Therefore, the Regional Administrator is establishing a directed fishing allowance of 0 mt and is setting aside the remaining 2,148 mt as bycatch to support other anticipated groundfish fisheries. In accordance with § 679.20(d)(1)(iii), the Regional Administrator finds that this directed fishing allowance has been reached. Consequently, NMFS is prohibiting directed fishing for Pacific cod by catcher vessels using trawl gear in the Central Regulatory Area of the GOA. While this closure is effective the maximum retainable amounts at § 679.20(e) and (f) apply at any time during a trip. This closure does not apply to fishing by vessels participating in the cooperative fishery of the Rockfish Program for the Central GOA.

Classification

This action responds to the best available information recently obtained from the fishery. The Assistant Administrator for Fisheries, NOAA (AA), finds good cause to waive the requirement to provide prior notice and opportunity for public comment pursuant to the authority set forth at 5 U.S.C. 553(b)(B) as such requirement is impracticable and contrary to the public interest. This requirement is impracticable and contrary to the public interest as it would prevent NMFS from responding to the most recent fisheries data in a timely fashion and would delay the directed fishing closure of Pacific cod by catcher vessels using trawl gear in the Central Regulatory Area of the GOA. NMFS was unable to publish a notice providing time for public comment because the most recent, relevant data only became available as of August 28, 2019.

The AA also finds good cause to waive the 30-day delay in the effective date of this action under 5 U.S.C. 553(d)(3). This finding is based upon the reasons provided above for waiver of prior notice and opportunity for public comment.

This action is required by § 679.20 and is exempt from review under Executive Order 12866.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: August 29, 2019.

Jennifer M. Wallace,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

[Docket No. 180831813-9170-02]

RIN 0648-XY014

Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher Vessels Using Hook-and-Line Gear in the Western Regulatory Area of the Gulf of Alaska

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; closure.

SUMMARY: NMFS is prohibiting directed fishing for Pacific cod by catcher vessels using hook-and-line gear in the Western Regulatory Area of the Gulf of Alaska (GOA). This action is necessary to prevent exceeding the 2019 Pacific cod total allowable catch apportioned to catcher vessels using hook-and-line gear in the Western Regulatory Area of the GOA.

DATES: Effective 1200 hours, Alaska local time (A.l.t.), September 1, 2019, through 2400 hours, A.l.t., December 31, 2019.

FOR FURTHER INFORMATION CONTACT: Obren Davis, 907-586-7228.

SUPPLEMENTARY INFORMATION: NMFS manages the groundfish fishery in the GOA exclusive economic zone according to the Fishery Management Plan for Groundfish of the Gulf of Alaska (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance

with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679. Regulations governing sideboard protections for GOA groundfish fisheries appear at subpart B of 50 CFR part 680.

The 2019 Pacific cod total allowable catch (TAC) apportioned to catcher vessels using hook-and-line gear in the Western Regulatory Area of the GOA is 73 metric tons (mt), as established by the final 2019 and 2020 harvest specifications for groundfish of the GOA (84 FR 9416, March 14, 2019).

In accordance with § 679.20(d)(1)(i), the Administrator, Alaska Region, NMFS (Regional Administrator) has determined that the 2019 Pacific cod TAC apportioned to catcher vessels using hook-and-line gear in the Western Regulatory Area of the GOA will soon be reached. Therefore, the Regional Administrator is establishing a directed fishing allowance of 20 mt and is setting aside the remaining 53 mt as bycatch to support other anticipated groundfish fisheries. In accordance with § 679.20(d)(1)(iii), the Regional Administrator finds that this directed fishing allowance has been reached. Consequently, NMFS is prohibiting directed fishing for Pacific cod by catcher vessels using hook-and-line gear in the Western Regulatory Area of the GOA. While this closure is effective the maximum retainable amounts at § 679.20(e) and (f) apply at any time during a trip.

Classification

This action responds to the best available information recently obtained from the fishery. The Assistant Administrator for Fisheries, NOAA (AA), finds good cause to waive the requirement to provide prior notice and opportunity for public comment pursuant to the authority set forth at 5 U.S.C. 553(b)(B) as such requirement is impracticable and contrary to the public interest. This requirement is impracticable and contrary to the public interest as it would prevent NMFS from responding to the most recent fisheries data in a timely fashion and would delay the directed fishing closure of Pacific cod by catcher vessels using hook-and-line gear in the Western Regulatory Area of the GOA. NMFS was unable to publish a notice providing time for public comment because the most recent, relevant data only became available as of August 28, 2019.

The AA also finds good cause to waive the 30-day delay in the effective date of this action under 5 U.S.C. 553(d)(3). This finding is based upon the reasons provided above for waiver of
