I. Introduction

Pursuant to 39 U.S.C. 503, the Commission establishes this notice of proposed rulemaking to propose amendments that reorganize the order of appearance of its regulations in chapter III of title 39 of the Code of Federal Regulations. This rulemaking also proposes to substantially revise the Commission's Rules of General Applicability appearing in 39 CFR part 3001 (Rules of Practice and Procedure), subpart A.

The reorganization of the Commission's regulations within 39 CFR chapter III begins with the addition of subchapter headings, which allows for the orderly organization of the material currently appearing therein. Related material is included under each subchapter with the ordering of subchapters progressing from more general information that may be of

interest to the widest audience, to very specific information that will only be of interest to particular persons. Except for the material currently appearing in 39 CFR part 3001, subpart A, no significant revisions are made to the existing material. However, the revision of all section numbers requires the updating of all cross-references that appear within each section. The proposed organization of 39 CFR chapter III is fully discussed in section III of this notice of proposed rulemaking.

This rulemaking also proposes revisions to the Rules of Practice and Procedure appearing in 39 CFR part 3001. This part currently contains two subparts: 39 CFR part 3001, subpart A, Rules of General Applicability, and 39 CFR part 3001, subpart D, Rules Applicable to Requests for Changes in the Nature of Postal Services. The revisions to 39 CFR part 3001, subpart A are substantial. Current 39 CFR part 3001, subpart D is moved to a new stand-alone part (proposed 39 CFR part 3020) without revision.

The material in 39 CFR part 3001, subpart A is revised from its original purpose of being applicable to hearing on the record type proceedings to being generally applicable to all proceeding types that come before the Commission. This is representative of the Commission's changing role under the Postal Accountability and Enhancement Act (PAEA) of 2006, from predominately administering hearings on the record, to predominately administering notice and comment type proceedings. The proposed revisions separate out all generally applicable rules from current 39 CFR part 3001, subpart A and present that material first. The remaining material, only applicable to hearing on the record proceedings, is placed in a single subpart that appears last. The proposed revisions to, and organization of, current 39 CFR part 3001, subpart A (proposed 39 CFR part 3010), is fully discussed in section IV of this notice of proposed rulemaking.

The proposed reorganization of the Commission's regulations will accommodate the changes to the rules of practice and facilitate the easy location of relevant regulations. The proposed amendments to the rules of practice will improve the ability of persons appearing before the Commission to participate in Commission proceedings. The proposed rules appear after the signature of this notice of proposed rulemaking.

II. Background**A. The Original Rules of Practice**

Shortly after its creation in 1970, the Postal Rate Commission¹ adopted rules governing practice before the Commission (39 CFR part 3001).² Those rules applied to both trial-type hearings, referred to as hearings on the record, and to rulemaking proceedings in which the Commission based its decisions on comments solicited by means of public notices.

Of the five subparts in original 39 CFR part 3001, the first subpart provided rules of general applicability (39 CFR part 3001, subpart A). Of the generally applicable rules, most were written with a focus on trial-type hearings.³ Only one rule, § 3001.41, expressly addressed procedures for rulemaking proceedings.

The remaining four subparts dealt with the conduct of proceedings that require a hearing on the record. This reflects the fact that most Commission responsibilities under the PRA required trial-type proceedings.

- Subpart B, Rules Applicable to Requests for Changes in Rates or Fees, applied to Postal Service proposals to change rates or fees pursuant to 39 U.S.C. 3622 of the PRA. A hearing on the record was required by 39 U.S.C. 3624(a).

- Subpart C, Rules Applicable to Requests for Establishing or Changing the Mail Classification Schedule, applied to Postal Service proposals to

¹ The Postal Rate Commission was created by the Postal Reorganization Act of 1970, Public Law 91–375, 84 Stat. 719 (1970) (PRA). In 2006, the agency's name was changed to the Postal Regulatory Commission by the PAEA, Public Law 109–435, 120 Stat. 3198 (2006). The term “Commission” will be used herein to refer to either the Postal Rate Commission or the Postal Regulatory Commission as the context requires.

A few rules applied to both hearings on the record and rulemaking proceedings. See, e.g., § 3001.9 (Filing of documents); § 3001.10 (Form and number of copies of documents); § 3001.11 (General contents of documents).

establish and make changes to the Mail Classification Schedule pursuant to 39 U.S.C. 3623 of the PRA. A hearing on the record was required by 39 U.S.C. 3624(a).

- Subpart D, Rules Applicable to Requests for Changes in the Nature or Postal Services, applied to Postal Service proposals to make changes in the nature of postal services pursuant to 39 U.S.C. 3661 of the PRA. A hearing on the record was required by 39 U.S.C. 3661(b).

- Subpart E, Rules Applicable to Rate and Service Complaints, applied to rate and service complaints by interested persons pursuant to 39 U.S.C. 3662 of the PRA. A hearing on the record was required by 39 U.S.C. 3662 and 3624.

B. Additions to the Original Rules of Practice

In the years following adoption of the original rules of practice, the Commission added several new subparts to 39 CFR part 3001 that either supplemented the original rules or adopted procedural rules applicable to additional regulatory responsibilities.

- 39 CFR part 3001, subpart F, Rules Applicable to the Filing of Testimony by Intervenor, applied to the filing of testimony by intervenors in rate and mail classification proceedings conducted as hearings on the record under 39 CFR part 3001, subparts B and C. 38 FR 7536 (March 22, 1973).

- 39 CFR part 3001, subpart G, Rules Applicable to the Filing of Periodic Reports by the United States Postal Service, established rules governing the filing by the Postal Service of periodic reports with the Commission. 41 FR 47438 (October 29, 1976).

- 39 CFR part 3001, subpart H, Rules Applicable to the Appeals of Postal Service Determinations to Close or Consolidate Post Offices, contained new rules governing appeals to the Commission of Postal Service decisions to close or consolidate post offices. 42 FR 10989 (February 25, 1977). These appeals required an administrative review of a Postal Service record. The review is conducted similar to a notice and comment procedure. Accordingly, the only generally applicable rules of practice in 39 CFR part 3001, subpart A that applied to 39 CFR part 3001, subpart H proceedings were those that did not relate solely to evidentiary hearings on the record.

- 39 CFR part 3001, subparts I, J, and K (Rules for Expedited Review to Allow Market Tests of Proposed Mail Classification Changes, Rules for Expedited Review of Requests for Provisional Service Changes of Limited Duration, and Rules for the use of Multi-

Year Test Periods, respectively) were added to the rules of practice and established additional procedures applicable to mail classification hearings on the record. 61 FR 24447 (May 15, 1996).

- 39 CFR part 3001, subpart L, Rules Applicable to Negotiated Service Agreements, governed review of negotiated service agreements proposed by the Postal Service and provided for on the record proceedings that could include trial-type hearings. 69 FR 7574 (February 18, 2004).

Following these additions, the Commission's rules of practice fell into six major categories (sometimes with significant overlap). The rules did not appear in any particular order. Most rules placed some reliance on 39 CFR part 3001, subpart A, Rules of General Applicability. All of these rules were included in 39 CFR part 3001, Rules of Practice and Procedure.

- Rules Governing Rate Cases: 39 CFR part 3001, subpart B, Rules Applicable to Requests for Changes in Rates or Fees; and 39 CFR part 3001, subpart F, Rules Applicable to the Filing of Testimony by Intervenor.

- Rules Governing Mail Classification Cases: 39 CFR part 3001, subpart C, Rules Applicable to Requests for Establishing or Changing the Mail Classification Schedule; 39 CFR part 3001, subpart F, Rules Applicable to the Filing of Testimony by Intervenor; 39 CFR part 3001, subpart I, Rules for Expedited Review to Allow Market Tests of Proposed Mail Classification Changes; 39 CFR part 3001, subpart J, Rules for Expedited Review of Requests for Provisional Service Changes of Limited Duration; 39 CFR part 3001, subpart K, Rules for Use of Multi-Year Test Periods; and 39 CFR part 3001, subpart L, Rules Applicable to Negotiated Service Agreements.

- Rules Governing Nature of Service Cases: 39 CFR part 3001, subpart D, Rules Applicable to Requests for Changes in the Nature of Postal Services.

- Rules Governing Complaint Cases: 39 CFR part 3001, subpart E, Rules Applicable to Rate and Service Complaints.

- Rules Governing Post Office Closing and Consolidation Cases: 39 CFR part 3001, subpart H, Rules Applicable to Appeals of Postal Service Determinations to Close or Consolidate Post Offices.

- Rules Governing Periodic Reports: 39 CFR part 3001, subpart G, Rules Applicable to the Filing of Periodic Reports by the U.S. Postal Service.

C. Changes to the Rules of Practice Following Enactment of the PAEA

In its 2006 enactment of the PAEA, Congress made significant changes to the regulatory framework within which the Commission exercised oversight of the Postal Service's rates and services. The PAEA established two types of products, market dominant products as to which the Postal Service enjoys a statutory or effective monopoly and competitive products as to which the Postal Service faces direct competition from other carriers. See 39 U.S.C. 3621 and 3631. Separate processes were prescribed for the pricing of the two groups of products. See 39 U.S.C. 3622 and 3633.

The PAEA also streamlined the process for the approval of price increases by replacing the requirement for trial-type, hearings on the record, with notice and comment procedures closely analogous to informal rulemaking proceedings. In the case of market dominant products, a CPI-indexed price cap was imposed with proposed rate increases that were subject to accelerated Commission review. Although competitive products were not subject to a price cap, proposed price changes were subject to accelerated review by the Commission.

These changes in the regulatory pricing regimes for market dominant and competitive products required significant changes in the Commission's regulations, including the Commission's rules of practice. To implement the market dominant pricing regime, the Commission adopted a new 39 CFR part 3010 to its regulations.⁴ To implement the competitive pricing regime, the Commission adopted a new 39 CFR part 3015. Order No. 43 at 135–138. The addition of these two new parts resulted in the subsequent removal of 39 CFR part 3001, subparts B, F, and L from the Commission's rules of practice.⁵

The PAEA also provided mechanisms for changing the market dominant and competitive product lists. 39 U.S.C. 3642. To implement 39 U.S.C. 3642, the Commission adopted a new 39 CFR part 3020 to its regulations. Order No. 43 at 138–155. The Commission subsequently adopted a new 39 CFR part 3035 governing market tests of experimental products pursuant to 39 U.S.C. 3641. The enactment of 39 U.S.C. 3642 and 3641 and the adoption by the

⁵ Docket No. RM2009–4, Order Eliminating Obsolete Rules of Practice, May 11, 2009 (Order No. 214).

Commission of 39 CFR parts 3020 and 3035 rendered 39 CFR part 3001, subparts C, I, J, and K unnecessary and resulted in their removal from the rules of practice. Order No. 214 at 6.

Other sections of the PAEA also resulted in the removal of subparts from 39 CFR part 3001 of the rules of practice and their replacement by new parts in title 39 of the Code of Federal Regulations. For example, new statutory reporting requirements were added in 39 U.S.C. 3651 through 3654. The Commission responded to these new statutory requirements by eliminating 39 CFR part 3001, subpart G from the rules of practice and by adding a new 39 CFR part 3050. *Id.* at 4. Similarly, with the PAEA's enactment of 39 U.S.C. 3662 authorizing the filing of complaints, the Commission eliminated 39 CFR part 3001, subpart E from the rules of practice and the adoption of a new 39 CFR part 3030.⁶

Finally, on January 25, 2012, the Commission adopted revised rules governing appeals of post office closings and consolidations. As part of this revision, the Commission repealed 39 CFR part 3001, subpart H of the rules of practice and established a new 39 CFR part 3025.⁷

The result of the foregoing changes has been to leave the rules of practice in 39 CFR part 3001 with only two subparts: 39 CFR part 3001, subpart A, Rules of General Applicability, and 39 CFR part 3001, subpart D, Rules

Applicable to Requests for Changes in the Nature of Postal Services. Subpart A of 39 CFR part 3001 contains general rules, and subpart D of 39 CFR part 3001, contains rules specific to only one proceeding type.

The PAEA also required additional regulations that did not involve the removal of subparts from 39 CFR part 3001. In addition, the Commission added regulations to address other issues that arose from time to time. The following parts were added to chapter III of this title to address the above: Procedures for Compelling Production of Information by the Postal Service (39 CFR part 3005); Non-public Materials Provided to the Commission (39 CFR part 3007); Ex Parte Communications (39 CFR part 3008); Procedures Related to Commission Views (39 CFR part 3017); Rules for Rate or Service Inquiries (39 CFR part 3031); Special Rules for Complaints Alleging Violations of 39 U.S.C. 404a (39 CFR part 3032); Service Performance and Customer Satisfaction Reporting (39 CFR part 3055); and Accounting Practices and Tax Rules for the Theoretical Competitive Products Enterprise (39 CFR part 3060). These parts were added to 39 CFR chapter III with no particular organization in mind.

Thus, the material in chapter III of this title is not presented in any logical order or with any particular grouping of similar materials for ease of use. The Rules of Practice and Procedure (39 CFR

part 3001) contain both general information, and unrelated information specific to only one proceeding type. Furthermore, the general information in 39 CFR part 3001 was originally written to address the needs of hearings on the record, when the current focus of Commission practice is on notice and comment proceedings. This rulemaking proposes to address these issues.

When adopted, the proposed amendments to the rules of practice will foster the efficient disposition of matters that come before the Commission, and will enhance the ability of persons appearing before the Commission to participate efficiently and effectively in Commission proceedings. The reorganization of the Commission's remaining regulations makes no changes to the substance of those regulations and is proposed to accommodate changes to the rules of practice and to facilitate the location of relevant regulations.

III. Organization of Chapter III, the Postal Regulatory Commission

A. General Reorganization

This rulemaking proposes to organize the material currently appearing in chapter III of this title, by grouping related material (individual parts of the current regulations) under six new subchapter headings. The new subchapter headings proposed for chapter III of this title are shown in Table III–1.

TABLE III–1—SUBCHAPTER ORGANIZATION

Chapter III—Postal Regulatory Commission	
Subchapter	Title
Subchapter A	The Commission.
Subchapter B	Seeking Information from the Commission.
Subchapter C	General Rules of Practice for Proceedings Before the Commission.
Subchapter D	Special Rules of Practice for Specific Proceeding Types.
Subchapter E	Regulations Governing Market Dominant Products, Competitive Products, Product Lists, and Market Tests.
Subchapter F	Periodic Reporting, Accounting Practices, and Tax Rules.

The proposed organization of chapter III is facilitated by the use of subchapter headings that are indicative of the material included in those subchapters. The order of the subchapters, and the material appearing within, is carefully selected to provide the most general material first, which likely will be of interest to the widest audience. These subchapters are followed by increasingly detailed material, which is likely to be of interest to a more limited audience.

This organization seeks to provide interested persons with an easily accessible overview of the Commission, an understanding of how to obtain information from the Commission (such as through Freedom of Information Act (FOIA) requests) and the ability to participate in the most common type of Commission proceeding (the notice and comment proceeding) without the need to be burdened with the more detailed information that appears at the end of the chapter. This addresses the needs of

many participants who interact with the Commission on a regular basis in a way that is also understandable to those who interact on a less frequent basis.

The organization also facilitates and is consistent with the proposed revision of current 39 CFR part 3001, Rules of Practice and Procedure. This part is currently subdivided into two subparts each containing unrelated material (39 CFR part 3001, subparts A and D). This material will be divided among three new parts in 39 CFR chapter III.

⁶Docket No. RM2008–3, Order Establishing Rules for Complaints and Rate of Service Inquiries, March 24, 2009 (Order No. 195).

⁷Docket No. RM2011–13, Order Adopting Final Rules Regarding Appeals of Postal Service

Determinations to Close or Consolidate Post Offices, January 25, 2012, at 12 (Order No. 1171).

The revision of current 39 CFR part 3001 focuses on 39 CFR part 3001, subpart A, Rules of General Applicability. When originally written, this subpart predominately concerned hearing on the record type proceedings. Over the years, these rules have been adapted to other proceeding types, but retained many subtle references to hearing on the record proceedings.⁸ The proposed revisions generalize the rules of general applicability such that they may be applied to most, if not all, proceeding types. This revised material appears as proposed 39 CFR part 3010, Rules of Practice and Procedure.

The remaining material in 39 CFR part 3001, subpart D, Rules Applicable to Requests for Changes in the Nature of Postal Services, remains unchanged. This material is moved to proposed 39 CFR part 3020, Rules Applicable to Requests for Changes in the Nature of Postal Services.

In the organization of 39 CFR chapter III, the generally applicable rules of practice and procedure logically will be

located before the more detailed rules that reference the general rules. The Commission is aware that many of the specific rules currently contain material that are repetitive of the general rules. In the future, the specific rules will be edited to remove any repetitive material that may appear within.⁹

Finally, the organization of 39 CFR chapter III is developed with the potential for future revisions to the chapter in mind. Along with placing subchapters in a logical order, the section numbering is chosen to allow for new material to be added without causing a significant disruption in the organization of the chapter.

Except for the rules of practice and procedure proposed for 39 CFR part 3010 (current 39 CFR part 3001, subpart A), the substance of rules in chapter III of this title remains essentially unchanged. The areas that arguably contain substantive changes are noted in this rulemaking as appropriate. The reorganization of the various parts of chapter III of this title requires the

updating of all cross references within the rules. Furthermore, except for quoted material, all gender specific terms are eliminated (he/she, him/her, etc.).¹⁰ Finally, every attempt is made to avoid duplication of current and proposed section numbers to eliminate potential issues with future citing to the correct rules.

B. Subchapter A—The Commission

The rules describing the Commission and its offices, and employee standards of conduct, appear under 39 CFR chapter III, subchapter A and is titled “The Commission.” These rules focus on the organization of the Commission and certain ethical standards applicable to its employees. Cross references that refer to rules outside of the rules proposed for 39 CFR chapter III, subchapter A are updated. With one exception, changes have not been made to the substance of any rule.¹¹ The proposed organization for 39 CFR chapter III, subchapter A is shown in Table III–2.

C. Subchapter B—Seeking Information from the Commission

The rules applicable to the privacy act, public records and FOIA, and public attendance at Commission meetings appear under 39 CFR chapter III, subchapter B, and is titled “Seeking

Information from the Commission.”

These rules focus on obtaining information from the Commission that is not necessarily associated with any one matter before the Commission. Cross references that refer to rules outside of the rules proposed for 39 CFR

chapter III, subchapter A and internal cross referencing are updated. With one exception, changes have not been made to the substance of any rule.¹² The proposed organization for 39 CFR chapter III, subchapter B is shown in Table III–3.

⁸ Totally unrelated material concerning public attendance at Commission meetings was also added to this subpart. Most of this material is moved to proposed 39 CFR part 3007.

⁹ At this point, the Commission is not proposing to immediately edit material appearing in proposed 39 CFR chapter III, subchapters D or E to remove duplicative material. The intent is to do this in the

future as potential changes are made to the affected regulations.

¹⁰ The term “Chairman” is retained. It is left to the discretion of the person holding office whether to be referred to as Chairman, Chairwoman, Chairperson, or Chair.

¹¹ Section 3000.102(b), which references public participation in matters before the Commission, has

been edited to remove a reference to “limited participation.” As discussed below, this form of participation has been removed from the rules of practice and procedure.

¹² The definition for “Commission meeting” previously appearing at § 3001.5(n) is moved to proposed § 3007.100(a) of this chapter.

D. Subchapter C—General Rules of Practice for Proceedings Before the Commission

The rules specifying the general practice and procedure of docketed matters before the Commission, non-public materials provided to the Commission, ex parte communications, and procedures for compelling production of information by the Postal Service appear under 39 CFR chapter III,

subchapter C and is titled “General Rules of Practice for Proceedings Before the Commission.” These are the core rules for practicing before the Commission, which are generally referenced by many of the other rules that follow. The rules appearing in proposed 39 CFR part 3010 are derived from the current rules appearing at 39 CFR part 3001, subpart A. They should be considered new material and are

discussed separately in this rulemaking. For all other parts appearing under 39 CFR chapter III, subchapter C cross references that refer to rules outside of the rules proposed for 39 CFR chapter III, subchapter C and internal cross referencing are updated. Changes have not been made to the substance of any of these rules. The proposed organization for 39 CFR chapter III, subchapter C is shown in Table III–4.

E. Subchapter D—Special Rules of Practice for Specific Proceeding Types

The rules applicable to requests for changes in the nature of postal services, appeals of Postal Service determinations to close or consolidate post offices, complaints, rate or service inquiries, complaints alleging violations of 39

U.S.C. 404a, and Commission views appear under 39 CFR chapter III, subchapter D, and is titled “Special Rules of Practice for Specific Proceeding Types.” Most of these rules rely on the general rules appearing in 39 CFR chapter III, subchapter C. However, they provide more detail addressing specific

docket types. Cross references that refer to rules outside of the rules proposed for 39 CFR chapter III, subchapter D and internal cross referencing are updated. Changes have not been made to the substance of any rule. The proposed organization for 39 CFR chapter III, subchapter D is shown in Table III–5.

F. Subchapter E—Regulations Governing Market Dominant Products, Competitive Products, Product Lists, and Market Tests

The rules for regulating market dominant products, competitive products, market tests of experimental

products, and the associated product lists appear under 39 CFR chapter III, subchapter E, and is titled “Regulations Governing Market Dominant Products, Competitive Products, Product Lists, and Market Tests.” Changes have not been made to the substance of any rule.

Cross references that refer to rules outside of the rules proposed for 39 CFR chapter III, subchapter E and internal cross referencing are updated. The proposed organization for 39 CFR chapter III, subchapter E is shown in Table III–6.

Consideration is currently being given, in Docket No. RM2017–3, to revising the rules applicable to the regulation of rates for market dominant products appearing in proposed 39 CFR part 3030 (current 39 CFR part 3010).¹³ The instant rulemaking proposes to move the current market dominant rules from 39 CFR part 3010 to part 39 CFR 3030, and to add “.500” to each section number. This allows for any rules proposed in Docket No. RM2017–3 to be located in the range of § 3030.100 through § 3030.499. Upon adoption of new rules from § 3030.100 through § 3030.499, the current rules (being re-designated by this rulemaking as §§ 3030.500 *et seq.*) will be deleted.¹⁴

Appendices A and B to proposed 39 CFR part 3040 contain the market

dominant and competitive product lists. The most up to date version of the product lists will be included in the final order assuming the proposals of this rulemaking are adopted.

G. Subchapter F—Periodic Reporting, Accounting Practices, and Tax Rules

The rules for periodic reporting, service performance and customer satisfaction reporting, and accounting practices and tax rules for the theoretical competitive products enterprise appear under 39 CFR chapter III, subchapter F, and is titled “Periodic Reporting, Accounting Practices, and Tax Rules.” These rules focus on reports provided to the Commission by the Postal Service. There are only two instances in which persons other than the Commission or the Postal Service

reference these rules. First, the periodic reporting rules allow persons, including the Commission and the Postal Service, to propose changes to the accepted analytical principles applied in the Postal Service’s annual periodic reports. See § 3050.11. Proceedings to consider such proposals are administered as notice and comment proceedings, with additional provisions for discovery. Second, the accounting practices and tax rules allow for comments.¹⁵ No changes have been made to the substance or numbering of these rules. Cross references that refer to rules outside of the rules proposed for 39 CFR chapter III, subchapter F are updated. The proposed organization for 39 CFR chapter III, subchapter F is shown in Table III–7.

IV. Part 3010, Rules of Practice and Procedure

A. General Organization

This rulemaking also proposes to revise the material currently appearing in the 39 CFR part 3001, subpart A, Rules of General Applicability. The majority of this material is revised and moved to proposed 39 CFR part 3010, and is titled “Rules of Practice and Procedure.”¹⁶

The revisions are made to present the rules of practice and procedure in an understandable, logical format. There is no intent to change the way participants

currently interact with the Commission. Any area that arguably changes the way participants interact with the Commission and/or otherwise streamlines and makes less cumbersome any interaction with the Commission is noted in this rulemaking as appropriate.

Practice before the Commission generally falls within three areas: Hearings on the record, notice and comment proceedings, and administrative review. Prior to enactment of the PAEA, the most significant practice before the Commission were omnibus rate cases, complaint proceedings, and changes to

the nature of postal services, which all required hearings on the record. Thus, the majority of the 39 CFR part 3001, subpart A, Rules of General Applicability, were developed to administer this proceeding type. Only one rule, current § 3001.41, Rulemaking proceedings, is specifically devoted to notice and comment type proceedings. Administrative review type proceedings were handled separately in current 39 CFR part 3025, rules for appeals of Postal Service determinations to close or consolidate post offices.¹⁷ Both notice and comment rulemakings and administrative review proceedings cite

¹³ Docket No. RM2017–3, Notice of Proposed Rulemaking for the System for Regulating Rates and Classes for Market Dominant Products, December 1, 2017 (Order No. 4258).

¹⁴ The assumption is that the instant rulemaking will be completed prior to the changes proposed in Docket No. RM2017–3 going into effect.

¹⁵ See current § 3060.42(a). No comments have been filed over the past five years.

¹⁶ Certain material unrelated to the rules of practice and procedure is moved to other parts of chapter III. Specifically, current § 3001.43, Public attendance at Commission meetings is moved to proposed 39 CFR part 3007, public attendance at Commission meetings, and the definition for “Commission meeting” previously appearing at § 3001.5(n) is moved to proposed § 3007.100(a) of this chapter. Also 39 CFR part 3001, subpart D,

Rules Applicable to Requests for Changes in the Nature of Postal Services, is moved to proposed 39 CFR part 3020.

¹⁷ There has been no change to the requirement for the Commission to conduct administrative hearings for appeals of Postal Service determinations to close or consolidate post offices.

to or adopt portions of the rules of general applicability where necessary.

Under the PAEA, the majority of proceedings before the Commission are handled consistent with notice and comment rulemakings. Omnibus rate proceedings are no longer required. Complaints may still be formally adjudicated, but a hearing on the record is no longer required. Only changes to the nature of postal services still require a hearing on the record. Thus, the focus of practice before the Commission has changed from predominantly hearing on the record type proceedings to predominantly notice and comment type proceedings.

This change in Commission focus drives the organization of the proposed rules of practice and procedure. The proposed rules are organized into six subparts. Rules that are generally applicable to all proceeding types appear first in proposed 39 CFR part 3010, subpart A, General Provisions. The filing requirements of proposed 39 CFR part 3010, subpart B are also generally applicable to all proceeding types. The ability to participate in proceedings before the Commission for the three general types of proceedings described above appear in proposed 39 CFR part 3010, subpart C, Participation in Commission Proceedings. Proposed

39 CFR part 3010, subpart D describes notices, motions, and information requests. These pleading types are generally applicable to all proceeding types before the Commission.

The last two subparts provide more specific information applicable to notice and comment proceedings, and hearings on the record proceedings. Proposed 39 CFR part 3010, subpart E provides basic information for notice and comment proceedings. Proposed 39 CFR part 3010, subpart F provides detailed information for hearings on the record. The six subpart headings proposed for 39 CFR part 3010 are shown in Table IV–1.

TABLE IV–1—SUBPART ORGANIZATION

Part 3010—rules of practice and procedure	
Subpart	Title
Subpart A	General Provisions.
Subpart B	Filing Requirements.
Subpart C	Participation in Commission Proceedings.
Subpart D	Notices, Motions, and Information Requests.
Subpart E	Proceedings Using Notice and Comment Procedures.
Subpart F	Proceedings with an Opportunity for a Hearing on the Record.

The reorganization of the rules of practice in 39 CFR part 3010, subpart A requires the updating of all section numbers and cross-references within the rules and in other rules and regulations in 39 CFR chapter III in which reference is made to a rule of practice. Except for quoted material, all gender specific terms are eliminated from the proposed rules (he/she, him/her, etc.).

