

action. The interagency Section 301 Committee held a public hearing on February 15 and 16, 2017, and received public comments in connection with the request.

Following the initiation of this proceeding, the United States entered into negotiations with the EU to address U.S. concerns with the operation of the HQB TRQ. The negotiations concluded successfully, with an agreement to allocate most of the HQB TRQ to the United States. On August 2, 2019, the EU and United States signed the *Agreement on the Allocation to the United States of a Share in the Tariff Rate Quota for High Quality Beef Referred to in the Revised MOU Regarding the Importation of Beef from Animals Not Treated with Certain Grown-promoting Hormones and Increased Duties Applied by the United States to Certain Products of the European Union*. Pursuant to this agreement, the EU will allocate to the United States 35,000 metric tons of the 45,000 metric tons HQB TRQ established under the 2009 U.S.-EU Beef MOU. The agreement is scheduled to go into effect on January 1, 2020.

B. Determination Not To Reinstate Action

In light of the successful negotiation to allocate the HQB TRQ established by the 2009 U.S.-EU Beef MOU, the U.S. Trade Representative has decided to conclude this proceeding under Section 306(c) of the Trade Act with a determination not to reinstate action, effective January 1, 2020. This determination has been made in consultation with the U.S. beef industry, and in accordance with the advice of the interagency Section 301 committee.

The United States continues to have an authorization to suspend concessions in connection with the dispute *EC-Measures Concerning Meat and Meat Products*. The U.S. Trade Representative will continue to monitor EU implementation of the MOU and other developments affecting market access for U.S. beef products. If implementation of the MOU and other developments do not proceed as contemplated, the Trade Representative may consider additional actions under Section 301 of the Trade Act.

Joseph Barloon,

General Counsel, Office of the U.S. Trade Representative.
