Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted,

including your personal information, will be available for public review.

Abstract of Proposed Collection

The Smart Traveler Enrollment Program (STEP) makes it possible for U.S. nationals to register on-line from anywhere in the world. In the event of a family emergency, natural disaster or international crisis, U.S. embassies and consulates rely on this registration information to provide registrants with critical information and assistance. One of the main legal authorities for use of this form is 22 U.S.C. 2715.

Methodology

Ninety-nine percent of responses are received via electronic submission on the internet. The service is available on the Department of State, Bureau of Consular Affairs website <http://travel.state.gov> at <https://step.state.gov/step/>. The paper version of the collection permits respondents who do not have internet access to provide the information to the U.S. embassy or consulate by fax, mail or in person.

Michelle Bernier-Toth,

Managing Director, Bureau of Consular Affairs, Department of State.

SURFACE TRANSPORTATION BOARD

[Docket No. FD 36186]

Texas Railway Exchange LLC—Construction and Operation Exemption—in Galveston County, Texas

AGENCY: Surface Transportation Board.

ACTION: Issuance of Draft Environmental Assessment; Request for comments.

SUMMARY: The Surface Transportation Board’s (Board’s) Office of Environmental Analysis (OEA) has prepared a Draft Environmental Assessment (Draft EA) in response to a petition for exemption filed on November 21, 2018 by Texas Railway Exchange LLC (TREX) to construct and operate an approximately 2,800-foot line of railroad in the City of Galveston, Galveston County, Texas. The proposed rail line would connect the Texas International Terminals facility (the Terminal) on Galveston Bay with an existing line of railroad operated by BNSF Railway Company by crossing an existing Union Pacific Railroad rail line. The proposed rail line would offer a new alternative rail transportation option for rail traffic entering and leaving the Terminal.

The Draft EA evaluates the potential environmental impacts of two alternative rail alignments, as well as the No-Action Alternative and preliminarily concludes that construction of the proposed rail line connection would have no significant environmental impacts if the Board imposes and TREX implements the recommended mitigation measures set forth in the Draft EA. The entire Draft
