

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Proceedings To Determine Whether To Approve or Disapprove SR–NYSEArca–2019–60, as Modified by Amendment No. 2, and Grounds for Disapproval Under Consideration

The Commission is instituting proceedings pursuant to Section 19(b)(2)(B) of the Act⁴⁴ to determine whether the proposed rule change should be approved or disapproved. Institution of such proceedings is appropriate at this time in view of the legal and policy issues raised by the proposed rule change. Institution of proceedings does not indicate that the Commission has reached any conclusions with respect to any of the issues involved. Rather, as described below, the Commission seeks and encourages interested persons to provide comments on the proposed rule change.

Pursuant to Section 19(b)(2)(B) of the Act,⁴⁵ the Commission is providing notice of the grounds for disapproval under consideration. The Commission is instituting proceedings to allow for additional analysis of the proposed rule change's consistency with Section 6(b)(5) of the Act, which requires, among other things, that the rules of a national securities exchange be "designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade," and "to protect investors and the public interest."⁴⁶

IV. Procedure: Request for Written Comments

The Commission requests that interested persons provide written submissions of their views, data, and arguments with respect to the issues identified above, as well as any other concerns they may have with the proposal. In particular, the Commission invites the written views of interested persons concerning whether the proposed rule change, as modified by Amendment No. 2, is consistent with Section 6(b)(5) or any other provision of the Act, or the rules and regulations thereunder. Although there do not appear to be any issues relevant to approval or disapproval that would be facilitated by an oral presentation of

views, data, and arguments, the Commission will consider, pursuant to Rule 19b–4, any request for an opportunity to make an oral presentation.⁴⁷

Interested persons are invited to submit written data, views, and arguments regarding whether the proposed rule change, as modified by Amendment No. 2, should be approved or disapproved by December 20, 2019. Any person who wishes to file a rebuttal to any other person's submission must file that rebuttal by January 3, 2020.

The Commission asks that commenters address the sufficiency of the Exchange's statements in support of the proposal, which are set forth in Amendment No. 2,⁴⁸ in addition to any other comments they may wish to submit about the proposed rule change. In particular, the Commission seeks commenters' views regarding whether the Exchange has adequately described and provided clear information relating to the Fund's proposed investments in derivatives for the Commission to make a determination under Section 6(b)(5) of the Act.

by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Cboe BZX Exchange, Inc. ("BZX" or the "Exchange") is filing with the Securities and Exchange Commission (the "Commission") a proposed rule change to amend paragraph (a) of Rule 11.1 to allow the Exchange to accept Stop Orders entered between 6:00 and 7:00 a.m. Eastern Time. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange's website (http://markets.cboe.com/us/equities/regulation/rule_filings/bzx/), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend paragraph (a) of Rule 11.1 to allow the Exchange to accept Stop Orders³ entered between 6:00 and 7:00 a.m. Eastern Time.

Paragraph (a) of Rule 11.1 provides that orders entered between 6:00 a.m. and 7:00 a.m. Eastern Time are not eligible for execution until the start of the Early Trading Session,⁴ Pre-Opening

Session⁵ or Regular Trading Hours,⁶ depending on the Time in Force selected by the User.⁷ Paragraph (a) also provides that the Exchange will not accept certain orders⁸ entered prior to 7:00 a.m. Eastern Time including BZX Market Orders⁹ that are not Eligible Auction Orders as defined in Rule 11.23(a)(8).¹⁰ BZX Market Orders that are not Eligible Auction Orders are rejected by the Exchange prior to 7:00 a.m. Eastern Time because BZX Market Orders are not eligible to trade prior to the start of Regular Trading Hours and such orders are generally not designated to queue for later entry onto the Exchange's order book. Rather, BZX Market Orders that are not Eligible Auction Orders are designed to immediately execute at the NBBO when the order reaches the Exchange, and thus are generally intended for entry during a trading session where continuous trading is occurring. Alternatively, other order types and modifiers, such as BZX Market Orders with a Time in Force of RHO and Limit Orders,¹¹ including Stop Limit Orders,¹²

⁵ See Exchange Rule 1.5(r).

⁶ See Exchange Rule 1.5(w).

⁷ See Exchange Rule 1.5(cc).

⁸ Specifically, Exchange Rule 11.1(a) provides that BZX Post Only Orders, Partial Post Only at Limit Orders, Intermarket Sweep Orders ("ISOs"), BZX Market Orders that are not Eligible Auction Orders as defined in Rule 11.23(a)(8), Minimum Quantity Orders that also include a Time in Force of Regular Hours Only, and all orders with a Time in Force of Immediate-or-Cancel ("IOC") or Fill-or-Kill ("FOK") are not accepted if entered prior to 7:00 a.m. Eastern Time.

⁹ A BZX Market Order is an "order to buy or sell a stated amount of a security that is to be executed at the NBBO when the order reaches the Exchange. BZX market orders shall not trade through Protected Quotations. . . BZX Market Orders are not eligible for execution during the Early Trading Session, Pre-Opening Session or the After Hours Trading Session." See Exchange Rule 11.9(a)(2).