Further information concerning each subpart appears below. Each subpart is divided into sections. The organization of the sections within each subpart is discussed first. This is followed by a section-by-section description. The descriptions either describe any new

material, or point to what section of current 39 CFR part 3001 the material was derived from. Any changes to current 39 CFR part 3001 material are described.

B. Subpart A—General Provisions

Subpart A to 39 CFR part 3010, General Provisions, are generally applicable to all practice before the Commission. This subpart provides definitions that are used throughout the rules. It explains the establishment of dockets for consideration of matters before the Commission. It describes the publication of procedural schedules for docketed proceedings. It allows the

Commission to consolidate or sever proceedings when appropriate. The proposed regulations explain that the Commission typically sits *en banc* in proceedings. They also provide requirements for assigning a presiding officer to administer the day-to-day activities of a proceeding, and procedures for appealing a decision by a presiding officer to the full Commission. Administrative matters such as the computation of time and the automatic closure of inactive dockets are also described. The organization of 39 CFR 3010, subpart A, General Provisions, is shown in Table IV–2.

Section 3010.100, Applicability and scope of rules. Proposed § 3010.100 combines elements of current §§ 3001.1, 3001.3, and 3001.4 of this chapter.

Proposed § 3010.100(a), which states that the rules of practice apply to practice before the Commission, currently appears as § 3001.3 of this chapter.

Proposed § 3010.100(b), which describes the order of precedence of rules, is new. It is necessary to establish an order of precedence for applying the rules in chapter III because the chapter contains rules that are generally applicable (39 CFR part 3010), and rules that are applicable in specific instances (the remainder of 39 CFR chapter III). Whenever questionable, the specific rules take precedence over the general rules.

Proposed § 3010.100(c) and (d), which generally allow exceptions to the rules of practice, restate current § 3001.1 of this chapter and parts of current § 3001.3 of this chapter. Proposed § 3010.100(e), which describes how to refer to the rules of practice, currently appears as § 3001.4 of this chapter.

Section 3010.101, Definitions. Proposed § 3010.101 incorporates, and in some instances revises, the definitions that appear in current § 3001.5 of this chapter. The proposed definitions now appear in alphabetical order. The current definitions for *Act*, *Complainant*, *Negotiated service agreement*, *Petitioner*, *Postal Service*, *Postal service*, *Product*, *Public Representative*, *Rate of class of general applicability*, *Secretary*, and *Small business concern* are incorporated with minor editorial changes.

The definition of *Commission or Commissioner* is modified by adding the address and business hours of the Commission. The definition of *Effective date* is modified by changing the effective date from the date of issuance to the date the document is posted on the Daily Listing page of the Commission's website, unless otherwise specified. In almost all instances, the date of issuance will be the same as the date the publication is posted on the Daily Listing page. The significance of the change is that the date of posting is also the date that persons are deemed to receive actual notice of the publication. The definition for *Hearing* has been clarified to specifically refer to hearings on the record.

The definition for *Participant* has been simplified to refer to any person who participates, or seeks to participate in a proceeding. The intent is to use "participant" as a generic term. Two changes are made to the definition of *Party*. First, the Public Representative is

always considered a party in a proceeding without the need to file a notice of intervention. Second, the term "party" is only applicable in proceedings docketed for a hearing on the record. It is not applicable to participants in notice and comment proceedings.

The definition of *Person* is modified to include a limited liability company. "Governmental agency" within the definition of person is changed to the more general term "governmental entity." This eliminates potential confusion that can result from use of the word "agency," which is frequently defined by statute in ways that are unrelated to the purposes of the Commission's rules of practice.

The definition of *Presiding officer* is changed. The current definition is not specific. It currently may apply to a ranking individual that presides over a proceeding, or to a person specifically designated to preside over a proceeding. The proposed definition limits the definition to a person specifically designated to preside over a proceeding.

The definition of *Record* is changed. The current definition appears to refer to the "evidentiary record" developed for a hearing on the record. The proposed definition is more generic by including all documents and other material in a docket. This is more appropriate because the majority of proceedings before the Commission are notice and comment proceeding that technically do not develop an evidentiary record. When a more specific definition of record is necessary, terms such as "evidentiary record" or "certified record" may be used.

New definitions for the terms *Proceeding* and *website* are added. The current definition for *Commission meetings* is moved to proposed § 3010.100(a).

Section 3010.102, Commission dockets. Proposed § 3010.102 includes mostly new material. Proposed § 3010.102(a) and (b) describe who may initiate a docket before the Commission. Proposed § 3010.102(c) and (h), which require the Secretary to maintain a docket and make the material submitted in a docket accessible, are derived from current § 3001.13 of this chapter. Proposed § 3010.102(d) specifies that the Secretary is responsible for assigning a docket designation to all matters that potentially come before the Commission. It also specifies the common docket designations that are currently in use.

Proposed § 3010.102(e) informs filers that a matter is not before the Commission until the Commission (or

the Secretary in the case of certain negotiated service agreements) formally initiates a proceeding. This is meant to rectify a common erroneous belief that obtaining a docket number alone indicates that a matter is before the Commission.

Proposed § 3010.102(f) states that the substance of the matter presented to the Commission, not the assigned docket type, shall govern the procedural requirements of the docket. This is intended to alleviate the need to refile, when a matter is filed under the incorrect docket designation, or when a matter may be considered under multiple docket designations but not all designations are included.¹⁸ The Commission has the expertise to review a pleading and act accordingly without a need to refile.

Proposed § 3010.102(g) states that all material filed with the Commission shall include the assigned docket designation. Proposed § 3010.102(i) states that "active" dockets can only be closed by the Commission as a whole. This is meant to act as a reminder to presiding officers that only the Commission may close an active docket.

Section 3010.103, Procedural schedules in docketed proceedings. Proposed § 3010.103 provides for the development of a procedural schedule for docketed proceedings. This is derived from current § 3001.13 of this chapter.

Section 3010.104, Consolidation and severance of proceedings. Proposed § 3010.104 incorporates current § 3001.14 of this chapter with minor editorial revisions.

Section 3010.105, Consideration of matters before the Commission. Proposed § 3010.105 contains new material. Proposed § 3010.105(a) states that the Commission typically sits *en banc* in all matters that come before the Commission. Proposed § 3010.105(b) states that decisions to open or close an active docket are made by the Commission as a whole (except for certain negotiated service agreements). These paragraphs merely describe how the Commission has functioned for most of its history.

¹⁸ For example, many proceedings designated as rate change dockets also contain minor classification changes. Historically, the rate change and the classification change are considered under the same docket heading. In some instances, dockets have mistakenly been filed under the incorrect heading. There is no reason to require that the material be refiled under the correct heading. However, this exception is not intended, for example, to allow significant classification changes that warrant analysis on their own merits from being included in annual rate change dockets. In this instance, the Commission may require that the classification changes be filed separately.

Section 3010.106, Presiding officers. Proposed § 3010.106 describes the designation and duties of a presiding officer. Proposed § 3010.106(a) contains new material, which describes the authority to designate a presiding officer. Proposed § 3010.106(b) contains new material, which directs the Secretary, as has been the practice of the Commission, to issue a notice of the appointment of a presiding officer. Proposed § 3010.106(c) through (e) describe the authority delegated to a presiding officer, the presiding officer's responsibilities for the conduct of hearings, and the potential disqualification of a presiding officer. These last paragraphs are incorporated from current § 3010.23.

Section 3010.107, Appeals from interlocutory rulings by presiding

officers. Proposed § 3010.107 incorporates current § 3001.32 of this chapter with several editorial revisions to clarify the rules.

Section 3010.108, Computation of time. Proposed § 3010.108 incorporates current § 3001.15 of this chapter with several editorial revisions. The current material is divided into several paragraphs, and additional information added. The modifications are not meant to change the interpretation of the computation of time in any way.

Section 3010.109, Automatic closure of inactive dockets. Proposed § 3010.109 incorporates current §§ 3001.44 and 3001.45 of this chapter with several editorial revisions.

C. Subpart B—Filing Requirements

Subpart B of 39 CFR part 3010 provides the requirements for filing

material with the Commission. Most of the filing requirements that are in practice today remain unchanged. The one change of significance, explained below, relates to the labeling of library references. Most of the current regulations were written at a time when hardcopy documents were filed with a requirement for physical service of material on participants in the proceeding. With the advent of the Filing Online system, these regulations were modified, but never fully rewritten, and thus contain relics of the past system. Therefore, most of the proposed regulations are rewritten to represent current practice utilizing the Filing Online system. The organization of 39 CFR 3010, subpart B, Filing Requirements, is shown in Table IV–3.

TABLE IV–3—SUBPART B—FILING REQUIREMENTS

Subpart B—filing requirements		
Proposed section No.	Section name	Derived from section No.

3010.121	Filing Online system	3001.9(c)
3010.122	Material filed using method other than the Filing Online system	3001.9(c) 3001.10(c)
3010.123	Rejected filings	3001.9(d)
3010.124	Form and content of text-based documents filed with the Commission	3001.10 3001.11
3010.125	Library references	3001.31(b)(2)
3010.126	Subscription	3001.11(e)
3010.127	Service	3001.12

Section 3010.120, Filing material with the Commission. Proposed § 3010.120 incorporates elements of current §§ 3001.9(a), 3001.10(a), and 3001.11(a) of this chapter. With certain listed exceptions, proposed § 3010.120(a) requires that all material be filed with the Commission using the Filing Online system. This represents no change in current filing requirements. One exception is added in proposed § 3010.120(a)(3) that allows comments to be filed in hard copy by persons who are unfamiliar with Commission practice and are therefore unaware of, or unable to use, the Filing Online system. This enables the Commission to post material to its website that is frequently obtained from a broad spectrum of participants that may or may not precisely comply with filing requirements. Proposed § 3010.120(b) provides an alternative method of filing material subject to the exceptions listed in proposed § 3010.120(a).

Section 3010.121, Filing Online system. Proposed § 3010.121 incorporates elements of current § 3001.9(c) of this chapter and provides additional information. Proposed § 3010.121(a) states that only registered users of the Filing Online system may file material using the system. It also explains that there are two types of account registrations and provides guidance on where to find additional information. This paragraph is derived from current § 3001.9(c) of this chapter. Proposed § 3010.121(b) and (c) explain the difference between temporary and permanent account holders. The expiration of a temporary account is extended from 10 to 35 days to potentially allow temporary account holders to file both comments and reply comments in those proceedings in which the Commission authorizes two rounds of comments to be filed. Proposed § 3010.121(d) explains the difference between the filing date of a document and the date of its acceptance

by the Commission. This information is derived from current § 3001.9(c) of this chapter.

Section 3010.122, Material filed using method other than the Filing Online system. Proposed § 3010.122 incorporates elements of current §§ 3001.9(c) and 3001.10(c) of this chapter. Proposed § 3010.122(a) explains the difference between the filing date of a document and the date of acceptance by the Commission for material that is filed using a filing system other than the Filing Online system. This information is derived from current § 3001.9(c) of this chapter. Proposed § 3010.122(b) provides an exception for the filing of documents using computer media. This information is derived from current § 3001.10(c) of this chapter.

Section 3010.123, Rejected filings. Proposed § 3010.123 incorporates current § 3001.9(d) of this chapter with several revisions. The proposed rule clarifies that, if a filing is rejected, the Secretary will “attempt” to notify the

person submitting the filing of the reasons for its rejection. The current rule can be mistakenly interpreted to suggest that the Secretary has an affirmative duty to notify the filer of the reasons for rejection. However, notification is only provided as a courtesy, and to expeditiously resolve issues if possible. The proposed rule also specifies that the Office of the General Counsel shall make the final determination regarding acceptance of any filing. This will continue current practice.

Section 3010.124, Form and content of text-based documents filed with the Commission. Proposed § 3010.124 is derived from portions of current §§ 3001.10 and 3001.11 of this chapter. Although there are no significant changes in the form and content requirements, the language is updated to reflect the change from a purely paper-based filing system to the electronic Filing Online system.

Proposed § 3010.124(a), Equivalent paper size, is derived from § 3001.10(b) of this chapter. Proposed § 3010.124(b), Line spacing and font, is derived from § 3001.10(a)(1) of this chapter. Proposed § 3010.124(c), Caption, title, page numbering and table of contents, is derived from §§ 3001.10(a) and 3001.11(f) of this chapter. Proposed § 3010.124(d), Improper matter, is derived from § 3001.11(d) of this chapter. Proposed § 3010.124(e), Exception for appeals of post office closings and consolidations, is derived from § 3001.10(d) of this chapter.

Section 3010.125, Library references. Proposed § 3010.125 incorporates current § 3001.31(b)(2) of this chapter with additional explanatory language. The use of library references has evolved over the years. Library references originally were considered an exception to typical document filings. They were used to permit the filing of material containing large amounts of data in omnibus rate proceedings conducted as hearings on the record. Access to library references was cumbersome and frequently required participants to visit the Commission's offices to examine the material. A library reference did not have to be served on a party unless requested. Today, most if not all library references are electronically transmitted, easily accessible to all parties, and generally used for filing data content (and other) materials in most docket types. Thus,

the library reference regulations are moved from the evidence section applicable to hearings on the record, to the filing requirements section that is applicable to all proceeding types.

Proposed § 3010.125(a) provides a definition of a library reference. The definition is derived from current § 3001.31(b)(2) of this chapter. Proposed § 3010.125(b) addresses the categorization of library references. The categories of library references are unchanged from those appearing in current § 3001.31(b)(2) of this chapter.

Proposed § 3010.125(c) discusses the labeling of library references. This material is new and contains a significant change from current practice. The various parts of the library reference designation shall be separated by dashes “-.” Previously, the last segment was separated by a slash “/.” The slash causes technical computer filing issues if used within a file name of a library reference.

Proposed § 3010.125(d) and (e), filing procedure and optional preface or summary are the same, with minor editorial revisions, as in current § 3001.31(b)(2) of this chapter.

Section 3010.126, Subscription. Proposed § 3010.126 incorporates current § 3001.11(d) of this chapter with several revisions. The subscription requirement is specifically extended to library references to the extent referenced in the library reference's notice of filing. Subscription by electronic signature appearing on hardcopy documents is allowed. The electronic signature provision is added to accommodate the acceptance of documents transmitted by email or other means by persons unfamiliar with or unable to access the Filing Online system. This frequently occurs when members of the public, unfamiliar with Commission practice, file comments in dockets that are of a general public interest.

Section 3010.127, Service. Proposed § 3010.127 is derived from the service requirements of current § 3001.12 of this chapter. Although updated from time-to-time, the current service requirements were written prior to the development of the Filing Online system and focused more on service of hardcopy documents.

The proposed rule relies principally upon the electronic transmission of documents to accomplish service. It states that material shall be deemed

served upon posting to the Commission's website. Proposed § 3010.125(b) provides a temporary hard copy alternative for certain persons with a demonstrated inability to effectively utilize the Filing Online system. Proposed § 3010.125(c) requires the maintenance of a service list for instances where physical service is otherwise still necessary.

D. Subpart C—Participation in Commission Proceedings

Proposed 39 CFR 3010, subpart C describes the various forms of participation in Commission proceedings. Locating this information in one subpart informs potential participants of the scope of participation in the various proceeding types. The vast majority of matters before the Commission fall within three types of proceedings: notice and comment proceedings, administrative proceedings (appeals of Postal Service determinations to close or consolidate post offices), and hearings on the record.

For notice and comment proceedings, the Commission provides persons the opportunity to comment.¹⁹ The opportunity to comment is provided by proposed § 3010.140. Participation in proceedings that consider appeals of Postal Service determinations to close or consolidate post offices is generally limited to those with some association to the actual post office. Participation in these dockets is authorized by proposed § 3010.141. Hearings on the record (generally, those proceedings that consider changes in the nature of postal services and complaint cases) require formal intervention to fully participate. The opportunity to intervene is provided by proposed § 3010.142. Hearings on the record also allow participation by comment (proposed § 3010.140). Participants in proceedings are allowed to have representation as provided in proposed § 3010.143. Finally, certain Commission investigative or prosecuting officers are restricted by proposed § 3010.144 from participating in any docket.

The organization of 39 CFR part 3010, subpart C, Participation in Commission Proceedings, is shown in Table IV–4.

¹⁹ It should be understood that the proponent of the matter docketed as a notice and comment proceeding has responsibilities in addition to merely providing comments.

TABLE IV—4—SUBPART C—PARTICIPATION IN COMMISSION PROCEEDINGS

Subpart C—Participation in commission proceedings		
Proposed section No.	Section name	Derived from section No.
3010.140	Opportunity for comment
3010.141	Appeals of Postal Service determinations to close or consolidate post offices	3025.10(a)
3010.142	Parties to hearings on the record	3025.14
		3001.20
		3001.20a
		3001.20b
3010.143	Representation of persons	3001.6
3010.144	Limitation of participation by investigative or prosecuting officers	3001.8

Section 3010.140, Opportunity for comment. Proposed § 3010.140 contains new material. It loosely incorporates aspects of current § 3001.20b of this chapter, Informal expression of views by persons not parties or limited participators (commenters). Previously, this provided an avenue for submitting informal comments during hearing on the record proceedings.

The proposed rule broadens and formalizes the current rule by allowing persons to submit comments in most proceeding types before the Commission. This is necessary because the vast majority of matters before the Commission are now administered as notice and comment proceedings, and not administered as hearings on the record. It also continues to allow comments by non-intervening persons in hearings on the record.

The proposed rules specify that allowing reply comments is at the discretion of the Commission, or the presiding officer, and that the timing and scope of comments and reply comments may be specified by notice, order, or presiding officer's ruling.

The Commission has received many inquiries on the need to intervene in notice and comment proceedings as a prerequisite to filing comments. The proposed rule explicitly states there is no requirement to intervene in order to submit comments.

Section 3010.141, Appeals of Postal Service determinations to close or consolidate post offices. Proposed § 3010.141(a) restates the requirement from current § 3025.10(a) of this chapter that only persons served by a post office may initiate an appeal of a Postal Service decision to close or consolidate that post office. Proposed § 3010.141(b) restates the requirement from current § 3025.14 of this chapter, which defines the class of other persons that may participate in the appeal by submitting comments.²⁰ The proposed rules do not

intend to either expand or contract the class of persons that have been eligible to participate in the appeal process.

Proposed § 3010.141(c) includes the Public Representative and the Postal Service in the class of persons allowed to participate in the appeal process, and specifically prohibits any additional class of person.

Proposed § 3010.141(d) provides a short, three-day window for opposing participation by any person asserting eligibility.

Section 3010.142, Parties to hearings on the record. Proposed § 3010.142 provides the requirements for participating in a hearing on the record. This section, in effect, replaces current § 3001.20 of this chapter, Formal intervention; § 3001.20a of this chapter, Limited participation by persons not parties; and § 3001.20b of this chapter, Informal expression of views by persons not parties or limited participators (commenters).

Currently, formal intervention allows a person to become a party to a proceeding, and provides a complete set of rights such as the ability to conduct discovery, file testimony, file briefs, etc. A limited participator generally holds the same set of rights as a person that has formally intervened, except that a limited participator is shielded from the requirement to respond to discovery requests unrelated to a limited participator's testimony, if ever provided.²¹ An informal expression of views is akin to comments filed by a participant, except that an informal expression of views is filed without posting to the Commission's website.

Section 3010.142(a) of the proposed rules replaces the three levels of participation with two levels: A formal

to participate. This will be corrected in a future rulemaking.

²¹ This created the potential for a person to intervene as a limited participator for the purpose of propounding discovery directed to the Postal Service to seek a variety of information from the Postal Service, with no intent of ever developing testimony of their own and fully participating in the proceeding.

intervenor that becomes a party to the proceeding and a commenter that participates solely by providing comments.²² A party is provided a complete set of rights such as the ability to conduct discovery, file testimony, file briefs, etc. A commenter may only participate by providing comments.²³ Comments generally are posted to the Commission's website.²⁴

Proposed § 3010.142(b) through (e) concerning Notices of intervention, the Form and time of filing of the notice, oppositions to intervention, and the Effect of intervention are the same with minor editorial corrections as found in current § 3001.20(b) through (e) of this chapter.

Section 3010.143, Representation of persons. Proposed § 3010.143 incorporates current § 3001.6 of this chapter with several editorial revisions. To remove potential ambiguity, the standard for conduct of representatives is changed from a general "the courts of the United States" to a more specific "the District of Columbia Rules of Professional Conduct."

Section 3010.144, Limitation of participation by investigative or prosecuting officers. Proposed § 3010.144 incorporates current § 3001.8 of this chapter with one revision. Currently, the participation limitations placed on investigative or prosecuting officers is applicable only to hearings on

²² With the change in the nature of activities before the Commission (the Commission no longer hears omnibus rate cases), the utility of the limited participator category is reduced. This is consistent with a change in 2014 where the Commission eliminated the limited participator status from nature of service proceedings as having "no affirmative value." Docket No. RM2012-4, Order Adopting Amended Rules of Procedure for Nature of Service Proceedings Under 39 U.S.C. 3661, May 20, 2014, at 26 (Order No. 2080).

²³ There is nothing to prevent a commenter from indirectly participating in discovery or other aspects of the proceeding by filing motions with the Commission or presiding officer. However, it is completely up to the discretion of the Commission or presiding officer if this will be allowed.

²⁴ Comments may be filed under seal pursuant to proposed 39 CFR part 3011 (current 39 CFR part 3007), when appropriate.

²⁰ Current § 3025.14(a) of this chapter mistakenly implies that some form of intervention is necessary

the record. The proposed rule makes this limitation generally applicable to all proceedings.

E. Subpart D—Notices, Motions, and Information Requests

Notices, motions, and information requests are three of the more common types of documents used in all forms of Commission proceedings. They are described in proposed 39 CFR part 3010, subpart D, Notices, Motions, and Information Requests. The rules for notices and motions begin with general requirements for each document type. In each case, this is followed by a select set of specific notice and motion types. These specific types are currently described throughout 39 CFR chapter III. The proposed subpart relocates this material into one place.

Notices and orders initiating proceeding, proposed § 3010.151, is developed by reviewing all similar notices and orders initiating proceeding requirements appearing throughout 39 CFR chapter III. The intent is for the rules to eventually specify only one such requirement. Notices initiating dockets for consideration of negotiated service agreements, proposed § 3010.152, is all new material. It represents current practice for the Commission's review of negotiated service agreements.

The generic Motions, Motions for waiver, Motions for continuances and extensions of time, and Motions to strike section, proposed §§ 3010.160 through 3010.162, and 3010.164 respectively, relocates material, which currently appears in various locations of 39 CFR part 3001, into one location. The

Motions for late acceptance material, proposed § 3010.163, is all new. It memorializes the current practice of requiring a motion for late acceptance to accompany any material filed after an established deadline.

The Information requests material, proposed § 3010.170, is expanded by placing additional requirements on a party (other than the Postal Service) in a hearing on the record to comply with information requests.

Subpart D of 39 CFR part 3010 is organized into 3 segments: §§ 3010.150 through 3010.152 concern notices; §§ 3010.160 through 3010.164 concern motions; § 3010.170 describes information requests. The organization of 39 CFR part 3010, subpart D, Notices, Motions, and Information Requests, is shown in Table IV–5.

3010.170	Information requests	3001.100 3001.101

Section 3010.150, Notices. Proposed § 3010.150 provides a general description of a notice used in Commission proceedings. It is derived from current §§ 3001.17 and 3001.41 of this chapter, but is very broad in scope. Current § 3001.17 of this chapter applies only to notices issued by the Commission in proceedings conducted as hearings on the record. Similarly, current § 3001.41 of this chapter applies only to notices issued by the Commission in rulemaking proceedings. When used in a generic sense, a notice is used to communicate the occurrence of an event, and should not be used to direct the actions of others. Typical examples are: The notice of filing a library reference, a notice of intervention, a Postal Service notice of rate change, etc.

Proposed § 3010.150(a) provides a comprehensive description of a notice as a document “that announces a past,

present, or future event or occurrence.” It prohibits the combination of a notice with requests that should be presented by motion. It also prohibits the Commission or a presiding officer from combining a notice with an order or ruling unless the document being issued clearly states the intent of the document being issued. Proposed § 3010.150(b) requires documents filed as notices to contain the word “notice” in the title and it clarifies that there are additional requirements for the content of specific types of notices provided throughout 39 CFR chapter III of the Commission's regulations.

Section 3010.151, Notices and orders initiating proceeding. Proposed § 3010.151 establishes generally applicable provisions for notices and orders initiating proceedings. Proposed § 3010.151(a) makes the proposed rule applicable to all proceedings initiated by the Commission except proceedings

covered by proposed § 3010.152 (that consider negotiated service agreements) and proceedings covered by proposed 39 CFR part 3021 of this chapter (that consider appeals of post office closings and consolidations).

Proposed § 3010.151(b) prescribes the content of all notices and orders issued pursuant to proposed § 3010.151, while proposed § 3010.151(c) prescribes additional content for notices and orders that initiate proceedings docketed for a hearing on the record pursuant to proposed § 3010.300.

Section 3010.152, Notices initiating dockets for consideration of negotiated service agreements. Three years ago, the Commission began the practice of issuing a single notice that covers multiple dockets in which the Postal Service requests reviews of negotiated

service agreements.²⁵ Proposed § 3010.152 codifies this practice. Proposed § 3010.152(a) authorizes the Secretary of the Commission to issue such notices. Proposed § 3010.152(b) prescribes the content of such notices and provides for their publication in the **Federal Register**.

Section 3010.160, Motions. Proposed § 3010.160 incorporates current § 3001.21(a) and (b) of this chapter with minor editorial revisions. A new § 3010.160(d) is added to confirm that a ruling on a motion may be made without awaiting a response if the motion is unopposed or if the Commission determines that immediate action is appropriate.

Section 3010.161, Motions for waiver. Proposed § 3010.161 incorporates and reorganizes current § 3001.22 of this chapter with minor editorial revisions.

Section 3010.162, Motions for continuances and extensions of time. Proposed § 3010.162 incorporates current § 3001.16 of this chapter with minor editorial revisions.

Section 3010.163, Motions for late acceptance. Proposed § 3010.163 is derived from current § 3001.21 of this chapter and reflects the Commission's established practice of permitting participants in Commission proceedings to request late acceptance of submissions that did not meet an applicable deadline. Proposed § 3010.163 complements proposed § 3010.162 under which participants may seek continuances or extensions of time prior to the applicable deadline.

Section 3010.164, Motions to strike. Proposed § 3010.164 incorporates the content of current § 3001.21(c) of this chapter with minor editorial revisions.

Section 3010.170, Information requests. Proposed § 3010.170 incorporates and reorganizes current

§§ 3001.100 and 3001.101 of this chapter and include one significant revision. Current §§ 3001.100 and 3001.101 of this chapter were written with a focus on notice and comment, and potentially other forms of “informal” proceedings. The proposed revision is meant to encompass a “formal” hearing on the record proceeding within the rule. Thus, it adds a requirement that a party (other than the Postal Service) to a hearing on the record proceeding is also required to comply with information requests.²⁶

F. Subpart E—Proceedings Using Notice and Comment Procedures

Only one of the Commission's existing rules of practice, current § 3001.41 of this chapter, addresses proceedings that use notice and comment procedures. On its face, § 3001.41 of this chapter applies only to rulemaking proceedings. In practice, the Commission frequently uses notice and comment procedures in proceedings that do not involve the issuance, amendment, or repeal of a rule or regulation.

