

POLICIES AND PRACTICES FOR RETENTION AND DISPOSAL OF RECORDS:

The FCC is developing a records retention and disposal schedule for these records that will be submitted to the National Archives and Records Administration (NARA) for review and approval. No records will be destroyed until NARA has approved this new records schedule.

ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:

The electronic data, records, and files will be stored within the auctioneer's accreditation boundaries. The FCC will oversee the auctioneer's management of this system. Access to the electronic files is restricted to the FCC staff and its contractors and subcontractors, and to the employees of the auctioneer and its contractors and subcontractors, who carry out the auction activities. Other FCC employees, auctioneer employees, contractors and subcontractors may be granted access only on a need-to-know basis. The data are protected by the auctioneer's security safeguards, a comprehensive and dynamic set of information technology (IT) safety and security protocols and features that are designed to meet all Federal IT standards, including, but not limited to, those required by the Federal Information Security Modernization Act of 2014 (FISMA), the Office of Management and Budget (OMB), and the National Institute of Standards and Technology (NIST). The electronic files and records are destroyed by electronic erasure or destruction, as applicable, when no longer needed.

Employees of the FCC and of the auctioneer may print paper copies of these electronic records for various, short-term uses, as necessary. These paper document copies are stored in locked file cabinets when not in use. Physical entry by unauthorized persons where this information is stored is restricted through use of locks, passwords, and other security measures. Only authorized FCC and auctioneer employees may have access to these documents. These paper documents are destroyed by shredding when no longer needed.

RECORDS ACCESS PROCEDURES:

Individuals wishing to request access to and/or amendment of records about themselves should follow the Notification Procedure below.

CONTESTING RECORDS PROCEDURES:

Individuals wishing to request access to and/or amendment of records about them should follow the Notification Procedure below.

NOTIFICATION PROCEDURES:

Individuals wishing to determine whether this system of records contains information about them may do so by writing to Leslie F. Smith, Privacy Manager, Information Technology, Federal Communications Commission, 445 12th Street SW, Washington, DC 20554, or email Leslie.Smith@fcc.gov.

Individuals must furnish reasonable identification by showing any two of the following: Social security card; passport; driver's license; employee identification card; Medicare card; birth certificate; bank credit card; and/or other positive means of identification, or by signing an identity statement stipulating that knowingly or willfully seeking or obtaining access to records about another person under false pretenses is punishable by a fine of up to \$5,000.

Individuals requesting access must also comply with the FCC's Privacy Act regulations regarding verification of identity and access to records (47 CFR part 0, subpart E).

EXEMPTIONS PROMULGATED FOR THE SYSTEM:

None.

HISTORY:

This is a new system of records.

FEDERAL COMMUNICATIONS COMMISSION

[GN Docket No. 17-208]

Meeting of the Federal Advisory Committee on Diversity and Digital Empowerment

AGENCY: Federal Communications Commission.

ACTION: Notice.

SUMMARY: In accordance with the Federal Advisory Committee Act, this notice announces, and provides an agenda for, the first meeting of the Federal Communications Commission's (Commission) re-chartered Advisory Committee on Diversity and Digital Empowerment (ACDDE). The charter for the ACDDE has been renewed for a two-year period beginning July 5, 2019.

DATES: Wednesday, October 30, 2019, beginning at 10:00 a.m.

ADDRESSES: Federal Communications Commission, 445 12th Street SW, Room TW-C305, Washington, DC 20554.

FOR FURTHER INFORMATION CONTACT: Jamila Bess Johnson, Designated Federal

Officer (DFO) of the ACDDE, (202) 418-2608, Jamila-Bess.Johnson@fcc.gov; Julie Saulnier, Deputy DFO of the ACDDE, (202) 418-1598, Julie.Saulnier@fcc.gov; or Jamile Kadre, Deputy DFO of the ACDDE, (202) 418-2245, Jamile.Kadre@fcc.gov.

