

change substantive standards for appeals and motions, just the procedural steps and evidence for filing.

### Comments

You may access the information collection instrument with instructions, or additional information by visiting the Federal eRulemaking Portal site at: <http://www.regulations.gov> and enter USCIS-2008-0027 in the search box. Regardless of the method used for submitting comments or material, all submissions will be posted, without change, to the Federal eRulemaking Portal at <http://www.regulations.gov>, and will include any personal information you provide. Therefore, submitting this information makes it public. You may wish to consider limiting the amount of personal information that you provide in any voluntary submission you make to DHS. DHS may withhold information provided in comments from public viewing that it determines may impact the privacy of an individual or is offensive. For additional information, please read the Privacy Act notice that is available via the link in the footer of <http://www.regulations.gov>.

Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

### Overview of This Information Collection

(1) *Type of Information Collection:* Revision of a Currently Approved Collection.

(2) *Title of the Form/Collection:* Notice of Appeal or Motion.

(3) *Agency form number, if any, and the applicable component of the DHS*

*sponsoring the collection:* I-290B; USCIS.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Individuals or households. Form I-290B standardizes requests for appeals and motions and ensures that the basic information required to adjudicate appeals and motions is provided by applicants and petitioners, or their attorneys or representatives. USCIS uses the data collected on Form I-290B to determine whether an applicant or petitioner is eligible to file an appeal or motion, whether the requirements of an appeal or motion have been met, and whether the applicant or petitioner is eligible for the requested immigration benefit. Form I-290B can also be filed with ICE by schools appealing decisions on Form I-17 filings for certification to ICE's Student and Exchange Visitor Program (SEVP).

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* The estimated total number of respondents for the information collection I-290B is 28,000 and the estimated hour burden per response is 1.5 hours.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total estimated annual hour burden associated with this collection is 42,000 hours.

(7) *An estimate of the total public burden (in cost) associated with the collection:* The estimated total annual cost burden associated with this collection of information is \$8,652,000.

Dated: November 29, 2019.

**Kathy Nuebel Kovarik,**

*Acting Deputy Director, U.S. Citizenship and Immigration Services, Department of Homeland Security.*

### Public Land Order No. 7890, Extension of Public Land Order No. 7419; Nevada

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Public Land Order.

**SUMMARY:** This Public Land Order (PLO) extends the duration of the withdrawal created by PLO No. 7419, issued effective December 9, 1999, for an

additional 20-year term. The extension is necessary for the Department of the Air Force (DAF), Nellis Air Force Base (AFB), to continue providing safety buffers from potentially hazardous areas, protect populated areas, and comply with Department of Defense Directive No. 6055.09E regarding ammunition and explosive safety standards on lands adjacent to the Live Ordnance Loading Areas at Nellis AFB, northeast of Las Vegas, Clark County, Nevada. The safety buffer zone includes security patrol roads and a security checkpoint.

**DATES:** This PLO takes effect on December 10, 2019.

**FOR FURTHER INFORMATION CONTACT:** Tom Seley, Project Manager, at email [tseley@blm.gov](mailto:tseley@blm.gov) or call 702-515-5293; Bureau of Land Management, Southern Nevada District Office, 4701 North Torrey Pines Drive, Las Vegas, NV 89130. Persons who use a telecommunications device for the deaf may call the Federal Relay Service (FRS) at 1-800-877-8339 to leave a message or question for the above individual. The FRS is available 24 hours a day, 7 days a week. You will receive a reply during normal business hours.

**SUPPLEMENTARY INFORMATION:** This Order extends the existing withdrawal to continue its protective purpose and reserve the lands for use by the DAF, Nellis AFB.

### Order

By virtue of the authority vested in the Secretary of the Interior by Section 204(f) of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1714(f), it is ordered as follows:

1. Public Land Order No. 7419 (64 FR 69025 (1999)), which withdrew public lands from settlement, sale, location, or entry under the United States mining laws but not from leasing under the mineral leasing laws for the DAF Nellis AFB, with the legal land description amended as described in the November 19, 2018, **Federal Register** notice of withdrawal application (83 FR 58282), is hereby extended for a period of 20 years.

2. This withdrawal extended by this Order will expire on December 9, 2039, unless, as a result of a review conducted prior to the expiration date pursuant to Section 204(f) of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1714(f), the Secretary determines that the withdrawal shall be further extended.

Dated: December 2, 2019.

#### **Notice of Availability of the Final Supplemental Environmental Impact Statement for the United States Gypsum Company Mine Expansion/Modernization Project, Imperial County, CA**

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of availability.