The following are additional examples of notice and comment proceedings currently administered by the Commission:

- Market dominant price adjustments (*see also* current 39 CFR part 3010);
- Competitive product price adjustments (*see also* current 39 CFR part 3015 of this chapter);
- New products and transfer of products between the market dominant and competitive categories of mail (*see also* current 39 CFR part 3020 of this chapter);
- Consideration of market tests (*see also* current 39 CFR part 3035 of this chapter);

- Proposals to change accepted analytical principals (*see also* current § 3050.11 of this chapter); and

- The annual determination of compliance (*see also* current 39 CFR part 3050 of this chapter).

Each of the above notice and comment proceedings have specific rules that are applicable to the proceeding. In some instances the specific rules specify procedures to administer the docket, in some cases they do not. Other proceedings also follow notice and comment procedures, but have absolutely no rules associated with them, Public Inquiry (PI) dockets for example.

Thus, this rulemaking proposes to add 39 CFR 3010, subpart E, Proceedings Using Notice and Comment Procedures, to provide basic guidance for administering notice and comment proceedings. This material replaces current § 3001.41 of this chapter. When the procedural issue before the Commission is not addressed by a specific rule, the general rules proposed in 39 CFR part 3010, subpart E should be followed. Over time, the specific rules will be edited and harmonized such that the basic procedures for notice and comment proceedings will only appear in 39 CFR part 3010, subpart E.²⁷

As described below, proposed 39 CFR part 3010, subpart E has a clearly defined scope, contains provisions governing the initiation of notice and comment proceedings, provides specific direction on how persons may participate in such proceedings, and sets forth certain minimum requirements for Commission action. The organization of 39 CFR part 3010, subpart E, Proceedings Using Notice and Comment Procedures, is shown in Table IV–6.

TABLE IV–6—SUBPART E—PROCEEDINGS USING NOTICE AND COMMENT PROCEDURES

Subpart E—Proceedings using notice and comment procedures		
Proposed section No.	Section name	Derived from section No.
3010.200	Applicability	3001.41
3010.201	Initiation of a proceeding	3001.41
3010.202	Participation in notice and comment proceedings	3001.41
3010.203	Commission action	3001.41

Section 3010.200, Applicability. Proposed § 3010.200 establishes the scope of 39 CFR part 3010, subpart E. Proposed § 3010.200(a) makes 39 CFR

part 3010, subpart E broadly applicable to proceedings that consider the issuance, amendment, or repeal of any Commission rule or regulation;

proceedings that seek information that can be used to inform future Commission action; and any other

²⁵ See Docket Nos. MC2016–152, *et al.*, Notice Initiating Docket(s) for Recent Postal Service Negotiated Service Agreement Filings, June 13, 2016.

²⁶ Although a proponent (other than the Postal Service) in any matter not docketed as a hearing on the record is not required to comply with information requests, they do so at their own risk.

²⁷ Until further notice, a matter shall be filed pursuant to the specific rule, if applicable. Only when no other option exists shall a matter be filed pursuant to proposed 39 CFR part 3010, subpart E.

proceeding the Commission determines is appropriate.

Proposed § 3010.200(b) excludes certain specific types of proceedings from coverage under proposed 39 CFR part 3010, subpart E. Excluded from coverage are proceedings conducted under proposed 39 CFR part 3010, of this part as hearings on the record. The following parts of proposed 39 CFR chapter III, subchapter D, Special Rules of Practice for Specific Proceeding Types also are excluded: Proposed 39 CFR part 3020, Rules Applicable to Requests for Changes in the Nature of Postal Services, proposed 39 CFR part 3021, Rules for Appeals of Postal Service Determinations to Close or Consolidate Post Offices, proposed 39 CFR part 3022, Rules for Complaints, proposed 39 CFR part 3023, Rules for Rate or Service Inquiries, and proposed 39 CFR part 3024, Special Rules for Complaints Alleging Violations of 39 U.S.C. 404a.

Section 3010.201, Initiation of a proceeding. Proposed § 3010.201 describes how proceedings can be initiated under subpart E and identifies the rules of practice applicable to such proceedings. Proposed § 3010.201(a) provides for the initiation of a proceeding by the Commission by the issuance of a notice under proposed § 3010.151.

Proposed § 3010.201(b) provides for the initiation of a proceeding under subpart E upon request. Section 3010.201(b)(1) provides that any person may request the initiation of a proceeding under 39 CFR part 3010, subpart E by filing a petition that contains the information listed in that subparagraph. Section 3010.201(b)(2) provides for three possible responses by the Commission to the petition. The Commission can, at its discretion, either initiate a proceeding by issuing a notice under § 3010.151, reject the petition, or defer a decision on whether to grant or reject the petition.

Proposed § 3010.201(c) subjects proceedings under 39 CFR part 3010, subpart E to the rules of practice and procedure in proposed 39 CFR part 3010, subparts A, B, C, and D.

Section 3010.202, Participation in notice and comment proceedings. Proposed § 3010.202 describes the means by which persons may participate in notice and comment proceedings conducted under 39 CFR part 3010, subpart E. Proposed § 3010.202(a) identifies the filing of comments under proposed § 3010.140 as the primary means of participation. The deadline for comments will be specified in the Commission's order issued under proposed § 3010.151 initiating the

proceeding. The Commission also has the option of providing in the initial notice for the filing of reply comments.

Proposed § 3010.202(b) provides for the issuance of information requests pursuant to proposed § 3010.170 by the Commission, the Chairman, or a presiding officer in its or their discretion or upon motion by an interested person.

Proposed § 3010.202(c) provides for the possibility of one or more technical conferences being convened by the Commission, the Chairman, or a presiding officer in its or their discretion or upon motion by an interested person.

Proposed § 3010.202(d) provides for the possibility of oral presentations being authorized by the Commission, the Chairman, or a presiding officer in its or their discretion or upon motion by an interested person.

Proposed § 3010.202(e) provides that the Commission, the Chairman, or a presiding officer may order additional procedures as appropriate.

Section 3010.203, Commission action. Proposed § 3010.203 establishes certain general parameters for Commission action in proceedings conducted under 39 CFR part 3010, subpart E. Proposed § 3010.203(a) requires the Commission to consider all relevant comments and materials of record before taking final action. It further requires that at a minimum final rules or regulations must be published in the **Federal Register**.

Proposed § 3010.203(b) provides, in general, that any issuance, amendment or repeal of a rule or regulation shall be effective not less than 30 days from publication in the **Federal Register**. If an effective date is not specified in the order issuing, amending, or repealing a rule or regulation, the effective date shall be thirty days after publication in the **Federal Register**, unless otherwise provided by statute or by the Commission.

Proposed § 3010.203(c) provides that for good cause shown any issuance, amendment, or repeal of a rule or regulation may be made effective less than 30 days from publication in the **Federal Register**.

Proposed § 3010.203(d) provides that certain types of rules, such as rules of organization, procedure or practice, and statements of policy may be made effective without regard to the 30 day requirement set forth in proposed § 3010.203(b).

G. Subpart F—Proceedings With an Opportunity for a Hearing on the Record

1. General

The rules of practice and procedure currently appearing in 39 CFR part

3001, subpart A were originally developed with a focus on administering hearings on the record. Many of the rules within this set of rules are generally applicable to most types of proceedings. This rulemaking has moved most of the rules that are generally applicable to 39 CFR part 3010, subparts A through D, as previously discussed. What remains of current 39 CFR part 3001, subpart A, are rules specifically applicable to hearings on the record. This rulemaking proposes to move these remaining rules into proposed 39 CFR part 3010, subpart F, Proceedings with an opportunity for a hearing on the record.

In most instances, hearing on the record practice has followed the published rules in 39 CFR part 3001, subpart A. Where this is not the case, this rulemaking revises the rules to represent current practice. Additionally, some rules are rewritten either for clarity or to provide further detail as explained below.

Arguably, the only substantive change proposed relates to the implicit reliance in the current rules on the use of Administrative Law Judges (ALJ). When the rules were originally written, it was envisioned that hearings on the record would be predominately administered by ALJs. The ALJs would prepare intermediate decisions for the Commission's consideration and action.²⁸ This practice was abandoned early in the Commission's history. It was replaced by a practice under which the Commission sits *en banc*, with a presiding officer handling the day-to-day activities of the hearing. The Commission as a whole then develops and issues a final decision without the need for an intermediate decision. The proposed rules continue the practice of the Commission sitting *en banc* with a presiding officer handling the day-to-day activities, but retain the option of employing an ALJ, and the option of developing an intermediate decision for the Commission's consideration, in future proceedings.

In most instances, the term "participant" is replaced with the term "party" throughout 39 CFR chapter III, subchapter F. With the elimination of "limited participant" status from the rules, only parties may fully participate in a hearing on the record, which eliminates the need for the broader term participant.²⁹

²⁸ A presiding officer, other than an ALJ, also may be directed to develop an intermediate decision when the Commission is not sitting *en banc*.

²⁹ Non-parties may be provided with an opportunity to comment in hearings on the record,

Subpart F to 39 CFR part 3010 is organized into 4 segments. Sections 3010.300 through 3010.304 provide general information, including the initial steps for establishing a hearing on the record. Sections 3010.310 through 3010.313 describe the commonly used procedures for discovery. Sections

3010.320 through 3010.325 describe the hearing and the development of the evidentiary record. This section also discuss the possibility of settlement, and special (less common) provisions for *in camera* orders and depositions. Sections 3010.330 through 3010.336 describe the procedures from the

submission of briefs through the issuance of a final decision. The organization of 39 CFR part 3010, subpart F, Proceedings with an Opportunity for a Hearing on the Record, is shown in Table IV–7.

2. Sections 3010.300 Through 3010.304, General Information, Including the Initial Steps for Establishing a Hearing on the Record

Section 3010.300, Applicability. Proposed § 3010.300 contains all new material. It specifies three situations in which a hearing on the record may be held: (1) In complaint proceedings; (2) in proceedings that consider changes to the nature of postal services if a determination is made that streamlined procedures of proposed 39 CFR part 3020 of this chapter are not appropriate; and (3) in those proceedings in which the Commission, in the exercise of its discretion, determines that a hearing on the record would be appropriate.

Section 3010.301, Notice of proceeding. Proposed § 3010.301 incorporates the notice requirement of current § 3001.18 of this chapter. It requires that notice be published in the **Federal Register**, and references the requirements for what should be included in that notice.

Section 3010.302, Prehearing conferences. Proposed § 3010.302 incorporates current § 3001.24 of this chapter with minor editorial revisions and one addition. The proposed rule adds a requirement that the presiding officer preside over a prehearing conference. If the presiding officer is unavailable, then the ranking Commissioner in attendance then presides.³⁰

Section 3010.303, Hearing format. Proposed § 3010.303 is loosely based on current § 3001.18 of this chapter. It states that a hearing on the record may be held if requested by any party, or if the Commission determines that it is in the public interest. It explains that a hearing on the record may be a public hearing, or a hearing by the submission of “paper” material only. Finally, it limits participation in the public portion of any hearing to those that have intervened in the proceeding. The public may attend, in most instances, but not actively participate.

Section 3010.304, Scheduling order. Proposed § 3010.304 contains all new material. This rule requires the issuance of a scheduling order and memorializes what historically has been included in such orders. The content of the scheduling order specified by the rule is to be considered by the Commission or presiding officer, and adapted to the proceeding before the Commission as appropriate. Typical steps for a public hearing have been outlined. If the hearing is to be held by the submission of “paper” documents only, the schedule would likely be abbreviated.

Provisions are included concerning witness availability. Witness availability frequently has a significant impact on the procedural schedule. In the past, issues concerning witness availability have been resolved informally, or by last minute motions practice. This sometimes causes significant disruption to the flow of a public hearing. Thus, the rule requires parties to keep the Commission abreast of witness

but the rules for hearings on the record are otherwise not applicable to these persons.

³⁰Order for presiding: (1) Presiding Officer, (2) Chairman of the Commission, (3) Vice Chairman of the Commission, or (4) longest serving

Commissioner by years of service with the Commission.

availability issues in an attempt to reduce potential disruptions.

Finally, parties are put on notice that times for reconvening public hearings will be announced at the adjournment of the previous public hearing. Additional notices will not be issued, unless there is a failure to make the required announcement.

3. Sections 3010.310 Through 3010.313, Most Commonly Used Procedures for Discovery

Section 3010.310, Discovery—general policy. Proposed § 3010.310 incorporates current § 3001.25 of this chapter with minor editorial revisions.

Section 3010.311, Interrogatories for purpose of discovery. Proposed § 3010.311 incorporates current § 3001.26 of this chapter with minor editorial revisions.

Section 3010.312, Requests for production of documents or things for purpose of discovery. Proposed § 3010.312 incorporates current § 3001.27 of this chapter with minor editorial revisions.

Section 3010.313, Requests for admissions for purpose of discovery. Proposed § 3010.313 is based on current § 3001.28 of this chapter. The opening paragraphs are rewritten for clarity. Other minor editorial revisions are made to the paragraphs that follow.

4. Sections 3010.320 Through 3010.325, the Hearing, Development of the Evidentiary Record, Settlement, in Camera Orders, and Depositions

Section 3010.320, Settlement conferences. Proposed § 3010.320 incorporates current § 3001.29 of this chapter with minor editorial revisions.

Section 3010.321, Hearings. Proposed § 3010.321 is derived from current § 3001.30 of this chapter, but substantially revised. Proposed § 3010.321(a) describes the initial and subsequent notice requirements for hearings. Proposed § 3010.321(b) describes who presides over a hearing and the associated responsibilities. Proposed § 3010.321(c) describes notices of appearance. Proposed § 3010.321(d) describes requirements for witness availability. Proposed § 3010.321(e) describes the order of presentation at a hearing. Proposed § 3010.321(f) describes the swearing in of a witness and the requirements for a supplemental declaration. Proposed § 3010.321(g) describes the general flow of a hearing. Proposed § 3010.321(h) describes the special situation of entering institutional testimony. Proposed § 3010.321(i) through (k) describe related procedural matters.

Proposed § 3010.321(l) provides the rules for transcript correction.

Section 3010.322, Evidence—general, and section 3010.323, Evidence—introduction and reliance upon studies and analyses. Current § 3001.31 of this chapter is divided into three parts. The material in current § 3001.31(b)(2) of this chapter concerning library references is generally applicable to all docket types. This material is moved to § 3010.125, library references, as previously discussed. The current paragraph numbering for the remaining material is unwieldy. Therefore, the material is divided into two sections to allow for more convenient numbering, and ease of finding and citing to the material. Thus, proposed § 3010.322 containing more general information incorporates current § 3001.31(a) through (j) of this chapter with additional editorial revisions. Proposed § 3010.323 containing more specific technical information incorporates current § 3001.31(k) of this chapter with additional editorial revisions.

Section 3010.324, In camera orders. Proposed § 3010.324 incorporates current § 3001.31a of this chapter with minor editorial revisions.

Section 3010.325, Depositions. Proposed § 3010.325 incorporates current § 3001.33 of this chapter with minor editorial revisions.

5. Sections 3010.330 Through 3010.336, Procedures From Briefs Through the Issuance of a Final Decision

Section 3010.330, Briefs. Proposed § 3010.330 incorporates current § 3001.34 of this chapter with minor editorial revisions.

Section 3010.331, Proposed findings and conclusions. Proposed § 3010.331 incorporates current § 3001.35 of this chapter with minor editorial revisions.

Section 3010.332, Oral argument before the presiding officer. Proposed § 3010.332 incorporates current § 3001.36 of this chapter with minor editorial revisions.

Section 3010.333, Oral argument before the Commission. Proposed § 3010.333 incorporates current § 3001.37 of this chapter with minor editorial revisions.

Section 3010.334, Commission decisions. Proposed § 3010.334 contains all new material. It requires the Commission to issue a final decision that is either based on an intermediate decision prepared by a presiding officer, an ALJ, or one that is developed by the Commission itself. It requires that the decision be based on record evidence and consider argument provided on brief. It does not require the decision to consider comments that may have been

received from non-party interested persons. It requires the Commission to explain why any intermediate decision was not adopted in whole, and resolve any exceptions to an intermediate decision. Finally, it directs that the Commission's decision be filed and made part of the record.

Section 3010.335, Intermediate decisions. Proposed § 3010.335 substantially revises the provisions of current §§ 3001.38 and 3001.39 of this chapter. Current § 3001.38 of this chapter provides the basis for omitting an intermediate decision. Current § 3001.39 of this chapter provides direction to produce an intermediate decision. Elements of both regulations are combined into the new proposed rule.

The proposed rule directs the issuance of an intermediate decision for the Commission's consideration when the Commission is not sitting *en banc*, or when the presiding officer has otherwise been directed to do so. It requires that the intermediate decision be based on record evidence and consider argument provided on brief. It does not require the intermediate decision to consider comments that may have been received from non-party interested persons. It directs that the intermediate decision be filed and made part of the record. It requires Commission review of the intermediate decision and allows for parties to challenge the decision. Finally, it allows for omission of the intermediate decision at any time, and for the matter to be directly addressed by the Commission as a whole.

Section 3010.336, Exceptions to intermediate decisions. Proposed § 3010.336 incorporates current § 3001.40 of this chapter with minor editorial revisions. It also imposes an additional requirement to file notice of intent to file exceptions within seven days of the intermediate decision. This is imposed solely to avoid unnecessary delay in issuing a final decision when there is no intent to file exceptions.

V. Administrative Actions

A. Docket

The Commission establishes Docket No. RM2019–13 for consideration of the matters discussed in the body of this notice of proposed rulemaking.

B. The Regulatory Flexibility Act

The Regulatory Flexibility Act requires federal agencies, in promulgating rules, to consider the impact of those rules on small entities. See 5 U.S.C. 601, *et seq.* (1980). If the proposed or final rules will not, if

promulgated, have a significant economic impact on a substantial number of small entities, the head of the agency may certify that the initial and final regulatory flexibility analysis requirements of 5 U.S.C. 603 and 604 do not apply. *See* 5 U.S.C. 605(b).

In the context of this rulemaking, the Commission's primary responsibility is in the regulatory oversight of the United States Postal Service. The rules that are the subject of this rulemaking have a regulatory impact on the Postal Service, but do not impose any regulatory obligation upon any other entity. Based on these findings, the Chairman of the Commission certifies that the rules that are the subject of this rulemaking will not have a significant economic impact on a substantial number of small entities. Therefore, pursuant to 5 U.S.C. 605(b), this rulemaking is exempt from the initial and final regulatory flexibility analysis requirements of 5 U.S.C. 603 and 604.

C. Comments

Interested persons are invited to provide written comments concerning the proposed amendments to the Commission's rules of practice and the reorganization of the Commission's regulations in the Code of Federal Regulations. Comments are due no later than November 1, 2019. Reply comments are due no later than November 15, 2019. Material filed in this docket will be available for review on the Commission's website, <http://www.prc.gov>.

D. Public Representative

Pursuant to 39 U.S.C. 505, Kenneth E. Richardson is appointed to serve as an officer of the Commission (Public Representative) to represent the interests of the general public in this docket.

VI. Ordering Paragraphs

It is ordered:

(9) Disclose information the premature disclosure of which would be likely to significantly frustrate implementation of a proposed Commission action, except that this paragraph (d)(9) shall not apply in any instance where the Commission has already disclosed to the public the content or nature of its proposed action, or where the Commission is required by law to make such disclosure on its own

initiative prior to taking final Commission action on such proposal; or

(10) Specifically concern the Commission's issuance of a subpoena or the Commission's participation in a civil action or appellate proceeding, an action in a foreign court or international tribunal, or an arbitration, or the initiation, conduct or disposition by the Commission of a particular case of formal Commission adjudication pursuant to the procedures in 5 U.S.C. 554 or otherwise involving a determination on the record after opportunity for a hearing.

(e) *Procedures for closing meetings.*

(1) Action under paragraph (d) of this section shall be taken only when three Commissioners vote to take such action. A separate vote of the Commissioners shall be taken with respect to each agency meeting a portion or portions of which are proposed to be closed to the public pursuant to paragraph (d) of this section, or with respect to any information which is proposed to be withheld under paragraph (d) of this section. A single vote may be taken with respect to a series of meetings, a portion or portions of which are proposed to be closed to the public, or with respect to any information concerning such series of meetings, so long as each meeting in such series involves the same particular matters and is scheduled to be held no more than 30 days after the initial meeting in such series. The vote of each Commissioner participating in such vote shall be recorded and no proxies shall be allowed.

(2) Whenever any person whose interests may be directly affected by a portion of a meeting requests that the Commission close such portion to the public for any of the reasons referred to in paragraph (d)(5), (6), or (7) of this section, the Commission upon request of any one of its members, shall vote by recorded vote whether to close such meeting.

(3) Within one day of any vote taken pursuant to paragraph (e)(1) or (2) of this section, the Commission shall make publicly available a written copy of such vote reflecting the vote of each member on the question. If a portion of a meeting is to be closed to the public, the Commission shall, within one day of the vote taken pursuant to paragraph (e)(1) or (2) of this section, make publicly available a full written explanation of its action closing the portion together with a list of all persons expected to attend the meeting and their affiliation.

(4) Any person may protest a Commission decision to hold a closed meeting under paragraph (e)(1) or (2) of this section by filing a motion to open

the meeting. Such motion shall be addressed to the Commission and shall set forth with particularity the statutory or other authority relied upon, the reasons for which the movant believes the meeting should not be closed, and the reasons for which the movant believes that the public interest requires the meeting to be open. Such motion shall be filed with the Secretary no later than 24 hours prior to the time for which the closed meeting is scheduled.

(5) The Commission has determined that a majority of its meetings may be closed to the public pursuant to paragraph (d)(4), (8) or (10) of this section or any combination thereof. Therefore, pursuant to 5 U.S.C. 552b(d)(4), Commission meetings shall be closed to the public pursuant to paragraph (d)(4), (8) or (10) of this section or any combination thereof when three Commissioners vote by recorded vote at the beginning of such meeting, or portion thereof, to close the exempt portion or portions of the meeting, and a copy of such vote, reflecting the vote of each Commissioner on the question, is made available to the public. The provisions of paragraphs (e)(1) through (3) and (f) of this section shall not apply to any portion of a meeting to which paragraph (e)(5) of this section applies: Provided, that the Commission shall, except to the extent that such information is exempt from disclosure under the provisions of paragraph (d) of this section, provide the public with public announcement of the time, place, and subject matter of the meeting and of each portion thereof at the earliest practicable time.

(f) *Scheduling and public announcement.* (1) In the case of each meeting, the Commission shall make public announcement, at least one week before the meeting, of the time, place, and subject matter of the meeting, whether it is to be open or closed to the public, and the name and phone number of the official designated by the Commission to respond to requests for information about the meeting. Such announcement shall be made unless three Commissioners determine by a recorded vote that Commission business requires that such meeting be called at an earlier date, in which case the Commission shall make public announcement of the time, place, and subject matter of such meeting, and whether open or closed to the public, at the earliest practicable time.

(2) The time or place of a meeting may be changed following the public announcement required by paragraph (f)(1) of this section only if the Commission publicly announces such change at the earliest practicable time.

The subject matter of a meeting, or the determination of the Commission to open or close a meeting, or a portion of a meeting, to the public, may be changed following the public announcement required by paragraph (f)(1) of this section only if:

(i) Three Commissioners determine by a recorded vote that Commission business so requires and that no earlier announcement of the change was possible; and

(ii) The Commission publicly announces such change and the vote of each Commissioner upon such change at the earliest practicable time.

(3) Immediately following each public announcement required by this paragraph (f), notice of the time, place, and subject matter of a meeting, whether the meeting is open or closed, any change in one of the preceding, and the name and phone number of the official designated by the Commission to respond to requests for information about the meeting, shall also be submitted for publication in the **Federal Register**.

(4) The public announcement required by this section may consist of the Secretary:

(i) Publicly posting a copy of the document in the reception area of the Postal Regulatory Commission located at 901 New York Avenue NW, Suite 200, Washington, DC 20268-0001;

(ii) Mailing a copy to all persons whose names are on a mailing list maintained for this purpose;

(iii) Operating a recorded telephone announcement, giving the announcement; and

(iv) Any other means which the Secretary believes will serve to further inform any persons who might be interested.

(g) *Certification of closed meetings; transcripts, electronic recordings, and minutes.* (1) Before any meeting to be closed pursuant to paragraphs (d)(1) through (10) of this section, the General Counsel of the Commission, or in the General Counsel's absence, the senior advisory staff attorney available, should publicly certify that, in the individual's opinion, the meeting may be closed to the public and shall state each relevant exemptive provision. A copy of such certification, together with a statement from the presiding officer of the meeting setting forth the time and place of the meeting, and the persons present, shall be retained by the Commission. The Commission shall maintain a complete transcript or electronic recording adequate to record fully the proceedings of each meeting, or portion of a meeting, closed to the public, except that in the case of a meeting, or portion of a

meeting, closed to the public pursuant to paragraph (d)(8) or (10) of this section, the Commission shall maintain either such a transcript or recording, or a set of minutes. Such minutes shall fully and clearly describe all matters discussed and shall provide a full and accurate summary of any actions taken, and the reasons therefor, including a description of the views expressed on any item and the record of any rollcall vote (reflecting the vote of each Commissioner on the question). All documents considered in connection with any action shall be identified in such minutes.

(2) The Commission shall make promptly available to the public, in a place easily accessible to the public, the transcript, electronic recording, or minutes (as required by paragraph (g)(1) of this section) of the discussion of any item on the agenda, or of any item of the testimony of any witness received at the meeting, except for such item or items of such discussion or testimony as the Commission determines by a majority vote of all its members contains information which may be withheld under paragraph (d) of this section, and is not required by the public interest to be made available. Copies of such transcript, or minutes, or a transcription of such recording disclosing the identity of each speaker, shall be furnished to any person at the actual cost of duplication or transcription. The Commission shall maintain a complete verbatim copy of the transcript, a complete copy of the minutes, or a complete electronic recording of each meeting, or portion of a meeting, closed to the public, for a period of at least two years after such meeting, or until one year after the conclusion of any Commission proceeding with respect to which the meeting or portion was held, whichever occurs later.

(h) *Requests to open or close Commission meetings.* (1)(i) Any person may request in writing that the Commission open to public observation discussion of a matter which it has earlier decided to close.

(ii) Such requests shall be captioned "Request to open ____ (date) Commission meeting on item ____ (number or description)." The request shall state the reason(s) therefor, the name and address of the person making the request and, if desired, a telephone number.

(iii) Ten copies of such requests must be received by the Office of Secretary and Administration no later than three working days after the issuance of the notice of meeting to which the request pertains. Requests received after that time will be returned to the requester

with a statement that the request was untimely received and that copies of any nonexempt portions of the transcript or minutes for the meeting in question will ordinarily be available in the Office of Secretary and Administration ten working days after the meeting.

(2)(i) Any person whose interests may be directly affected may request in writing that the Commission close to public observation discussion of a matter which it has earlier decided to open as provided for in paragraph (e)(2) of this section.

(ii) Such requests shall be captioned "Request to Close ____ (date) Commission meeting on item ____ (number or description)," shall state the reason(s) therefor, the name and address of the person making the request and, if desired, a telephone number.

(iii) Ten copies of such requests should be filed with the Office of Secretary and Administration as soon as possible after the issuance of the notice of meeting to which the request pertains. However, a single copy of the request will be accepted. Requests to close meetings must be received by the Office of Secretary and Administration no later than the time scheduled for the meeting to which such a request pertains.

(3) The Secretary shall retain one copy of timely requests and forward one copy to each Commissioner, one copy to the interested Office, and two copies to the Docket Section, one for entry in the appropriate docket file, if any, and one to be posted on the Public Notice Board located in that section as an attachment to the Notice of Meeting to which it pertains.

(4) Pleadings replying to requests to open or close shall not be accepted.

