

Proposed Project: Confidentiality of Alcohol and Drug Abuse Patient Records—(OMB No. 0930–0092)—Extension

Statute (42 U.S.C. 290dd–2) and regulations (42 CFR part 2) require federally conducted, regulated, or directly or indirectly assisted alcohol and drug abuse programs to keep

alcohol and drug abuse patient records confidential. Information requirements are (1) written disclosure to patients about Federal laws and regulations that protect the confidentiality of each patient, and (2) documenting “medical personnel” status of recipients of a disclosure to meet a medical emergency. Annual burden estimates for these requirements are summarized in the

table below. A notice of proposed rulemaking was published in the **Federal Register** on August 26, 2019. <https://www.govinfo.gov/app/details/FR-2019-08-26/2019-17817>.

The final rule will likely not be published prior to the expiration of this current PRA package which is why this extension of the current rule is necessary.

SUPPLEMENTARY INFORMATION:

Background

Pursuant to 19 U.S.C. 1505 and Treasury Decision 85–93, published in the **Federal Register** on May 29, 1985 (50 FR 21832), the interest rate paid on applicable overpayments or underpayments of customs duties must be in accordance with the Internal Revenue Code rate established under 26 U.S.C. 6621 and 6622. Section 6621 provides different interest rates applicable to overpayments: One for corporations and one for non-corporations.

The interest rates are based on the Federal short-term rate and determined by the Internal Revenue Service (IRS) on behalf of the Secretary of the Treasury on a quarterly basis. The rates effective

for a quarter are determined during the first-month period of the previous quarter.

In Revenue Ruling 2019–21, the IRS determined the rates of interest for the calendar quarter beginning October 1, 2019, and ending on December 31, 2019. The interest rate paid to the Treasury for underpayments will be the Federal short-term rate (2%) plus three percentage points (3%) for a total of five percent (5%) for both corporations and non-corporations. For corporate overpayments, the rate is the Federal short-term rate (2%) plus two percentage points (2%) for a total of four percent (4%). For overpayments made by non-corporations, the rate is the Federal short-term rate (2%) plus three percentage points (3%) for a total of five percent (5%). These interest rates used to calculate interest on overdue accounts (underpayments) and refunds (overpayments) of customs duties are remaining the same from the previous quarter. These interest rates are subject to change for the calendar quarter beginning January 1, 2020, and ending on March 31, 2020.

For the convenience of the importing public and U.S. Customs and Border Protection personnel the following list of IRS interest rates used, covering the period from July of 1974 to date, to calculate interest on overdue accounts and refunds of customs duties, is published in summary format.