¹⁰ Exchange Rule 11.23(a)(8) provides that the term "Eligible Auction Order" means any Market on Open ("MOO"), Limit on Open ("LOO"), Late Limit on Open ("LLOO"), Market on Close ("MOC"), Limit on Close ("LOC"), or Late Limit on Close ("LLOC") order that is entered in compliance with its respective cutoff for an Opening or Closing Auction, any Regular Hours Only ("RHO") order prior to the Opening Auction, any limit or market order not designated to exclusively participate in the Closing Auction entered during the Quote-Only Period of an IPO Auction subject to the below restrictions, and any limit or market order not designated to exclusively participate in the Opening or Closing Auction entered during the Quote-Only Period of a Halt Auction."

¹¹ A Limit Order is an "order to buy or sell a stated amount of a security at a specified price or better." See Exchange Rule 11.9(a)(1).

¹² A Stop Limit Order is "an order that becomes a limit order when the stop price is elected. A Stop Limit Order to buy is elected when the consolidated last sale in the security occurs at, or above, the specified stop price. A Stop Limit Order to sell becomes a sell limit order when the consolidated last sale in the security occurs at, or below, the specified stop price." See Exchange Rule 11.9(c)(17).

are allowed for entry on the Exchange between 6:00 and 7:00 a.m. Eastern Time as those order types and modifiers are consistent with an order designated to queue for later entry on to the Exchange's order book. Specifically, any RHO order entered prior to the Opening Auction meets the definition of an Eligible Auction Order,¹³ and BZX Market Orders with a Time in Force of RHO are effectively for use in the Opening Auction and are cancelled if not executed in the Opening Auction.¹⁴ Therefore, BZX Market Orders with a Time in Force of RHO would be queued until the start of the regular trading session for participation in the Opening Auction. Similarly, the stop price of a Stop Limit Order can only be triggered by a consolidated last sale eligible trade.¹⁵ Therefore, a Stop Limit Order would be queued until the time the stop price of the order is triggered by a consolidated last sale eligible trade occurring Regular Trading Hours.

As proposed, the amendment would allow the Exchange to accept Stop Orders entered between 6:00 and 7:00 a.m. Eastern Time, which is consistent with an order designated to queue for later entry on to the Exchange's order book. Similar to a Stop Limit Order, the stop price of a Stop Order can only be triggered by a consolidated last sale eligible trade.¹⁶ Therefore, a Stop Order can only become a BZX Market Order after at least the start of Regular Trading Hours. Further, Stop Orders entered on the Exchange between 6:00 and 7:00 a.m. Eastern Time would behave similar to Stop Limit Orders between the time of entry up to at least the start of Regular Trading Hours.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the "Act") and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.¹⁷ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)¹⁸ requirements that the rules of an exchange be designed to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating,

¹³ See *supra* note 12.

¹⁴ An order with a Time in Force of RHO is a limit or market order that is designated for execution only during Regular Trading Hours, which includes the Opening Auction and Closing Auction. See Exchange Rule 11.9(b)(7).

¹⁵ See *supra* note 11.

¹⁶ See *supra* note 3.

¹⁷ 15 U.S.C. 78f(b).

¹⁸ 15 U.S.C. 78f(b)(5).

³ A Stop Order is an order that becomes a BZX market order when the stop price is elected. A Stop Order to buy is elected when the consolidated last sale in the security occurs at, or above, the specified stop price. A Stop Order to sell is elected when the consolidated last sale in the security occurs at, or below, the specified stop price. See Exchange Rule 11.9(c)(16).

⁴ See Exchange Rule 1.5(ee).

clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

As discussed above, all Stop Orders are designed to queue until at least the start of Regular Trading Hours as such orders are only eligible to be elected based on the consolidated last sale set during Regular Trading Hours. Therefore, the proposed amendment to allow the entry of Stop Orders between 6:00 and 7:00 a.m. Eastern Time would not allow such Stop Orders to be elected and execute prior to the start of Regular Trading Hours. Prior to the start of Regular Trading Hours, Stop Orders entered between 6:00 and 7:00 a.m. Eastern Time would behave similar to Stop Limit Orders entered during that time. Therefore, the Exchange believes the proposed amendment would consistently allow order types and modifiers that are consistent with orders designated to queue to be entered on the Exchange between 6:00 and 7:00 a.m. Eastern Time.

Additionally, the Exchange believes the proposed amendment would allow Members the convenience to enter all Stop Orders and Stop Limit Orders between 6:00 and 7:00 a.m. Eastern Time without those orders being eligible for election, and consequently execution, until at least the start of the Regular Trading Hours. Thus, the proposed amendment would provide Members with both greater convenience and flexibility in managing their Stop Orders and Stop Limit Orders without impacting how those orders trade.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Rather, the proposed rule change would consistently allow for the entry of order types and modifiers that are designated to queue between 6:00 and 7:00 a.m. Eastern Time. Stop Limit Orders are currently allowed for entry on the Exchange between 6:00 and 7:00 a.m. Eastern Time and behave similar to the manner in which a Stop Order would behave prior to the start of Regular Trading Hours if allowed entry during

that time. The Exchange therefore believes that the proposed rule change would increase consistency around the operation of the Exchange to the benefit of Members and investors as well as provide greater flexibility to Members in managing their Stop Orders, without imposing any significant burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not:

- (i) Significantly affect the protection of investors or the public interest;
- (ii) impose any significant burden on competition; and
- (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁹ and Rule 19b-4(f)(6)²⁰ thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.