(5) Any Commissioner may require that the Commission vote upon the request to open or close. If the request is supported by the votes of a majority of the agency membership, notice of change in meeting shall be issued and the Secretary shall immediately notify the requester and, before the close of business the next working day, have posted such vote and other material required by paragraphs (e) and (f) of this section on the Commission's Public Notice Board.

(6) If no Commissioner requests that a vote be taken on a request to open or close a Commission meeting, the Secretary shall by the close of the next working day after the meeting to which such request pertains certify that no vote was taken. The Secretary shall forward one copy of that certification to the requester and two copies of that certification to the Docket Section, one

to be placed in the appropriate docket file, if any, and one to be posted on the Public Notice Board, where it will be displayed for one week.

§ 3010.105 Consideration of matters before the Commission.

(a) Unless it orders otherwise, the Commission shall sit *en banc* in all matters that come before it. In those proceedings in which a presiding officer is appointed, the Commission will continue to sit *en banc*, unless modified by Commission notice or order, with the presiding officer responsible for those matters within the scope of the presiding officer's authority.

(b) A decision to establish a docket (other than certain negotiated service agreement dockets), close an active docket, or reach a final decision in any docket shall be by majority vote of the Commissioners then in office.

§ 3010.106 Presiding officers.

(a) *Designation of presiding officers.* The Chairman, in consultation with all other Commissioners then in office, may designate any Commissioner, including the Chairman, to act as presiding officer over any matter before the Commission. Subject to approval by majority vote of all Commissioners then in office, the Chairman may also designate any member of the Commission's staff, an Administrative Law Judge employed by the Commission for a specific proceeding, or any person under contract with the Commission to serve as presiding officer over any matter before the Commission.

(b) *Notice of designation.* The Secretary shall issue a notice of any decision to designate a presiding officer. The notice shall identify the presiding officer and the date of appointment.

(c) *Authority delegated.* Presiding officers shall have the authority, within the Commission's powers and subject to its published rules to:

(1) Regulate the course of a proceeding before the Commission, including ruling on all matters not specifically reserved for the Commission, either orally during a hearing or by issuing written presiding officer rulings;

(2) Regulate the course of a public hearing, including the recessing, reconvening, and adjournment thereof;

(8) Hold appropriate conferences before or during hearings and to rule on matters raised at such conferences, including prehearing conferences held pursuant to § 3010.302;

(9) Dispose of procedural requests or similar matters not specifically reserved for the Commission;

(10) Certify, within their discretion, or upon direction of the Commission, any question to the Commission for its consideration and disposition;

(11) Submit an intermediate decision in accordance with § 3010.335, when directed; and

(12) Take any other action necessary or appropriate to the discharge of the duties vested in them, consistent with the statutory or other authorities under which the Commission functions and with the rules, regulations, and policies of the Commission.

(d) *Conduct of hearings.* It is the duty of the presiding officer to conduct fair and impartial hearings and to maintain order. Any disregard by participants or counsel of presiding officer rulings on matters of order or procedure shall be noted on the record, and where the presiding officer deems it necessary shall be made the subject of a special written report to the Commission. In the event that participants or counsel should be guilty of disrespectful, disorderly, or contumacious language or conduct in connection with any hearing,

the presiding officer may immediately submit to the Commission a report thereon, together with recommendations, and in the presiding officer's discretion, suspend the hearing.

(e) *Disqualification.* A presiding officer may withdraw from a proceeding when necessary due to disqualification, or may be removed by the Commission for good cause.

§ 3010.107 Appeals from interlocutory rulings by presiding officers.

(a) *General policy.* The Commission will not review interlocutory rulings of a presiding officer except in extraordinary circumstances.

(b) *Appeals certified by the presiding officer.* (1) Rulings of the presiding officer may be appealed to the Commission when the presiding officer certifies in writing that an interlocutory appeal is warranted. The presiding officer shall not certify an appeal unless the officer finds that:

(i) The ruling involves an important question of law or policy concerning which there is substantial ground for difference of opinion; and

(ii) An immediate appeal from the ruling will materially advance the ultimate termination of the proceeding or subsequent review will be an inadequate remedy.

(2) A request for the presiding officer to certify an appeal shall be made by motion within five days after the presiding officer's ruling has been issued. The request shall set forth with specificity the reasons that a participant believes that an appeal meets the criteria of paragraphs (b)(1)(i) and (ii) of this section. Such requests shall also state in detail the legal, policy, and factual arguments supporting the participant's position that the ruling should be modified. If the appeal is from a ruling rejecting or excluding evidence, such request shall include a statement of the substance of the evidence which the participant contends would be adduced by the excluded evidence and the conclusions intended to be derived therefrom.

(3) The presiding officer may request responsive pleadings from other participants prior to ruling upon the request to certify an appeal to the Commission.

(c) *Appeals not certified by the presiding officer.* A participant may request Commission review of a presiding officer's decision denying certification of an appeal by motion within five days of the decision. If the presiding officer fails to act on a request for certification within 15 days of the issuance of the ruling in question, the participant seeking certification may

apply for review by the Commission within 20 days of the ruling in question. Unless the Commission directs otherwise, its review of the application for review will be based on the record and pleadings filed before the presiding officer pursuant to paragraph (b) of this section.

(d) *Action by the Commission.* (1) The Commission may dismiss an appeal certified by the presiding officer if it determines that:

(i) The objection to the ruling should be deferred until the Commission's consideration of the entire proceeding; or

(ii) Interlocutory review is otherwise not warranted or appropriate under the circumstances.

(2) When the presiding officer declines to certify an appeal, the Commission will not permit an interlocutory appeal unless it determines:

(i) That the presiding officer should have certified the matter;

(ii) That extraordinary circumstances exist; and

(iii) That prompt Commission decision is necessary to prevent grave detriment to the public interest.

(3) If the Commission fails to issue an order permitting an interlocutory appeal within 15 days after the presiding officer certifies the appeal or a participant files an application for review, the appeal shall be deemed denied. If the Commission issues an order permitting an appeal, it may rule upon the merits of the appeal in that order or at a later time.

(e) *Effect of appeals.* Unless the presiding officer or the Commission so orders, the certification of an appeal or the filing of an application for review shall not stay the proceeding or the effectiveness of any ruling.

(f) *Review at conclusion of proceeding.* If the Commission does not entertain an interlocutory appeal of a presiding officer's ruling, objection to the ruling may be raised:

(1) In briefs to the presiding officer or the Commission at the conclusion of hearings on the record; or

(2) By the deadline for submission of comments or reply comments, whichever is later, in all other proceedings in which a hearing on the record is not held.

§ 3010.108 Computation of time.

(a) In computing time periods, the term "day" shall mean calendar day.

(b) Except as otherwise provided by law, in computing any period of time prescribed or allowed by this part, or by any notice, order, rule, presiding officer ruling, or regulation of the Commission

or a presiding officer, the day of the act, event, or default after which a designated period of time begins to run is not to be included.

(c) The last day of the period so computed is to be included unless it is a Saturday, Sunday, Federal holiday, or a day on which the Commission is not continuously open from 8 a.m. to 4:30 p.m. or on which the Commission's docketing system is not accessible continuously during that time. In any such case, the applicable time period shall run until the end of the next full business day that the Commission is open and its docketing system is accessible.

(d) Except in proceedings to consider changes in the nature of postal services conducted under part 3020 of this chapter, in computing a period of time which is five days or less, all Saturdays, Sundays, Federal holidays, or days on which the Commission is not continuously open from 8 a.m. to 4:30 p.m. or on which the Commission's docketing system is not accessible continuously during that time are to be excluded.

§ 3010.109 Automatic closure of inactive dockets.

(a) *Automatic closure.* The Commission shall automatically close a docket in which there has been no activity of record by any person for 12 consecutive months, except dockets in which further action by the Commission is required by statute or regulation, or dockets for which the Commission finds good cause to remain open.

(b) *Notice of closure.* Each month, the Commission shall post on its website a list of dockets that will be subject to automatic closure during the following calendar month and will include the date on which the docket will automatically close.

(c) *Motions to stay automatic closure.* (1) Persons, including the Postal Service or a Public Representative, may file a motion to stay automatic closure of a docket and request that the docket remain open for a specified term not to exceed 12 months. Motions to stay automatic closure must be filed at least 15 days prior to the automatic closure date.

(2) The Commission may order a docket remain open for a specified term not to exceed 12 months and must file such order at least 15 days prior to the automatic closure date.

(d) *Motions to reopen automatically closed dockets.* (1) If, at any time after a docket has been automatically closed, persons, including the Postal Service or a Public Representative, may file a motion to reopen the docket and must

set forth with particularity good cause for reopening the docket.

(2) The Commission may order a closed docket to be reopened, and must set forth the basis for reopening the docket.

Subpart B—Filing Requirements

§ 3010.120 Filing material with the Commission.

(a) All material filed with the Commission shall be transmitted to the Commission in electronic format using the Filing Online system available over the internet through the Commission's website at <http://www.prc.gov>. The material must satisfy the Filing Online system compatibility requirements specified by the Secretary in the Filing Online User Guide, which shall also be accessible on the Commission's website. The exceptions to this rule are:

(1) Material that cannot reasonably be converted to electronic format;

(2) Confidential material filed under seal pursuant to part 3011 of this chapter shall not be transmitted electronically using the Filing Online system or any other electronic filing system unless authorized in advance by the Secretary;

(3) Hardcopy material filed by persons who do not have the ability to submit material using the Filing Online system and who files not more than ten pages of material with the Commission in any one calendar year;

(4) Hardcopy material filed by persons participating in proceedings that consider the appeal of a Postal Service determination to close or consolidate a post office, other than the Postal Service, that do not have the ability to submit material using the internet; and

(5) Hardcopy material filed in docketed proceedings with the approval of the Secretary for good cause shown.

(b) Material subject to the exceptions specified in paragraph (a) of this section may be filed either by mailing or by hand delivery during regular business hours to the Office of Secretary and Administration, Postal Regulatory Commission, 901 New York Avenue NW, Suite 200, Washington, DC 20268–0001. The Secretary has authority to approve the use of secure alternative electronic filing systems for confidential material filed under seal. The Secretary also has authority to approve the use of alternative electronic filing systems for non-confidential material on a case-by-case basis when necessary to facilitate efficient docketing operations.

§ 3010.121 Filing Online system.

(a) Only registered users of the Filing Online system may file material using

the Filing Online system. Both temporary and permanent account registrations are available. Information for establishing a Filing Online account may be obtained on the Commission's website at <http://www.prc.gov>.

(b) A temporary account allows a user to file materials immediately, but expires after 35 days. The purpose of a temporary account is to permit persons to file comments solicited by the Commission on a one-time or infrequent basis, or to file notices of intervention where there is limited time in which to establish a permanent account. A temporary account also may be used on an extraordinary basis for good cause shown.

(c) A permanent account requires the authorization of the Secretary prior to use, but remains active until cancelled. Registration can be in the form of a principal account holder or as an agent of the principal account holder. When a principal account holder is representing the interests of another person, the authority of the principal account holder to represent the person on whose behalf the document is filed must be valid and current, in conformance with § 3010.143. The authority of an agent account holder to submit documents for a principal account holder must be valid and current. A principal account holder must promptly inform the Secretary of any change in the principal account holder's authority to represent participants in a proceeding or any change in the authority delegated to an agent account holder to submit documents on the principal account holder's behalf.

(d) Only such material that conforms to the requirements of this part and any other applicable Commission rule or order shall be accepted for filing. In order for material to be accepted using the Filing Online system, it must be submitted to the Commission by a temporary or permanent account holder. Material submitted through the Filing Online system is considered to have been filed on the date indicated on the receipt issued by the Secretary. A filing is accepted when the Secretary, after review, posts the filing on the Daily Listing page of the Commission's website. Material received after the close of regular business hours or on a Saturday, Sunday, Federal holiday or, other day on which the Commission is closed shall be deemed to be filed on the next regular business day.

§ 3010.122 Material filed using method other than the Filing Online system.

(a) *Hardcopy and other forms of material.* A hardcopy document is filed on the date stamped by the Secretary. It

is accepted when the Secretary, after review, posts the document on the Daily Listing page of the Commission's website. Any other form of material filed with the Commission must be accompanied by a hardcopy notice of filing, which describes the material being filed, identifies the person filing the material, and specifies the docket caption and docket number under which the material is being filed. This material is accepted when the Secretary, after review, posts the notice of filing on the Daily Listing page of the Commission's website. Material received after the close of regular business hours or on a Saturday, Sunday, or Federal holiday shall be deemed to be filed on the next regular business day.

(b) *Computer media.* With the prior approval of the Secretary, a participant may submit a document on a compact disk or other media or method approved in advance by the Secretary, simultaneously with the filing of one printed original hardcopy, provided that the stored document is a file generated in either Acrobat (pdf), Word, WordPerfect, or Rich Text Format (rtf).

§ 3010.123 Rejected filings.

Any filing that does not comply with an applicable Commission rule or order may be rejected. Any filing that is rejected is deemed not to have been filed with the Commission. If a filing is rejected, the Secretary will attempt to notify the person submitting the filing, indicating the reason(s) for rejection. Acceptance for filing shall not waive any failure to comply with this part, and such failure may be cause for subsequently striking all or any part of any document. Any controversies concerning the acceptability of a filing shall be resolved after review by the Office of General Counsel.

§ 3010.124 Form and content of text-based documents filed with the Commission.

(a) *Equivalent paper size.* Each document filed in paper form shall be produced on letter-size paper, 8 to 8½ inches wide by 10½ to 11 inches long, with left- and right-hand margins not less than 1 inch and other margins not less than 0.75 inches, except that tables, charts or special documents attached thereto may be larger if required, provided that they are folded to the size of the document to which they are attached. For a multiple page document, the preference is for the document to be not stapled, hole-punched, or bound, but may be fastened together by paper or binder clip, or equivalent. If the document is bound, it shall be bound on the left side. Each document filed in

electronic form must be capable of meeting the above requirements when printed from a text-based pdf formatted file version of the document.

Consideration may be given to alternative file formats where necessary.

(b) *Line spacing and font.* The text of documents filed with the Commission shall be formatted in not less than one and one-half spaced lines except that tables of content, captions, tables, footnotes and quotations may be single-spaced. Documents shall be submitted in a san-serif font such as Arial (or substantially equivalent). Body text shall be 12 point, except that footnotes and quotations may appear as small as 10 point. Where necessary, special text such as in tables or charts, may appear as small as 9 point. These requirements may be waived on a case-by-case basis, based on both substantial compliance and the readability of the document.

(c) *Caption, title, page numbering, and table of contents.* The caption of each document filed with the Commission in any proceeding shall clearly show the docket designation and title of the proceeding before the Commission. The title of such document shall identify each participant on whose behalf the filing is made and include a brief description of the document or the nature of the relief sought therein (e.g., motion for extension, brief on exceptions, complaint, notice of intervention, answer to complaint). Each page, after the first page, of a document shall be consecutively numbered. Unique page numbers are permissible for introductory material such as cover pages and table of contents, and for appendixes. Each document filed with the Commission consisting of 20 or more pages shall include a table of contents with page references. For briefs also see § 3010.330.

(d) *Improper matter.* Defamatory, scurrilous, or unethical matter shall not be included in any document filed with the Commission.

(e) *Exception for appeals of post office closings and consolidations.* The requirements of paragraphs (a) through (c) of this section are encouraged, but optional, for participants other than the Postal Service in proceedings to consider the appeal of a Postal Service determination to close or consolidate a post office conducted pursuant to part 3021 of this chapter.

§ 3010.125 Library references.

(a) A library reference is a special type of filing, which is accepted by the Commission for the convenience of the person filing material that is not conducive to typical text based filings.

The filing of a document as a library reference is appropriate when interest in the material is limited, when the material constitutes a secondary source that provides background or support for a position or matter, or when references to, or identification of, the material filed as a library reference would be facilitated. Examples of materials that are appropriate for filing as library references include electronic spreadsheets, workpapers in support of primary documents, pre-existing materials, secondary sources such as books or materials that are not readily available elsewhere, or other foundational materials filed in support of a primary document. Whenever possible, library references are to be filed in electronic format. The Commission reserves the right to refuse acceptance of any library reference material in its docket room and its right to take other action to ensure all persons' ability to obtain access to the material.

(b) *Categorization of library references.* To the extent possible, material filed as a library reference shall be identified and referred to by participants in terms of the following categories:

(1) Category 1—Reporting Systems Material (consisting of library references relating to the Postal Service's statistical cost and revenue reporting systems, and their primary outputs);

(2) Category 2—Witness Foundational Material (consisting of material relating to the testimony of specific witnesses, primarily that which is essential to the establishment of a proper foundation for receiving into evidence the results of studies and analyses);

(3) Category 3—Reference Material (consisting of previously published material provided for the convenience of the reader, such as books, chapters or other portions of books, articles, reports, manuals, handbooks, guides, and contracts);

(4) Category 4—Material Provided in Response to Discovery (consisting of material provided in response to discovery requests);

(5) Category 5—Disassociated Material (consisting of material filed at the request of another, from which the filing party wishes to be disassociated, is not vouching for or sponsoring the material provided);

(6) Category 6—All Other Material (consisting of library references not fitting any of the other categories).

(c) *Labeling.* Material filed as a library reference shall be labeled in a manner consistent with standard Commission notation and any other conditions the Commission or presiding officer

establishes. Each library reference shall be identified by a unique identification number. The standard format for an identification number shall be “[abbreviated name of person filing]–LR–[docket identification]–[optional: NP][sequential number by person filing].” For example, “PRC–LR–CP2010–1–NP8” read right to left would be the eighth (8) non-public (NP) item filed in Docket No. (CP2010–1) as a library reference (LR) by the Postal Regulatory Commission (PRC). Alternative formats may be used when required for clear identification of the material being filed.

(d) *Filing procedure.* Participants filing material as a library reference shall file contemporaneous written notice of this action. The notice shall:

(1) Set forth the reason(s) why the material is being designated as a library reference;

(2) Identify the category into which the material falls and describe in detail what the material consists of or represents, noting matters such as the presence of survey results;

(3) Explain in detail how the material relates to the participant’s case or to issues in the proceeding;

(4) Identify authors or others materially contributing to substantive aspects of the preparation or development of the library reference;

(5) Identify the documents (such as testimony, exhibits, and an interrogatory) or request to which the library reference relates, to the extent practicable;

(6) Identify other library references or testimony relied upon or referred to in the designated material, to the extent practicable;

(7) Indicate whether the library reference is an update or revision to another library reference and, if it is, clearly identify the predecessor material; and

(8) To the extent feasible, for proceedings scheduled for a hearing on the record, identify portions expected to be entered into the record and the expected sponsor (if the participant filing a library reference anticipates seeking, on its own behalf, to enter all or part of the material contained therein into the evidentiary record). To the extent feasible, in all other proceeding types, identify portions relevant to the proceeding.

(e) *Optional preface or summary.* Inclusion of a preface or summary in a library reference addressing the matters set out in paragraphs (d)(1) through (8) of this section is encouraged, but optional.

§ 3010.126 Subscription.

(a) Each document filed with the Commission shall be subscribed. Subscription constitutes a certification that the person filing the document has read the document being filed; that the person filing the document knows the contents thereof; that if executed in any representative capacity, the document has been subscribed in the capacity specified in the document with full power and authority so to do; that to the best of the person’s knowledge, information and belief every statement contained in the document is true and no such statements are misleading; and that such document is not filed for purposes of delay. This requirement extends to notices of filing for library references or other material, including the underlying library references or other material to the extent referenced in the notice of filing.

(b) For a document or notice of filing filed via the Filing Online system, the subscription requirement is met when the document or notice of filing is filed with the Commission.

(c) For a hardcopy document or hardcopy notice of filing, the subscription requirement is met by signing in ink, by affixing an electronic signature, or by including the typed name of the individual, authorized office, employee, attorney, or other representative who files the document or notice.

§ 3010.127 Service.

(a) Material filed by a person participating in a docket shall be deemed served on all other persons (except those served by the Secretary pursuant to paragraph (b) of this section) who are participating in the docket as of the date the material, or notice of the material’s filing is posted by the Secretary on the Commission’s website.

(b) The Secretary shall provide service by First-Class Mail, which is deemed complete upon mailing, to the following persons upon a demonstration of the inability to effectively utilize the Filing Online system (until alternative arrangements are established):

(1) Petitioners in dockets appealing Postal Service determinations to close or consolidate post offices conducted pursuant to part 3021 of this chapter;

(2) Parties that have intervened in proceedings docketed for a hearing on the record; and

(3) Where necessary for fairness and protection of due process, an active participant in a proceeding affecting the substantial rights of that participant.

(c) The Secretary shall maintain a current service list in each proceeding

docketed for a hearing on the record which shall include the parties that have intervened in that proceeding and up to two individuals designated for physical service of documents, if necessary, by each party. The service list for each current proceeding will be available on the Commission’s website at <http://www.prc.gov>. Each party who has internet access shall be responsible for ensuring that its listing on the Commission’s website is accurate and should promptly notify the Secretary of any errors. The Secretary or the Secretary’s designee shall be responsible for ensuring the accuracy of listings of any parties who lack internet access.

Subpart C—Participation in Commission Proceedings

§ 3010.140 Opportunity for comment.

Except for proceedings involving an appeal of a Postal Service determination to close or consolidate a post office, any person may submit comments in proceedings before the Commission. An opportunity to provide a reply to comments shall be at the discretion of the Commission, or the presiding officer if one is appointed. The scope and timing of comments and reply comments may be specified by notice, order, or presiding officer’s ruling. There is no requirement to intervene in a proceeding as a party in order to submit comments.

§ 3010.141 Appeals of Postal Service determinations to close or consolidate post offices.

(a) Only a person served by the post office in which the Postal Service has issued a decision to close or consolidate a post office may file an appeal of the decision with the Commission.

(b) Any other person served by the same post office under review who desires to participate in the proceeding, or any Postmaster, counsel, agent, or other person authorized or recognized by the Postal Service as such person’s representative, may participate in an appeal by submitting comments.

(c) Except for persons identified in paragraph (a) or (b) of this section, the designated Public Representative, and the Postal Service, no other person may participate in a proceeding to consider the appeal of a Postal Service determination to close or consolidate a post office.

(d) Opposition to a person asserting eligibility for participation shall be made within three days of that person’s first filing in the proceeding.

§ 3010.142 Parties to hearings on the record.

(a) *Parties to a proceeding.* Any interested person may become a party to proceedings docketed for a hearing on the record by filing a notice of intervention. The Postal Service, and the Public Representative are automatically deemed parties in such proceedings without the need to file a notice of intervention. Persons who file a complaint are also automatically deemed a party to a complaint proceeding without the need to file a notice of intervention. Parties may be provided an opportunity to participate in discovery, file testimony, participate in the written or oral examination of witnesses, file briefs, or present oral argument before the Commission or the presiding officer. Persons that have not intervened may participate in a proceeding docketed for a hearing on the record, but such participation shall be limited to providing comments pursuant to § 3010.140 unless otherwise directed.

(b) *Notices of intervention.* A notice of intervention shall clearly and concisely set forth the nature and extent of the intervenor's interest in the issues to be decided, including the postal services utilized by the intervenor giving rise to the intervenor's interest in the proceeding, and to the extent known, the position of the intervenor with regard to the proposed changes in postal rates, fees, classifications, or services, or the subject matter of the complaint, as described in the notice of the proceeding. Such notice shall state whether or not the intervenor requests a hearing or in lieu thereof, a conference, and whether or not the intervenor intends to actively participate in a hearing. Such notice shall also include on page one thereof the name and full mailing address of no more than two persons who are to receive service, when necessary, of any documents relating to such proceeding.

(c) *Form and time of filing.* Notices of intervention shall be filed no later than the date fixed for such filing by the Commission or its Secretary, unless for good cause shown, the Commission authorizes a late filing. Without a showing for good cause, late intervenors shall be subject to and may not challenge decisions by the Commission or presiding officer made prior to acceptance of the request for late intervention.

(d) *Oppositions.* (1) Except as otherwise provided in paragraph (d)(2) of this section, oppositions to notices of intervention may be filed by any party in the proceeding no later than ten days after the notice of intervention is filed.

(2) Oppositions to notices of interventions in proceedings considering the change in the nature of a postal service pursuant to part 3020 of this chapter may be filed by any party in the proceeding no later than three days after the notice of intervention is filed.

(3) Pending Commission action, an opposition to intervention shall, in all proceedings except those considering the change in the nature of a postal service pursuant to part 3020 of this chapter, delay on a day-for-day basis the date for responses to discovery requests filed by that intervenor.

(e) *Effect of intervention.* A person filing a notice of intervention shall be a party to the proceeding subject, however, to a determination by the Commission, either in response to an opposition, or *sua sponte*, that party status is not appropriate under the Act. Intervenors are also subject to the right of the Commission or the presiding officer as specified in § 3010.104 to require two or more intervenors having substantially like interests and positions to join together for purposes of service of documents, presenting evidence, making and arguing motions and objections, propounding discovery, cross-examining witnesses, filing briefs, and presenting oral arguments to the Commission or presiding officer. No intervention shall be deemed to constitute a decision by the Commission that the intervenor is aggrieved for purposes of perfecting an appeal of any final order of the Commission.

§ 3010.143 Representation of persons.

(a) *By whom.* An individual may participate on the individual's own behalf; a member of a partnership may represent the partnership; and an officer may represent a corporation, limited liability company, trust, unincorporated association, or governmental entity. A person may be represented in a proceeding by an attorney at law admitted to practice and in good standing before the Supreme Court of the United States, the highest court of any State or Territory of the United States or the District of Columbia, or the Court of Appeals or the District Court for the District of Columbia.

(b) *Authority to act.* When an officer or an attorney acting in a representative capacity appears in person, submits a document to the Commission using the Filing Online system as a principal account holder, or signs a paper filed with the Commission, the personal appearance, online submission, or signature, shall constitute a representation to the Commission that that individual is authorized to

represent the particular person on whose behalf the individual acts. Any individual appearing before or transacting business with the Commission in a representative capacity may be required by the Commission or the presiding officer to file evidence of the individual's authority to act in such capacity.

(c) *Notice of appearance and withdrawal of appearance.* An individual intending to appear before the Commission or its presiding officer in a representative capacity in a proceeding before the Commission shall file with the Commission a notice of appearance in the form prescribed by the Secretary unless that individual is named in an initial filing of the person whom the individual represents as the individual to whom communications from the Commission in regard to the filing are to be addressed. An individual whose authority to represent a person in a specific Commission proceeding has been terminated shall file a timely notice of withdrawal of appearance with the Commission.

(d) *Standards of conduct.* Individuals practicing before the Commission shall conform to the standards of ethical conduct required of practitioners by the District of Columbia Rules of Professional Conduct.

(e) *Disqualification and suspension.* After hearing, the Commission may disqualify and deny, temporarily or permanently, the privilege of appearing and practicing before it in any way to any individual who is found not to possess the requisite qualifications, or to have engaged in unethical or improper professional conduct. Contumacious conduct at any hearing before the Commission or its presiding officer shall be grounds for exclusion of any individual from such hearing and for summary suspension for the duration of the hearing by the Commission or the presiding officer.

§ 3010.144 Limitation of participation by investigative or prosecuting officers.

No officer, employee, or agent of the Commission who participates in a proceeding before the Commission as an attorney or witness or who actively participates in the preparation of evidence or argument presented by such persons, shall participate or advise as to the intermediate decision or Commission decision in that proceeding.

Subpart D—Notices, Motions, and Information Requests**§ 3010.150 Notices.**

(a) *Purpose.* A notice is a document that announces a past, present, or future, event or occurrence. A notice shall not be combined with a request for any order or ruling that otherwise should be presented by motion. The Commission or presiding officer shall not combine a notice with a Commission order or a presiding officer's ruling, unless the title of the document clearly states the intent of document being issued.

