#### Defense Threat Reduction Agency Privacy Program

**AGENCY:** Defense Threat Reduction Agency, DoD.

**ACTION:** Final rule.

**SUMMARY:** This final rule removes the Department of Defense (DoD) regulation concerning the Defense Threat Reduction Agency (DTRA) Privacy Program. On April 11, 2019, DoD published a revised DoD-level Privacy Program rule, which contains the necessary information for an agency-wide privacy program regulation under the Privacy Act and now serves as the single Privacy Program rule for the Department. That revised Privacy Program rule also includes all DoD component exemption rules. Therefore, this part is now unnecessary and may be removed from the CFR.

**DATES:** This rule is effective on September 5, 2019.

**FOR FURTHER INFORMATION CONTACT:** Pamela Andrews, 703–767–1792.

**SUPPLEMENTARY INFORMATION:** DoD now has a single DoD-level Privacy Program rule at 32 CFR part 310 (84 FR 14728) that contains all the codified information required for the Department. The DTRA Program regulation at 32 CFR part 318, last updated on April 10, 2000 (65 FR 18894), is no longer required and can be removed.

It has been determined that publication of this CFR part removal for public comment is impracticable, unnecessary, and contrary to public interest since it is based on the removal of policies and procedures that are either now reflected in another CFR part, 32 CFR part 310, or are publicly

available on the Department's website. To the extent that the DTRA internal guidance concerning the implementation of the Privacy Act within DTRA is necessary, it will continue to be published in DTRA Instruction 5400.11, “Defense Threat Reduction Agency (DTRA) Instruction Privacy Program,” available at [https://www.dtra.mil/Portals/61/DTRA%20Instruction%205400\\_11.pdf](https://www.dtra.mil/Portals/61/DTRA%20Instruction%205400_11.pdf) (November 13, 2007).

This rule is one of 20 separate component Privacy rules. With the finalization of the DoD-level Privacy rule at 32 CFR part 310, the Department eliminated the need for this component Privacy rule, thereby reducing costs to the public as explained in the preamble of the DoD-level Privacy rule published on April 11, 2019, at 84 FR 14728–14811.

This rule is not significant under Executive Order (E.O.) 12866, “Regulatory Planning and Review.” Therefore, E.O. 13771, “Reducing Regulation and Controlling Regulatory Costs,” does not apply.

#### Special Local Regulation; Lake Havasu City, AZ

**AGENCY:** Coast Guard, DHS.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing a temporary special local regulation for the Havapalooza 2019 marine event that will be held on the navigable waters of Lake Havasu, Lake Havasu City, AZ. This action is necessary to provide for the safety of life on these navigable waters on Thompson Bay in Lake Havasu during a waterside concert on September 14, 2019. This rule prohibits spectators from anchoring, blocking, loitering or transiting through in the event area unless authorized by the Captain of the Port Sector San Diego or a designated representative.

**DATES:** This rule is effective from 10 a.m. to 8 p.m. on September 14, 2019.

##### I. Table of Abbreviations

CFR Code of Federal Regulations  
DHS Department of Homeland Security  
FR Federal Register  
NPRM Notice of proposed rulemaking  
§ Section  
U.S.C. United States Code

##### II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are

“impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. The Coast Guard was not notified of this event’s date until June 4, 2019. It is impracticable to publish an NPRM because we must establish regulated area by September 14, 2019 and lack sufficient time to provide a reasonable comment period and consider those comments before issuing the rule.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to the public interest because immediate action is needed to ensure the safety of life on Lake Havasu.

#### III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70041 (previously 33 U.S.C. 1236). The Captain of the Port Sector San Diego (COTP) has determined that a large congregation of vessels in Thompson Bay associated with the Havapalooza 2019 marine event on September 14, 2019, poses a potential safety concern. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within Thompson Bay while the event is occurring.

#### IV. Discussion of the Rule

This rule establishes a temporary special local regulation from 10 a.m. to 8 p.m. on September 14, 2019. This special local regulation establishes a spectator area covering all navigable waters of Thompson Bay shoreward of a line connected by the following points: Beginning at 34°27′55″ N, 114°20′48″ W (Point A); thence running southerly to 34°27′52″ N, 114°20′49″ W (Point B); thence running southeasterly to 34°27′49″ N, 114°20′47″ W (Point C); thence running southeasterly to 34°27′45″ N, 114°20′43″ W (Point D); thence running southeasterly to 34°27′40″ N, 114°20′34″ W (Point E) thence running southeasterly and ending at 34°27′37″ N, 114°20′27″ W (Point F). The duration of the regulated area is intended to ensure the safety of vessels and these navigable waters before, during, and after the scheduled marine event. All non-event participants would be permitted to enter the regulated area without obtaining permission from the COTP or a designated representative.