**SUMMARY:** In accordance with the National Environmental Policy Act of 1969, as amended, the Bureau of Land Management (BLM) has prepared a Final Supplemental Environmental Impact Statement (EIS) analyzing the potential impacts of the United States Gypsum Company (USG) Mine Expansion and Modernization Project (Project), and by this notice is announcing its availability.

**DATES:** The BLM will not issue a final decision on the proposal for a minimum of 30 days after the date that the Environmental Protection Agency publishes its Notice of Availability in the **Federal Register**.

**ADDRESSES:** Copies of the Final Supplemental EIS are available for public inspection in the BLM El Centro Field Office at 1661 S 4th St, El Centro, CA 92243; at the BLM-California Desert District Office, 22835 Calle San Juan de los Lagos, Moreno Valley, CA 92553; and electronically on the project website: <https://bit.ly/2QiGK0m>.

Compact disc copies of the Final Supplemental EIS are available by request.

**FOR FURTHER INFORMATION CONTACT:** Miriam Liberatore, BLM Project Manager, by telephone at (541) 618-2400; by mail at Bureau of Land Management, Medford District Office, 3040 Biddle Road, Medford, OR 97504; or by email at [mliberat@blm.gov](mailto:mliberat@blm.gov).

Persons who use a telecommunications device for the deaf (TDD) may call the Federal Relay Service (FRS) at 1-800-877-8339 to contact Ms. Liberatore during normal business hours. The FRS is available 24

hours a day, 7 days a week, to leave a message. You will receive a reply during normal business hours.

**SUPPLEMENTARY INFORMATION:** The Project is located in southwestern Imperial County, California, and involves both the Plaster City Wallboard Plant (processing plant) and Plaster City Quarry (quarry). The processing plant is located on Evan Hewes Highway approximately 18 miles west of the city of El Centro. The quarry is located on Split Mountain Road approximately 26 miles northwest of Plaster City. Both sites are located within the BLM's California Desert Conservation Area.

A joint Draft Environmental Impact Report/Environmental Impact Statement (EIR/EIS) was published in 2006, and a Final EIR/EIS was published in 2008. The BLM did not issue a Record of Decision and the United States Army Corps of Engineers (USACE) was not a party to the EIR/EIS. This Supplemental EIS revises and supplements the 2008 Final EIR/EIS, updating conditions and effects that have changed since 2008, and includes the USACE and the United States Environmental Protection Agency (USEPA) as Cooperating Agencies.

Certain aspects of the Project originally analyzed in the 2006 Draft EIR/EIS and 2008 Final EIR/EIS have been implemented under the conditions and approvals provided by Imperial County and were not subject to the jurisdiction of the BLM or the USACE. The BLM will use the Final Supplemental EIS to support its decisions on the Mining Plan of Operations and on rights-of-way (ROW) applications to construct, operate, maintain, and decommission: (a) A new water line with associated buried electrical service between the quarry and a proposed new well (CACA-56477); (b) A new water line between US Gypsum's processing plant and the Imperial Irrigation District (IID) Westside Main Canal; and (c) A replacement line between USG's processing plant and existing wells in Ocotillo (CACA-44014).

The USACE will use the Final Supplemental EIS to support its decision on an application by USG for a permit under Section 404 of the Clean Water Act (CWA). The USEPA has authority to review projects requiring a CWA 404 permit, but does not have a direct permitting role in the project.

The Final Supplemental EIS considers the Proposed Action, a No-Action Alternative, and six action alternatives. Alternative 1, Proposed Action, would expand the quarry as described in the Mining Plan of Operations, replace the existing water line, and install a new

water line between the quarry and the new well. Alternative 2, No Action, would continue operations as they currently are permitted without expanding the quarry or replacing the existing water line. Alternative 3, Partial IID Water Supply, would provide for a new water line between the processing plant and the IID Westside Main Canal to partially replace processing water from a groundwater source with a surface water source. Alternative 4, Full IID Water Supply, would fully replace the processing water with surface water. Alternatives 5 through 8 are variations on the mining plan proposed in the Mining Plan of Operations. The BLM has selected Alternative 3, Partial IID Water Supply, as the Agency-Preferred Alternative in the Final Supplemental EIS.

The BLM published a Notice of Availability of the Draft Supplemental EIS in the **Federal Register** on July 19, 2019, announcing a 45-day public comment period (84 FR 34924). The BLM held a public-comment meeting on August 5, 2019. Seven individuals attended the meeting. The BLM received 13 comment letters during the comment period. Following the public comment period, comments were used to inform the Final Supplemental EIS. The BLM responded to substantive comments and made appropriate revisions to the document, or explained why a comment did not warrant a change. Comments did not result in substantive changes to effects analysis, findings or conclusions.