(b) *Filing requirements.* The title of any document filed as a notice shall contain the word "notice." Additional requirements for the content of specific forms of notices are provided throughout chapter III of this title, where appropriate.

§ 3010.151 Notices and orders initiating proceeding.

(a) Upon a finding that a matter is properly before the Commission, the Commission shall issue a notice and order initiating the proceeding to consider that matter. The rules in this section apply to all proceedings except for:

(1) Proceedings to consider certain negotiated service agreements, which are noticed pursuant to § 3010.152; and

(2) Proceedings to consider the appeal of a Postal Service determination to close or consolidate post office, pursuant to part 3021 of this chapter.

(b) The notice and order shall:

(1) Describe the general nature of the proceeding, *i.e.*, a complaint, a rulemaking, a change in rates, a change in the product lists, a change in the nature of postal services, etc.;

(2) Identify the person(s) requesting the initiation of the docket, if applicable;

(3) Refer to the legal authority under which the proceeding is to be conducted;

(4) Provide a sufficient description of the matter being considered such that the reader is informed of the substance of the proceeding, and provide direction as to where further information may be obtained;

(5) Establish the docket under which the proceeding will be conducted;

(6) Assign a Public Representative to represent the interests of the public, when required;

(7) Describe how interested persons may participate in the proceeding;

(8) Establish procedural deadlines, if known; and

(9) Include such other information as the Commission deems appropriate.

(c) For proceedings docketed for a hearing on the record pursuant to subpart F of this part, the notice and order shall also:

(1) Specify the date by which notices of intervention and requests for hearing must be filed;

(2) Specify the date, time, and place of a prehearing conference or first public hearing, if known; and

(3) Include the procedural schedule provided for under § 3020.110 of this chapter in proceedings to consider changes in the nature of postal services pursuant to part 3020 of this chapter.

(d) The document shall be published in the **Federal Register**.

§ 3010.152 Notices initiating dockets for consideration of negotiated service agreements.

(a) The Secretary shall issue a notice to initiate a docket for each Postal Service request which proposes the addition or removal of a negotiated service agreement from the market dominant or the competitive product list, or the modification of an existing product currently appearing on the market dominant or the competitive product list. Multiple requests may be combined into a single notice.

(b) The document shall specify:

(1) The docket number associated with each Postal Service request;

(2) The title of each Postal Service request;

(3) The request's acceptance date;

(4) The legal authority cited by the Postal Service for each request;

(5) The appointment of an officer of the Commission to represent the interests of the general public in the proceeding; and

(6) The comment deadline pertaining to each request.

(c) The document shall be published in the **Federal Register**.

§ 3010.160 Motions.

(a) *Motions.* A motion is an application for a Commission order or ruling by a presiding officer. Motions may be presented by any person who participates in, or who seeks to participate in, a proceeding before the Commission. Motions may be supported by declarations, exhibits, library references, attachments, and other submissions. Motions shall set forth with particularity the ruling or relief sought, the grounds therefore and the statutory and other authorities relied upon. Motions shall be in writing, except that after a hearing has convened, motions may be made orally to the Commission or to the presiding officer if one has been appointed.

(b) *Responses to motions.* A response to a motion may be presented by any

person who participates in, or who seeks to participate in, a proceeding before the Commission. Responses shall state with particularity the position of the person submitting the response with regard to the relief or ruling requested in the motion and the grounds therefore and the statutory and other authorities relied upon. Responses to written motions must be filed within seven days after the motion is filed and posted on the Commission's website, or such other deadline as the rules of practice provide or as the Commission or presiding officer may establish. Responses to oral motions made during a hearing may be made orally to the Commission or to the presiding officer if one has been appointed, unless directed to reduce the response to writing for subsequent consideration.

(c) *Replies.* Unless the Commission or presiding officer otherwise provides, no reply to a response or any further responsive document may be filed.

(d) *Rulings.* The Commission or the presiding officer may rule on a motion in writing, or orally during a hearing. A ruling may be issued immediately, without waiting for a response, whenever the person propounding the motion asserts that all affected persons have been contacted and agree not to oppose the motion or when the Commission in its discretion determines that immediate action is appropriate.

§ 3010.161 Motions for waiver.

(a) Any person may file a motion requesting that any requirement imposed by regulation, order, ruling, or Commission, Chairman, or presiding officer request be waived.

(b) Motions for waiver will not be entertained unless timely filed so as to permit disposition of the motion prior to the date specified for the requirement for which waiver is requested. The pendency of a motion for waiver does not excuse any person from timely meeting the requirement for which the waiver is requested.

(c) Motions for waiver may be granted in whole or in part to the extent permitted by law upon a showing of good cause and that such waiver will be consistent with the public interest and will not unduly prejudice the interests of other participants.

§ 3010.162 Motions for continuances and extensions of time.

(a) Any person may file a motion requesting the continuance of a hearing or the extension of time for any deadline.

(b) The motion should be filed before the expiration of the specified time for the deadline for performing the act for

which the continuance or extension is requested.

(c) The motion shall only be granted upon consideration of the potential adverse impact, if any, on other participants and the overall impact on the procedural schedule.

§ 3010.163 Motions for late acceptance.

(a) Any person may file a motion requesting that the Commission or the presiding officer accept any material filed by that person after an established filing deadline.

(b) The motion should be filed prior to or concurrent with the filing of any material filed after the established deadline.

(c) The Commission or the presiding officer are under no obligation to further consider any material filed after an established deadline, unless late acceptance is approved by the Commission or presiding officer. Posting late filed material to the Commission's website alone is not an indication that the material will be considered.

§ 3010.164 Motions to strike.

(a) Any person may, by motion, request that any material be stricken from consideration in any proceeding.

(b) Motions to strike are requests for extraordinary relief that must be supported with justification for why the material should be stricken from consideration. Motions to strike shall not be used as a substitute for rebuttal testimony, briefs, comments, or any other form of pleading.

§ 3010.170 Information requests.

(a) An information request is an informal discovery mechanism used at the discretion of the Commission, the Chairman of the Commission, or a presiding officer to obtain information that will assist the Commission in the conduct of its proceedings, in the preparation of its reports, or in the performance of its functions under title 39 of the United States Code.

(b) Information requests may be used to:

(1) Require the Postal Service in any proceeding, or any party to a Commission hearing on the record, to provide any information, and associated documents or things in its possession or control, or any information, and any associated documents or things that it can obtain through reasonable effort and expense; or

(2) Request that any person other than the Postal Service or a party to a Commission hearing on the record provide any information, and any associated documents or things that it

can obtain through reasonable effort and expense.

(c) Information that can be sought by information request includes, but is not limited to, explanations, confirmations, factual descriptions, data, documents, and other materials. Documents refer to hard copy or electronic conveyance of information and may be stored in any medium from which information can be obtained either directly or, if necessary, after translation into a reasonably usable form. Documents include, but are not limited to, writings, notes, graphs, charts, data files, emails, drawings, photographs, and images. Materials include all matter, other than documents, that convey information.

(d) Information requests shall describe the information, documents, or things sought; shall briefly explain the reason for the request; and shall specify a date by which the response(s) shall be due.

(e) Any person may request the issuance of an information request by motion. The motion shall list the information, documents, or things sought; shall explain the reasons the information request should be issued; and shall demonstrate why the information sought is relevant and material to the Commission's duties under title 39 of the United States Code. Upon consideration of the motion and any responses, the Commission, the Chairman of the Commission, or presiding officer may issue an information request that includes some or all of the proposed questions or modified versions of some or all of the proposed questions. Motions that do not result in the issuance of an information request prior to the Commission's final decision in the docket shall be deemed denied.

Subpart E—Proceedings Using Notice and Comment Procedures

§ 3010.200 Applicability.

(a) Except as otherwise provided in this section, the Commission shall conduct proceedings in conformance with the notice and comment procedures of this subpart whenever:

(1) The Commission is considering the issuance, amendment, or repeal of any Commission rule or regulation;

(2) The Commission is seeking information to inform potential future Commission action with or without the issuance of a final decision; or

(3) The Commission in the exercise of its discretion determines it is appropriate.

(b) Unless the Commission orders otherwise, the rules in this subpart shall not apply to proceedings governed by subpart F of this part (Proceedings with

an Opportunity for a Hearing on the Record). The rules in this subpart also shall not apply to the following parts of subchapter D of chapter III (Special Rules of Practice for Specific Proceeding Types) of this title: part 3020 (Rules Applicable to Requests for Changes in the Nature of Postal Services) of this chapter, part 3021 (Rules for Appeals of Postal Service Determinations to Close or Consolidate Post Offices) of this chapter, part 3022 (Rules for Complaints) of this chapter, part 3023 (Rules for Rate or Service Inquiries) of this chapter, and part 3024 (Special Rules for Complaints Alleging Violations of 39 U.S.C. 404a) of this chapter.

§ 3010.201 Initiation of a proceeding.

(a) The Commission may on its own motion initiate a proceeding under this subpart by issuing a notice and order initiating proceeding pursuant to § 3010.151.

(b)(1) Any person may request the initiation of a proceeding under this subpart by filing a petition with the Commission pursuant to the filing requirements of subpart B of this part. The petition shall:

(i) Provide the name, address, phone number and other pertinent contact information of the requesting person;

(ii) Identify the subject matter of the petition;

(iii) Provide specific proposals, including specific language, in regard to the subject matter of the petition;

(iv) Provide all facts, views, arguments, and data deemed to support the action requested; and

(v) Describe the impact of the proposal on the person filing the petition, the Postal Service, the mailing community, and the Commission, as applicable.

(2) Upon consideration of the petition, the Commission in its discretion may initiate a proceeding under this subpart by issuing a notice and order initiating proceeding pursuant to § 3010.151. The Commission may reject petitions that are frivolous or duplicative of other Commission efforts, or defer for future consideration otherwise meritorious petitions that have not demonstrated the potential for an immediate impact on the affected person. The Commission shall provide an explanation for the rejection or delay in consideration of any petition.

(c) Subparts A, B, C, and D of this part apply to the initiation and conduct of proceedings under this subpart E.

§ 3010.202 Participation in notice and comment proceedings.

(a) *Comments.* The primary method for participating in notice and comment

proceedings is through the filing of comments in accordance with § 3010.140. The notice and order initiating proceeding filed pursuant to § 3010.151 shall provide the deadline for filing comments, and if provided for, reply comments.

(b) *Information requests.* The Commission, Chairman, or presiding officer may in its or their own discretion or, if requested by an interested person by motion, issue information requests pursuant to § 3010.170.

(c) *Technical conferences.* The Commission, Chairman, or presiding officer may in its or their own discretion or, if requested by an interested person by motion, convene one or more off the record technical conferences to consider the matters being considered.

(d) *Oral presentations.* The Commission, Chairman, or presiding officer may in its or their own discretion or, if requested by an interested person by motion, permit oral presentations regarding the matters being considered.

(e) *Other procedures.* The Commission, the Chairman, or presiding officer may order additional procedures as appropriate.

§ 3010.203 Commission action.

(a) The Commission shall consider all relevant comments and material of record before taking any final action. Any final decision which includes the issuance, amendment, or repeal of a rule or regulation, shall, at a minimum, publish the final rule or regulation in the **Federal Register**.

(b) Any issuance, amendment, or repeal of a rule or regulation will be made effective not less than 30 days from the time it is published in the **Federal Register** except as otherwise specified in paragraph (c) of this section. If the order issuing, amending, or repealing a rule does not specify an effective date, the effective date shall be 30 days after the date on which the Commission's order is published in the **Federal Register**, unless a later date is required by statute or is otherwise specified by the Commission.

(c) For good cause shown by publication with the rule, any issuance, amendment, or repeal of a rule may be made effective in less than 30 days from the time the Commission's order is published in the **Federal Register**.

(d) Rules involving any military, naval or foreign affairs function of the United States; matters relating to agency management or personnel, public property, loans, grants, benefits or contracts; rules granting or recognizing exemption or relieving restriction; rules of organization, procedure or practice; or interpretative rules; and statements of

policy may be made effective without regard to the 30-day requirement.

Subpart F—Proceedings with an Opportunity for a Hearing on the Record.

§ 3010.300 Applicability.

The Commission shall conduct proceedings on the record with the opportunity for a hearing subject to this subpart whenever:

(a) The Commission determines that a complaint filed under part 3022 of this chapter raises one or more material issues of fact or law in accordance with § 3022.30 of this chapter and a proceeding on the record with the opportunity for a hearing is necessary;

(b) The Commission determines that the streamlined procedures in part 3020 of this chapter applicable to a Postal Service request to change the nature of postal services which will generally affect service on a nationwide or substantially nationwide basis are not appropriate; or

(c) The Commission in the exercise of its discretion determines it is appropriate.

§ 3010.301 Notice of proceeding.

Whenever the Commission determines that a proceeding will be held on the record with an opportunity for a hearing under this part, it shall publish notice of the proceeding in the **Federal Register** pursuant to § 3010.151.

§ 3010.302 Prehearing conferences.

(a) *Initiation and purposes.* The Commission or the presiding officer, if one has been appointed, may direct the parties in a proceeding to appear for a prehearing conference for the purposes of considering all possible ways of expediting the proceeding, including those in paragraph (e) of this section. Prehearing conference procedures shall be rigorously pursued by all parties.

(b) *Who presides.* The presiding officer, if one has been designated, shall preside over prehearing conferences. If a presiding officer has not been designated or is otherwise unavailable for a prehearing conference, then the ranking Commissioner in attendance shall be considered the presiding officer for that conference. The presiding officer shall open and close each prehearing conference session and shall be responsible for controlling the conduct of the conference.

(c) *Informal off-the-record procedures.* In order to make the prehearing conference as effective as possible, the presiding officer may direct that conferences be held off the record, without the presiding officer present.

Informal off-the-record conferences shall be presided over by the Public Representative or such other person as the parties may select. At off-the-record conferences, parties shall be expected to reach agreement on those matters, which will expedite the proceeding, including the matters specified in the notice of the prehearing conference, in the ruling of the presiding officer directing that the off-the-record conference be held, and in paragraph (e) of this section. A report on the results of off-the-record conferences shall be made to the presiding officer on the record at a time specified by the presiding officer. The presiding officer shall then determine the further prehearing procedures, if any, to be followed.

(d) *Required preparation and cooperation of all parties.* All parties in any proceeding before the Commission are required and expected to come to prehearing conferences fully prepared to discuss in detail and resolve all matters, such as those specified in paragraph (e) of this section, in the notice of the prehearing conference, and in such other notice or agenda as may have been issued by the Commission or the presiding officer. All parties are required and expected to cooperate fully at all stages of the proceeding to achieve these objectives through thorough advance preparation for the prehearing conference, including informal communications between the parties, requests for discovery and appropriate discovery procedures at the earliest possible time and no later than at the prehearing conference, and the commencement of preparation of evidence and cross-examination. The failure of any party to appear at the prehearing conference or to raise any matters that could reasonably be anticipated and resolved at the prehearing conference shall not be permitted to unduly delay the progress of the proceeding and shall constitute a waiver of the rights of the party with regard thereto, including all objections to the agreements reached, actions taken, or rulings issued by the presiding officer with regard thereto.

(e) *Matters to be pursued.* At the prehearing conference, the presiding officer and the parties shall consider and resolve such matters as:

(1) The definition and simplification of the issues, including any appropriate explanation, clarification, or amendment of any proposal, filing, evidence, complaint or other pleading filed by any party;

(2) Arrangements for timely completion of discovery from the Postal Service or any other party of

information regarding any issues in the proceeding, prior filings, evidence or pleadings of any party;

(3) Procedures for timely discovery with regard to any future evidentiary filings of any party;

(4) Stipulations, admissions or concessions as to evidentiary facts, and agreements as to documentary matters, exhibits and matters of official notice, which will avoid unnecessary proof or dispute;

(5) The possible grouping of parties with substantially like interests for purposes of presenting evidence, making and arguing motions and objections, cross-examining witnesses, filing briefs, and presenting oral argument to the Commission or presiding officer;

(6) Disclosure of the number, identity and qualifications of witnesses, and the nature of their testimony, particularly with respect to the policies of the Act and, as applicable according to the nature of the proceeding;

(7) Limitation of the scope of the evidence and the number of witnesses in order to eliminate irrelevant, immaterial, or cumulative and repetitious evidence;

(8) Procedures to direct and control the use of discovery prior to the hearing and submission of written testimony and exhibits on matters in dispute so as to restrict to a bare minimum the amount of hearing time required for oral cross-examination of witnesses;

(9) Division of the proceeding where practicable into two or more phases for separate and, if advisable, simultaneous hearings;

(10) Establishment of dates for the submission and service of such written testimony and exhibits as may be appropriate in advance of the hearing;

(11) The order of presentation of the evidence and cross-examination of witnesses so that the hearing may proceed in the most expeditious and orderly manner possible; and

(12) All other matters which would aid in an expeditious disposition of the proceeding, including consent of the parties to the conduct of the entire proceedings off the record.

(f) *Rulings by presiding officer.* (1) The presiding officer at a prehearing conference, shall, irrespective of the consent of the parties, dispose of by ruling:

(i) Any of the procedural matters itemized in paragraph (e) of this section; and

(ii) Such other procedural matters on which the presiding officer is authorized to rule during the course of the hearing if ruling at this stage would expedite the proceeding.

(2) Either on the record at the conclusion of such prehearing conference, or by order issued shortly thereafter, the presiding officer shall state the agreements reached by the parties, the actions taken, and the rulings made by the presiding officer. Such rulings shall control the subsequent course of the proceedings unless modified during the hearing to prevent manifest injustice.

§ 3010.303 Hearing format.

(a) In any case noticed for a proceeding to be determined on the record, the Commission or the presiding officer, if one has been appointed, may determine whether to hold a public hearing, or to hold a hearing by written submission of material only. A public hearing may be held if a hearing is requested by any party to the proceeding or if the Commission determines that a hearing is in the public interest. Generally, public hearings provide an opportunity for oral cross-examination of witnesses whereas hearings held by written submission of material only do not.

(b) Once established, requests to change the hearing format may be proposed by motion, or by the Commission's or presiding officer's own motion.

(c) Only representatives of the Commission, parties that have intervened in a proceeding, or persons intending to intervene prior to the deadline for notices of intervention may participate in a public hearing. However, public hearings are generally open to the public for observation. Public hearings may be closed to the public for good cause, or when confidential material is being presented.

§ 3010.304 Scheduling order.

(a) *When issued.* Upon consideration of the outcome of the prehearing conference, if held, and a determination of the need for a public hearing, the Commission, or the presiding officer if one has been appointed, shall issue a scheduling order. The scheduling order may be combined with any other order or ruling that the Commission or the presiding officer may issue. The scheduling order may be periodically modified as warranted.

(b) *Content of scheduling order.* The content of the scheduling order shall be tailored to the specifics of the matter before the Commission, including any requirement for a public hearing. The Commission or the presiding officer shall consider scheduling the following:

(1) A deadline for conclusion of discovery on proponent's direct case;

(2) A deadline to request oral cross-examination of proponent's witnesses;

(3) A deadline for designation of written cross-examination on proponent's direct case;

(4) The time and date for a public hearing on proponent's direct case, or the date and procedures for entering a proponent's direct case into evidence in a hearing by written submission of material only;

(5) A deadline for parties other than the proponent to file testimony in rebuttal to the proponent's direct case;

(6) A deadline for conclusion of discovery on rebuttal testimony;

(7) A deadline to request oral cross-examination of other parties' witnesses;

(8) A deadline for designation of written cross-examination on rebuttal testimony;

(9) The time and date for a public hearing on rebuttal testimony, or the date and procedures for entering rebuttal testimony in a hearing by written submission of material only;

(10) A deadline for the proponent to file testimony in rebuttal to other parties' direct cases;

(11) A deadline for conclusion of discovery on any proponent's rebuttal testimony;

(12) A deadline to request oral cross-examination of proponent's witnesses;

(13) A deadline for designation of written cross-examination on proponent's rebuttal testimony;

(14) The time and date for a public hearing on a proponent's rebuttal testimony, or the date and procedures for entering a proponent's rebuttal testimony in a hearing by written submission of material only;

(15) A deadline for filing briefs;

(16) A deadline for filing reply briefs; and

(17) A deadline for requesting oral argument.

(c) *Witness availability.* Parties shall promptly file notice of potential witness unavailability to appear at any public hearing as soon as known. Witness unavailability will be considered when establishing the initial, or any subsequent, procedural schedules. Once the initial scheduling order is issued, but no later than ten calendar days prior to a scheduled hearing, parties may file notice of preferences for dates and times of witness appearance at any public hearing.

(d) *Subsequent scheduling of public hearings.* At the adjournment of any public hearing (including prehearing conferences), the Commission, or the presiding officer if appointed, shall announce when the hearing will reconvene. If an announcement is not made, the Commission or the presiding

officer shall announce the time, date, and location of the subsequent hearing, or prehearing conference in writing by notice, order, or presiding officer ruling.

§ 3010.310 Discovery—general policy.

(a) Sections 3010.311 through 3010.313 allow discovery reasonably calculated to lead to admissible evidence during a proceeding noticed for hearing on the record. In general, discovery against a party will be scheduled to end prior to the receipt into evidence of that party's direct case. An exception to this procedure shall operate in all proceedings set for hearing when a party needs to obtain information (such as operating procedures or data) available only from the Postal Service. Such discovery requests are permissible only for the purpose of the development of rebuttal testimony and may be made up to 20 days prior to the filing date for final rebuttal testimony.

(b) The discovery procedures set forth in §§ 3010.311 through 3010.313 are not exclusive. Parties are encouraged to engage in informal discovery whenever possible to clarify exhibits and testimony. The results of these efforts may be introduced into the record by stipulation, by supplementary testimony or exhibit, by presenting selected written interrogatories and answers for adoption by a witness at the hearing, or by other appropriate means. In the interest of reducing motion practice, parties also are expected to use informal means to clarify questions and to identify portions of discovery requests considered overbroad or burdensome.

(c) If a party or an officer or agent of a party fails to obey an order of the Commission or the presiding officer to provide or permit discovery pursuant to §§ 3010.311 through 3010.313, the Commission or the presiding officer may make such orders in regard to the failure as are just, and among others, may direct that the matters regarding which the order was made or any other designated facts shall be taken to be established for the purposes of the proceeding in accordance with the claim of the parties obtaining the order, or prohibit the disobedient party from introducing designated matters in evidence, or strike the evidence, complaint or pleadings or parts thereof.

§ 3010.311 Interrogatories for purpose of discovery.

(a) *Service and contents.* In the interest of expedition and limited to information which appears reasonably calculated to lead to the discovery of admissible evidence, any party may propound to any other party in a

proceeding written, sequentially numbered interrogatories, by witness, requesting non-privileged information relevant to the subject matter and reasonably calculated to lead to the discovery of admissible evidence in such proceeding, to be answered by the party served, who shall furnish such information as is available to the requesting party. A party through interrogatories may require any other party to identify each person whom the other party expects to call as a witness at the hearing and to state the subject matter on which the witness is expected to testify. The party propounding the interrogatories shall file them with the Commission and serve them on the answering party. Follow-up interrogatories to clarify or elaborate on the answer to an earlier discovery request may be filed after the initial discovery period ends. They must be filed within seven days of receipt of the answer to the previous interrogatory unless extraordinary circumstances are shown.

(b) *Answers.* Answers to discovery requests shall be prepared so that they can be incorporated as written cross-examination. Each answer shall begin on a separate page, identify the individual responding and the relevant testimony number, if any, the party who asked the question, and the number and text of the question. Each interrogatory shall be answered separately and fully in writing, unless it is objected to, in which event the reasons for objection shall be stated in the manner prescribed by paragraph (c) of this section. The party responding to the interrogatories shall file the answers with the Commission and serve them on the requesting party within 14 days of the filing of the interrogatories or within such other period as may be fixed by the Commission or presiding officer, but before the conclusion of the hearing.

(c) *Objections.* In the interest of expedition, the grounds for every objection shall be clearly and fully stated. If an objection is made to part of an interrogatory, the part shall be specified. A party claiming privilege shall identify the specific evidentiary privilege asserted and state the reasons for its applicability. A party claiming undue burden shall state with particularity the effort that would be required to answer the interrogatory, providing estimates of cost and work hours required, to the extent possible. An interrogatory otherwise proper is not necessarily objectionable because an answer would involve an opinion or contention that relates to fact or the application of law to fact, but the Commission or presiding officer may

order that such an interrogatory need not be answered until a prehearing conference or other later time. Objections shall be filed with the Commission and served on the requesting party within ten days of the filing of the interrogatories. Any ground not stated in a timely objection is waived unless excused by the Commission or presiding officer for good cause shown.

(d) *Motions to compel responses to discovery.* Motions to compel a more responsive answer, or an answer to an interrogatory to which an objection was interposed, should be filed within 14 days of the answer or objection to the discovery request. The text of the discovery request, and any answer provided, should be provided as an attachment to the motion to compel. Parties who have objected to interrogatories which are the subject of a motion to compel shall have seven days to answer. Answers will be considered supplements to the arguments presented in the initial objection.

(e) *Compelled answers.* The Commission, or the presiding officer, upon motion of any party to the proceeding, may compel a more responsive answer, or an answer to an interrogatory to which an objection has been raised if the objection is overruled, or may compel an additional answer if the initial answer is found to be inadequate. Such compelled answers shall be filed with the Commission and served on the compelling party within seven days of the date of the order compelling an answer or within such other period as may be fixed by the Commission or presiding officer, but before the conclusion of the hearing.

(f) *Supplemental answers.* The individual or party who has answered interrogatories is under the duty to seasonably amend a prior answer if the individual or party obtains information upon the basis of which the individual or party knows that the answer was incorrect when made or is no longer true. Parties shall serve supplemental answers to update or to correct responses whenever necessary, up until the date the answer could have been accepted into evidence as written cross-examination. Parties filing supplemental answers shall indicate whether the answer merely supplements the previous answer to make it current or whether it is a complete replacement for the previous answer.

(g) *Orders.* The Commission or the presiding officer may order that any party or person shall answer on such terms and conditions as are just and may for good cause make any protective

order, including an order limiting or conditioning interrogatories, as justice requires to protect a party or person from undue annoyance, embarrassment, oppression, or expense.

§ 3010.312 Requests for production of documents or things for purpose of discovery.

(a) *Service and contents.* In the interest of expedition and limited to information which appears reasonably calculated to lead to the discovery of admissible evidence, any party may serve on any other party to the proceeding a request to produce and permit the party making the request, or someone acting on behalf of the requesting party or the requesting party's agent to inspect and copy any designated documents or things that constitute or contain matters, not privileged, that are relevant to the subject matter involved in the proceeding or reasonably calculated to lead to the discovery of admissible evidence and that are in the custody or control of the party to whom the request is addressed. The request shall set forth the items to be inspected either by individual item or category, and describe each item and category with reasonable particularity, and shall specify a reasonable time, place and manner of making inspection. The party requesting the production of documents or things shall file its request with the Commission and serve the request on the responding party.

(b) *Answers.* The party responding to the request shall file an answer with the Commission and serve the answer on the requesting party within 14 days after the request is filed, or within such other period as may be fixed by the Commission or presiding officer. The answer shall state, with respect to each item or category, that inspection will be permitted as requested unless the request is objected to pursuant to paragraph (c) of this section. The responding party may produce copies of documents or of electronically stored information in lieu of permitting inspection. Production must be completed no later than the time for inspection specified in the request unless good cause is shown.

