

(“Plan”).⁴ The amendment adds LTSE as a Participant⁵ to the Plan. The Commission is publishing this notice to solicit comments on the amendment from interested persons.

I. Description and Purpose of the Plan Amendment

As noted above, the sole proposed amendment to the Plan is to add the Exchange as a Participant. On May 10, 2019, the Commission issued an order granting LTSE’s application for registration as a national securities exchange.⁶ A condition of the Commission’s approval was the requirement for LTSE to join the Plan.

Under Section II(c) of the Plan, any entity registered as a national securities exchange or national securities association under the Exchange Act may become a Participant by: (i) Executing a copy of the Plan, as then in effect; (ii) providing each then-current Participant with a copy of such executed Plan; and (iii) effecting an amendment to the Plan as specified in Section III(b) of the Plan. Section III(b) of the Plan sets forth the process for a prospective new Participant to effect an amendment of the Plan. Specifically, the Plan provides that such an amendment to the Plan may be effected by the new national securities exchange or national securities association by executing a copy of the Plan, as then in effect (with the only changes being the addition of the new Participant’s name in Section II(a) of the Plan and the new Participant’s single-digit code in Section VI(a)(1) of the Plan) and submitting such executed Plan to the Commission. The amendment will be effective when it is approved by the Commission in accordance with Rule 608 of Regulation NMS, or otherwise becomes effective pursuant to Rule 608 of Regulation NMS.

LTSE has executed a copy of the Plan currently in effect, with the only changes being the addition of its name in Section II(a) of the Plan and adding its single-digit code in Section VI(a)(1) of the Plan, and has provided a copy of the Plan executed by LTSE to each of the other Participants. LTSE has also submitted the executed Plan to the

Commission. Accordingly, all of the Plan requirements for effecting an amendment to the Plan to add LTSE as a Participant have been satisfied.

II. Effectiveness of the Proposed Plan Amendment

The foregoing Plan amendment has become effective pursuant to Rule 608(b)(3)(iii) of the Exchange Act⁷ because it involves solely technical or ministerial matters. At any time within sixty days of the filing of this amendment, the Commission may summarily abrogate the amendment and require that it be refiled pursuant to paragraph (a)(1) of Rule 608,⁸ if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or the maintenance of fair and orderly markets, to remove impediments to, and perfect the mechanisms of, a national market system or otherwise in furtherance of the purposes of the Exchange Act.

III. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the amendment is consistent with the Exchange Act. Comments may be submitted by any of the following methods:

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Exchange Rule 7.37 To Specify in Exchange Rules the Exchange’s Source of Data Feeds From NYSE American LLC

November 21, 2019.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (“Act”)² and Rule 19b–4 thereunder,³ notice is hereby given that on November 15, 2019, New York Stock Exchange LLC (“NYSE” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 7.37 to update the Exchange’s

source of data feeds from NYSE American LLC (“NYSE American”) for purposes of order handling, order execution, order routing, and regulatory compliance. The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to update and amend the use of data feeds table in Rule 7.37, which sets forth on a market-by-market basis the specific securities information processor and proprietary data feeds that the Exchange utilizes for the handling, execution, and routing of orders, and for performing the regulatory compliance checks related to each of those functions. Specifically, the table would be amended to reflect that the Exchange will receive a direct feed from NYSE American as its primary source of data for order handling, order execution, order routing, and regulatory compliance.

Rule 7.37 currently provides that the Exchange will utilize the securities information processor (“SIP”) data feed as its primary source for the handling, execution, and routing of orders, as well as for regulatory compliance. In connection with NYSE American’s elimination of its delay mechanism,⁴ the Exchange will begin using a direct feed from NYSE American as its primary data feed. To reflect this change, the Exchange proposes to amend the table in Rule 7.37(e) to specify that it will use a direct feed from NYSE American, rather than the SIP data feed, as the primary source for that market, and that the Exchange would use the SIP data

feed as a secondary source for that market.

