

conditions are qualified to operate a CMV in interstate commerce. The advisory criteria states that ICDs are disqualifying due to risk of syncope.

III. Qualifications of Applicants

John Gittenmeier

Mr. Gittenmeier is a commercial motor vehicle driver in Missouri. An August 2019, letter from Mr. Gittenmeier's cardiologist reports that his ICD was implanted in May of 2018, and that he denies any symptoms of palpitations, rapid heartbeat, shortness of breath, chest pains, syncope, or edema. His cardiologist reports that his most recent ejection fraction in 2018, was 40 percent.

Charles Huff

Mr. Huff is a commercial motor vehicle driver in Ohio. A July 2019, letter from his cardiologist reports that his ICD was implanted in 2012. Mr. Huff's cardiologist reports that he has episodes of non-sustained ventricular arrhythmia but has no countershock, that he had ATPs, (antitachycardia pacing) and that his ejection fraction is around 40 percent. Mr. Huff has an "Intrastate Only" Ohio Public Utilities Medical Examiner's Provisional Certificate that expires December 8, 2019. Mr. Huff seeks to operate a CMV in interstate commerce into the States of Indiana, Pennsylvania, and Michigan, for a distance of no more than 50 miles for a two-year period for each of the three States.

Brian Hullopeter

Mr. Hullopeter is a commercial motor vehicle driver in Minnesota. A July 2019, letter from his cardiologists reports that Mr. Hullopeter's ICD device was implanted in May of 2017, and has not deployed. His last echocardiogram showed normal left ventricular size and function.

Gaetano Letizia

Mr. Letizia is commercial driver in New Jersey. Letters dated July 2019, from his cardiologists report that Mr. Gaetano's CRT-ICD was implanted in September 2017, and over the past year he has not received any shocks or therapies from the defibrillator. His most recent June 2019, ejection fraction was measured between 35 and 40 percent. His cardiologist's letter reports that he is stable from a cardiac standpoint.

Corey Tugwell

Mr. Tugwell is a Class A CDL holder in Oklahoma. A September 2019, letter from Mr. Tugwell's cardiologist reports that his initial ICD implantation was in

July of 2011. His cardiologist reports that Mr. Tugwell has not had syncope for many years, and he has never demonstrated any life-threatening arrhythmias or received appropriate ICD shocks since initial implantation, that he has an ejection fraction of 50–55 percent, and his cardiomyopathy has resolved and his current risk of life-threatening arrhythmias or ICD shocks appears to be very low.

Thomas Daniel Worsley

Mr. Worsley is a commercial motor vehicle driver in Virginia. A July 2019, letter from Mr. Worsley's cardiologist reports that his biventricular pacemaker/ICD was implanted in October 2018, his ejection fraction is 52 percent, he is asymptomatic and physically very active. Mr. Worsley's cardiologist reports that he is at extremely low risk for any sudden cardiac death as he now has a normal ejection fraction and an implantable defibrillator which he states that by recent studies has been shown to work 99 percent of the time.

Request for Comments

In accordance with 49 U.S.C. 31136(e) and 31315(b), FMCSA requests public comment from all interested persons on the exemption petitions described in this notice. We will consider all comments received before the close of business on the closing date indicated under the **DATES** section of the notice.

DEPARTMENT OF TRANSPORTATION

Federal Transit Administration

[FTA Docket No. FTA 2019–0020]

Agency Information Collection Activity Under OMB Review

AGENCY: Federal Transit Administration, DOT.

ACTION: Notice of request for comments.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995, this notice announces that the Information Collection Requirements (ICRs) abstracted below have been forwarded to the Office of Management and Budget (OMB) for review and comment. The ICR describe the nature of the information collection and their expected burdens.

DATES: Comments must be submitted on or before December 5, 2019.

ADDRESSES: All written comments must refer to the docket number that appears at the top of this document and be submitted to the Office of Information and Regulatory Affairs, Office of Management and Budget, 725 17th Street NW, Washington, DC 20503, Attention: FTA Desk Officer. Alternatively, comments may be sent via email to the Office of Information and Regulatory Affairs (OIRA), Office of Management and Budget, at the following address: oira_submissions@omb.eop.gov.

Comments are Invited On: Whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Department's estimate of the burden of the proposed information collection; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology. A comment to OMB is best assured of having its full effect if OMB receives it within 30 days of publication of this notice in the **Federal Register**.

FOR FURTHER INFORMATION CONTACT: Tia Swain, Office of Administration, Management Planning Division, 1200 New Jersey Avenue SE, Mail Stop TAD–10, Washington, DC 20590 (202) 366–0354 or tia.swain@dot.gov.

SUPPLEMENTARY INFORMATION: The Paperwork Reduction Act of 1995 (PRA), Public Law 104–13, Section 2, 109 Stat. 163 (1995) (codified as revised at 44 U.S.C. 3501–3520), and its implementing regulations, 5 CFR part 1320, require Federal agencies to issue two notices seeking public comment on information collection activities before OMB may approve paperwork packages. 44 U.S.C. 3506, 3507; 5 CFR 1320.5, 1320.8(d)(1), 1320.12. On August 7, 2019, FTA published a 60-day notice (84 FR 38722) in the **Federal Register** soliciting comments on the ICR that the agency was seeking OMB approval. FTA received no comments after issuing this 60-day notice. Accordingly, DOT announces that these information collection activities have been re-evaluated and certified under 5 CFR 1320.5(a) and forwarded to OMB for review and approval pursuant to 5 CFR 1320.12(c).

Before OMB decides whether to approve these proposed collections of information, it must provide 30 days for public comment. 44 U.S.C. 3507(b); 5 CFR 1320.12(d). Federal law requires

OMB to approve or disapprove paperwork packages between 30 and 60 days after the 30-day notice is published. 44 U.S.C. 3507(b)–(c); 5 CFR 1320.12(d); *see also* 60 FR 44978, 44983, Aug. 29, 1995. OMB believes that the 30-day notice informs the regulated community to file relevant comments and affords the agency adequate time to digest public comments before it renders a decision. 60 FR 44983, Aug. 29, 1995. Therefore, respondents should submit their respective comments to OMB within 30 days of publication to best ensure having their full effect. 5 CFR 1320.12(c); *see also* 60 FR 44983, Aug. 29, 1995.

The summaries below describe the nature of the information collection requirements (ICRs) and the expected burden. The requirements are being submitted for clearance by OMB as required by the PRA.

Title: 49 U.S.C. Section 5337 State of Good Repair Program.

OMB Control Number: 2132–0577.

Type of Request: Renewal of a previously approved information collection.

Abstract: The State of Good Repair (SGR) Grants Program (49 U.S.C. 5337) provides financial assistance to public transit agencies that operate rail fixed-guideway and high-intensity motorbus systems for the maintenance, replacement, and rehabilitation of capital assets, along with the development and implementation of transit asset management plans. These funds reflect a commitment to ensuring that public transit operates safely, efficiently, reliably, and sustainably so that communities can offer balanced transportation choices that help to improve mobility, reduce congestion, and encourage economic development. Eligible recipients include state and local government authorities in urbanized areas with intensity fixed guideway systems and/or intensity motorbus systems operating at least seven years. Projects are funded at 80 percent federal with a 20 percent local match requirement by statute.

Respondents: Eligible recipients are state and local government authorities in urbanized areas with fixed guideway and high intensity motorbus systems in revenue service for at least seven years.

Estimated Annual Number of Respondents: 1,044.

Estimated Total Annual Burden: 13,217.

Frequency: Annually.