(c) *Objections.* In the interest of expedition, the grounds for objection shall be clearly and fully stated. If an objection is made to part of an item or category, the part shall be specified. Any objection must state whether any responsive materials are being withheld on the basis of that objection. A party claiming privilege shall identify the specific evidentiary privilege asserted and state with particularity the reasons

for its applicability. A party claiming undue burden shall state with particularity the effort that would be required to answer the request, providing estimates of cost and work hours required, to the extent possible. Objections shall be filed with the Commission and served on the requesting party within ten days of the request for production. The responding party may state an objection to a request to produce electronically stored information. If it objects to the form of the documents or things requested (or if no form was specified in the request), the responding party must state the form or forms it intends to use to produce the requested information.

(d) *Motions to compel requests for production of documents or things for purposes of discovery.* Motions to compel shall be filed within 14 days of the answer or objection to the discovery request. The text of the discovery request, and any answer provided, should be provided as an attachment to the motion to compel. Parties who have objected to requests for production of documents or things which are the subject of a motion to compel shall have seven days to answer. Answers will be considered supplements to the arguments presented in the initial objection.

(e) *Compelled answers.* Upon motion of any party to the proceeding to compel a response to discovery, as provided in paragraph (d) of this section, the Commission or the presiding officer may compel production of documents or things to which an objection is overruled. Such compelled documents or things shall be made available to the party making the motion within seven days of the date of the order compelling production or within such other period as may be fixed by the Commission or presiding officer, but before the conclusion of the hearing.

(f) *Orders and rulings.* The Commission or the presiding officer may direct any party or person to respond to a request for inspection on such terms and conditions as are just and may for good cause impose any protective conditions, including limitations or preconditions for inspections, as justice requires to protect a party or person from undue annoyance, embarrassment, oppression, or expense.

§ 3010.313 Requests for admissions for purpose of discovery.

(a) *Service and content.* In the interest of expedition, any party may serve upon any other party a written request for the admission, for purposes of the pending proceeding only, of any relevant,

unprivileged facts, including the genuineness of any documents or exhibits to be presented in the hearing. Each requested admission shall be set forth separately and shall be deemed admitted unless within 14 days after the request is filed (or such other period as may be fixed by the Commission or presiding officer) the party to whom the request is directed files a written answer denying the requested admission pursuant to paragraph (c) of this section or objecting pursuant to paragraph (d) of this section. The party requesting an admission shall file its request with the Commission and serve the request on the responding party.

(b) *Answers.* Answers that fail to admit a matter as requested shall specifically deny the matter or set forth in detail the reasons why the answering party cannot truthfully admit or deny the matter. A denial shall fairly meet the substance of the requested admission. When a party qualifies an answer or denies only a part of the admission requested, the party shall specify so much of the requested admission as is true and qualify or deny the remainder. A failure to admit or deny for lack of information or knowledge shall not be made unless the responding party states that it has made a reasonable inquiry and that information known or readily obtainable by the party is insufficient to enable the party to admit or deny. A party who answers a request for admission shall file its answer with the Commission and serve the answer on the requesting party.

(c) *Objections.* If an objection is made, the grounds for such objection shall be clearly and fully stated. If an objection is made to part of an item, the part to which an objection is made shall be specified. A party claiming privilege shall identify the specific evidentiary privilege asserted and state the reasons for its applicability. A party claiming undue burden shall state with particularity the effort that would be required to answer the request, providing estimates of cost and work hours required to the extent possible. Objections shall be filed with the Commission and served on the requesting party, within ten days of the request for admissions.

(d) *Motions to compel responses to requests for admissions.* The party who has requested an admission may move to determine the sufficiency of the answers or objections. Motions to compel a more responsive answer, or an answer to a request to which an objection was interposed, shall be filed within 14 days of the answer or objection to the request for admissions. The text of the request for admissions,

and any answer provided, should be provided as an attachment to the motion to compel. Parties who have objected to requests for admissions which are the subject of a motion to compel shall have seven days to file a response. Responses will be considered supplements to the arguments presented in the initial objection.

(e) *Compelled answers.* The Commission or the presiding officer may compel answers to a request for admissions to which an objection has been raised if the objection is overruled. Such compelled answers shall be filed with the Commission and served on the requesting party within seven days of the date of the order compelling production or within such other period as may be fixed by the Commission or the presiding officer, but before the conclusion of the hearing. If the Commission or presiding officer determines that an answer does not comply with the requirements of this rule, it may order either that the matter is admitted or that an amended answer be filed.

§ 3010.320 Settlement conferences.

Any party to a proceeding may submit offers of settlement or proposals of adjustment at any time and may request a conference between the parties to consider such offers or proposals. The Commission or the presiding officer shall afford the parties appropriate opportunity prior to or during the hearing for conferences for the purpose of considering such offers or proposals as time, the nature of the proceeding, and the public interest permit. Unaccepted offers of settlement or adjustment and proposed stipulations not agreed to shall be privileged and shall not be admissible in evidence against any party claiming such privilege.

§ 3010.321 Hearings.

(a) *How convened.* (1) Hearings shall be convened by the issuance of a notice, order, or presiding officer's ruling that is published in the **Federal Register**. Only the first session of a public hearing need be noticed and published in the **Federal Register**. All subsequent sessions within a docket are to be considered part of the same hearing. If there is a prehearing conference, the prehearing conference is to be considered the first hearing session in that docket.

(2) At the adjournment of each hearing session, the presiding officer responsible for the conduct of that hearing session shall announce if and when the hearing will reconvene. If an announcement is not made at the

adjournment of the hearing session, the Commission or presiding officer shall announce the time, date, and location of any subsequent hearing, or prehearing conference, in writing by notice, order, or presiding officer ruling.

(b) *Who presides.* The presiding officer, if designated, shall preside over a public hearing. If a presiding officer has not been designated or is otherwise unavailable for a hearing, then the ranking Commissioner in attendance shall be considered the presiding officer for that hearing. The presiding officer shall open and close each session of the hearing, and shall be responsible for controlling the conduct of the hearing.

(c) *Entering of appearances.* The presiding officer before whom the hearing is held will cause to be entered on the record all appearances together with a notation showing on whose behalf each such appearance has been made.

(d) *Witnesses.* All witnesses are expected to be available for public hearings. Unless otherwise ordered by the presiding officer, a witness need only attend a hearing on those days scheduled for entering that witness's testimony. Subject to the discretion and prior approval of the presiding officer, a witness may be excused from appearing at a hearing and may have the witness's written testimony and cross-examination entered into evidence by counsel.

(e) *Order of presentations.* (1) The proponent of a matter before the Commission shall present the proponent's direct case first. In matters initiated by the Postal Service, the Postal Service shall be considered the proponent. In complaint proceedings under section 3662 of the Act, the complainant shall be considered the proponent. The proponent also shall be provided an opportunity to respond to any rebuttal to the proponent's direct case. In all other instances, the Commission or the presiding officer shall determine the order of presentation.

(2) The order of presentations by parties other than the proponent shall be determined by the Commission or the presiding officer.

(3) The Commission or presiding officer shall announce the order of presentation of parties and individual witnesses prior to hearing sessions and shall issue such other procedural orders as may be necessary to assure the orderly and expeditious conclusion of the hearing. Parties may present their preferences for order of appearance to the Commission or the presiding officer orally in a hearing, by filing a notice, or by informally contacting the

Commission's General Counsel, prior to the scheduled hearing date.

(f) *Swearing in of witnesses.* (1) Witnesses attending a hearing whose testimony is to be taken shall be sworn, or shall affirm, before their testimony shall be deemed evidence in the proceeding or any questions are put to them. The witness shall be sworn by means of the following (or an equivalent): "Please raise your right hand. Do you solemnly swear (or affirm), that the testimony that you are about to give is the truth, the whole truth, and nothing but the truth? Please state your full name."

(2) The oath shall be given upon the first appearance of the witness providing testimony. Upon subsequent appearances, the witness is to be reminded by the presiding officer that the witness remains under oath for the duration of the proceeding.

(3) Witnesses not attending a hearing whose testimony is entered by counsel during a hearing shall attach a signed declaration that the testimony being submitted is that of the witness. A declaration shall be included with each piece of written testimony, and each set of written cross-examination. The declaration shall state the following (or an equivalent): "Declaration of [witness name]. I, [witness name], hereby declare under penalty of perjury that: The [testimony, designated responses to written cross-examination] filed under my name were prepared by me or under my direction; and were I to [provide oral testimony, respond orally to the questions appearing in the interrogatories], my answers would be the same."

(4) Hearings that are conducted by the written submission of testimony only shall also attach written declarations to testimony and cross-examination as described above.

(g) *Presentation of the evidence—*(1) *Presentations by parties.* Each party shall have the right to present evidence, cross-examine witnesses (limited to testimony adverse to the party conducting the cross-examination), and to present objections, motions, and arguments. The case-in-chief of parties other than the proponent shall be in writing and shall include the party's direct case and rebuttal, if any, to the initial proponent's case-in-chief. A party's presentation may be accompanied by a trial brief or legal memoranda. Legal memoranda on matters at issue are generally welcome at any stage of the proceeding. Parties will be given an opportunity to rebut presentations of other parties, including an opportunity for the initial proponent to present surrebuttal evidence. New

affirmative matter (not in reply to another party's direct case) should not be included in rebuttal testimony or exhibits. When objections to the admission or exclusion of evidence before the Commission or the presiding officer are made, the grounds relied upon shall be stated. Formal exceptions to rulings are unnecessary.

(2) *Written testimony.* (i) Written testimony shall be offered in evidence by motion. The motion shall be made orally during a hearing, or in writing when the hearing is conducted by the written submission of testimony only. When a party moves to enter testimony into the record, three hard copies of the document shall simultaneously be submitted to the Commission for the record. The copies are to be printed single-sided, and not stapled, hole-punched, or bound, but may be fastened together by paper or binder clip, or equivalent.

(ii) Witnesses shall be provided an opportunity to verify that the written testimony they are sponsoring is their testimony and that it would be the same if given orally. The witness, or counsel, shall state the original filing date of the testimony and identify all subsequent filings that amended the original testimony. If there are any final corrections to the testimony, the corrections may be noted on the hard copies submitted to the Commission. However, the witness shall be required to file errata to the testimony within seven days of the hearing, making corrections only to the extent as identified during the hearing. Any other changes shall be requested separately by motion to amend the record.

(iii) Parties shall be provided an opportunity to object to all or part of a witness's written testimony prior to entering that testimony into the record. Objections that have not previously been made in writing at least 14 days prior to the hearing date shall be granted only under extraordinary circumstances.

(iv) After resolution of all objections, the presiding officer shall order the testimony entered into the record as evidence. Unless otherwise ordered by the presiding officer, the written testimony shall not be copied into the hearing transcript.

(3) *Library references.* (i) Library references sponsored by a witness and associated with the witness's written testimony or written cross-examination may be offered in evidence by motion. The motion shall be made orally during a public hearing, or in writing for a hearing that is conducted by the written submission of testimony only.

(ii) Witnesses shall be provided an opportunity to verify that the library

reference is their library reference and to affirm that they are in fact sponsoring the library reference. If a witness inadvertently fails to verify and affirm that the witness is sponsoring a library reference that is cited in written testimony or in response to written cross-examination, it will be presumed that the library reference is to be included in the record to the extent specified in the notice of the filing of the library reference.

(iii) Parties shall be provided an opportunity to object to all or any part of the library reference being entered into the record. Objections that have not been made in writing at least 14 days prior to the hearing date shall be granted only under extraordinary circumstances.

(iv) After resolution of all objections, the presiding officer shall order the library reference be entered into the record as evidence. Unless ordered by the presiding officer, library references shall not be copied into the hearing transcript.

(4) *Written cross-examination.* (i) Written cross-examination will be utilized as a substitute for oral cross-examination whenever possible, particularly to introduce factual or statistical evidence. Written cross-examination may be offered in evidence by motion. The motion shall be made orally during a public hearing, or in writing for a hearing that is conducted by the written submission of testimony only. Written cross-examination proposed by parties other than the party associated with the witness shall be considered first, followed by that of the party of the witness.

(ii) Designations of written cross-examination should be filed with the Commission and served on the answering party no later than three working days before the scheduled appearance of a witness. Designations shall identify every item to be offered as evidence, listing the party who initially posed the discovery request, the witness and/or party to whom the question was addressed (if different from the witness answering), the number of the request and, if more than one answer is provided, the dates of all answers to be included in the record. (For example, "PR-T1-17 to USPS witness Jones, answered by USPS witness Smith (March 1, 1997) as updated (March 21, 1997))." When a party designates written cross-examination, three hard copies of the documents to be included shall simultaneously be submitted to the Secretary. The documents are to be printed single-sided, and not stapled, hole-punched, or bound, but may be fastened together by paper or binder clip, or equivalent. The Secretary shall

prepare for the record a packet containing all materials designated for written cross-examination in a format that facilitates review by the witness and counsel.

(iii) A witness shall be provided an opportunity to verify that the written cross-examination is that of the witness and to assert that if the written cross-examination were being provided orally at the hearing it would be that of the witness. If there are any final corrections to the written cross-examination, the corrections may be noted on the hard copies before submission to the Commission.

(iv) Parties shall be provided an opportunity to object to all or any part of the written cross-examination prior to entering the testimony into the record.

(v) After resolution of all objections, the presiding officer shall order the written cross-examination entered into the record as evidence. The presiding officer shall direct that the written cross-examination be copied into the hearing transcript.

(5) *Oral cross-examination.* (i) Oral cross-examination will be permitted for clarifying written cross-examination and for testing assumptions, conclusions, or other opinion evidence.

(ii) Notices of intent to conduct oral cross-examination should be filed three or more working days before the announced appearance of the witness and should include specific references to the subject matter to be examined and page references to the relevant direct testimony and exhibits. If no notices are filed, and the Commission or presiding officer has no other reason for the witness to appear, the Commission or the presiding officer, in their discretion, may excuse the witness from appearing at the hearing and direct that the witness's testimony be entered by counsel.

(iii) A party intending to use complex numerical hypotheticals, or to question using intricate or extensive cross-references, shall provide adequately documented cross-examination exhibits for the record. Copies of these exhibits should be filed at least two full business days before the scheduled appearance of the witness. They may be filed online or delivered in hardcopy form to counsel for the witness, at the discretion of the party. When presented, examination exhibits are not to be considered record evidence. They are to be transcribed into the record for reference only. If adopted by the witness, the examination exhibit may be offered in evidence by motion.

(iv) At the conclusion of oral cross-examination, the witness shall be given an opportunity to consult with counsel.

Counsel shall then be provided an opportunity to examine the witness for the purpose of clarifying statements previously made during oral cross-examination.

(h) *Institutional testimony.* (1) This paragraph (h) is applicable to testimony offered in evidence that is not sponsored by an individual witness. This typically occurs when discovery questions are answered by the institution, and not by an individual witness.

(2) When institutional responses are offered in evidence by any party, the responding party shall make available at the hearing an officer of the institution that has the authority to attest to the authenticity and truthfulness of the responses, and that has the knowledge to be subject to oral cross-examination in regard to the responses. Section 3010.321 applies as if the officer of the institution were an individual witness.

(i) *Limitations on presentation of the evidence.* The taking of evidence shall proceed with all reasonable diligence and dispatch, and to that end, the Commission or the presiding officer may limit appropriately the number of witnesses to be heard upon any issue, the examination by any party to specific issues, and the cross-examination of a witness to that required for a full and true disclosure of the facts necessary for the disposition of the proceeding and to avoid irrelevant, immaterial, or unduly repetitious testimony.

(j) *Motions during hearing.* After a hearing has commenced, a request may be made by motion to the presiding officer for any procedural ruling or relief desired. Such motions shall specify the ruling or relief sought, and state the grounds therefor and statutory or other supporting authority. Motions made during hearings may be stated orally upon the record, except that the presiding officer may require that such motions be reduced to writing and filed separately. Any party shall have the opportunity to answer or object to such motions at the time and in the manner directed by the presiding officer.

(k) *Rulings on motions.* The presiding officer is authorized to rule upon any such motion not formally acted upon by the Commission prior to the commencement of a prehearing conference or hearing where immediate ruling is essential in order to proceed with the prehearing conference or hearing, and upon any motion to the presiding officer filed or made after the commencement thereof, except that no motion made to the presiding officer, a ruling upon which would involve or constitute a final determination of the proceeding, shall be ruled upon

affirmatively by the presiding officer except as a part of a presiding officer's intermediate decision. This section shall not preclude a presiding officer, within the presiding officer's discretion, from referring any motion made in hearing to the Commission for ultimate determination.

(l) *Transcript corrections.* Corrections to the transcript of a hearing should not be requested except to correct a material substantive error in the transcription made at the hearing. Any request to correct a transcript shall be by motion filed no later than seven days after the transcript, or notice of the availability of a confidential transcript, is posted to the Commission's website. Corrections or changes to actual testimony shall not be allowed.

§ 3010.322 Evidence—general.

(a) *Form and admissibility.* In all hearings, relevant and material evidence which is not unduly repetitious or cumulative shall be admissible. Witnesses whose testimony is to be taken shall be sworn, or shall affirm, before their testimony shall be deemed evidence in the proceeding or any questions are put to them.

(b) *Documentary material—*(1) *General.* Documents and detailed data and information shall be presented as exhibits. Exhibits should be self-explanatory. They should contain appropriate footnotes or narrative explaining the source of each item of information used and the methods employed in statistical compilations. The principal title of each exhibit should state what it contains or represents. The title may also contain a statement of the purpose for which the exhibit is offered; however, this statement will not be considered part of the evidentiary record. Where one part of a multi-part exhibit is based on another part or on another exhibit, appropriate cross-references should be made. Relevant exposition should be included in the exhibits or provided in accompanying testimony. Testimony, exhibits and supporting workpapers prepared for Commission proceedings that are premised on data or conclusions developed in a library reference shall provide the location of that information within the library reference with sufficient specificity to permit ready reference, such as the page and line, or the file and the worksheet or spreadsheet page or cell. Where relevant and material matter offered in evidence is embraced in a document containing other matter not material or relevant or not intended to be put in evidence, the party offering the same shall plainly designate the matter offered excluding

the immaterial or irrelevant parts. If other matter in such document is in such bulk or extent as would unnecessarily encumber the record, it may be marked for identification, and, if properly authenticated, the relevant and material parts may be read into the record, or, if the Commission or presiding officer so directs, a true copy of such matter in proper form shall be received in evidence as an exhibit. Copies of documents shall be delivered by the party offering the same to the other parties or their attorneys appearing at the hearing, who shall be afforded an opportunity to examine the entire document and to offer in evidence in like manner other material and relevant portions thereof.

(2) *Status of library references.*

Designation of material as a library reference and acceptance in the Commission's docket section do not confer evidentiary status. The evidentiary status of the material is governed by § 3010.321(g)(3).

(c) *Commission's files.* Except as otherwise provided in paragraph (e) of this section, any matter contained in a report or other document on file with the Commission may be offered in evidence by specifying the report, document, or other file containing the matter so offered and the report or other document need not be produced or marked for identification.

(d) *Public document items.* Whenever there is offered in evidence (in whole or in part) a public document, such as an official report, decision, opinion or published scientific or economic statistical data issued by any of the Executive Departments (or their subdivisions), legislative agencies or committees, or administrative agencies of the Federal Government (including Government-owned corporations) and such document (or part thereof) has been shown by the offeror thereof to be reasonably available to the public, such document need not be produced or physically marked for identification, but may be offered in evidence as a public document item by clearly identifying the document and the relevant parts thereof.

(e) *Designation of evidence from other Commission dockets.* (1) Parties may request that evidence received in other Commission proceedings be entered into the record of the current proceeding. These requests shall be made by motion, shall explain the purpose of the designation, and shall identify material by page and line or paragraph number.

(2) In proceedings to consider the appeal of a Postal Service determination to close or consolidate a post office

conducted pursuant to part 3021 of this chapter, these requests must be made at least six days before the date for filing the party's direct case. Oppositions to motions for designations and/or requests for counter-designations shall be filed within three days. Oppositions to requests for counter-designations are due within two days.

(3) In all other proceedings subject to this section, these requests must, in the absence of extraordinary circumstances, be made at least 28 days before the date for filing the party's direct case.

Oppositions to motions for designations and/or requests for counter-designations shall be filed within 14 days.

Oppositions to requests for counter-designations are due within seven days.

(4) In all proceedings subject to this section, the moving party must submit two copies of the identified material to the Secretary at the time requests for designations and counter-designations are made.

(f) *Form of prepared testimony and exhibits.* Unless the presiding officer otherwise directs, the direct testimony of witnesses shall be reduced to writing and offered either as such or as an exhibit. All prepared testimony and exhibits of a documentary character shall, so far as practicable, conform to the requirements of § 3010.124(a) and (b).

(g) *Copies to parties.* Except as otherwise provided in these rules, copies of exhibits shall be furnished to the presiding officer and to the parties or counsel during a hearing, unless the presiding officer otherwise directs.

(h) *Reception and ruling.* The presiding officer shall rule on the admissibility of evidence and otherwise control the reception of evidence so as to confine it to the issues in the proceeding.

(i) *Offers of proof.* Any offer of proof made in connection with any ruling of the presiding officer rejecting or excluding proffered oral testimony shall consist of a statement of the substance of the evidence which counsel contends would be adduced by such testimony; and if the excluded evidence consists of evidence in documentary or written form, or of reference to documents or records, a copy of such evidence shall be marked for identification and shall constitute the offer of proof.

(j) *Official notice of facts.* Official notice may be taken of such matters as might be judicially noticed by the courts of the United States or of any other matter peculiarly within the knowledge of the Commission as an expert body. Any party shall, on timely request, be afforded an opportunity to show the contrary.

§ 3010.323 Evidence—introduction and reliance upon studies and analyses.

(a) *Statistical studies.* All statistical studies offered in evidence in hearing proceedings or relied upon as support for other evidence shall include a comprehensive description of the assumptions made, the study plan utilized, the procedures undertaken, and references from the academic literature supporting the procedures undertaken. Machine-readable data files, program files, workbooks, and all other necessary materials to enable independent replication of the results or program output if requested by the Commission or parties shall be provided in the form of a compact disk or other media or method approved in advance by the Secretary. Where a computer analysis is employed to obtain the result of a statistical study, all of the submissions required by paragraph (b) of this section shall be furnished, upon request. In addition, for each of the following types of statistical studies, the following information should be provided:

(1) *Market research.* The following information shall be provided:

(i) A clear and detailed description of the sample, observational, and data preparation designs, including definitions of the target population, sampling frame, units of analysis, questionnaires or data collection instruments, survey variables, and the possible values;

(ii) An explanation of methodology for the production and analysis of the major survey estimates and associated sampling errors;

(iii) A presentation of response, coverage and editing rates, and any other potential sources of error associated with the survey's quality assurance procedures;

(iv) A discussion of data comparability over time and with other data sources;

(v) A complete description and assessment of the effects of all editing and imputation employed;

(vi) Identification of all applicable statistical models considered and the reasons the model based procedures and/or models were selected over other models or procedures, when model-based procedures are employed; and

(vii) An explanation of all statistical tests performed and an appropriate set of summary statistics summarizing the results of each test.

(2) *Other sample surveys.* The following information shall be provided:

(i) A clear description of the survey design, including the definition of the universe under study, the sampling frame and units, and the validity and

confidence limits that can be placed on major estimates; and

(ii) An explanation of the method of selecting the sample and the characteristics measured or counted.

(3) *Experimental analyses.* The following information shall be provided:

(i) A complete description of the experimental design, including a specification of the controlled conditions and how the controls were realized; and

(ii) A complete description of the methods of making observations and the adjustments, if any, to observed data.

(4) *Econometric studies.* The following information shall be provided:

(i) A presentation of the economic theory and assumptions underlying the study;

(ii) A complete description of the econometric model(s) and the reasons for each major assumption and specification;

(iii) The definition of the variables selected and the justification for their selection;

(iv) For any alternative model whose computed econometric results influenced the choice of the preferred model, a statement of the reasons for rejecting that alternative, an identification of any differences between that alternative and the preferred model with respect to variable definitions, equation forms, data, or estimation methods, and, upon request, the computed econometric results for that alternative;

(v) A reference to a detailed description in a text, manual, or technical journal for every econometric technique used in the estimation process and the reasons for selecting the technique, or, in the alternative, a description and analysis of the technique that is sufficient for a technical evaluation;

(vi) Summary descriptions and source citations for all input data and, upon request, a complete listing of the data. Complete descriptions of any alterations, adjustments, or transformations made to the data as received from the original sources, and the reasons for making the alterations, adjustments, or transformations;

(vii) A complete report of the econometric results including, where applicable coefficient estimates, standard errors and t-values, goodness-of-fit statistics, other appropriate test statistics, the variance/covariance matrix of the estimates, and computed residuals for results computed from samples composed of fewer than 250 observations, and, upon request, other computed residuals; and

(viii) Descriptions of all statistical tests of hypotheses and the results of such tests.

(5) *All other studies involving statistical methodology.* The following information shall be provided:

(i) The formula used for statistical estimates;

(ii) The standard errors of each component estimated;

(iii) Test statistics and the description of statistical tests and all related computations, and final results; and

(iv) Summary descriptions of input data, and upon request the actual input data shall be made available at the offices of the Commission.

(b) *Computer analyses.* (1) In the case of computer studies or analyses which are being offered in evidence, or relied upon as support for other evidence, a foundation for the reception of such materials must be laid by furnishing a general description of the program that includes the objectives of the program, the processing tasks performed, the methods and procedures employed, and a listing of the input and output data and source codes (or a showing pursuant to paragraph (b)(3) of this section as to why such codes cannot be so furnished) and such description shall be furnished in all cases. For the purpose of completing such foundation, the following additional items shall be deemed presumptively necessary and shall be furnished upon request of a party, the Commission, or the presiding officer, unless the presumption is overcome by an affirmative showing. The following information shall be provided:

(i) For all input data, designations of all sources of such data, and explanations of any modifications to such data made for use in the program;

(ii) Definitions of all input and output variables or sets of variables;

(iii) A description of input and output data file organization;

(iv) For all source codes, documentation sufficiently comprehensive and detailed to satisfy generally accepted software documentation standards appropriate to the type of program and its intended use in the proceeding;

(v) All pertinent operating system and programming language manuals;

(vi) If the requested program is user interactive, a representative sample run, together with any explanation necessary to illustrate the response sequence;

(vii) An expert on the design and operation of the program shall be provided at a technical conference to respond to any oral or written questions concerning information that is reasonably necessary to enable

independent replication of the program output; and

(viii) Computer simulation models offered in evidence or relied upon as support for other evidence, shall be bound by all applicable provisions of this paragraph (b) and the separate requirements of paragraph (a) of this section, to the extent that portions of the simulation model utilize or rely upon such studies. Information that compares the simulation model output results to the actual phenomena being modelled, using data other than those from which the model was developed, shall be separately identified and submitted as evidence supporting the test and validation of the simulation model. Separate statements concerning the model limitations, including limiting model design assumptions and range of data input utilized in model design, shall be provided. Where test and validation of the entire simulation model are not possible, test and validation information shall be provided for disaggregate portions of the model. If disaggregate testing and validation are not possible, separate statements to that effect and statements regarding operational experts' review of model validity shall be provided.

(2) Upon timely and otherwise proper request of a party, or *sua sponte*, the Commission or the presiding officer may rule that matters other than those listed in paragraphs (b)(1)(i) through (viii) of this section are necessary to establish the foundation for reception of the evidence concerned and must be furnished.

(3) When the requestor is other than the Commission or the presiding officer, the cost of producing the material required in paragraph (b)(1)(iv), (vi), and (vii) of this section, shall be borne by the requesting party unless otherwise ordered, for good cause shown by the requestor. When the Commission or the presiding officer is the requestor, it may assume or equitably allocate such costs for good cause shown by the requestor.