The Exchange will implement this change on the same date that NYSE American eliminates its delay mechanism, which, subject to effectiveness of proposed rule changes, will be implemented in November 2019. The Exchange will announce this date via Trader Update.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Securities Exchange Act of 1934 (the “Act”),⁵ in general, and furthers the objectives of Section 6(b)(5),⁶ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system and, in general, to protect investors and the public interest. The Exchange believes its proposal to amend the table in Rule 7.37(e) to update the data feed source for NYSE American will ensure that Rule 7.37 correctly identifies and publicly states on a market-by-market basis all of the specific securities information processor and proprietary data feeds that the Exchange utilizes for the handling, execution, and routing of orders, and for performing the regulatory compliance checks for each of those functions. The proposed rule change also removes impediments to and perfects the mechanism of a free and open market and protects investors and the public interest by providing additional specificity, clarity, and transparency in the Exchange’s rules.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed change is not designed to address any competitive issue, but rather would provide the public and investors with up-to-date information about which data feeds the Exchange uses for the handling, execution, and routing of orders, as well as for regulatory compliance.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(6) thereunder.⁸ Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.⁹

A proposed rule change filed under Rule 19b-4(f)(6)¹⁰ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b4(f)(6)(iii),¹¹ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange represents that the proposal would correctly identify and publicly state on a market-by-market basis all of the specific network processor and proprietary data feeds that the Exchange utilizes for the handling, execution and routing of orders, and for performing the regulatory compliance checks to each of those functions. Further, the Exchange represents that the proposal would enhance the clarity and transparency in Exchange Rules. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public

⁷ 15 U.S.C. 78s(b)(3)(A).

⁸ 17 CFR 240.19b-4(f)(6).

⁹ In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange’s intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

interest, and hereby waives the operative delay and designates the proposed rule change as operative upon filing.¹²

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹³ of the Act to determine whether the proposed rule change should be approved or disapproved.

[Release No. 34-87594; File No. S7-24-89]

Consolidated Tape Association; Notice of Filing and Immediate Effectiveness of the Forty-Sixth Amendment to the Joint Self-Regulatory Organization Plan Governing the Collection, Consolidation and Dissemination of Quotation and Transaction Information for Nasdaq-Listed Securities Traded on Exchanges on an Unlisted Trading Privileges Basis

November 22, 2019.

Pursuant to Section 11A of the Securities Exchange Act of 1934 ("Act")¹ and Rule 608 thereunder,² notice is hereby given that on October 24, 2019,³ the Participants⁴ in the Joint Self-Regulatory Organization Plan Governing the Collection, Consolidation

and Dissemination of Quotation and Transaction Information for Nasdaq-Listed Securities Traded on Exchanges on an Unlisted Trading Privileges Basis ("UTP Plan" or "Plan") filed with the Securities and Exchange Commission ("Commission") a proposal to amend the UTP Plan. The amendment represents the Forty-Sixth Amendment to the Plan ("Amendment"). Under the Amendment, the Participants propose to add Long-Term Stock Exchange, Inc. ("LTSE") as a Participant to the Plan and effectuate changes that certain Participants have made to their names and addresses.

The proposed Amendment has been filed by the Participants pursuant to Rule 608(b)(3)(ii) under Regulation NMS⁵ as concerned solely with the administration of the Plan and as a "Ministerial Amendment" under Section XVI of the Plan. As a result, the Amendment becomes effective upon filing and was submitted by the Chair of the Plan's Operating Committee. The Commission is publishing this notice to solicit comments on the Amendment from interested persons. Set forth in Sections I and II is the statement of the purpose and summary of the Amendment, along with the information required by Rules 608(a) and 601(a) under the Act, prepared and submitted by the Participants to the Commission.

I. Rule 608(a)

A. Purpose of the Amendment

The above-captioned Amendment adds LTSE as a Participant to the UTP Plan and effectuates changes that certain Participants have made to their names and addresses, as set forth in Section I(A) of the UTP Plan and to update the listing of Participant identifying codes set forth in Section VIII(C) of the UTP Plan.

B. Governing or Constituent Documents

Not applicable.

C. Implementation of Amendment

Because the Amendment constitutes a "Ministerial Amendment" under Section XVI of the UTP Plan, the Chair of the UTP Plan's Operating Committee may submit the Amendment to the Commission on behalf of the Participants in the UTP Plan. Because the Participants designate the Amendment as concerned solely with the administration of the UTP Plan, the Amendment becomes effective upon filing with the Commission.
