SUPPLEMENTARY INFORMATION:

Background

Commerce is conducting an administrative review of the antidumping duty order on certain steel nails from Taiwan. On September 10, 2018, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review on certain steel nails from Taiwan.¹ This review covers PT² and Unicatch, and two additional companies not selected for individual examination. Commerce exercised its discretion to toll all deadlines affected by the partial federal government closure from December 22, 2018 through the resumption of operations on January 29, 2019.⁴ The tolled deadline for the preliminary results of this review fell on May 13, 2019. On March 4, 2018, we extended the deadline for the

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 83 FR 45596 (September 10, 2018).

² Commerce has preliminarily determined that LC and Integral Building Products Inc. (Integral) are affiliated pursuant to section 771(33) of the Act and, further, that these companies comprise a single entity pursuant to 19 CFR 351.401(f). For a complete discussion of this determination, see Memorandum, “Decision Memorandum for Preliminary Results of Antidumping Duty Administrative Review: Certain Steel Nails from Taiwan; 2017–2018,” dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

³ Commerce determined that Pro-Team and PT Enterprise comprise a single entity in a prior segment of the proceeding, and we find no new information in this segment that contradicts that finding. See *Certain Steel Nails from Taiwan: Preliminary Results of Antidumping Duty Administrative Review and Partial Rescission of Administrative Review; 2015–2016*, 82 FR 36744 (August 7, 2017), and accompanying Preliminary Decision Memorandum, unchanged in *Certain Steel Nails from Taiwan: Final Results of Antidumping Duty Administrative Review and Partial Rescission of Administrative Review; 2015–2016*, 83 FR 6163 (February 13, 2018). Accordingly, we have preliminarily continued to treat PT Enterprise and Pro-Team as a single entity.

⁴ See Memorandum, “Deadlines Affected by the Partial Shutdown of the Federal Government,” dated January 28, 2019. All deadlines in this segment of the proceeding have been extended by 40 days.

Disclosure and Public Comment

Commerce intends to disclose the calculations used in its analysis to parties in this review within five days of the date of publication of this notice.⁹ Pursuant to 19 CFR 351.309(c)(1)(ii), interested parties may submit case briefs no later than 30 days after the publication of these preliminary results, and rebuttal comments within five days after the time limit for filing case briefs, unless Commerce extends those deadlines.¹⁰ Parties who submit case briefs or rebuttal briefs are requested to submit with the argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.¹¹ Rebuttal briefs must be limited to issues raised in the case briefs.¹²

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance within 30 days of the date of publication of this notice. Requests should contain: (1) The party's name, address and telephone number;

(2) the number of participants; and (3) a list of issues parties intend to discuss. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs. If a request for a hearing is made, Commerce intends to hold the hearing at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, at a date and time to be determined.¹³ Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuance of the final results, Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.¹⁴ Commerce intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review. For any individually examined respondent whose weighted-average dumping margin is above *de minimis* (i.e., is 0.50 percent or more) in the final results of this review, Commerce will calculate importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for the importer's examined sales and the total entered value of sales, in accordance with 19 CFR 351.212(b)(1).¹⁵ We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is above *de minimis*. Where either the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For entries of subject merchandise during the POR produced by each respondent for which it did not know its merchandise was destined for the United States, we will instruct CBP to

liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.¹⁶ The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by this review and for future deposits of estimated duties, where applicable.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the companies under review will be the rate established in the final results of this review (except, if the *ad valorem* rate is *de minimis*, then the cash deposit rate will be zero); (2) for other manufacturers and exporters covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which that manufacturer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the manufacturer of subject merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 2.16 percent, the all-others rate in the LTFV investigation.¹⁷ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could
