SUPPLEMENTARY INFORMATION:

Title of Collection: Truth in Savings (Regulation DD) 12 CFR 1030.

OMB Control Number: 3170-0004.

Type of Review: Extension without change of a currently approved collection.

Affected Public: Private Sector.

Estimated Number of Annual Respondents: 144.

Estimated Total Annual Burden Hours: 625,187.¹

Abstract: Consumers rely on the disclosures required by the Truth in Savings Act (TISA) and Regulation DD to facilitate informed decision-making regarding deposit accounts offered at depository institutions. Without this information, consumers would be severely hindered in their ability to assess the true costs and terms of the deposit accounts offered. Federal agencies and private litigants use the records to ascertain whether accurate and complete disclosures of depository accounts have been provided to consumers. This information also provides the primary evidence of law violations in TISA enforcement actions brought by the Bureau. Without the Regulation DD recordkeeping requirement, the Bureau's ability to enforce TISA would be significantly impaired. This is a routine renewal of an existing information collection. The Bureau is not proposing any policy changed pursuant to this notice.

Request for comments: The Bureau issued a 60-day **Federal Register** notice on September 9, 2019, 84 FR 47264, Docket Number: CFPB-2019-0050. Comments were solicited and continue to be invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Bureau, including whether the information will have practical utility; (b) The accuracy of the Bureau's estimate of the burden of the collection of information, including the

validity of the methods and the assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Comments submitted in response to this notice will be reviewed by OMB as part of its review of this request. All comments will become a matter of public record.

Dated: November 14, 2019.

Paperwork Reduction Act Officer, Bureau of Consumer Financial Protection.

[Docket ID ED-2019-FSA-0133]

Privacy Act of 1974; Matching Program

AGENCY: Federal Student Aid, Department of Education.

ACTION: Notice of a New Matching Program.

SUMMARY: This provides notice of the establishment of the matching program between the U.S. Department of Education (Department) and the Department of Defense (DoD), which sets forth the terms, safeguards, and procedures under which the DoD will disclose data to the Department on service members deployed to areas that qualify for imminent danger pay (IDP) or hostile fire pay (HFP) as described in Defense Manpower Data Center Base (DMDC 01) System of Records Notice, routine use 15.b. Participating Agencies: The U.S. Department of Education and the U.S. Department of Defense.

Authority for Conducting the Matching Program: The Department's legal authority to enter into this

¹ The Bureau shares supervisory authority for Regulation DD with the Federal Reserve Board (12 CFR 1030, OMB No. 7100-0271), the Department of Treasury's Office of the Comptroller of the Currency (12 CFR 1030, OMB No. 1557-0176), and the Federal Deposit Insurance Corporation (12 CFR 230, OMB No. 3064-0084). The total estimated burden for all agencies is 749,982 hours for a total of 5,457 respondents.

matching program is section 455(o) of the HEA (20 U.S.C. 1087e(o)), and the Department is authorized to disclose records to DoD by subsection (b)(3) of the Privacy Act (5 U.S.C. 552a(b)(3)).

DoD's legal authority for this matching program is provided by section 455(o) of the HEA (20 U.S.C. 1087e(o)), and DoD is authorized to disclose records to the Department by subsection (b)(3) of the Privacy Act (5 U.S.C. 552a(b)(3)).

Purpose(s): The matching program will assist the Department in its obligation to ensure that borrowers who have loans first disbursed on or after October 1, 2008, made under the William D. Ford Federal Direct Loan Program (20 U.S.C. 1087a *et seq.*) or a TEACH grant first disbursed on or after October 1, 2008, under the TEACH Grant Program (20 U.S.C. 1070g *et seq.*), which are collectively referred to herein as "title IV loans", with outstanding balances receive the no-interest accrual benefit on their eligible title IV loans during the period of time they received IDP or HFP pay. The Department will proactively apply the no-interest accrual benefit to the borrower's eligible title IV loans and notify the borrower that, as a result of the matching program, the borrower does not need to submit further documentation of the borrower's eligibility for the benefit. The Department's notice also will inform the borrower that the Department will accept DoD matched information in lieu of the borrower's submission of DoD payroll documentation, thereby making it easier for the borrower to receive the no-interest accrual benefit.

Categories of Individuals: The matching program involves borrowers who have title IV loans with outstanding balances who are listed on the Servicemembers Civil Relief Act (SCRA) website at <https://scra.dmdc.osd.mil/scra/#/home> as military servicemembers and who are identified by DoD as being deployed to areas that qualify for IDP or HFP.

Categories of Records: The records to be used in the matching program are described as follows: The Department will disclose to DoD the name (first, middle and last), and Social Security Number (SSN) of borrowers from the National Student Loan Data System (NSLDS) (18-11-06) who the Department identifies as being military servicemembers via the SCRA website. DoD will then disclose to the Department the name (first middle and last), DOB, and SSN of all service members who served in a qualifying IDP or HFP deployment along with their beginning and ending deployment dates

and the total number of days deployed for each qualified deployment.

The Department will match the data elements of name, DOB, and SSN received from DoD with the Department's records on borrowers of title IV loans with balances on such loans.

System(s) of Records: The Department will disclose records to DoD from its system of records identified as "National Student Loan Data System (NSLDS)" (18-11-06), which was last published in full in the **Federal Register** on September 9, 2019 (84 FR 47265) pursuant to routine use (1)(a). The Department has determined that the NSLDS system of records notice contains appropriate routine use disclosure authority and that the use is compatible with the purpose for which the information is collected.

DoD will disclose records back to the Department from its system of records identified as "Defense Manpower Data Center Data Base (DMDC 01)", which was last published in full in the **Federal Register** on February 27, 2019 (84 FR 6383) and subsequently modified on April 16, 2019 (84 FR 15605), pursuant to routine use 15.b. DoD has determined that the DMDC 01 system of records notice contains appropriate routine use disclosure authority and that the use is compatible with the purpose for which the information is collected.

The Department will then match the information provided by DoD with records in the Department's NSLDS system of records.