(4) If the recipient of a request for materials pursuant to this paragraph (b) asserts that compliance with the request would conflict with patent, copyright, trade secret or contract rights applicable to the requested material, the recipient shall immediately notify the requestor and the presiding officer. If valid, the presiding officer shall devise means of accommodating such rights. Such means may include protective orders, including access under protective conditions to the computer facilities of the recipient of a request, making material available for inspection, compensation, or other procedures, according to the nature of the right

affected by compliance with this paragraph (b) of this section. If the presiding officer determines that compensation is necessary to accommodate the affected right, the cost of compensation shall be borne in the same manner that paragraph (b)(3) of this section prescribes for bearing the costs referenced there. If such right cannot be accommodated by reasonable compensation, or by protective orders or other procedures, and, as a result, materials required by this paragraph (b) cannot be provided, the presiding officer shall determine, in the presiding officer's discretion, whether evidence that relies upon the materials not provided shall be admissible or afforded limited weight.

(c) *Other studies and analyses.* In the case of all studies and analyses offered in evidence in hearing proceedings or relied upon as support for other evidence, other than the kinds described in paragraphs (a) and (b) of this section, there shall be a clear statement of the study plan, all relevant assumptions and a description of the techniques of data collection, estimation and/or testing. In addition, there shall be a clear statement of the facts and judgments upon which conclusions are based, together with an indication of the alternative courses of action considered and the steps taken to ensure the validity, accuracy, and reliability of the evidence. Tabulations of input data, workbooks, and all other materials necessary to replicate results shall be made available upon request at the offices of the Commission.

(d) *Expedition.* The party who offers studies or analyses in evidence shall expedite responses to requests made pursuant to this section for data or other information. Responses shall be served on the requesting party, and notice thereof filed with the Secretary in accordance with the provisions of § 3010.127 no later than 3 days after a request is made under § 3010.322(e)(2) or no later than 14 days after a request is made under § 3010.322(e)(3).

§ 3010.324 In camera orders.

(a) *Definition.* Except as hereinafter provided, documents and testimony made subject to *in camera* orders are not made a part of the public record, but are kept confidential, and only authorized parties, their counsel, authorized Commission personnel, and court personnel concerned with judicial review shall have access thereto. The right of the presiding officer, the Commission, and reviewing courts to disclose *in camera* data to the extent necessary for the proper disposition of the proceeding is specifically reserved.

(b) *In camera treatment of documents and testimony.* (1) Presiding officers shall have authority, but only in those unusual and exceptional circumstances when good cause is found on the record, to order documents or oral testimony offered in evidence whether admitted or rejected, to be placed *in camera*. The order shall specify the date on which *in camera* treatment expires and shall include:

- (i) A description of the documents and testimony;
- (ii) A full statement of the reasons for granting *in camera* treatment; and
- (iii) A full statement of the reasons for the date on which *in camera* treatment expires.

(2) Any party desiring, for the preparation and presentation of the case, to disclose *in camera* documents or testimony to experts, consultants, prospective witnesses, or witnesses, shall make application to the presiding officer setting forth the justification therefor. The presiding officer, in granting such application for good cause found, shall enter an order protecting the rights of the affected parties and preventing unnecessary disclosure of information. *In camera* documents and the transcript of testimony subject to an *in camera* order shall be segregated from the public record and filed in a sealed envelope, bearing the title and docket number of the proceeding, the notation “*In Camera* Record under § 3010.323,” and the date on which *in camera* treatment expires.

(c) *Release of in camera information.* *In camera* documents and testimony shall constitute a part of the confidential records of the Commission. However, the Commission, on its own motion or pursuant to a request, may make *in camera* documents and testimony available for inspection, copying, or use by any other governmental agency. The Commission shall, in such circumstances, give reasonable notice of the impending disclosure to the affected party. However, such notice may be waived in extraordinary circumstances for good cause.

(d) *Briefing of in camera information.* In the submittal of proposed findings, briefs, or other papers, counsel for all parties shall make a good faith attempt to refrain from disclosing the specific details of *in camera* documents and testimony. This shall not preclude references in such proposed findings, briefs, or other papers to such documents or testimony including generalized statements based on their contents. To the extent that counsel consider it necessary to include specific details of *in camera* data in their presentations, such data shall be

incorporated in separate proposed findings, briefs, or other papers marked “confidential,” which shall be placed *in camera* and become a part of the *in camera* record.

§ 3010.325 Depositions.

(a) *When permissible.* The testimony of a witness may be taken by deposition when authorized by the Commission or the presiding officer on application of any party before the hearing is closed. An authorization to take the deposition of a witness will be issued only if:

- (1) The person whose deposition is to be taken would be unavailable at the hearing;
- (2) The deposition is deemed necessary to perpetuate the testimony of the witness; or
- (3) The taking of the deposition is necessary to prevent undue and excessive expense to a party and will not result in undue delay or an undue burden to other parties.

(b) *Application.* An application for authorization to take testimony by deposition shall be filed with the Commission or the presiding officer and shall state:

- (1) The name, identification, and post office address of the witness;
- (2) The subject matter of the testimony.
- (3) The time and place of taking the deposition;
- (4) The name, identification, and post office address of the officer before whom the deposition is to be taken; and
- (5) The reasons why the testimony of such witness should be taken by deposition.

(c) *Authorization.* If the application so warrants, the Commission or the presiding officer will issue and serve or cause to be served on the parties within a reasonable time in advance of the time fixed for taking testimony, an authorization for the taking of such testimony by deposition. Such authorization shall name the witness, the time, place, and officer before whom the deposition shall be taken, and shall specify the number of copies of the deposition to be submitted to the Commission. The authorization may include such terms and conditions as the Commission or the presiding officer deems fair and reasonable.

(d) *Qualifications of officer before whom taken.* Such deposition may be taken before a presiding officer or other authorized representative of the Commission, or any officer, not being counsel or attorney for any party or having an interest in the proceeding, authorized to administer oaths by the laws of the United States or of the place where the deposition is to be taken.

(e) *Oath and reduction to writing.* The officer before whom the deposition is to be taken shall put the witness on oath or affirmation and shall personally, or by someone acting under the officer's direction and in the officer's presence, record the examination of the witness. The examination shall be transcribed in the form specified in § 3010.124(a), signed by the witness, and certified in the usual form by the officer. The original of the deposition, together with the number of copies required by the authorization to be made by such officer, shall be forwarded by the officer to the Secretary by personal delivery or registered mail. Upon receipt, the Secretary shall hold the original for use in the hearing upon request by any party and shall make copies available for public inspection.

(f) *Scope and conduct of examination.* Unless otherwise directed in the authorization, the witness may be questioned regarding any matter which is relevant to the issues involved in the proceeding. Parties shall have the right for cross-examination and objection. In lieu of participation in the oral examination, parties may transmit written interrogatories to the officer who shall propound them to the witness.

(g) *Objections.* The officer before whom the deposition is taken shall not have the power to rule upon procedural matters or the competency, materiality, or relevancy of questions. Procedural objections or objections to questions of evidence shall be stated briefly and recorded in the deposition without argument. Objections not stated before the officer shall be deemed waived.

(h) *When a part of the record.* No portion of a deposition shall constitute a part of the record in the proceeding unless received in evidence by the presiding officer. If only a portion of the deposition is offered in evidence by a party, any other party may require the party to introduce all of it which is relevant to the part introduced, and any party may offer in evidence any other portions.

(i) *Fees.* Witnesses whose depositions are taken and the officer taking the same shall be entitled to the same fees as are paid for like services in the District Courts of the United States to be paid directly by the party or parties on whose application the deposition was taken.

§ 3010.330 Briefs.

(a) *When filed.* At the close of the taking of testimony in any proceeding, the Commission or the presiding officer shall fix the time for the filing and service of briefs, giving due regard to the timely issuance of the decision. In addition, subject to such consideration,

due regard shall be given to the nature of the proceeding, the complexity and importance of the issues involved, and the magnitude of the record. In cases subject to a limitation on the time available to the Commission for decision, the Commission may direct each party to file its brief simultaneously with the filing of briefs by other parties. In cases where, because of the nature of the issues and the record or the limited number of parties involved, the filing of initial and reply briefs, or the filing of initial, answering, and reply briefs, will not unduly delay the conclusion of the proceeding and will aid in the proper disposition of the proceeding, the parties may be directed to file more than one brief and at different times rather than a single brief filed simultaneously with briefs filed by other parties. The Commission or presiding officer may also order the filing of briefs during the course of the proceeding.

(b) *Contents.* Each brief filed with the Commission shall be as concise as possible, within any page limitation specified by the Commission or the presiding officer, and shall include the following in the order indicated:

(1) A subject index with page references, and a list of all cases and authorities relied upon, arranged alphabetically, with references to the pages where the citation appears;

(2) A concise statement of the case from the viewpoint of the filing party;

(3) A clear, concise, and definitive statement of the position of the filing party as to the matter before the Commission and the decision to be issued;

(4) A discussion of the evidence, reasons, and authorities relied upon with exact references to the record and the authorities; and

(5) Proposed findings and conclusions with appropriate references to the record or the prior discussion of the evidence and authorities relied upon.

(c) *Incorporation by references.* Briefs before the Commission or a presiding officer shall be completely self-contained and shall not incorporate by reference any portion of any other brief, pleading, or document.

(d) *Excerpts from the record.* Testimony and exhibits shall not be quoted or included in briefs except for short excerpts pertinent to the argument presented.

(e) *Filing and service.* Briefs shall be filed with the Commission and served on all parties as required pursuant to subpart B of this part.

§ 3010.331 Proposed findings and conclusions.

The Commission or the presiding officer may direct the filing of proposed findings and conclusions with a brief statement of the supporting reasons for each proposed finding and conclusion.

§ 3010.332 Oral argument before the presiding officer.

In any case in which the presiding officer is to issue an intermediate decision, such officer may permit the presentation of oral argument when, in the presiding officer's opinion, time permits, and the nature of the proceedings, the complexity or importance of the issues of fact or law involved, and the public interest warrants hearing such argument. The presiding officer shall determine the time and place for oral argument, and may specify the issue or issues on which oral argument is to be presented, the order in which the presentations shall be made, and the amount of time allowed each party. A request for oral argument before the issuance of an intermediate decision shall be made during the course of the hearing on the record.

§ 3010.333 Oral argument before the Commission.

(a) *When ordered.* In any proceeding before the Commission for decision, the Commission, upon the request of any party or on its own initiative, may order oral argument when, in the Commission's discretion, time permits, and the nature of the proceedings, the complexity or importance of the issues of fact or law involved, and public interest warrants such argument.

(b) *How requested.* Any party in a proceeding before the Commission for decision may request oral argument before the Commission by filing a timely motion. In a proceeding before the Commission on exceptions to an intermediate decision, such motion shall be filed no later than the date for the filing of briefs on exceptions.

(c) *Notice of oral argument.* The Commission shall rule on requests for oral argument, and if argument is allowed, the Commission shall notify the parties of the time and place set for argument, the amount of time allowed each party, and the issue or issues on which oral argument is to be heard. Unless otherwise ordered by the Commission, oral argument shall be limited to matters properly raised on the record and in the briefs before the Commission.

(d) *Use of documents at oral argument.* Charts, graphs, maps, tables, and other written material may be

presented to the Commission at oral argument only if limited to facts in the record of the case being argued and if copies of such documents are filed with the Secretary and served on all parties at least seven days in advance of the argument. Enlargements of such charts, graphs, maps, and tables may be used at the argument provided copies are filed and served as required by this paragraph.

§ 3010.334 Commission decisions.

(a) At the conclusion of a proceeding on the record with the opportunity for a hearing, the Commission shall issue a final decision which either:

(1) Adopts an intermediate decision prepared by a presiding officer; or

(2) Rules upon the matters that are before the Commission, or provides explanation for why such rulings are not being provided.

(b) Commission decisions shall be based on the evidence entered into the record, and consider the arguments filed on brief. Argument provided in comments may further inform the Commission's decision, but have no evidentiary standing and are not required to be addressed in the final decision.

(c) An intermediate decision may be adopted by the Commission in whole or in part. When an intermediate decision is adopted in part, the Commission shall explain its decisions regarding both what is and is not adopted.

(d) When exceptions, or objections to exceptions, to an intermediate decision are filed pursuant to § 3010.336 by any party to the proceeding, the Commission shall consider and rule upon such exceptions, or objections to exceptions in its final decision.

(e) Commission decisions shall be filed in the docket and served on all parties. Commission decisions shall be part of the record of the proceeding.

§ 3010.335 Intermediate decisions.

(a) An intermediate decision shall be issued by the presiding officer which rules upon the matters that are before the Commission, or provides explanation for why such rulings are not being provided, in a proceeding on the record with the opportunity for a hearing when:

(1) The Commission is not sitting *en banc*; or

(2) The presiding officer has been directed to issue an intermediate decision by Commission notice or order.

(b) Intermediate decisions shall be based on the evidence entered into the record, and shall consider the arguments filed on brief. Arguments provided in comments may further

inform the presiding officer's decision, but are not required to be addressed in the intermediate decision.

(c) Intermediate decisions shall be filed in the docket and served on all parties. Intermediate decisions shall be part of the record of the proceeding.

(d) Intermediate decisions are subject to review by the Commission and subject to challenge by parties to the proceeding through the filing of exceptions pursuant to § 3010.336. After review and consideration of the exceptions filed, intermediate decisions may be adopted by the Commission, in whole or in part, as part of the final decision in the proceeding.

(e)(1) The Commission may, at any time, direct the omission of an intermediate decision and the certification of the record for the Commission's consideration sitting *en banc*. Parties to a proceeding may, by motion, request the omission of an intermediate decision and the certification of the record for the Commission's consideration sitting *en banc*. Motions shall specify:

(i) The concurrence of other parties; and

(ii) Whether opportunity for filing briefs or presenting oral argument to the Commission is desired or waived.

(2) Failure of any party to object to such request shall constitute a waiver of any objections. Motions shall be filed no later than the deadline for the filing of briefs. In either instance, the decision to omit an intermediate decision shall be based upon the consideration of the novelty of the matters before the Commission, and the timely and efficient operation of the docket.

§ 3010.336 Exceptions to intermediate decisions.

(a) *Briefs on exceptions and opposing exceptions.* Any party in a proceeding may file exceptions to any intermediate decision by first filing a notice of intent to file a brief on exceptions with the Commission within seven days after the date of issuance of the intermediate decision or such other time as may be fixed by the Commission. The brief on exceptions shall be filed with the Commission within 30 days after the date of issuance of the intermediate decision or such other time as may be fixed by the Commission. Any party to a proceeding may file a response to briefs on exceptions within 20 days after the time limited for the filing of briefs on exceptions or such other time as may be fixed by the Commission. No further response will be entertained unless the Commission, upon motion for good cause shown or on its own initiative, so orders.

(b) *Filing and contents.* Briefs on exceptions and briefs opposing exceptions shall be filed in accordance with § 3010.330. In briefs on exceptions, the discussion of evidence, reasons and authorities shall be specifically directed to the findings, conclusions and recommendations in the intermediate decision to which exception is taken. Briefs on exceptions should not include a discussion of evidence and authorities on matters and issues to which no exception to the intermediate decision is taken. Briefs on exceptions and briefs opposing exceptions need not contain a statement of the case to the extent that it was correctly stated in either the intermediate decision or the brief on exceptions of another party to which reference is made.

(c) *Failure to except results in waiver.* Any party who fails to except or object to any part of an intermediate decision in its brief on exceptions may not thereafter raise such exceptions or objections which shall be deemed to have been waived.

Except as provided by § 3011.205, non-public materials cease to be non-public if the submitter publicly discloses the materials with the consent of each affected person with a propriety interest in the materials (if applicable). The cessation of non-public status applies to the particular document or thing and

the particular information contained therein (in whole or in part, as applicable).

* * * * *

(c) Upon its own motion, the Commission may issue notice of its preliminary determination concerning the appropriate degree of protection, if any, to be accorded to materials claimed by any person to be non-public. A response is due within seven calendar days of issuance of the preliminary determination, unless the Commission otherwise provides. No reply to a response shall be filed, unless the Commission otherwise provides. Pending the Commission's resolution of the preliminary determination, information designated as non-public will be accorded non-public treatment. The Commission will enter an order determining what non-public treatment, if any, will be accorded to the materials after the response period described in this paragraph has expired. The determination of the Commission shall follow the applicable standard described in § 3011.104.

■ 47. Amend newly redesignated § 3011.200 by revising paragraph (a) to read as follows:

Upon receipt of that telephone request, the Commission personnel will remove from the publicly available materials those materials for which non-public treatment are being requested until the end of the next business day in order to provide the submitter or person with a proprietary interest an opportunity to submit an application for non-public treatment and the non-public materials in accordance with the requirements of this subpart. If any submitter makes repeated use of this rule, the Secretary has discretion to impose additional requirements on this submitter as necessary to ensure secure submission of non-public materials.

(c) An application for non-public treatment made under paragraph (a) or (b) of this section shall also clearly indicate if any special relief is sought. Examples of special relief include a request that any person not granted access to the materials under § 3011.300 or § 3011.301 perform any or all of the following actions:

* * * * *

(3) Take reasonable steps to retrieve any materials, and the information contained therein, that are claimed to be non-public and were disclosed to any person not granted access to the materials under § 3011.300 or § 3011.301 prior to the submission of application for non-public treatment.

* * * * *

(c) *Response.* If actual notice of the motion was provided in advance of the filing to each person identified pursuant to § 3011.201(b)(2) by telephone conversation, face-to-face conversation, or an exchange of telephone or email messages, a response to the motion is due within three business days of the filing of the motion, unless the Commission otherwise provides. In all other circumstances, a response to the motion is due within seven calendar days of filing the motion, unless the Commission otherwise provides.

In all other circumstances, the Commission will enter an order determining if access will be granted after the response period described in paragraph (c) of this section has expired. In determining whether to grant access to non-public materials, the Commission shall balance the interests of the parties consistent with the analysis undertaken by a Federal court when applying the protective conditions appearing in Federal Rule of Civil Procedure 26(c). If access is granted, access shall commence following the issuance of the appropriate order setting forth all protective conditions.

For purposes of this paragraph, an order or report is not considered final until after the

possibility of judicial review expires (including the completion of any Commission response to judicial review, if applicable).

* * * * *

(b) *Amendment of access.* Any person may file a motion seeking to amend any protective conditions related to access of non-public materials, including extending the timeframe for which access is granted or expanding the persons to whom access is to be granted, in accordance with § 3011.301.

§ 3011.400 Motion for disclosure of non-public materials.

(a) *Application of this section.* This section applies to non-public materials during the initial duration of non-public status, up to ten years, and any non-public materials for which the Commission enters an order extending the duration of that status under § 3011.401(a).

(b) *Motion for disclosure of non-public materials.* Any person may file a motion with the Commission requesting that non-public materials be publicly disclosed. Any part of the motion revealing non-public information shall be filed in accordance with subpart B of this part. The motion shall justify why the non-public materials should be made public and specifically address any pertinent rationale(s) provided in the application for non-public treatment. The motion shall specify

whether actual notice of the motion has been provided to each person identified in the application pursuant to § 3011.201(b)(2). If the motion states that actual notice has been provided, the motion shall identify the individual(s) to whom actual notice was provided, the date(s) and approximate time(s) of actual notice, the method(s) of actual notice (by telephone conversation, face-to-face conversation, or an exchange of telephone or email messages), and whether the movant is authorized to represent that the motion (in whole or in part) has been resolved or is contested by the submitter or any other affected person. (c) *Response.* If actual notice of the motion was provided in advance of the filing to each person identified pursuant to § 3011.201(b)(2) by telephone conversation, face-to-face conversation, or an exchange of telephone or email messages, a response to the motion is due within three business days of the filing of the motion, unless the Commission otherwise provides. In all other circumstances, the Commission will enter an order determining what non-public treatment, if any, will be accorded to the materials after the response period described in paragraph (c) of this section has expired. The determination of the Commission shall follow the applicable standard described in § 3011.104.

■ 58. Amend newly redesignated § 3011.401 by revising paragraphs (c) and (f) to read as follows:

(f) *Ruling.* The Commission may grant the request at any time after the response period described in paragraph (c) of this section has expired. The Commission may deny the request and enter an order extending the duration of non-public status at any time after the reply period described in paragraph (d) of this section has expired.  Appendix A to Part 3020—Pro Forma N-Case
 Procedural Schedule

Authority: 39 U.S.C. 404(d); 503; 504; 3661.

§ 3020.101 Applicability.

The rules in this part govern the procedure with regard to proposals of the Postal Service pursuant to 39 U.S.C. 3661 requesting from the Commission an advisory opinion on changes in the nature of postal services that will generally affect service on a nationwide or substantially nationwide basis. The Rules of General Applicability in part 3010 of this chapter are also applicable to proceedings conducted pursuant to this subpart except that §§ 3010.160 through 3010.164 (Motions); § 3010.310 (Discovery—general policy); § 3010.311 (Interrogatories for purposes of discovery); § 3010.312 (Requests for production of documents or things for the purpose of discovery); § 3010.321 (Hearings); § 3010.325 (Depositions); and § 3010.330 (Briefs) of this chapter do not apply in proceedings conducted under this part.

§ 3020.102 Advisory opinion and special studies.

(a) *Issuance of opinion.* In the absence of a determination of good cause for extension, the Commission shall issue an advisory opinion in proceedings conducted under this subpart not later than 90 days following the filing of the Postal Service's request for an advisory opinion.

(b) *Special studies.* Advisory opinions shall address the specific changes proposed by the Postal Service in the nature of postal services. If, in any proceeding, alternatives or related issues of significant importance arise, the Commission may, in its discretion, undertake an evaluation of such alternative or issues by means of special studies, public inquiry proceedings, or other appropriate means.

§ 3020.103 Computation of time.

In computing any period of time prescribed or allowed by this subpart, the term *day* means a calendar day

unless explicitly specified otherwise. The last day of the period so computed is to be included unless it is a Saturday, Sunday, or Federal holiday for the Commission, in which event the period runs until the end of the next day which is neither a Saturday, Sunday, nor Federal holiday.

§ 3020.104 Service by the Postal Service.

By filing its request electronically with the Commission, the Postal Service is deemed to have effectively served copies of its formal request and its prepared direct evidence upon those persons, including the officer of the Commission, who participated in the pre-filing conference held under § 3020.111. The Postal Service shall be required to serve hard copies of its formal request and prepared direct evidence only upon those persons who have notified the Postal Service, in writing, during the pre-filing conference(s), that they do not have access to the Commission's website.

§ 3020.105 Motions.

(a) *In general.* (1) An application for an order or ruling not otherwise specifically provided for in this subpart shall be made by motion. A motion shall set forth with particularity the ruling or relief sought, the grounds and basis therefor, and the statutory or other authority relied upon, and shall be filed with the Secretary and served pursuant to the provisions of subpart B to part 3010 of this chapter. A motion to dismiss proceedings or any other motion that involves a final determination of the proceeding, any motion under § 3020.121, and a motion that seeks to extend the deadline for issuance of an advisory opinion shall be addressed to the Commission. After a presiding officer is designated in a proceeding, all other motions in that proceeding, except those filed under part 3011 of this chapter, shall be addressed to the presiding officer.

(2) Within five days after a motion is filed, or such other period as the Commission or presiding officer in any proceeding under this subpart may establish, any participant to the proceeding may file and serve an answer in support of or in opposition to the motion pursuant to subpart B to part 3010 of this chapter. Such an answer shall state with specificity the position of the participant with regard to the ruling or relief requested in the motion and the grounds and basis and statutory or other authority relied upon. Unless the Commission or presiding officer otherwise provides, no reply to an answer or any further responsive document shall be filed.

(b) *Motions to be excused from answering discovery requests.* (1) A motion to be excused from answering discovery requests shall be filed with the Commission within three days of the filing of the interrogatory, request for production, or request for admission to which the motion is directed. If a motion to be excused from answering is made part of an interrogatory, request for production, or request for admission, the part to which objection is made shall be clearly identified. Claims of privilege shall identify the specific evidentiary privilege asserted and state the reasons for its applicability. Claims of undue burden shall state with particularity the effort that would be required to answer or respond to the request, providing estimates of costs and workhours required, to the extent possible.

(2) An answer to a motion to be excused from answering a discovery request shall be filed within two days of the filing of the motion. The text of the discovery request and any answer previously provided by the Postal Service shall be included as an attachment to the answer.

(3) Unless the Commission or presiding officer grants the motion to be excused from answering, the Postal Service shall answer the interrogatory, production request, or request for admission. Answers shall be filed in conformance with subpart B to part 3010 of this chapter within three days of the date on which a motion to be excused from answering is denied.

(4) The Commission or presiding officer may impose such terms and conditions as are just and may, for good cause, issue a protective order, including an order limiting or conditioning interrogatories, requests for production, and requests for admission as justice requires to protect the Postal Service from undue annoyance, embarrassment, oppression, or expense.

(c) *Motions to strike.* Motions to strike are requests for extraordinary relief and are not substitutes for briefs or rebuttal evidence in a proceeding. A motion to strike testimony or exhibit materials must be submitted in writing at least three days before the scheduled appearance of a witness, unless good cause is shown. Responses to motions to strike are due within two days.

(d) *Motions for leave to file surrebuttal testimony.* Motions for leave to file surrebuttal testimony submitted pursuant to § 3020.121 and any answers thereto must be filed on or before the dates provided in the procedural schedule established by the Commission.

§§ 3020.106—3020.109 [Reserved]**§ 3020.110 Procedural schedule.**

(a) *Notice.* Subject to paragraph (b) of this section, the Commission shall include in the notice of proceeding issued under § 3010.151 of this chapter a procedural schedule based upon the pro forma schedule set forth in appendix A of this part. The procedural schedule shall include:

- (1) A deadline for notices of interventions;
- (2) The date(s) for the mandatory technical conference between the Postal Service, Commission staff, and interested parties;
- (3) The deadline for discovery on the Postal Service's direct case;

- (10) The date for filing initial briefs;
- (11) The date for filing reply briefs; and
- (12) A deadline for issuance of an advisory opinion which is 90 days from the date of filing.

(b) *Changes for good cause.* These dates are subject to change for good cause only.

(c) *Incomplete request.* If at any time the Commission determines that the Postal Service's request is incomplete or that changes made subsequent to its filing significantly modify the request, the Commission may extend the deadlines established or take any other action as justice may require.

§ 3020.111 Pre-filing requirements.

(a) *Pre-filing conference required.* Prior to the Postal Service filing a request that the Commission issue an advisory opinion on a proposed change in the nature of postal services subject to the procedures established in this subpart, the Postal Service shall conduct one or more pre-filing conference(s) with interested persons in the proceeding and shall make a good faith effort to address the concerns of such persons.

(b) *Purpose.* The purpose of a pre-filing conference is to expedite

consideration of the Postal Service's request for the issuance of advisory opinions by informing interested persons of the Postal Service's proposal; by providing an opportunity for interested persons to give feedback to the Postal Service that can be used by the Postal Service to modify or refine its proposal before it is filed at the Commission; and by identifying relevant issues and information needed to address those issues during proceedings at the Commission.

(c) *Rationale for the proposal.* The Postal Service shall make available at the pre-filing conference a representative capable of discussing the policy rationale behind the Postal Service's proposal with interested persons.

(d) *Notice.* The Postal Service shall file with the Commission a notice of its intent to conduct any pre-filing conference(s) at least ten days before the first scheduled conference. The notice filed by the Postal Service shall include a schedule of proposed date(s) and location(s) for the conference(s). Upon receipt of such notice, the Commission shall issue a notice of pre-filing conference(s), which shall be published in the **Federal Register**, and appoint a Public Representative.