SUPPLEMENTARY INFORMATION:

Proposed Agenda: The agenda for the meeting will include introducing members of the ACDDE, including the Committee Chair and Vice Chair, and establishing working groups that will assist the ACDDE in carrying out its work. This agenda may be modified at the discretion of the ACDDE Chair and the DFO. As will be discussed, the Committee's mission is to provide recommendations to the Commission on how to empower disadvantaged communities and accelerate the entry of small businesses, including those owned by women and minorities, into the media, digital news and information, and audio and video programming industries, including as owners, suppliers, and employees.

This meeting is open to members of the public. The Commission will accommodate as many attendees as possible; however, admittance will be limited to seating availability. The Commission will also provide audio and video coverage of the meeting over the internet at www.fcc.gov/live. Oral statements at the meeting by parties or entities not represented on the ACDDE will be permitted to the extent time permits and at the discretion of the ACDDE Chair and the DFO. Members of the public may submit comments to the ACDDE in the Commission's Electronic Comment Filing System ECFS, at www.fcc.gov/ecfs. Comments to the ACDDE should be filed in Docket No. 17-208.

Open captioning will be provided for this event. Other reasonable accommodations for persons with disabilities are available upon request. Requests for such accommodations should be submitted via email to fcc504@fcc.gov or by calling the Consumer and Governmental Affairs Bureau at (202) 418-0530 (voice), (202) 418-0432 (TTY). Such requests should include a detailed description of the accommodation needed. In addition, please include a way for the Commission to contact the requester if more information is needed to fulfill the request. Please allow at least five days' notice; last minute requests will be accepted but may not be possible to accommodate.

Federal Communications Commission.

Information Collection Being Reviewed by the Federal Communications Commission

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act of 1995 (PRA), the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

DATES: Written PRA comments should be submitted on or before December 10, 2019. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Nicole Ongele, FCC, via email PRA@fcc.gov and to Nicole.ongele@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Nicole Ongele, (202) 418–2991.

SUPPLEMENTARY INFORMATION: OMB Control Number: 3060–0484.

Title: Part 4 of the Commission's Rules Concerning Disruptions to Communications.

Form Number: Not applicable.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities; Not-for-profit institutions.

Number of Respondents and Responses: 965 respondents; 26,795 responses.

Estimated Time Per Response: 2 hours.

Frequency of Response: On occasion and annual reporting requirements, recordkeeping requirement and third-party disclosure requirement.

Obligation to Respond: Mandatory. Statutory authority for this information collection is contained in 47 U.S.C. 151, 154(i)–(j) & (o), 201(b), 214(d), 218, 251(e)(3), 301, 303(b), 303(g), 303(r), 307, 309(a), 316, 332, 403, 615a–1, and 615c.

Total Annual Burden: 53,590 hours.

Total Annual Cost: No Cost.

Privacy Act Impact Assessment: No impact(s).

Nature and Extent of Confidentiality: In accordance with 47 CFR 4.2, reports and information contained therein are presumed confidential. The filings are shared with the Department of Homeland Security through password-protected real time access to NORS. Other persons seeking disclosure must follow the procedures delineated in 47 CFR Sections 0.457 and 0.459 of the Commission's rules for requests for and disclosure of information. This information collection does not affect the confidential treatment of information provided to the Commission through outage reports filed in NORS.

Needs and Uses: The general purpose of the Commission's Part 4 rules is to gather sufficient information regarding disruptions to telecommunications to facilitate FCC monitoring, analysis, and investigation of the reliability and security of voice, paging, and interconnected Voice over internet Protocol (interconnected VoIP) communications services, and to identify and act on potential threats to our Nation's telecommunications infrastructure. The Commission uses this information collection to identify the duration, magnitude, root causes, and contributing factors with respect to

significant outages, and to identify outage trends; support service restoration efforts; and help coordinate with public safety officials during times of crisis. The Commission also maintains an ongoing dialogue with reporting entities, as well as with the communications industry at large, generally regarding lessons learned from the information collection in order to foster a better understanding of the root causes of significant outages and to explore preventive measures in the future so as to mitigate the potential scale and impact of such outages.

Federal Communications Commission.

Marlene Dortch,

Secretary, Office of the Secretary.
