

2019. Written submissions by interested persons who will not appear at the hearing should also be filed by November 26, 2019. All participants and interested persons are asked to address the following RRTF recommendations in their written testimony or submissions and at the hearing:

- **Definition of long-term revenue adequacy:** The RRTF recommended determining long-term revenue adequacy by looking at the annual determinations over “the shortest period of time, not less than five years, that includes both a year in which a recession began and a year that follows a year in which a recession began.” RRTF Report 13, 33.

- **Rate increase constraint:** The RRTF recommended considering a rate increase constraint for long-term revenue-adequate carriers, which would identify a point beyond which further application of differential pricing would be unwarranted. *See* RRTF Report 13, 36–39.

- **Bottleneck changes:** The RRTF recommended considering suspension of the Board’s *Bottleneck*<sup>5</sup> protections as applied to long-term revenue-adequate carriers. *See* RRTF Report 13, 39–41.

- **Simplified Stand-Alone Cost (Simplified-SAC) changes:** For purposes of considering whether a long-term revenue-adequate carrier’s rate is reasonable under Simplified-SAC, the RRTF recommended reinstating the simplification of the Road Property Investment analysis. *See* RRTF Report 13, 41–42, & app. B.

**Board Releases and Transcript Availability:** Decisions and notices of the Board, including this notice, are available on the Board’s website at [www.stb.gov](http://www.stb.gov). The Board will issue a separate notice containing instructions for attendance at the hearing and the schedule of appearances. *Please note that streaming and recording systems will not be available for this hearing.* As soon as a transcript is available, it will be posted on the Board’s website.

*It is ordered*