(e) *Nature of conferences.* Discussions during the pre-filing conference(s) shall be informal and off the record. No formal record will be created during a pre-filing conference.

(f) *Noncompliance.* If the Postal Service's noncompliance with the requirements of the pre-filing conference under § 3020.113(b)(4) is established by a participant, the Commission may, in its discretion, consider an extension of, or modification to, the procedural schedule.

(g) *Informal meetings.* Interested persons may meet outside the context of a pre-filing conference, among themselves or with the Postal Service, individually or in groups, to discuss the proposed changes in the nature of postal services.

§ 3020.112 Filing of formal requests.

Whenever the Postal Service determines to request that the Commission issue an advisory opinion on a proposed change in the nature of postal services subject to this subpart, the Postal Service shall file with the Commission a formal request for such an opinion in accordance with the requirements of subpart B to part 3010 of this chapter and § 3020.113. The request shall be filed not less than 90 days before the proposed effective date of the change in the nature of postal

services involved. Within five days after the Postal Service has filed a formal request for an advisory opinion in accordance with this section, the Secretary shall lodge a notice thereof with the director of the Office of the Federal Register for publication in the **Federal Register**.

§ 3020.113 Contents of formal requests.

(a) *General requirements.* A formal request filed under this subpart shall include such information and data and such statements of reasons and basis as are necessary and appropriate to fully inform the Commission and interested persons of the nature, scope, significance, and impact of the proposed change in the nature of postal services and to show that the change in the nature of postal services is in accordance with and conforms to the policies established under title 39, United States Code.

(b) *Specific information.* A formal request shall include:

(1) A detailed statement of the present nature of the postal services proposed to be changed and the change proposed;

(2) The proposed effective date for the proposed change in the nature of postal services;

(3) A full and complete statement of the reasons and basis for the Postal Service's determination that the proposed change in the nature of postal services is in accordance with and conforms to the policies of title 39, United States Code;

(4) A statement that the Postal Service has completed the pre-filing conference(s) required by § 3020.111, including the time and place of each conference and a certification that the Postal Service has made a good faith effort to address concerns of interested persons about the Postal Service's proposal raised at the pre-filing conference(s);

(5) The prepared direct evidence required by § 3020.114;

(6) The name of an institutional witness capable of providing information relevant to the Postal Service's proposal that is not provided by other Postal Service witnesses; and

(7) Confirmation that Postal Service witnesses, including its institutional witness, will be available for the mandatory technical conference provided for in § 3020.115.

(c) *Additional information.* The Commission may request additional information from the Postal Service concerning a formal request.

(d) *Reliance on prepared direct evidence.* The Postal Service may incorporate detailed data, information, and statements of reason or basis

contained in prepared direct evidence submitted under paragraph (b)(5) of this section into its formal request by reference to specific portions of the prepared direct evidence.

§ 3020.114 Filing of prepared direct evidence.

As part of a formal request for an advisory opinion under this subpart, the Postal Service shall file all of the prepared direct evidence upon which it proposes to rely in the proceeding on the record before the Commission to establish that the proposed change in the nature of postal services is in accordance with and conforms to the policies of title 39, United States Code. Such prepared direct evidence shall be in the form of prepared written testimony and documentary exhibits which shall be filed in accordance with §§ 3010.322 and 3010.323 of this chapter.

§ 3020.115 Mandatory technical conference.

(a) *Date.* A date for a mandatory technical conference shall be included in the procedural schedule required by § 3020.110. The date for this technical conference shall be set based upon the pro forma schedule set forth in appendix A to this part. The conference shall be held at the offices of the Commission.

(b) *Witnesses.* The Postal Service shall make available at the technical conference each witness whose prepared direct testimony was filed pursuant to § 3020.114. If the Postal Service seeks for any witness to be excused on the basis that the witness's testimony neither presents nor is based upon technical information, it shall make such a motion concurrent with its request.

(c) *Purpose.* The purpose of the technical conference is to provide an informal, off-the-record opportunity for participants, the officer of the Commission representing the interests of the general public, and Commission staff to clarify technical issues and to identify and request information relevant to an evaluation of the nature of changes to postal services proposed by the Postal Service. The technical conference is not part of the formal record in the proceeding.

(d) *Relation to discovery process.* Information obtained during the mandatory technical conference may be used to discover additional relevant information by means of the formal discovery mechanisms provided for in §§ 3020.116 through 3020.119.

(e) *Record.* Information obtained during, or as a result of, the mandatory

technical conference is not part of the decisional record unless admitted under the standards of § 3010.322(a) of this chapter.

§ 3020.116 Discovery—in general.

(a) *Purpose.* The rules in this subpart allow discovery that is reasonably calculated to lead to admissible evidence during a proceeding. The notice and scheduling order issued pursuant to § 3020.110 shall provide that discovery will be scheduled to end at least three days prior to the commencement of hearings.

(b) *Informal discovery.* The discovery procedures in this section and §§ 3020.117 through 3020.119 are not exclusive. Participants are encouraged to engage in informal discovery whenever possible to clarify exhibits and testimony. The results of these efforts may be introduced into the record by stipulation, or by other appropriate means. In the interest of reducing motion practice, participants also are expected to use informal means to clarify questions and to identify portions of discovery requests considered overbroad or burdensome.

(c) *Failure to obey orders or rulings.* If a participant fails to obey an order of the Commission or ruling of presiding officer to provide or permit discovery pursuant to this section or §§ 3020.117 through 3020.119, the Commission or the presiding officer may issue orders or rulings in regard to the failure as are just. These orders or rulings may, among other things:

(1) Direct that certain designated facts are established for the purposes of the proceeding;

(2) Prohibit a participant from introducing certain designated matters in evidence;

(3) Strike certain evidence, requests, pleadings, or parts thereof; or

(4) Such other relief as the Commission deems appropriate.

§ 3020.117 Interrogatories.

(a) *Service and contents.* In the interest of expedition and limited to information which appears reasonably calculated to lead to the discovery of admissible evidence, any participant in a proceeding may propound to any other participant no more than a total of 25 written, sequentially numbered interrogatories, by witness, requesting non-privileged information relevant to the subject matter of the proceeding. An interrogatory with subparts that are logically or factually subsumed within and necessarily related to the primary question will be counted as one interrogatory. The respondent shall answer each interrogatory and furnish

such information as is available. The participant propounding the interrogatories shall file them with the Commission in conformance with part 3010, subpart B, of this chapter. Follow-up interrogatories that clarify or elaborate on the answer to an earlier discovery request may be filed after the period for intervenor discovery on the Postal Service case ends, if the interrogatories are filed within seven days of receipt of the answer to the previous interrogatory. In extraordinary circumstances, follow-up interrogatories may be filed not less than six days prior to the filing date for the participant's rebuttal or surrebuttal testimony.

(b) *Answers.* (1) Answers to interrogatories shall be prepared so that they can be incorporated into the record as written cross-examination. Each answer shall begin on a separate page, identify the individual responding and the relevant testimony number, if any, the participant who propounded the interrogatory, and the number and text of the question.

(2) Each interrogatory shall be answered separately and fully in writing by the individual responsible for the answer, unless it is objected to, in which event the reasons for objection shall be stated in a motion to be excused from answering in the manner prescribed by paragraph (c) of this section.

(3) An interrogatory otherwise proper is not necessarily objectionable because an answer would involve an opinion or contention that relates to fact or the application of law to fact.

(4) Answers filed by a respondent shall be filed in conformance with subpart B to part 3010 of this chapter within seven days of the filing of the interrogatories or within such other period as may be fixed by the Commission or presiding officer. Any other period fixed by the Commission or presiding officer shall end before the conclusion of the hearing.

(c) *Motion to be excused from answering.* A respondent may, in lieu of answering an interrogatory, file a motion pursuant to § 3020.105(b) to be excused from answering.

(d) *Supplemental answers.* A respondent has a duty to timely amend a prior answer if it obtains information upon the basis of which it knows that the answer was incorrect when made or is no longer true. A respondent shall serve supplemental answers to update or to correct responses whenever necessary, up until the date the answer could have been accepted into evidence as written cross-examination. A respondent shall indicate whether the answer merely supplements the

previous answer to make it current or whether it is a complete replacement for the previous answer.

§ 3020.118 Production of documents.

(a) *Service and contents.* (1) In the interest of expedition and limited to information which appears reasonably calculated to lead to the discovery of admissible evidence, any participant may serve on any other participant a request to produce and permit the participant making the request, or someone acting on behalf of the participant, to inspect and copy any designated documents or things that constitute or contain matters, not privileged, that are relevant to the subject matter involved in the proceeding and that are in the custody or control of the respondent.

(2) The request shall set forth the items to be inspected either by individual item or category, and describe each item and category with reasonable particularity, and shall specify a reasonable time, place, and manner of making inspection. The participant requesting the production of documents or items shall file its request with the Commission in conformance with part 3010, subpart B, of this chapter.

(b) *Answers.* (1) The respondent shall file an answer to a request under paragraph (a) of this section with the Commission in conformance with subpart B to part 3010 of this chapter within seven days after the request is filed, or within such other period as may be fixed by the Commission or presiding officer. The answer shall state, with respect to each item or category, whether inspection will be permitted as requested.

(2) If the respondent objects to an item or category, it shall state the reasons for objection in a motion to be excused from answering as prescribed by paragraph (c) of this section.

(c) *Motions to be excused from answering.* A respondent may, in lieu of answering a request for production, file a motion pursuant to § 3020.105(b) to be excused from answering.

§ 3020.119 Admissions.

(a) *Service and content.* In the interest of expedition, any participant may serve upon any other participant a written request for the admission of any relevant, unprivileged facts, including the genuineness of any documents or exhibits to be presented in the hearing. The admission shall be for purposes of the pending proceeding only. The participant requesting the admission shall file its request with the

Commission in conformance with subpart B to part 3010 of this chapter.

(b) *Answers.* (1) A matter for which admission is requested shall be separately set forth in the request and is deemed admitted unless, within seven days after the request is filed, or within such other period as may be established by the Commission or presiding officer, the respondent files a written answer or motion to be excused from answering pursuant to paragraph (c) of this section. Answers to requests for admission shall be filed with the Commission in conformance with subpart B to part 3010 of this chapter.

(2) If the answer filed by the respondent does not admit a matter asserted in the participant's request, it must either specifically deny the matter or explain in detail why it cannot truthfully admit or deny the asserted matter. When good faith requires, the respondent must admit a portion of the asserted matter and either deny or qualify the remaining portion of such asserted matter. Lack of knowledge for failing to admit or deny can be invoked only after reasonable inquiry if the information already possessed or reasonably obtainable is insufficient to enable an admission or denial.

(3) Grounds for objection to requests for admission must be stated. Objections cannot be based solely upon the ground that the request presents a genuine issue for trial.

(c) *Motion to be excused from answering.* A respondent may, in lieu of answering a request for admission, file a motion pursuant to § 3020.105(b) to be excused from answering.

§ 3020.120 Rebuttal testimony.

(a) *Timing.* Any participant may file rebuttal testimony on or before the date established for that purpose by the procedural schedule issued by the Commission pursuant to § 3020.110. Hearing on rebuttal testimony shall proceed as set forth in the procedural schedule.

(b) *Limitations.* The scope of rebuttal testimony shall be limited to material issues relevant to the specific proposal made by the Postal Service. Rebuttal testimony shall not propose, or seek to address, alternatives to the Postal Service's proposal.

(c) *Intent to file rebuttal testimony.* If a participant wishes to file rebuttal testimony, it must file a document confirming its intent to file rebuttal testimony with the Commission by the date provided in the procedural schedule.

(d) *Adjustment of dates.* If no participant files a confirmation of intent to file rebuttal testimony on or before

the date established by the procedural schedule issued by the Commission pursuant to § 3020.110, the Commission may adjust other dates in the procedural schedule as it deems to be necessary and appropriate.

§ 3020.121 Surrebuttal testimony.

(a) *Scope.* Surrebuttal testimony shall be limited to material issues relevant to the Postal Service's proposal and to the rebuttal testimony which the surrebuttal testimony seeks to address. Testimony that exceeds the scope of the Postal Service's proposal or rebuttal testimony shall not be permitted.

(b) *Motion for leave to file surrebuttal.* A participant who wishes to file surrebuttal testimony must obtain prior approval by filing with the Commission a motion for leave to file surrebuttal pursuant to § 3020.105(d) on or before the date provided in the procedural schedule established by the Commission. The motion must summarize the surrebuttal testimony the participant wishes to file and must identify and explain exceptional circumstances that require the filing of such testimony. The moving participant bears the burden of demonstrating exceptional circumstances that warrant a grant of the motion. Answers to such motions may be filed as provided in § 3020.105(d).

(c) *Deadline for filing surrebuttal authorized by the Commission.* In the event the Commission grants the motion for leave to file surrebuttal testimony, the moving participant must file its proposed surrebuttal testimony by the date provided in the procedural schedule established pursuant to § 3020.110.

(d) *Adjustment of procedural dates.* If no participant files a motion for leave to file surrebuttal testimony, or if the Commission denies all such motions as may be filed, the remaining dates in the procedural schedule may be adjusted by the Commission as it deems to be necessary and appropriate.

§ 3020.122 Hearings.

(a) *Initiation.* Hearings for the purpose of taking evidence shall be initiated by the issuance of a notice and scheduling order pursuant to § 3020.110.

(b) *Presiding officer.* All hearings shall be held before the Commission sitting *en banc* with a duly designated presiding officer.

(c) *Entering of appearances.* The Commission or the presiding officer before whom the hearing is held will cause to be entered on the record all appearances together with a notation showing on whose behalf each such appearance has been made.

(d) *Order of procedure.* In requests for advisory opinions before the Commission, the Postal Service shall be the first participant to present its case. Unless otherwise ordered by the Commission, the presiding officer shall direct the order of presentation of all other participants and issue such other procedural orders as may be necessary to assure the orderly and expeditious conclusion of the hearing.

(e) *Presentation of the evidence—(1) Presentations by participants.* Each participant shall have the right in public hearings to present evidence relevant to the Postal Service's proposal, cross-examine (limited to testimony adverse to the participant conducting the cross-examination), object, move, and argue. The participant's presentation shall be in writing and may be accompanied by a trial brief or legal memoranda. (Legal memoranda on matters at issue will be welcome at any stage of the proceeding.) When objections to the admission or exclusion of evidence before the Commission or the presiding officer are made, the grounds relied upon shall be stated. Formal exceptions to rulings are unnecessary.

(2) *Written cross-examination.* Written cross-examination will be utilized as a substitute for oral cross-examination whenever possible, particularly to introduce factual or statistical evidence. Designations of written cross-examination shall be served in accordance with part 3010, subpart B, of this chapter no later than three days before the scheduled appearance of a witness. Designations shall identify every item to be offered as evidence, listing the participant who initially posed the discovery request, the witness and/or party to whom the question was addressed (if different from the witness answering), the number of the request and, if more than one answer is provided, the dates of all answers to be included in the record. (For example, "PR-T1-17 to USPS witness Jones, answered by USPS witness Smith (March 1, 1997) as updated (March 21, 1997)"). When a participant designates written cross-examination, two hard copies of the documents (unfastened, single-spaced, not hole-punched) are to be included and shall simultaneously be submitted to the Secretary of the Commission. The Secretary of the Commission shall prepare for the record a packet containing all materials designated for written cross-examination in a format that facilitates review by the witness and counsel. The witness will verify the answers and materials in the packet, and they will be entered into the transcript by the presiding officer.

Counsel may object to written cross-examination at that time, and any designated answers or materials ruled objectionable will not be admitted into the record.

(3) *Oral cross-examination.* Oral cross-examination will be permitted for clarifying written cross-examination and for testing assumptions, conclusions or other opinion evidence. Notices of intent to conduct oral cross-examination shall be filed three or more days before the announced appearance of the witness and shall include specific references to the subject matter to be examined and page references to the relevant direct testimony and exhibits. A participant intending to use complex numerical hypotheticals, or to question using intricate or extensive cross-references, shall provide adequately documented cross-examination exhibits for the record. Copies of these exhibits shall be filed at least two days (including one working day) before the scheduled appearance of the witness. They may be filed online or delivered in hardcopy form to counsel for the witness, at the discretion of the participant. If a participant has obtained permission to receive service of documents in hardcopy form, hardcopy notices of intent to conduct oral cross-examination of witnesses for that participant shall be delivered to counsel for that participant and served three or more working days before the announced appearance of the witness. Cross-examination exhibits shall be delivered to counsel for the witness at least two days (including one working day) before the scheduled appearance of the witness.

(f) *Limitations on presentation of the evidence.* The taking of evidence shall proceed with all reasonable diligence and dispatch, and to that end, the Commission or the presiding officer may limit appropriately:

(1) The number of witnesses to be heard upon any issue;

(2) The examination by any participant to specific issues; and

(3) The cross-examination of a witness to that required for a full and true disclosure of the facts necessary for exploration of the Postal Service's proposal, disposition of the proceeding, and the avoidance of irrelevant, immaterial, or unduly repetitious testimony.

(g) *Motions during hearing.* Except as provided in § 3020.105(a), after a hearing has commenced in a proceeding, a request may be made by motion to the presiding officer for any procedural ruling or relief desired. Such motions shall set forth the ruling or relief sought, and state the grounds

therefore and statutory or other supporting authority. Motions made during hearings may be stated orally upon the record, except that the presiding officer may require that such motions be reduced to writing and filed separately. Any participant shall have the opportunity to answer or object to such motions at the time and in the manner directed by the presiding officer.

(h) *Rulings on motions.* The presiding officer is authorized to rule upon any motion not reserved for decision by the Commission in § 3020.105(a). This section shall not preclude a presiding officer from referring any motion made in hearing to the Commission for ultimate determination.

(i) *Transcript corrections.* Corrections to the transcript of a hearing shall not be requested except to correct a material substantive error in the transcription made at the hearing.

(j) *Field hearings.* Field hearings will not be held except upon a showing by any participant and determination by the Commission that there is exceptional need or utility for such a hearing which cannot be accomplished by alternative means.

§ 3020.123 Initial and reply briefs.

(a) *When filed.* At the close of the taking of testimony in any proceeding, participants may file initial and reply briefs. The dates for filing initial and reply briefs shall be established in the procedural schedule issued pursuant to § 3020.110. Such dates may be modified by subsequent order issued by the Commission or the presiding officer.

(b) *Contents.* Each brief filed with the Commission shall be as concise as possible and shall include the following in the order indicated:

(1) A subject index with page references, and a list of all cases and authorities relied upon, arranged alphabetically, with references to the pages where the citation appears;

(2) A concise statement of the case from the viewpoint of the filing participant;

(3) A clear, concise, and definitive statement of the position of the filing participant as to the Postal Service request;

(4) A discussion of the evidence, reasons, and authorities relied upon with precise references to the record and the authorities; and

(5) Proposed findings and conclusions with appropriate references to the record or the prior discussion of the evidence and authorities relied upon.

(c) *Length.* Initial briefs filed by all participants other than the Postal Service shall not exceed 14,000 words.

Initial briefs filed by the Postal Service shall not exceed 21,000 words. Reply briefs filed by all participants other than the Postal Service shall not exceed 7,000 words. Reply briefs filed by the Postal Service shall not exceed 10,500 words. All participants shall attest to the number of words contained in their brief. Tables of cases, tables of citations, and appendices shall not be considered as part of the word count.

(d) *Include by reference.* Briefs before the Commission or a presiding officer shall be completely self-contained and

shall not incorporate by reference any portion of any other brief, pleading, or document.

(e) *Excerpts from the record.*

Testimony and exhibits shall not be quoted or included in briefs except for short excerpts pertinent to the argument presented.

(f) *Filing and service.* Briefs shall be filed in the form and manner and served as required by subpart B to part 3010 of this chapter.

(g) *Statements of Position.* As an alternative to filing a formal brief, a

participant may file a Statement of Position. To the extent practicable, the contents of each Statement of Position should include a clear, concise, and definitive statement of the position of the filing participant as to the Postal Service request, as well as any points or factors in the existing record that support the participant's position. Statements of Position shall be limited to the existing record and shall not include any new evidentiary material.

(k) A Commission finding that a planned Type 1-A, Type 1-B, or Type 1-C rate adjustment is in compliance with the annual limitation calculated under § 3030.521 or § 3030.522, as applicable; the limitation set forth in § 3030.529; and 39 U.S.C. 3626, 3627, and 3629 is decided on the merits. A Commission finding that a planned Type 1-A, Type 1-B, or Type 1-C rate adjustment does not contravene other policies of 39 U.S.C. chapter 36, subchapter I is provisional and subject to subsequent review.

■ 99. Amend newly redesignated § 3030.512 by revising paragraphs (b)(1), (3), and (4), (b)(9)(ii), and (e) to read as follows:

§ 3030.512 Contents of notice of rate adjustment.

* * * * *

(b) * * *

(1) The annual limitation calculated as required by § 3030.521 or § 3030.522, as appropriate. This information must be supported by workpapers in which all calculations are shown and all input values, including all relevant CPI-U values, are listed with citations to the original sources.

* * * * *

(3) The percentage change in rates for each class of mail calculated as required by § 3030.523. This information must be supported by workpapers in which all calculations are shown and all input values, including current rates, new rates, and billing determinants, are listed with citations to the original sources.

(4) The amount of new unused rate adjustment authority, if any, that will be generated by the rate adjustment calculated as required by § 3030.526 or § 3030.527, as applicable. All calculations are to be shown with citations to the original sources. If new unused rate adjustment authority will be generated for a class of mail that is not expected to cover its attributable costs, the Postal Service must provide the rationale underlying this rate adjustment.

* * * * *

(g) * * *

(ii) Whether the Postal Service has excluded the rate incentive from the calculation of the percentage change in rates under § 3030.523(e) or § 3030.524.

* * * * *

(e) The notice of rate adjustment shall identify for each affected class how much existing unused rate adjustment authority is used in the planned rates calculated as required by § 3030.528. All calculations are to be shown, including citations to the original sources.

* * * * *

■ 100. Amend newly redesignated § 3030.520 by revising paragraphs (b) and (d)(2) to read as follows:

§ 3030.520 Calculation of maximum rate adjustment.

* * * * *

(b) Type 1-A and Type 1-B rate adjustments are subject to an inflation-based annual limitation computed using CPI-U values as detailed in §§ 3030.521(a) and 3030.522(a).

* * * * *

(d) * * *

(2) For a Type 1-B notice of rate adjustment, the annual limitation for the class plus the unused rate adjustment authority for the class that the Postal

Service elects to use, subject to the limitation under § 3030.529.

* * * * *

■ 101. Amend newly redesignated § 3030.523 by revising paragraph (e)(1) to read as follows:

§ 3030.523 Calculation of percentage change in rates.

* * * * *

(e) * * *

(1) Rate incentives may be excluded from a percentage change in rates calculation. If the Postal Service elects to exclude a rate incentive from a percentage change in rates calculation, the rate incentive shall be treated in the same manner as a rate under a negotiated service agreement (as described in § 3030.524).

* * * * *

■ 102. Amend newly redesignated § 3030.524 by revising paragraph (a) to read as follows:

§ 3030.524 Treatment of volume associated with negotiated service agreements and rate incentives that are not rates of general applicability.

(a) Mail volumes sent at rates under a negotiated service agreement or a rate incentive that is not a rate of general applicability are to be included in the calculation of percentage change in rates under § 3030.523 as though they paid the appropriate rates of general applicability. Where it is impractical to identify the rates of general applicability (e.g., because unique rate categories are created for a mailer), the volumes associated with the mail sent under the terms of the negotiated service agreement or the rate incentive that is not a rate of general applicability shall be excluded from the calculation of percentage change in rates.

* * * * *

■ 103. Revise newly redesignated § 3030.525 to read as follows:

§ 3030.525 Limitation on application of unused rate adjustment authority.

Unused rate adjustment authority may only be applied after applying the annual limitation calculated pursuant to § 3030.521 or § 3030.522.

■ 104. Amend newly redesignated § 3030.526 by revising paragraphs (b) and (c)(2) to read as follows:

§ 3030.526 Calculation of unused rate adjustment authority for Type 1–A and Type 1–B rate adjustments.

* * * * *

(b) When notices of Type 1–A or Type 1–B rate adjustments are filed 12 months apart or less, annual unused rate adjustment authority will be calculated. Annual unused rate adjustment authority for a class is equal to the

difference between the annual limitation calculated pursuant to § 3030.521 or § 3030.522 and the percentage change in rates for the class calculated pursuant to § 3030.523(b)(1).

(c) * * *

(2) Interim unused rate adjustment authority is equal to the Base Average applicable to the second notice of rate adjustment (as developed pursuant to § 3030.521(b)) divided by the Recent Average utilized in the first notice of rate adjustment (as developed pursuant to § 3030.521(b)) and subtracting 1 from the quotient. The result is expressed as a percentage.

* * * * *

■ 105. Amend newly redesignated § 3030.527 by revising paragraphs (a), (c), and (d) to read as follows:

§ 3030.527 Calculation of unused rate adjustment authority for Type 1–C rate adjustments.

(a) For a notice of Type 1–C rate adjustment, unused rate adjustment authority for a class is calculated in two steps. First, the difference between the annual limitation calculated pursuant to § 3030.521 or § 3030.522 for the most recent notice of Type 1–A or Type 1–B rate adjustment and the percentage change in rates for the class calculated pursuant to § 3030.523(b)(2) is calculated. Second, the unused rate adjustment authority generated in the most recent Type 1–A or Type 1–B rate adjustment is subtracted from that result.

* * * * *

(c) Unused rate adjustment authority generated under paragraph (a) of this section for a class shall be added to the unused rate adjustment authority generated in the most recent notice of Type 1–A rate adjustment on the schedule maintained under § 3030.526(f). For purposes of § 3030.528, the unused rate adjustment authority generated under paragraph (a) of this section for a class shall be deemed to have been added to the schedule maintained under § 3030.526(f) on the same date as the most recent notice of Type 1–A or Type 1–B rate adjustment.

(d) Unused rate adjustment authority generated under paragraph (a) of this section shall be subject to the limitation under § 3030.529, regardless of whether it is used alone or in combination with other existing unused rate adjustment authority.

■ 106. Amend newly redesignated § 3030.530 by revising paragraph (b) to read as follows:

§ 3030.530 De minimis rate increases.

* * * * *

(b) No unused rate adjustment authority will be added to the schedule of unused rate adjustment authority maintained under § 3030.526(f) as a result of a *de minimis* rate increase.

* * * * *

■ 107. Revise newly redesignated § 3030.562 to read as follows:

§ 3030.562 Supplemental information.

The Commission may require the Postal Service to provide clarification of its request or to provide information in addition to that called for by § 3030.561 in order to gain a better understanding of the circumstances leading to the request or the justification for the specific rate adjustments requested.

■ 108. Amend newly redesignated § 3030.563 by revising paragraph (b) to read as follows:

§ 3030.563 Treatment of unused rate adjustment authority.

* * * * *

(b) Pursuant to an exigent request, rate adjustments may use existing unused rate adjustment authority in amounts greater than the limitation described in § 3030.528 of this subpart.

* * * * *

■ 109. Amend newly redesignated § 3030.565 by revising paragraph (c) to read as follows:

§ 3030.565 Special procedures applicable to exigent requests.

* * * * *

(c) Interested persons will be given an opportunity to submit to the Commission suggested relevant questions that might be posed during the public hearing. Such questions, and any explanatory materials submitted to clarify the purpose of the questions, should be filed in accordance with part 3010, subpart B, of this chapter and will become part of the administrative record of the proceeding.
