EXPORT-IMPORT BANK

[Public Notice: 2019-6028]

Agency Information Collection Activities: Comment Request

AGENCY: Export-Import Bank of the United States.

ACTION: Submission for OMB review and comments request.

SUMMARY: The Export-Import Bank of the United States (EXIM Bank), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal Agencies to comment on the proposed information collection, as required by the Paperwork Reduction Act of 1995.

DATES: Comments must be received on or before February 11, 2020 to be assured of consideration.

ADDRESSES: Comments may be submitted electronically on WWW.REGULATIONS.GOV or by mail to Smaro Karakatsanis, Export-Import Bank of the United States, 811 Vermont Ave. NW, Washington, DC 20571.

SUPPLEMENTARY INFORMATION: The Export-Import Bank has made changes to the form to reflect an application process decoupled from the SBA's export working capital program. EXIM will also be moving forward to an

electronic application submission process, which results in a stand-alone application versus the previous joint application with the SBA. Therefore, all references and information previously required from the SBA have been removed. There is one material change in the application to reflect EXIM's local cost support on short-term transactions, including working capital. Local costs are costs incurred in the buyer's country (i.e. local delivery, installation, taxes), eligible for EXIM cover, provided that: U.S. content requirements are met; included within the contracts; do not exceed 15% of export contract; and no local goods are included. Therefore, three questions are added to the application: Are local costs to be included under the working capital loan facility; if yes, how much in terms of USD or percentage per contract or invoice; and what is the nature of the local costs to be supported?

The application tool can be reviewed at: <https://www.exim.gov/sites/default/files/pub/pending/eib84-01.pdf>.

Title and Form Number: EIB 84-01 Application for Export Working Capital Guarantee.

OMB Number: 3048-0013.
