#### SUPPLEMENTARY INFORMATION:

*Title:* Pistachios Grown in California, Arizona, and New Mexico, Marketing Order No. 983.

*OMB Number:* 0581–0215.

*Expiration Date of Approval:* June 30, 2020.

*Type of Request:* Extension and revision of a currently approved information collection.

*Abstract:* Under the Agricultural Marketing Agreement Act of 1937 (AMAA), as amended (7 U.S.C. 601–674), fresh fruits, vegetables, and specialty crop industries can enter into marketing order programs which provide an opportunity for producers, in a specified production area, to work together to solve marketing problems that cannot be solved individually. The Secretary of Agriculture is authorized to oversee the marketing order's operations and issue regulations recommended by a committee of representatives from each commodity industry.

The Specialty Crops Program is part of the larger AMS, and is responsible for overseeing Federal marketing order operations.

This notice pertains to the Federal marketing order regulating the handling of pistachios grown in California, Arizona, and New Mexico (7 CFR part 983), hereinafter referred to as the "Order." The Order authorizes grade and size requirements, as well as a requirement for aflatoxin testing on domestic shipments only.

The Administrative Committee for Pistachios (Committee) locally administers the Order that requires

handlers to submit certain information to the Committee to effectively implement program requirements, fulfill the intent of the AMAA, and assist the industry in carrying out marketing decisions. Only authorized employees of the Committee, and authorized representatives of the USDA have access to information provided on the forms.

Requesting public comments on the forms described below is part of the process to obtain approval through the Office of Management and Budget (OMB).

The forms needing OMB approval are contained in OMB No. 0581–0215 and include Committee nominations and ballots for producers (SC–245 and SC–246) and handlers (SC–245A and SC–244); background statements for Committee nominees (SC–243); marketing agreement (SC–242); and referendum (SC–240A) and continuance ballots (SC–240).

There are also forms to report assessment receipts (ACP–1), notify for failed lot dispositions (ACP–2), apply for exemption from handling requirements (ACP–3), request for minimal testing for aflatoxins (ACP–4), report inter-handler transfers (ACP–5), provide monthly inventory and shipment data (ACP–6), and submit lists of producers and deliveries (ACP–7).

In this renewal, the Committee suggested modifications to forms to streamline the process of pistachio handlers reporting information. The Failed Lot Notification (ACP–2) was combined with the Failed Lot Disposition and Rework Report (ACP–3) to make a new ACP–2 form. The remaining ACP forms were renumbered to maintain sequential order.

*Estimate of Burden:* Public reporting burden for this collection of information is estimated to average 0.28 hours per response.

*Respondents:* Pistachio producers, handlers, and testing laboratories.

*Estimated Number of Respondents:* 1220.

*Estimated Number of Responses:* 1959.37.

*Estimated Number of Responses per Respondent:* 1.61.

*Estimated Total Annual Burden on Respondents:* 540.29 hours.

*Comments:* Comments are invited on: (1) Whether the proposed collection of the information is necessary for the proper performance of the functions of

the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

#### Request for information: Self-Determination Demonstration Project for Tribes That Administer the Food Distribution Program on Indian Reservations

**AGENCY:** Food and Nutrition Service (FNS), USDA.

**ACTION:** Notice; request for information

**SUMMARY:** This is a Request for Information to help the Secretary of the U.S. Department of Agriculture (the Secretary or USDA) develop the additional criteria, as authorized in the Agriculture Improvement Act of 2018, for a self-determination demonstration project related to the purchase of agricultural commodities for the Food Distribution Program on Indian Reservations (FDPIR). USDA requests feedback from Indian Tribal Organizations (ITOs) and State agencies that administer FDPIR, Tribal leaders and representatives, and Tribal associations. This notice is not a request for proposal and does not commit the Government to issue a solicitation, make an award, or pay any costs associated with responding to this announcement. All submitted information shall remain with the Government and will not be

returned. All responses will become part of the public record and will not be held confidential.

USDA received authority in section 4003(b) of the Agriculture Improvement Act of 2018 (Pub. L. 115-334, the 2018 Farm Bill) to establish a demonstration project for one or more Tribal Organization(s) administering FDPIR to enter into self-determination contracts to purchase agricultural commodities (which are hereafter referred to as "food(s)") for the FDPIR food package for their Indian Tribe. These Tribally purchased foods will be issued to FDPIR participants in lieu of similar USDA Foods available in the FDPIR food package. The 2018 Farm Bill authorizes up to \$5 million to remain available until expended to carry out this demonstration project; however, availability of funds is subject to Congressional appropriations.

The objective of this Request for Information is to receive feedback to assist USDA in developing the process and criteria for determining if a FDPIR Tribal Organization is eligible for a self-determination demonstration project contract, as specified in the 2018 Farm Bill under Section 4003(b)(3). USDA invites comments on specific questions included in this Request for Information (see **SUPPLEMENTARY INFORMATION**) and welcomes comments from those involved in the administration of FDPIR, Tribal leaders and representatives, and Tribal associations. USDA will use the comments in response to this Request for Information to inform the competitive process for entering into a self-determination contract(s) as required by Section 4003(b)(2) of the 2018 Farm Bill, upon receipt of Congressional appropriations. **DATES:** To be assured of consideration, written comments must be submitted or postmarked on or before February 10, 2020.
